Funding Your Future

- **Federal Pell Grant**
- **Federal Supplemental Edu. Opportunity Grant**
- **Oregon Opportunity Grant**
- **Federal Direct Stafford Loans**—Guaranteed loans with a fixed interest rate; approval is not based on credit, eligibility is based on the number of semester credit hours a student has completed. Students that are in default on outstanding student loans may not be eligible to request additional Stafford funds. There are two Stafford Loans available to qualifying students:
 - **Subsidized Loans**—Available to students demonstrating need. These loans do not accrue interest while the student is enrolled in school. The interest rate during the repayment period is 4.5% and 6.8%.**
 - **Unsubsidized Loans**—Not based on need. These loans accrue interest at a fixed 6.8% interest rate. *Dependent students will not automatically qualify for Unsubsidized Loans.*
- **Federal Direct PLUS Loans**—Parent Loans for Undergraduate Students (PLUS) are available for parents of dependent students. Loans are based on credit approval and amounts vary up to the cost of attendance. The interest rate is fixed at 7.9%.
- **Employer Reimbursement**—Many employers reimburse for approved degree-seeking coursework. Check with your human resource office.
- **Military Benefits**—Military benefits vary and depend on your military service. Contact Veteran's Affairs at 1-888-442-4551 or visit <http://www.gibill.va.gov/>.

**Undergraduate % and Graduate %, respectively.
