WELCOME FROM THE PRESIDENT

Dear Parent,

Welcome to Warner Pacific College! You may think it strange that I am welcoming you, when it is your student who will be joining us on campus, but we see you as an integral part of this college journey as well.

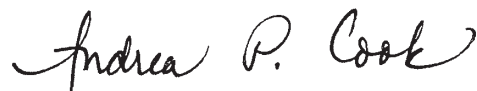

Warner Pacific College is a place where your student will receive an excellent education and be encouraged to grow spiritually, personally and socially. We believe that the best education takes place in a framework that challenges students with rigor within the context of strong relationships.

Our faculty and staff are ready to educate, serve, challenge, and love your student as he or she develops a clear sense of their identity and the calling for his or her life. We count it a tremendous privilege to walk with your student and you in this phase of the journey.

We believe that God has called Warner Pacific College to educate and prepare students from diverse backgrounds to be equipped to address the challenges they will encounter in their lives of work and service. We do much of this through great teaching, strong campus community involvement, spiritual formation and engagement in serving our city. Warner Pacific is “in the city, for the city.”

You will find our campus offers a strong sense of community and inclusion, and helps students gain a sense of responsibility and accountability in their lives. I hope you will join us when possible to engage in activities in which your student is involved, whether athletics, music, theatre or chapel.

I count it a tremendous privilege to know and serve your students and I look forward to knowing you as well.

Andrea P. Cook
President

HOW TO ENGAGE YOUR STUDENT

Be available, but not intrusive.

Give them some space in this transition, but don't leave them hanging. Communication is important, but the frequency and type of your communication may change. Figure out what works for you and your student.

Let Go.

Give them some freedom to explore their independence. You raised your student to be strong and confident. Give your student the opportunity to live into that. Encourage them to be fully invested here because investment leads to persistence.

Encourage problem solving.

It's likely that your student will call you as soon as they hit a road block. Resist the temptation to step in and "fix" the problem, instead challenge them to take action leading to a solution.

Allow your student to change.

Becoming an adult requires change, and change is a process with many ups and downs. Have faith that your pre-college parenting will guide them. Trust the process.

Let your student make mistakes.

Your student will make mistakes. Engage your student's mistakes with accountability and love, allowing them to explore their questions without panicking.

Pray for your student.

College can be challenging, and prayer is powerful. Your prayerful approach will influence them.

Trust that your student is in good hands.

The faculty and staff at Warner Pacific College are deeply committed to challenging and supporting your student. We care greatly about their personal well-being and development and have dedicated our lives to this work.

YOUR RELATIONSHIP WITH WARNER PACIFIC COLLEGE

As the director of Alumni, Church and Parent relations, it is my honor to serve parents and families as well as students during their educational journey at Warner Pacific College. Transitions can be tough, even in the best of circumstances. Often times emotions are mixed between wanting your young adult to stay close and protected, and realizing how important it is to let go and let your student enter a more independent state. It's natural to experience this tension.

You are so important in this challenging transition. I encourage you to remain interested but not intrusive. Here are several ways you can continue to be involved with your student.

- Share a meal in the dining hall occasionally

If you have a question and don't know who to ask, contact me and we'll figure out the best course of action. Included in this publication is a listing of resources and numbers for your convenience, but you are welcome get in touch with me. It can seem a little confusing at times, and I want to help you enjoy the college experience as much as possible from the parent perspective.

Bless you as we enter this new partnership and academic year,

Cindy Pollard
Director of Alumni, Church and Parent Relations

One of the trademarks of a liberal arts college is our interest in the holistic development of students. The Office of Student Affairs exists to facilitate the “outside of the classroom” aspects of your student’s college experience. This means, creating opportunities for students to engage in every dimension of college life. Student Affairs exists to challenge and support students through this journey.

ACADEMIC SUPPORT SERVICES

The Warner Pacific College Academic Support Services offers a number of resources that exist to promote student success in the classroom. Some of the resources provided are academic mentoring, counseling, tutoring, study tables, and individual learning consultations. There is no additional fee for these services to WPC students. If your student seems to be struggling with academics, encourage your student to visit Academic Support as this department is committed to supporting students through their academic journey.

CAMPUS MINISTRIES

The mission of Warner Pacific College’s Campus Ministries Department is to nurture a grace-filled, worshipping community by creating a place to develop character, spirituality, and service. This is done by uniting diverse people and by equipping one another to serve within and beyond the Warner Pacific College community. Often, college is a place for students to explore their spirituality and reflect on their religious traditions. This can be an intense time of spiritual awakening which can lead to a deeper understanding of one’s faith in Christ. The Campus Ministries team is committed to aiding in each student’s spiritual maturing regardless of one’s faith tradition. The Office of Campus Ministries includes the following components:

Chapel

- Community chapel services provide an opportunity for the Warner Pacific College members to come together to celebrate, learn, and grow in unity as a Christian faith community. This program is central for our community. Community chapel meets in McGuire Auditorium every Tuesday and Thursday from 10:30 a.m. – 11:20 a.m.
- Student-Led Chapel – *Catacombs*, a student-led worship time is offered weekly, and is coordinated by the ASWPC Student Chaplain. This chapel provides students with an opportunity to preach, teach and lead worship.

Small Groups

- Connection groups are an opportunity to connect with other students and staff, develop meaningful relationships and grow academically, spiritually and interpersonally.
- Bible study groups are also provided for those students who wish to study and apply specific biblical principles.

Church Life

Participation and attendance in a local church body is encouraged and modeled by leaders.

SERVICE LEARNING

Warner Pacific College values students developing compassion for others. One of the most pivotal ways that students experience this is through Service Learning. Warner Pacific defines service as: Work that is done to the benefit of those who are within our personal proximity and experiencing poverty in some way. Service at Warner Pacific is more than volunteerism. It requires students to get off campus and engage in the community outside of Warner Pacific.

A number of service experiences are provided each semester so that students aren't expected to come up with all of their opportunities on their own. If your student is having difficulty filling their service hours, direct them to direct them to Service Learning Coordinator Eli Ritchie or Retention Coordinator, Jael Chambers.

Eli Ritchie | Smith Hall | 503-517-1088 | eritchie@warnerpacific.edu
Jael Chambers | Smith Hall | 503-517-1098 | jchambers@warnerpacific.edu

FAITH AND SERVICE COMMITMENT

All students enrolled in 12 or more credit hours are expected to participate in the Faith and Service Commitment Program.

Residential Student

- Required to attend 15 chapels each semester; roughly half of the chapels offered
- Required to complete 10 service hours

Commuter Student

- Required to have a combination of chapels and service hours that equal 25
- Must have a minimum of five chapels and five service hours

EACH STUDENT LACKING CHAPEL AND SERVICE COMMITMENTS WILL BE FINED \$10 PER COMMITMENT MISSED WITH A MAXIMUM FINE OF \$200 EACH SEMESTER. THIS FINE IS BILLED TO THE INDIVIDUAL STUDENT ACCOUNT.

CAREER AND LIFE COUNSELING

Where do students go when the going gets tough? How do they find their vocation? How do they decide what major to choose? Who will they talk to when they've gone through a rough break up? The Career and Life Counseling Center exists to handle these and many other scenarios that students may encounter. The Caldwell House not only provides a comfortable place to relax in-between or after classes, it is also a place dedicated to supporting students as they identify their interests, talents, and skills and as they explore potential career paths. The Career and Life Counseling Center is also dedicated to helping students remove obstacles along the way. Whether these obstacles are financial, physical, social, or personal, a visit to the Caldwell House is a good place to start when looking for solutions. The Caldwell House specializes in career counseling, life counseling and support for students with diagnosed disabilities.

LEADERSHIP DEVELOPMENT AND STUDENT PROGRAMS

It is our desire that students will make the most of their experience at Warner Pacific College. There are many opportunities for involvement on and off campus. Leadership Development is here to encourage students to identify their passions and strengths and to get involved! We encourage students to develop their leadership skills and to become people of character and integrity, ultimately resulting in your success both in college and beyond.

There are several ways for students to become involved in student leadership at Warner Pacific College. They include, but are not limited to: Knights, tutoring, Student Government, College Activities Board, Residence Life, Campus Ministries, United Image, Admissions, and several clubs and institutional committees.

Students interested in hearing more about campus organizations and involvement can request information from the Office of Leadership Development and Student Programs.

ASWPC Student Government

The Warner Pacific College Student Government is responsible for the budgeting of the Student Body fee collected from each student taking 6 or more credits a semester, advocating for students and appointing interested students to various committees on campus for student representation. For a complete list of all student committees, see the ASWPC website: <http://www.warnerpacific.edu/student-government>.

The purpose of Student Government is to organize an active voice expressing student sentiment for the control of all matters of general student concern and to develop a spirit of Christian fellowship and service.

Student Government is the representative board through which the student body acts on all matters pertaining to student rights and responsibilities. Membership in Student Government is comprised of six officers that are elected or appointed for one-year terms. They operate under the guidance of the Student Government By-laws. Student Government is the umbrella organization for all clubs on campus as well as Student Senate.

Student Senate

The Student Senate is comprised of student representatives from every area on campus. Membership on the Student Senate is determined by the Student Government Vice President. It consists of members of every student group on campus. It exists to support the purposes of the ASWPC, by the following:

- Fostering adequate representation of the student body by providing an accessible venue for a diverse range of students to become active in the processes governing ASWPC
- Creating increased opportunity for communication and collaboration across student groups
- Providing a central place for communication between the Student Government and its constituents

- Fostering the personal development of its members as servant leaders; and
- Cultivating a spirit of Christian fellowship and service within Warner Pacific College in support of the current Squire Student Handbook

College Activities Board

The Warner Pacific College Activities Board is a vehicle designed to build campus-wide unity through quality activities and services for the student body. The goal of CAB is to help students get acquainted, involved and invested in the Warner Pacific Community.

CAB coordinates and administrates student programming on campus. Membership in CAB is comprised of five officers who are elected or appointed for one-year terms. CAB understands that social, physical and educational activities play an important role in a students' overall experience and that they are key to developing a strong sense of community on campus. Student activities help shape attitudes, affect one's readiness to learn, and impact the quality of the college experience. CAB is responsible for organizing programs including intramurals, outdoor recreation, special events and the Student Union Building (SUB). These activities are student-led, enabling students to be involved in the planning and leadership of campus-wide programming. For more information, visit the CAB website at <http://www.warnerpacific.edu/college-activities-board>.

COMMUTER STUDENT SERVICES

Nearly half of the students that attend Warner Pacific College commute from home. Warner Pacific College offers many resources that are beneficial to commuter students.

The Commuter Representative on CAB is responsible for providing programs and resources that are designed to integrate commuter students into the community. If your student is a commuter and wants to get involved, direct them to Commuter representative, Charli Bolt, at cbolt@warnerpacific.edu.

Charli Bolt | SUB | 503-517-1239 | cbolt@warnerpacific.edu

STUDENT HEALTH AND WELLNESS CENTER

The Health/Wellness Center provides basic health and wellness services for all students. The nurse may be consulted on a wide variety of issues. When a person is injured or ill the nurse will provide appropriate limited care, medical supplies, and over the counter medications as needed. Emergencies will be seen immediately. Non-emergency appointments will be scheduled according to availability, usually on the same day.

The College has a MANDATORY immunization policy requiring every student to present proof of immunization status as well as a short medical history before classes start. Oregon State law mandates that all entering full-time students born after January 1, 1957 show proof of two doses of the measles vaccine, unless there is a medical or religious exemption. In addition, Warner Pacific College requires students to have the following vaccines, if not medically, religiously, or age exempt:

mumps, diphtheria, pertussis, tetanus, polio, and hepatitis B. TB screening questions will be asked of all students to determine whether or not they need the Tuberculin test. The Advisory Committee on Immunization Practices (ACIP), the American College Health Association (ACHA), and the American Academy of Pediatrics (AAP) are now recommending that students who wish to reduce their risk of contracting meningococcal disease receive the vaccine for this before college begins. Hepatitis A immunizations are also highly recommended.

International students additional requirements

Oregon law prohibits foreign students with non-immigrant visas and no measles immunizations from starting classes (or even coming on campus) until they have at minimum, their first measles immunization; they must then show proof of receiving the second measles immunization within a month after school starts or they cannot continue.

They must also provide proof of tuberculosis Screening (PPD/Mantoux) within six months of entering college.

Health Insurance

Students enrolled in 6 or more credit hours are automatically enrolled for the College “Accident Insurance,” but are responsible for providing their own “Health Insurance” coverage. Students are required to sign an “Acknowledgement of Insurance Coverage” form indicating that they have been informed that Warner Pacific College provides Accident Only Insurance for non-athletic injuries and that they are responsible for their own medical coverage. Informational brochures on general “Health Insurance” coverage can be obtained from the Warner Pacific College Student Financial Services or Health/Wellness Center. It is highly recommended that students obtain this portion of insurance before beginning classes. The College and its agents are not responsible for costs relating to any health issue. These are solely the responsibility of the student and/or family.

RESIDENCE LIFE

A Warner Pacific College education is not limited to the classroom experience. Living on campus provides opportunities for learning and engagement that are unique to the college environment. Our Residence Life program is designed to maximize these learning opportunities through numerous academic, social, and spiritual experiences on campus and in the local Portland community. The Department of Residence Life maintains a 12 person professional and paraprofessional staff that provides 24-hour on call assistance, housing services, and various forms of programming for residential students. Peer Assistants, commonly referred to as PAs, are experienced Warner Pacific College students living in the residential facilities. PAs are trained to provide assistance with housing related issues (maintenance requests, noise disturbances, lock-outs, etc.) and trained to facilitate the creation of a healthy living and learning environment. PAs are supervised by the Area Coordinator, a professional staff person living on campus.

FOOD SERVICE

Food service at the college is provided by Sodexo, Inc. a leading provider of integrated food and facilities management. Each day a variety of entrees, deli sandwiches, pizza, soups, salad bar, fresh fruits, desserts and beverages are offered in Lower Egtvedt Hall. In the fall semester, dining service begins on the first day of orientation and ends with the evening meal on the last day of finals. Service resumes the day before undergraduate classes begin in the spring, and the final meal is served on the last Friday before graduation. Food Service is not available during Thanksgiving, Christmas, spring, or summer breaks.

The Platinum Meal Plan is required for all residential students with fewer than 60 semester credits earned and for all students living in Smith and Warman Halls. Any student required to purchase the Gold Meal Plan may choose to upgrade to the Platinum Meal Plan. The Platinum and Gold Meal Plans each offer an all-you-can-eat meal allowance and Warner Cash. The specifics of each meal plan are outlined below:

- Platinum Meal Plan – Includes 204 meals and \$300 Warner Cash per semester.
- The Gold Meal Plan - Includes 100 meals and \$115 Warner Cash per semester.

OTHER RESOURCES

All meals and Warner Cash not used in the Fall semester automatically transfer to the Spring semester provided that a Spring semester plan is purchased. Meals and Warner Cash does not transfer at the end of the Spring semester.

To-go lunches are available for students with a class or work schedule conflict. Documentation regarding the schedule conflict is required to obtain to-go meal privileges.

Exemptions from the meal plan requirement are based on Sodexo's ability to meet the dietary needs of each student. Schedule conflicts are almost never grounds for an exemption. Students wanting to petition the meal plan requirement must email a letter of explanation to Kaylee Krout, Student Affairs Coordinator at kkrou@warnerpacific.edu. The petition is reviewed by the Student Affairs Appeals Committee and a response is given within two weeks of receiving the petition. In the event the petition is approved, a prorated refund will be given based on the number of calendar days attended until the date the petition is approved. No refund is granted after 60 percent of the term has passed. Petitions are only accepted through the first week of classes.
