

STUDENT HANDBOOK

THE SQUIRE

FAILURE TO READ THIS HANDBOOK DOES NOT EXCUSE A STUDENT FROM THE REQUIREMENTS, REGULATIONS, AND CONSEQUENCES DESCRIBED HEREIN.

This handbook supersedes all previous handbooks. The Squire is written and issued by the Warner Pacific College Student Affairs department. It is the College's official notification of its standards of conduct, policies, and procedures for all traditional and Adult Degree Program students. In areas where the Squire conflicts with the ADP Bulletin, ADP students should follow the ADP Bulletin. Warner Pacific College reserves the right to change any of these standards of conduct, policies, or procedures. The Squire is neither a contract nor a commitment of a particular result in a particular circumstance. The College reserves the discretion to consider each situation on a case-by-case basis.

TAGLINE AND MOTTO

Flourish

“Where faith and scholarship lead to service.”

EMBRACING PARADOX

We encourage interdisciplinary learning and invite honest questioning through a foundation of faith. As a result, faculty members have created a core curriculum rooted in the notion of paradox that challenges students to engage with life's most difficult questions.

The Warner Pacific College experience additionally offers:

- **Small classes:** Our 12-to-1 student-to-faculty ratio translates into the individualized attention and intellectual interaction that meaningful scholarship requires. Close academic relationships between faculty and students often result in customized internships and independent study courses, both of which are enhanced by the resources of the greater Portland area, where a multitude of cultural and employment opportunities await.
- **Options:** Undergraduates can choose from 25 majors and 29 minors, and students pursuing a graduate education can enroll in our innovative 4.5 Masters of Arts in Teaching program where you can earn your undergraduate and graduate degree in less time combined. The Adult Degree Program offers four graduate studies degrees, in the classroom or online.
- **Ongoing education:** For more than 25 years, our distinctive Adult Degree Program (ADP) has offered adult learners a convenient and pragmatic degree completion program that is built around their individual needs.

The goals of academic life at Warner Pacific College are to foster individual growth and development in all aspects of students' lives, to prepare students for the challenges of life within and beyond college, and to encourage the building of a learning community.

The primary focus for students is to become an active part of the learning process. This requires students to be faithful in class attendance, to come prepared, to turn work in on time, and most importantly, to ask meaningful questions of themselves, their classmates, and their faculty. Students are responsible FOR what they are learning and TO those with whom they are learning.

Course selection should be made in consultation with your academic advisor. The College catalog is the main resource to use in planning your progress toward graduation as it outlines degree requirements and college policies. It is important for a student to track progress toward graduation each semester and to make sure all appropriate paperwork is filed with the Records Office in a timely manner. Many departments and programs have handy checklists that make tracking easy.

Students receive a printed copy of The College catalog during their first semester at Warner Pacific. It is also available on the College website – www.warnerpacific.edu/academics/registrar. Additional copies may be viewed at the Office of the Registrar. Students are responsible for meeting requirements in the catalog in effect the year they entered the College. The primary responsibility for meeting academic requirements for graduation lies with the student.

ACADEMIC INTEGRITY

If students and faculty are to build a learning community, it is essential that students present their own work in their classes. The following situations constitute a breach in academic integrity and are strictly prohibited:

Giving unauthorized information to another student or receiving unauthorized information from another student or source during any type of examination or test.

1. Obtaining or providing without authorization, questions or answers relating to any examination or test prior to the time of the examination or test.
2. Asking or arranging for another person to take an examination or test in one's place; asking or arranging for another person to sign an attendance sheet in one's absence.
3. Plagiarism, defined as taking ideas, words, or substantive paraphrasing of another and offering them as one's own, without acknowledging the source.

Examples include, but are not limited to, the following:

Submission of a written work (either in part or in whole) completed by another; failure to give credit in footnote for ideas, statements, facts, or conclusions that rightfully belong to another; failure to use quotation marks when quoting directly from another; close and lengthy paraphrasing of another's writing.

Violation of these standards will be reported to the Dean of the Faculty. In addition, possible actions that may be taken by a faculty member who suspects a student of academic dishonesty (after counseling with the student in order to determine the student's awareness of the problem) are listed below:

An oral reprimand; counseling with the student with the aim of making the student aware of the gravity of the offense and preventing future occurrences.

1. A requirement that the work be repeated or a substitute examination is taken.
2. Assignment of a failing grade or a reduction of the grade earned on the specific work in question.
3. A reduction of the course grade.
4. Recommendation that the student be suspended or expelled from the College.

If a satisfactory resolution is not reached after these actions have been taken, either faculty or student may refer the matter to the Academic Policies Committee for resolution, which will address the issue using the regularly established procedures for academic appeals. The Registrar (Victoria Cumings, 503.517.1012, vcumings@warnerpacific.edu) is the contact point for such appeals to the committee.

If either faculty or student is not satisfied with the action of the Academic Policies Committee, in conformity with the standard procedure, an appeal may be made to the Dean of the Faculty.

Though these policies and procedures are necessary in order to know the boundaries of our academic freedom, they are not the essence of the relationship between faculty and staff. The faculty is committed to a collaborative learning experience that places them in relationships enhancing the student's intellectual, spiritual, and emotional growth. Students benefit immensely by accepting this invitation to academic fellowship.

CIVIL BEHAVIOR AND CONSIDERATION OF OTHERS IN THE CLASSROOM

Most college courses include a considerable expectation of participation and active learning during the class period. Interruption caused by one student to the orderly flow of the class session may not only inhibit the learning process, but also disrupt and distract others engaged in the class. Therefore, the following guidelines have been established for use during class sessions:

- All cell phones should be turned completely off during class time. Students may not text message, receive, or make calls during class.
- At the discretion of the faculty, the use of laptop computers during class is permitted for the purpose of enhancing the educational objectives of the course. Use of laptops to check one's email, access the Internet, play games, work on projects not related to the course, or other uses not related to the course objectives is NOT permitted during class. Violation of this guideline may result in the loss of all computer use privileges during the class.
- Individual use of personal listening or viewing devices such as iPods is not permitted during class.

ACADEMIC APPEALS AND PETITIONS

Occasionally it may be necessary to institute a petition for a waiver of established policies and procedures, or an appeal for a redress of grievances. Written appeals of policy are processed through the Records Office. Academic appeals fall into two general categories: 1) petitions regarding application of specific policies, or 2) appeals of grades or other academic matters.

PETITIONS REGARDING APPLICATION OF ACADEMIC POLICY

Petitions relating to academic concerns must be in writing. All petitions must include the signature of the student's advisor. This signature does not necessarily mean that the advisor agrees with or supports the petition, but that the advisor is aware of the petitioner's request. Petitions are submitted to the Registrar. Typical petitions include waiver

of requirements, acceptance of transfer credits, etc.

APPEALS REGARDING GRADES OR OTHER ACADEMIC MATTERS

Resolution of appeals is handled at the lowest possible level. The student must discuss the situation with the professor involved. If discussion with the professor does not resolve the issue and the student decides to appeal further, the following procedure must be followed:

1. A written statement describing the situation should be submitted to the appropriate Department Chair within two weeks following the end of class.
2. The Department Chair will meet with both the student and the professor to resolve the issue. If the issue cannot be resolved at this level and the student or the professor wish to appeal further, step 3 is followed.
3. The student or the professor files an appeal with the Chief Academic Officer. The Chief Academic Officer will request pertinent information from all parties involved and make a recommendation for resolution. If the issue remains unresolved, the student or the professor may appeal to the Academic Policies Committee (step 4).
4. A petition in writing is submitted by the student or professor to the Academic Policies Committee. The petition will describe the issue involved and the steps taken toward resolution. The Committee will request appropriate documents from the parties involved in steps 1-3. The Committee will hold a hearing on the petition. Parties to the dispute will be granted an opportunity to present their cases and may be subject to questioning. After receiving such evidence, the Committee will render a decision. The decision of the Committee is final. No further avenue of appeal is available. The decision of the Committee will be in writing and will remain on file in the office of the Chief Academic Officer and in the student's academic file.

See the catalog for questions related to the academic policies, programs, and resources of the College.

STUDENT AFFAIRS & COMMUNITY LIFE

CAMPUS LIFE STANDARDS

Warner Pacific is a college sponsored by the Church of God (Anderson, Ind.). Its mission, programs, and campus life are all informed by three basic traditions: Christ-centered, urban, and liberal arts.

Campus standards have grown out of the following qualities of campus life valued at Warner Pacific College:

- Love of God, self, and neighbor
- Respect for others
- Honesty and integrity
- Reconciliation
- Freedom within restraint
- Health and wellness
- Spiritual growth and maturity
- The joy and abundance of life

Students coming to this College agree to conduct themselves as responsible citizens and actively contribute to the quality of social, spiritual, and intellectual life. Violation of College policies, including the Community Agreement, subjects students to disciplinary action that could include warning, probation, or dismissal from the College.

One of the primary functions of this handbook is to provide notice to each student of the expectations for being a member of our community. These standards are a key part of community life at Warner Pacific College.

COMMUNITY AGREEMENT

Abiding by the Community Agreement is a condition of your continued enrollment at Warner Pacific College.

Warner Pacific College exists to develop persons as change agents characterized by integrity, deliberate personal, intellectual, social and spiritual transformation, the practice of mutual responsibility and a pursuit of personal excellence.

WPC's mission includes providing students from diverse backgrounds with an education in a nondiscriminatory environment that prepares them to engage actively in a constantly changing world. As students complete their coursework and develop their academic skills required to earn a degree, they are expected to exhibit academic integrity and moral responsibility. As an expression of the College's urban mission and identity, students are expected to live out Christ's command to love and respect their neighbors both on and off campus. Civility, respect, and love are to be demonstrated in personal interactions, campus and community life, and in service to others.

As a Christ-centered college, Warner Pacific's values are informed by the teaching of Jesus and the Holy Scriptures to support the emotional, social, intellectual, as well as spiritual development of each student. We strive to foster spiritual awareness and growth through a variety of means, including, but not limited to the classroom, chapel services, service involvement, informal conversations, and intentional small group meetings. The policies enumerated below, and their implementation, recognize that students are in a developmental process that at times requires redemption as well as accountability in order to achieve a healthy, respectful, and productive community.

While WPC is a distinctively Christ-centered liberal arts college, students do not have to be Christians to be admitted. However, every student is encouraged to be open to learning about the Christian faith and students are expected to uphold the school's policies. These include, but are not limited to the following:

1. Students of WPC are expected to uphold the highest standards of academic integrity. This includes not lying, cheating, plagiarizing, or stealing in academic endeavors, nor accepting the actions of those who do. Students will conduct themselves responsibly and honorably in all academic activities at Warner Pacific College. A complete copy of the academic integrity policy is available in the "Academic Affairs" section above.
2. Students of WPC also are expected to uphold the highest standards of personal integrity and to treat others with dignity and respect. To that end, WPC expects all members of the Warner Pacific community not to discriminate or harass others on the basis of age, sex, sexual orientation, disability, race, color, national or ethnic origin, or any other status protected by applicable nondiscrimination law.
3. Completion of faith and service requirements is mandatory for all full-time traditional undergraduate students. Students may choose various options to meet these requirements.
4. Students enrolled at WPC are expected to refrain from overnight visits with dating partners. Any intimate or sexual activities outside of marriage (e.g. "hooking up") or other sexual misconduct are unacceptable behaviors for students enrolled at WPC. Sexual misconduct is detrimental to both relationships and to individual self-esteem; it also violates the caring nature of our community.
5. Students possessing, distributing, and/or using alcohol, narcotics, marijuana, or other intoxicants on College premises or at College-related activities will be subject to judicial action. Smoking or chewing tobacco is not permissible on the WPC campus at any time.
6. Students are expected to use wisdom and discretion in the use of media/technology, including movies, video games, Facebook, and other social networking portals. Images and information posted on social networking sites are accessible to College personnel and may be considered in judicial processes. Viewing, creating, and/or sharing pornography or other inappropriate images is prohibited.

As a student at WPC, you are expected to abide by the policies of the College including those contained in the current undergraduate Student Handbook: *The Squire*, the College Catalog, and departmental brochures. If there is a dispute between you and the College, the handbook outlines the procedure for making an appeal. It is your responsibility to be aware of the policies outlined in the Student Handbook and Catalog. **The College also reserves the right to confront behavior that is detrimental to the student, the community, the College, and/or others, regardless of location or age of the student.**

JURISDICTION OF ADDITIONAL HANDBOOKS AND CONTRACTS

Selected student roles across campus may require students to abide by contracts or handbooks that include requirements beyond the scope of the Student Handbook's standards. Consequences from any violation of these additional requirements may only apply within the scope of the position or loss of privileges pertaining to said position. Any violations related to college Standards of Conduct violations will typically be referred to Judicial Affairs, and any behavioral sanctions related to student standards will come from the Student Affairs conduct office, not individual departments within the college.

JUDICIAL AFFAIRS

Jared Valentine, Student Affairs Compliance Officer
503.517.1008, jvalentine@warnerpacific.edu

STUDENT JUDICIAL PROCESS

The Warner Pacific College judicial process exists to respond to alleged violations of the community agreement, campus policies, and/or federal and state laws by individuals or organizations. Although not a formal court of law it provides students due process in order to assure fundamental fairness in resolving allegations of behavioral misconduct. Students who are found responsible for violating a campus policy or regulation may be required to complete a sanction. Sanctions are designed to both discourage further violations of campus policy and to instruct the student as to their role in the community. The preponderance of the evidence standard is applied throughout the judicial process.

STUDENT RIGHTS

All students charged with behavioral misconduct have the following rights:

1. To receive notice of charges in writing via campus mail or campus email.
2. To have a faculty or staff advisor during the judicial process. The advisor's participation is limited to conferring with the student. He or she may be present during all phases of the judicial process, but is not allowed to speak for the student.
3. To refute any evidence or statement presented during the hearing.
4. To submit written statements from witnesses.
5. To challenge, with cause, the designation of a hearing officer or judicial review board member.
6. To appeal the outcome of the judicial hearing.

Process

The judicial process is initiated by the filing of an Incident Report (can be obtained in the Office of Residence Life) by any member of the Warner Pacific community (students, faculty, and staff). Individuals outside of the campus community who wish to file a complaint against a student should contact Warner Pacific College Campus Safety. Campus Safety will communicate the complaint to the Office of Residence Life, at which time a determination will be made about the necessity of initiating the judicial process. Grievances against staff and faculty are not administered by the Warner Pacific College Student Judicial Process.

Once an incident report is filed in the Office of Residence Life a judicial officer will determine which type of disciplinary proceeding is most appropriate. Incidents determined to be minor may result in a verbal warning, a letter of notification only, or a letter of notification and sanctions. If the judicial officer determines the incident is a major violation or the violation is a repeat offense, the officer may initiate the judicial process. The judicial officer assigned may choose to settle the incident through either: 1) Administrative Resolution or 2) Judicial Committee Resolution. Each process is described in detail below.

Administrative Resolution

The Administrative Resolution proceeding may be used when the judicial officer assigned to the case determines that the nature and circumstances of the alleged violation are best resolved administratively. Students charged (the responding party) with allegations of behavioral misconduct may request a Judicial Committee hearing instead, but final authority for this decision rests with the judicial officer.

Once an Incident Report is filed, the judicial officer in charge may initiate a preliminary investigation. The preliminary investigation exists to determine if there is reasonable cause that a policy violation occurred. The preliminary investigation ends with one of two options:

- If the investigator determines that the reasonable cause standard is not met, then the investigation ends, and the incident report and the rationale will be saved in the student(s) file.
- If the investigator determines that reasonable cause of a policy violation does exist, then the students involved will be notified of the charges in writing and the formal investigation stage will begin. The formal investigation stage will include the interviewing of witnesses and the gathering of relevant evidence.

At the conclusion of the investigation, the judicial officer will decide if the responding party is responsible or not responsible for the charge and will document the finding in an administrative resolution report. Students found responsible for violations of campus policy may be assigned sanctions up to suspension or dismissal from the institution. The incident report, relevant investigation notes, any collected evidence or witness statements, and the administrative resolution will all be saved in student files as documentation.

Failure to Comply

Students that refuse to make themselves available for judicial investigations or judicial reviews in a timely fashion or students that fail to complete assigned sanctions may be charged with "Failure to Comply." Failing to participate in the judicial process is a serious limitation to continued membership in the WPC community and could result in judicial sanctions up to and including suspension or expulsion.

JUDICIAL COMMITTEE RESOLUTION

The Judicial Committee Resolution proceeding may be used when the judicial officer determines that the nature and circumstances of the alleged violation are best resolved by a committee. All Judicial Committee decisions serve as recommendations to the Compliance Officer. The decision may then be ratified or returned to the committee with recommended revisions. Judicial outcomes are not final until the committee's decision is ratified by the Director of Student Life.

Judicial Committee Composition

A Judicial Committee hearing is conducted with up to five members of the community and must include at least one student, one faculty, and one staff person.

Judicial Committee Student Selection Process

The Associated Students of Warner Pacific College recommend several students as members of the Judicial Committee each academic year. These students are then confirmed by the Compliance Officer. Students serving on the Judicial Committee must agree to the Judicial Committee Code of Conduct, sign a confidentiality agreement, and must receive training before serving as a member of the committee.

Staff and Faculty Serving on the Judicial Committee

The Compliance Officer will train staff and faculty representatives to serve on the Judicial Committee. These representatives must sign a confidentiality agreement and receive training before serving as members of the committee.

Before the Hearing

Prior to the Judicial Committee hearing, an investigation of the alleged behavioral misconduct will be conducted by the judicial officer in charge and a written summary and compilation of findings will be made available to the committee. The Department of Student Affairs is committed to prompt resolution of all disciplinary proceedings. However, in some cases, the judicial officer may permit a short delay of the proceedings in order to adequately prepare for the committee hearing. When the summary and findings are available, the judicial officer in charge will send the student(s) a notice of the time and date of a hearing and a statement of the alleged violations through campus mail or campus email. Prior to the hearing, the student(s) may arrange to have witness statements submitted. The judicial officer in charge will determine when such statements must arrive in order to give the committee adequate time to review the submitted statements.

JUDICIAL COMMITTEE HEARING

The agenda for the Judicial Committee Hearing is as follows:

1. The responding party or organizational representatives and their advisors (if present) are invited into the room and introduced.
2. The judicial officer explains the order of events and reviews the student rights for those present.
3. The judicial officer reads the incident report and clarifies the charges for the responding party or organizational representatives.
4. The judicial officer states the available pleas and asks for a plea from each student to each charge.
5. The responding party or organizational representatives are asked to comment on the incident. Then the judicial officer and committee members may ask questions.
6. The responding party may submit any witness statements in writing.
7. Committee members or the judicial officer may make a final comment.
8. The responding party or organizational representatives may make a final comment.
9. Once the Judicial committee has sufficient information to make a decision, the hearing will end and the student(s) and advisors will leave the room.

A written summary of the hearing will be made by the judicial officer assigned to the case.

Decision

At the conclusion of the hearing, the committee will render a decision by majority vote as to whether it is more likely than not that the student has violated College policy and impose sanctions if appropriate. The committee decision will be forwarded to the assigned judicial officer to be ratified or returned to the committee with recommended revisions. Judicial outcomes are not final until the committee's decision is ratified. Upon ratification the judicial officer will provide the student(s) with a written explanation of the outcome and meet with the student(s) for further explanation if necessary.

Sanctions

There are no set formulas or automatic sanctions for most violations. Students who violate College policy subject themselves to the full range of disciplinary sanctions up to and including suspension or expulsion from the College. In reviewing each violation, the following variables will be considered: attitude, truthfulness, prior discipline, impact of the violation on the community when the misconduct occurred, and whether or not the student came forward to assume responsibility. Sanctions may include, but are not limited to, one or more of the following:

- **Formal apology.** A written and/or verbal apology to the offended party/parties.
- **Disciplinary Probation.** A written reprimand for violation of specified regulations or policies. Probation is established for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to be violating any specific conditions of the probation or any institutional regulation(s) or policy during the probationary period. Students on disciplinary probation may be suspended from participation in college functions and activities and may be required to meet regularly with a staff or faculty mentor.
- **Loss of privileges.** Denial of specified privileges for a designated period of time (such as co-curricular programs or athletic practice and/or contests).
- **Fines.** Previously established and published fines may be imposed.
- **Restitution.** Compensation for loss, damages, or injury. This may take the form of completing appropriate service and/or monetary or material replacement.
- **Discretionary sanctions.** This could include work assignments, service to the College, or other related discretionary assignments.
- **Required educational programs.** Programs designed to give students the opportunity to learn more about a particular topic and give them the tools to make better choices in the future. These programs could also include a participation fee.
- **Regular or random drug testing.** Students may be asked to participate in regular drug testing for accountability to school policy and personal well-being.
- **Residence hall suspension.** Separation of the student from the residence halls for a specified period of time, after which the student may be eligible to return. Conditions for readmission may be specified.
- **Residence hall expulsion.** Permanent separation of the student from the residence halls.
- **College suspension.** Separation of the student from the campus for a specified period of time, after which the student may be eligible to return. While suspended, students may not be on campus or participate in any College related event. Length of suspensions may vary from one or more days to one or more semesters. The timing of the suspension will not occur at the convenience of the student. The Academic Policies and Procedures state, "Faculty are not permitted to provide make-up opportunities or alter established class schedules for suspended students. Where this creates a hardship for students, they are to be referred to the dean of students." Conditions for the student's return to campus may be specified.
- **College expulsion.** Permanent separation of the student from the College, without possibility of readmission.

Sanctions are effective immediately but can be temporarily suspended at the sole discretion of the Dean of Students if a student notifies the Dean of Students in writing of the student's intent to appeal.

The Office of Residence Life and Judicial Affairs will verify that all sanctions are completed within the given timeline. Students that fail to complete their sanctions will be charged with failure to comply and will reenter the judicial process. Additional sanctions may be imposed by either a judicial officer or the Judicial Committee.

ALCOHOL POLICY VIOLATIONS

The following guidelines may be used as a foundational guide to apply a level of fairness and consistency to alcohol violations. The guidelines assume that no prior judicial violations have occurred and that no imposed sanctions are currently in effect. These suggested sanctions are subject to modification by the Judicial Committee, Compliance Officer, any judicial officer, and/or a College senior administrator when cases of multiple violations or other extenuating circumstances warrant it.

In general, the following options may be imposed as benchmark sanctions for a first time alcohol violation:

- \$80 fine or 8 hours of community service, drug and alcohol educational program, and assessment
- Disciplinary probation

Sanctions for a second alcohol related offense may include the following:

- \$160 fine or 16 hours of community service
- Drug and alcohol educational programming
- Parental contact
- Disciplinary probation

Students found responsible for a third alcohol offense are subject to the full range of sanctions available to the judicial officer or the Judicial Review Board up to and including suspension and/or expulsion.

Interim Measures

Under either disciplinary proceeding, while the investigation is being conducted, the Compliance Officer or Dean of Students may take any one or more of the following actions:

- Impose immediate Interim Measures pending a final determination in the matter, including, but not limited to: no-contact orders; removal from the residence halls; suspension from campus, classes, or Warner Pacific related off-campus events.
- Enter into the residence hall, room, or apartment of the student facing the allegations of misconduct for the sake of removing any material that constitutes a serious risk of harm to other persons or property in the residence halls.
- Refer the matter to the appropriate police authorities.

The interim sanction will remain in effect until it is otherwise revoked by the Compliance Officer or expires by its own terms.

Appeals

Resolutions arrived at by the Student Affairs Compliance Officer, a judicial officer, or the Judicial Committee may be appealed (under the conditions described below) to the Dean of Students. All appeals of judicial resolutions must be made in writing within one week from the date a resolution letter is sent to the student. Appeals must be delivered to the Compliance Officer. All appeals must be based on one or more of the following reasons:

- To determine whether the original hearing followed established procedures.
- To determine whether the facts in the case were sufficient to establish that a violation of the Community Agreement, campus policy, or state and/or federal law occurred.
- To determine whether the sanction(s) imposed were appropriate to the violation of the Community Agreement, campus policy, or state and/or federal law which the student was found to have committed.
- To consider new evidence sufficient to alter a decision or other relevant facts not brought out in the original hearing, because such evidence was not known, and could not have been known to the person appealing at the time of the original hearing.

The Dean of Students will determine the merits of the appeal and has the right to either deny the student the opportunity to appeal or determine an alternate resolution. Appeal decisions made by the Dean of Students are final.

WEAPONS POLICY

The presence of weapons on campus poses an unacceptable risk to the health and safety of all members and guests of the Warner Pacific College community. Therefore, the possession of weapons is prohibited on the College campus. For the purposes of this policy, a weapon is defined as any instrument, article, or substance which is specifically designed for causing death, incapacitation, or serious physical injury.

Anyone who observes someone on the Warner Pacific College campus violating this policy should immediately report the incident to the Campus Safety Office by dialing ext. 2127 or 503.250.1730. The complainant should be prepared to provide the Campus Safety Office with any relevant information that caused them to observe the violation. Campus Safety Officers have the right to secure weapons from persons in violation of this policy. These weapons will be secured in the Campus Safety Office.

Persons who possess a concealed weapons permit are NOT allowed to carry weapons on the private property of Warner Pacific College's campus. Possessing a weapon for the purpose of sport, hunting, personal protection, or any other reason does **not exempt** a person from this policy.

Discretion of the Dean of Students

Warner Pacific College reserves the right to disqualify, discontinue, or exclude any student from participating in any student activities or residence life at the discretion of the Dean of Students. Any such discretion will be exercised without discriminating against any person's legally protected status.

GRIEVANCE PROCESS

The grievance process exists to provide students a process to resolve disputes between other students, staff, faculty and other members of the community. This process is not intended to apply to complaints or problems related to alleged discrimination and/or harassment that is prohibited by law, nor does it exist to resolve academic disputes.

Purpose

As it states in the Community Agreement, “As an expression of the College’s urban mission and identity, students are expected to live out Christ’s command to love their neighbors both on and off campus. Civility and love are to be demonstrated in personal interactions, campus and community life, and in service to others.” Therefore, this grievance process provides an opportunity for students to work out their differences in a safe and structured manner.

Procedure

The specific steps of the grievance procedure are listed below.

1. When a student has a grievance with another member of the community he/she may file a report in the Office of Student Affairs.
2. A judicial officer will review the report and determine one of the following actions.
 - a. The student has a legitimate grievance against a member of our community and the student will be encouraged to attempt a resolution in a one on one meeting. The student bringing the grievance is responsible for providing a written summary of the meeting.
 - b. The student has a legitimate grievance against a member of our community and the student will be provided an opportunity to resolve the issue with a resident assistant, a judicial officer, or a member of the Caldwell House counseling staff. In such cases, the mediator will meet with each individual or group involved prior to the mediation meeting. The mediator will also provide a written summary of the meeting.
 - c. The student has not provided enough evidence to demonstrate a valid grievance.
 - d. If step (a) above fails to provide resolution it may be determined that step (b) is necessary for a healthy resolution. If step (a) and (b) fail to provide a resolution the case will be referred to the Compliance Officer. The Compliance Officer will decide on a resolution. If either party is not satisfied with the resolution they may appeal to ruling per the appeal instructions outlined in the student judicial process.

SEXUAL MISCONDUCT POLICY

Warner Pacific College seeks to provide students with an environment free from the negative effects of sexual misconduct, which includes sexual harassment, sexual assault, and other forms of sexual violence. Therefore, the College strives to educate students, staff, and faculty on these issues and to provide recourse for students believing they have experienced sexual misconduct. The purpose of this policy is to:

- Define sexual misconduct involving students, which includes sexual harassment, domestic violence, intimate partner violence, stalking, and sexual assault.
- Identify resources and support for students reporting an incident of sexual misconduct.
- Affirm the College's commitment to preventing sexual misconduct.
- Outline the College's process of responding appropriately to incidents of sexual misconduct.

Sexual Misconduct Defined

Sexual misconduct is a broad term that encompasses any unwelcome behavior of a sexual nature that is committed without consent or by force, intimidation, coercion or manipulation. Sexual misconduct can occur between persons of the same or different genders.

Sexual Harassment

Sexual harassment is unwelcome behavior of a sexual nature that has the purpose or effect of creating an intimidating, offensive, or hostile environment for study, work, or social living. Sexual harassment includes, but is not limited to, the use of verbal and practical jokes, unwelcome touching, offensive remarks or put-downs, and/or displays of objects and materials based on a protected status that create an offensive environment. Actions such as these are prohibited and may also be unlawful.

Sexual Violence

Sexual violence covers a wide range of behaviors inconsistent with College policies and community standards. Many of these behaviors are also violations of state and federal laws. Sexual violence refers to physical sexual acts perpetrated against a persons will or where a person is incapable of giving consent (e.g., due to the student's age or use of drugs or alcohol, or because an intellectual or other disability prevents the student from having the capacity to give consent). Sexual violence includes but is not limited to, sexual assault, sexual coercion, stalking, voyeurism, verbal or physical sexuality-based threats or abuse, and domestic and dating violence. Any act of sexual violence is prohibited and is subject to disciplinary action by the College.

Stalking

Ongoing conduct that could cause a reasonable person to fear for the safety of themselves or others, or suffer emotional distress (e.g. following, monitoring, threatening, communicating to or about the victim, or interfering with a victim's property)

Domestic Violence

Crime of violence committed by former spouse, cohabitating partner, or someone with whom you share a child.

Dating Violence

Threats or actual sexual or physical abuse in a dating relationship.

Consent Defined

Sexual activity requires consent, which the College defines as a positive unambiguous and voluntary agreement to engage in specific sexual activity throughout a sexual encounter. **The absence of a “no” does not qualify as consent to engage in sexual activity.** Consent to some sexual acts does not constitute consent to others, nor does past consent to a given act constitute present or future consent. Consent must be ongoing throughout a sexual encounter and can be revoked at any time.

Consent cannot be obtained through coercion, intimidation, or force or if the person is incapacitated through the use of drugs, alcohol, or any other condition. The use of drugs or alcohol does not diminish a student’s responsibility to obtain consent for sexual activity.

FILING A COMPLAINT

Students wanting to file a complaint of sexual misconduct should contact Jared Valentine, Student Affairs Compliance Officer, jvalentine@warnerpacific.edu, 503.517.1008, or one of the other Title IX officers. The Student Affairs Compliance Officer will coordinate the College’s response to reports of sexual misconduct. This includes:

- Informing students of available medical and emotional support options.
- Assisting all parties involved in understanding their rights and responsibilities.
- Developing remedial actions to facilitate support and safety for the students involved. Considerations include housing accommodations, no contact requirements, no trespass restrictions, and academic accommodations.
- Helping students that wish to report an incident of sexual misconduct to the Portland Police for possible criminal prosecution.
- Overseeing the judicial process and any appeal.

Investigations of sexual misconduct allegations will follow the Student Judicial Process with the possibility of the following additions and/or alterations:

- All parties are expected to keep confidential within the community the charges and the fact that an investigation is taking place.
- Sexual misconduct cases will not be resolved through Judicial Committee.
- Both the reporting party and the responding party may receive written notification of no contact, including electronic communication, with each other.
- During the investigation process the reporting party and the responding party may request the asking of specific questions through the judicial officer. The judicial officer may ask the question(s) if it is deemed appropriate.
- Prior sexual history of the students will not be considered as either an aggravating or a mitigating factor in the decision.

- Changes in living arrangements, course schedules, and other considerations may be necessary after a sexual assault complaint is brought to Judicial Affairs and an investigation begins.
- Reasonable efforts will be made to accommodate the concerns of the reporting party.
- The reporting party may appeal the decision made, not the sanctions assigned. The responding party may appeal the decision made and the sanctions assigned. All appeals are to follow the appeals policy outlined in the Student Judicial Process.
- During sexual assault investigations and judicial proceedings both the reporting party and the responding party may involve representation of their choice.
- Both the reporting party and the responding party will receive the final hearing decision in writing at the same time.

Jess Bielman, Director of Campus Ministries: 503.517.1140 jbielman@warnerpacific.edu

SERVICE LEARNING

Jeanie Whitten-Andrews, Staff Advisor: jwhitten@warnerpacific.edu, 503.517.1271

Service learning is an integral aspect of the college. Service at Warner Pacific College is defined as work that is done to the benefit of those who are within **personal proximity** and/or **experiencing poverty** in some way, with a priority for those individuals meeting both.

Examples of this type of service are mentoring at risk youth, participating in school-sponsored service activities (Common Day of Service, Hot Chocolate Ministry, Spring Break missions, etc.), volunteering for a local non-profit (Habitat for Humanity, JOIN, or My Father's House to name a few good ones), or helping an elderly neighbor with yard work. Service at Warner Pacific College is not simply doing something for free, such as babysitting for family or helping with a school function, which would be examples of great activities, just not great *service* activities.

Another excellent way to satisfy the service requirement is by integrating an internship or class project. Students interning or volunteering with non-profit organizations or in situations that find them working with underserved populations may use the experience to accumulate hours. Examples include a business internship at the Community

Cycling Center, service as required in a course such as Christian Social Concern, or other academic situations that allow for service opportunities. **The spirit of the service requirement is to encourage a lifestyle that reflects Christ's commands to love our neighbors and to help those who are the least in our society.**

If you have any questions about service hours please contact the Service Learning Coordinator.

Service forms **must be completed by Friday of the last week of classes by midnight.** An electronic service form can be found online at www.warnerpacific.edu/service-form. If a student wishes to turn in service forms to reverse a fine after the deadline, a late fee of \$5 per week for 6 consecutive weeks will be applied. After 6 weeks, fines will not be reversed. Service opportunities happening after the last week of classes must be preapproved by the Service Learning Coordinator.

Campus Safety 24 hour duty phone: 503.250.1730

The Office of Campus Safety is located in the facilities building directly behind A.F. Gray Hall. Campus Safety's primary concern is the protection of the people and property of Warner Pacific College, and it seeks to work with all members of the Warner Pacific College community to ensure a safe living and learning environment. Community members are encouraged to be aware of their surroundings at all times and to report suspicious persons or activities to Campus Safety. If walking on campus or in the surrounding neighborhood during the night, it is best to travel in groups of two or more. If traveling in a group is not possible, the Campus Safety officer on duty is available to escort community members within the confines of the Warner Pacific College campus. In order to prevent thefts, please do not leave valuables (backpacks, electronic devices, etc.) visible in vehicles or unattended in common areas (dorm lounges, Student Union, Tabor Grind, etc.).

Any and all incidents of stolen property or thefts, threats, accidents, etc., should be promptly reported to Campus Safety. As necessary, an officer will assist the student in filing a report with a local law enforcement agency. In case of injury (except life-and-death situations), Campus Safety should be the first agency notified. Campus Safety will notify Student Affairs and the proper emergency agency for assistance. In case of an emergency (assault, crime in progress, etc.) dial **911**. Contact Campus Safety as soon as possible once police are notified.

The Warner Pacific College campus is private property, and permission to enter or pass through it is revocable at any time. Anyone who fails to cooperate with College authorities, including Campus Safety personnel, will not be permitted on campus.

To contact a Campus Safety Officer 24 hours a day, 7 days a week, call 503.250.1730 (cell phone) or 503.517.2127 (ext. 2127 from any campus phone).

- Close Windows and Doors
- Activate Fire Alarm System

PARKING AND VEHICLE REGISTRATION

Vehicles driven on campus must be registered with Campus Safety and display a current Warner Pacific College parking permit. New parking permits can be purchased in the Office of Student Affairs for \$65 per semester. The accounts of students who purchase a permit in the fall semester will be automatically charged for the spring semester.

Student Parking

The parking lots beside C.C. Perry Gymnasium, below Egtvedt Hall and McGuire Auditorium, Schlatter Chapel, and the lower library parking lot, as well as the West side of 68th Street (as per city ordinance) are available. Parking is NOT allowed in the A.F. Gray parking lots or in any other spaces on campus marked reserved for faculty/staff or visitors Monday through Friday from 8:00 a.m. until 5:00 p.m.

Resident Parking

The Division Street, Tabor Terrace, and Saxon Apartment complexes each have parking lots for their residents only. Parking at the Division Street, Tabor Terrace, and Saxon Apartment complexes is by permit and for residents only, as space is limited. Any visitors that wish to park in these parking lots must obtain an approved visitor parking permit from the Office of Student Affairs. In addition to the Warner Pacific College Parking Permit, a sticker obtained from the Office of Student Affairs (no extra charge) must be displayed on the issued parking permit. These stickers identify resident vehicles and allow Campus Safety to identify unauthorized vehicle parking. All other apartment and house residents must park on the street, in their respective driveways or in other parking lots approved for student use. Warner Pacific employees, students and their visitors are not permitted to park on the street in front of the neighboring properties at 2325, 2315 and 2245 SE 66th Avenue at any time. Campus Safety officers will place warning cards on the windshield of employee and student vehicles parked in front of these properties. A parking ticket will then be generated by Campus Safety and sent to the owner of the vehicle in campus mail. The fine will be placed on the employee or student account immediately.

Ticketing

Vehicles parked in unauthorized areas, parked improperly, or without a current parking permit will be ticketed. Five or more tickets can result in loss of campus parking privileges. Vehicles parked in **“No Parking”** zones, **Handicapped Spaces**, or **Fire Lanes** may be impounded at the owner’s expense.

WARNER PACIFIC COLLEGE IS NOT RESPONSIBLE FOR VANDALISM TO STUDENT AUTOS OR THEFT OF STUDENT VEHICLES.

SPECIFIC PARKING RULES:

1. Every student operating a vehicle must have minimum liability insurance as per state DMV requirements. The car license number and a description of the vehicle must be provided as requested on the Vehicle Registration form before a parking permit will be issued. A College parking permit is properly displayed when hanging from the rear-view mirror. If a permit is lost or stolen, the vehicle must be re-registered and a new parking permit obtained.
2. Speed is not to exceed 15 mph on campus.

3. Parking lots are not to be used for vehicle repair.

Located between the science building and the Tabor Terrace Apartments, the Center is dedicated to supporting students as they identify their interests, talents, and skills and as they explore potential career paths. The Counseling Center is also committed to helping students remove obstacles along the way. Whether these obstacles are financial, physical, social, or personal, a visit to the Caldwell House is a good place to start when looking for solutions.

COUNSELING

Life counseling is available to and can benefit all Warner Pacific Students. Counseling services focus on engaging individuals in the assessment of their own strengths and in using these strengths to address obstacles that arise as they progress towards graduation. Communication strategies, strengthening relationships, time management, stress reduction, identity development, and healthy living are just some of the areas of personal growth that are typically encountered by college students. Should life stressors become overwhelming to any student, counselors at the Career and Life Counseling Center are prepared to support students in crisis situations. While attending to the need to protect confidentiality, counselors will actively work with an individual's support network and community resources in order to provide the care necessary to weather personal emergencies.

Confidentiality

The Counseling Center staff is firmly committed as well as legally and ethically obligated to maintain the confidentiality of those who seek counseling services. Confidentiality can only be broken in emergency situations or as required by law. The circumstances that may require disclosure of confidential information include:

1. Immediate danger to yourself (threat to life or bodily harm).
2. Immediate danger to another (violations of community standards are not considered an emergency).
3. Reports of suspected child (under 18) or elder abuse.
4. The Counseling Center director oversees all graduate work with student clients, and communication between the director and counselor takes place as necessary.

Other Services

- Referral services to Portland area mental health providers

- Drug and Alcohol Prevention program information
- Consultation: Concerns about a friend who may need help may be discussed with a counselor. A brief consultation may be just what is needed to decide how best to help a friend
- Counselors are available to present or lead small discussions for residence halls or small groups on a variety of topics

DINING SERVICES

Joel Santana, General Manager: joel.santana@sodexo.com

MEAL PLANS

Food service at the college is provided by Sodexo, Inc., a leading provider of integrated food and facilities management. Each day a variety of entrees, deli sandwiches, pizza, soups, salad bar, fresh fruits, desserts, and beverages are offered in Lower Egtvedt Hall. In the fall semester, dining service begins on the first day of orientation and ends with the evening meal on the last day of finals. Service resumes the day before undergraduate classes begin in the spring, and the final meal is served on the last Friday before graduation. Food Service is not available during Thanksgiving, Christmas, spring, or summer breaks.

Meal plans are required for most residential students but are available to all students. The Platinum Meal Plan is required for all residential students with fewer than 60 semester credits and for all students living in Smith and Warman Halls. The Gold Meal Plan is required for all other residential students living in the Tabor Terrace Apartments, Division Street Apartments, and Houses (except Jefferson House), with the exception of students who are married. Any student required to purchase the Gold Meal Plan may choose to upgrade to the Platinum Meal Plan. The

Platinum and Gold Meal Plans each offer an all-you-can-eat meal allowance and Warner Cash. The specifics of each meal plan are outlined below.

- Platinum Meal Plan – Includes 204 meals and \$300 Warner Cash per semester.
- The Gold Meal Plan - Includes 100 meals and \$115 Warner Cash per semester.

All meals and flex dollars not used in the fall semester automatically transfer to the spring semester provided that a spring semester plan is purchased. Meals and flex dollars do not transfer at the end of the spring semester.

To-go lunches are available for students with a class or work schedule conflict. Documentation regarding the schedule conflict is required to obtain to-go meal privileges. You must contact the General Manager with the proper documentation which would be a signed letter from a professor or employer or class/ work schedule indicating you schedule conflict. Exceptions will be made for students who are ill and on chapel days.

Exemptions from the meal plan requirement are based on Sodexo's ability to meet the dietary needs of each student. All efforts will be made to accommodate dietary restrictions and should be discussed with the General Manager so we can understand the nature of needs. Schedule conflicts are almost never grounds for an exemption. Students wanting to petition the meal plan requirement must complete a meal plan accommodation form. These forms can be obtained from the Officer of Student of Affairs. The accommodation request is reviewed by the Compliance Officer in coordination with the Sodexo General Manager. If a waiver of the meal plan requirement is granted, a prorated refund will be given based on the number of calendar days attended until the date the petition is approved. No refund is granted after 60 percent of the term has passed. Petitions are only accepted through the first two weeks of classes.

Warner Cash is available to all students. Warner Cash can be used to purchase meals and a-la-cart items from the dining hall and any item from the Tabor Grind Coffee Shop.

- For \$25 dollars purchased, student shall receive \$30 in Warner Cash
- For \$50 dollars purchased, student shall receive \$60 in Warner Cash
- For \$100 dollars purchased, student shall receive \$120 in Warner Cash
- For \$74.50 dollars purchased, students shall receive 12 Meals to be used in the dining hall for breakfast, brunch, lunch, and dinners.

Dining Hall Rules

1. All meals must be consumed in the dining room during posted meal periods, unless approved by the General Manager.
2. Shirts and shoes are required for service.
3. Student ID cards are required for service and may only be used by the person the card has been issued to. If an ID card has been lost or stolen please refer to the ID Card section of the handbook for the appropriate action step.

STUDENT FINANCIAL SERVICES

Upper Egtvedt Hall, 503.517.1091

FINANCIAL AID AND STUDENT ACCOUNTS

The Office of Student Financial Services is a resource to help students manage the financial responsibility related to their education. Office hours are 8:00 am to 5:00 pm, Monday through Friday. The cashier desk closes at 3:30 pm each day.

Warner Pacific College does not discriminate in its student admission and employment practices and provides equal opportunity for all student applicants and employees regardless of race, color, sex, gender, sexual orientation (including gender identity), national origin, religion, disability, age, veteran status, and any other applicable legally protected status. Students should apply for aid as soon after October 1 as possible. For more specific information regarding Financial Aid, please refer to the Academic Catalog located in the Records office or on the WPC website, or contact the Office of Student Financial Services.

All charges, payments, and financial aid transactions are recorded in an individual student account. Each month a statement will be issued by the Office of Student Financial Services and placed in the assigned student campus mailbox. **It is the responsibility of the student to share this information with parents or sponsors assisting with tuition payment.** The Office of Student Financial Services staff are available by appointment for private consultation to discuss any financial concerns you may have.

The following are definitions and processes that will help you manage your Warner Pacific College account.

PAYMENT ARRANGEMENTS

1. Full payment or a payment arrangement is the final step in the Registration process and must be accomplished by August 1 for fall term and December 15 for spring term.
2. Financial arrangements may be made in the following ways:
 - **Payment in Full:** The student may use cash (US currency only), check, or debit/credit card, along with already confirmed financial aid to pay his/her balance due.
 - **WPC Payment Plan:** When a student has used all accepted scholarship and loan resources, an application for a pre-authorized automatic monthly debit/credit card payment or direct withdrawal from a checking or savings account is available through the Office of Student Financial Services. There is a 5% non-refundable enrollment fee charged at the time the plan is put into place. Returned payments may result in a \$25 service charge. Multiple returned payments may result in retroactive monthly service charges and plan termination.
 - **Work Study Payment Plan:** Student account payments can be made by monthly payroll deduction from work study wages for balances under \$1,000 for the year. See the Office of Student Financial Services for enrollment forms.

UNPAID STATUS

Full payment or an approved payment arrangement is the final step in the Registration process and must be accomplished before moving into housing or attending classes. A student is placed on unpaid status if satisfactory payment arrangements are not made by the first day of the semester. Failure to contact the Office of Student Financial Services may result in a voided registration. Unpaid balances, including those created or increased after initial clearance, may be subject to a 1.5% monthly service charge (18% annually).

OUTSTANDING STUDENT ACCOUNT BALANCES

Failure to meet arranged payment plan terms may result in plan termination. Delinquent monthly accounts, and any deferred payment arrangements, incur service charges. Continuous nonpayment may result in an administrative withdrawal from enrollment and may prohibit the student from registering in subsequent semesters and obtaining official and unofficial transcripts until such obligations are satisfied. Prior to the end of enrollment, graduating students must owe less than \$1,000 on an approved automatic payment plan in order to participate in graduation ceremonies. Diplomas and transcripts are not released to any student until their student account balance is zero. In addition to withholding transcripts, records, or diplomas until all College expenses are satisfied, Warner Pacific reserves the right to preclude students with past due balances from representing the College in public activities or events.

Students experiencing legitimate extenuating circumstances relating to their financial situation are encouraged to meet with Student Financial Services personnel for counseling.

Charge/Credit Details

1. Course changes are permitted within the add/drop period. Students are responsible for account balances created by requested changes and are advised to contact the Office of Student Financial Services for counseling. Full withdrawal from the College may incur withdrawal charges. See catalog.
2. Special fees are charged for selected courses (e.g. Malheur Field Studies, art, applied music, lab, and some religion courses, and all independent study or tutorials). These fees are in addition to tuition charges. Fees will generally be posted and charged at registration.

3. Students whose accounts reflect a credit balance after all charges, aid, and loans are posted may request a check in the Office of Student Financial Services after the second week of school, on presenting proof of class attendance.

Refund Policy

If a student withdraws or is dismissed, a pro-rated amount of tuition and fees, **except applied music fees**, will be refunded based on calendar days attended. After 60 percent of the term has passed, no refund will be granted. **Any refund may be reduced by the tuition deposit, room reservation deposit, and meals consumed. Additional charges may arise from the terms and conditions of a residential lease.**

POLICIES AND SERVICES

1. If a student wishes to challenge a class or take a tutorial, a routing slip from the Records Office must be obtained and the process on the routing slip followed. There is a fee for each process.
2. Returned check policy: Checks and/or electronic payment plan payments returned from the bank are assessed a \$25 service charge. Students will lose payment by check privileges after two returned checks.
3. To withdraw funds from student accounts with a credit balance, a check request must be filed with the Office of Student Financial Services. Requests must be made before Wednesday 12:00 p.m., and checks will be available in the Office of Student Financial Services after 3:00 p.m. Friday.
4. Student employment and refund checks must be picked up and signed for by the recipient, the recipient will need to show picture ID. Refund checks may be mailed to the permanent address on file in the Records Office.
5. Student employment checks are available in the Office of Student Financial Services on the last working day of each month. If student employment earnings are directly deposited to a bank account, a pay stub is mailed to the on-campus student mailbox.

Special Financial Counseling: This service is available for both new and returning students. Please contact the Office of Student Financial Services to set up an appointment.

STUDENT EMPLOYMENT

Students may work on campus part-time while attending school, and they may work full-time during the summer and other vacation periods. Most positions are on campus and the Office of Student Financial Services makes the awards for Federal Work Study positions. Students are paid at least minimum wage, but may earn more for specialized work. After eligibility is determined in the Office of Student Financial Services, interested students should consult a listing of available positions kept in the Office of Student Employment as well as on the Warner Pacific College website, then apply and interview for the position. Positions are offered to the most qualified applicants. Federal Work Study eligibility does not guarantee a position. All students employed on campus must complete paperwork in the Office of Student Employment prior to beginning work.

RESIDENCE LIFE

Charity Tripp, Student Affairs and Residence Life Coordinator: 503.517.1098,
ctripp@warnerpacific.edu

Eddie Barnhart, Housing and Student Services Coordinator: 503.517.1007,
ebarnhart@warnerpacific.edu

A Warner Pacific College education is not limited to the classroom experience. Living on campus provides opportunities for learning and engagement that are unique to the college environment. Our Residence Life program is designed to maximize these learning opportunities through numerous academic, social, and spiritual experiences on campus and in the local Portland community. The following pages provide information you need to know to make the most of your residential experience. This section also contains the policies and regulations governing housing on the Warner Pacific College campus.

The Department of Residence Life maintains a 13 person professional and paraprofessional staff that provides 24-hour on call assistance, housing services, and various forms of programming for residential students. Resident Assistants, commonly referred to as RAs, are experienced Warner Pacific College students living in the residential facilities. RAs are trained to provide assistance with housing related issues (maintenance requests, noise disturbances, lock-outs, etc.) and trained to facilitate the creation of a healthy living and learning environment.

RESIDENCE LIFE POLICIES

RESIDENTIAL COMMUNITY

The residential community at Warner Pacific College often provides the most memorable and life changing experiences for our students. Therefore it is essential that we hold our students to the highest standards of care and respect for one another. The following policies and expectations are necessary guidelines for the efficient management of our residential community. These guidelines are not intended to restrict individual freedom, but rather to provide the structure that enables individuals to pursue community.

ALCOHOL, TOBACCO, AND ILLEGAL NARCOTICS RESTRICTIONS

Purchase, possession, storage, or use of alcohol, tobacco, marijuana, and illegal narcotics is prohibited on campus and in campus housing. Alcoholic beverage containers, posters, clothing, and other items advertising alcoholic beverages may not be openly displayed in living areas even for decorative purposes. Smoking is not permitted anywhere within the campus boundaries.

CONDUCT

Residential students and their guests must respect and comply with the community agreement expectations, the rules and expectations outlined in the housing contract, and all college and Residence Life policies and procedures. Students are also held accountable to local, community, state, and federal authorities.

DUTY COVERAGE

The Residence Life Staff is on call to respond to lock-outs and other issues outside of normal working hours. If you need assistance you can call the on-duty cell phone at 503.729.4150. Students that repeatedly request assistance for lock-outs may be fined.

EMERGENCIES

In the event of an emergency, contact Campus Safety and a Residence Life staff person. Students may call Campus Safety 503.250.1730 24 hours a day, seven days a week. A residence life staff member is also available 24/7. If the emergency is a matter that requires immediate attention from police or is a fire or medical emergency, **ALWAYS CALL 911 FIRST!** Be sure to identify yourself by giving your name, the building location, and the nature of the emergency. Stay on the line until the operator dismisses you. Location information can be found near most landline phones around campus.

ENTRANCE RESTRICTIONS

It is the College's policy to respect each Resident's right to privacy in his/her residence. The College agrees to give reasonable notice, typically 24-48 hours, prior to entering a residence for routine maintenance and inspection. Residents will not unreasonably withhold consent to the College or its designee(s) to enter a residence in order to inspect the leased premises, or make reasonable or needed repairs or improvements.

College personnel and/or their authorized designee(s) may enter a resident's leased premises without notice for an emergency, maintenance work, fire and life safety inspections, fire drills, insuring compliance with health and safety standards, inspection in connection with a reasonable cause to believe there have been violations of College policy or state or federal law on the leased premises, or to check the status of the leased premises.

If a resident has not completely vacated his or her leased premises within 3 days following the end of the contract term of the lease, Residence Life personnel and/or their authorized designee(s) may enter the leased premises without notice and may remove any or all personal items that have not been removed by the exiting resident.

By submitting a work order to a college staff member to make repairs to a residence, a resident gives permission for the Maintenance Department and College staff to enter the leased premises to accomplish the requested repairs even if the Resident is not present.

FIRE SAFETY

Smith and Warman Halls: Both Smith and Warman residence halls have a central fire alarm system. If you encounter a fire, activate the nearest fire alarm pull station, close windows and doors, and evacuate the building according to the posted evacuation routes. Call 911 as soon as you are a safe distance away from the building. Stay away from the building until you are instructed to return by the AC.

Campus Apartments and Houses: Each apartment and house is equipped with battery operated smoke alarms. In the event of a fire close all windows and balcony/patio doors and exit the unit. Call 911 as soon as you are a safe distance away from the building.

Portland City ordinances require notification to the Portland Fire Department whenever there is an "unfriendly" fire, even if it has been extinguished. Failure to do so warrants criminal prosecution. Therefore, all unfriendly fires, regardless of the size, require initiating the alarm and immediate notification of Campus Safety and Residence Life staff.

Tampering with a smoke detector is a major violation that may result in fines and/or disciplinary action. Immediately report any malfunctioning smoke detector to the Office of Student Affairs or to the on-duty RA. Do not attempt to repair a malfunctioning smoke detector yourself.

Anyone found to have caused a fire maliciously or recklessly (no matter how small), or who tampers with firefighting/life protection equipment, initiates a false alarm, or fails to comply promptly with requests from College employees or the Fire Department, puts the lives of other people at risk. Such behavior cannot be tolerated and

violators jeopardize their status as a student and member of the Warner Pacific College community, and risk concurrent criminal prosecution.

GUEST POLICY

As an on-campus resident, you are responsible for your guests who visit on campus. While on the Warner Pacific College campus, all guests must abide by the community agreement, Residence Life and other campus policies, and state and federal laws. Residential students may host overnight guests provided the student receives permission from his or her Resident Assistant, the guest is of the same gender and the guest and student are not romantically involved. No guest may stay overnight in a student's room or apartment for more than three consecutive nights or more than five nights a semester unless prior approval for an exception has been granted by roommates and the Residence Life Coordinator. This ensures that an environment conducive to study, privacy, and personal needs of all students is maintained.

Students should inform their Resident Assistant of their plans to have overnight guests 24 hours in advance. On-campus students who fail to give advance notification to their RA of a visiting guest or who allow a nonresident (student or non-student) to remain in their room/apartment/house longer than three nights will be subject to a fine and further administrative action at the discretion of Student Affairs staff. Campus Safety, a Residence Life staff member, and other College administrators have the authority to remove guests from the campus at any time.

HEALTH

The Residence Life Staff is concerned with each student's health and reserves the right to confront students regarding serious health problems. The College reserves the right to deny housing to students whose health needs have not been or cannot be satisfactorily met and if such action is determined to be in the best interest of the College and the occupants of the living areas.

LOUNGES

There are two lounges in Smith Hall and one in Warman Hall. They are open 24 hours a day for study and social purposes. Lounge space is primarily reserved for studying but may be reserved for social events with the Residence Life Coordinator. Students are responsible for the proper care and maintenance of lounges and all common areas. If the condition of any common area is altered or damaged, the person(s) responsible may be charged and/or receive disciplinary action. In the event that the responsible individual is not discovered or doesn't come forward, the charge may be assessed to a group of students.

NOISE

Maintaining an environment conducive to academic success is of primary importance. Therefore, the right to study and sleep supersedes the privilege of entertainment. Noise, which is audible beyond the confines of one's room/apartment is prohibited. Students bothered by excessive noise are encouraged to approach the individual or group responsible before involving Residence Life personnel. Noise violations are best resolved between students. After an initial effort to resolve the situation, he/she may contact Residence Life through the Resident Assistant on duty.

Students are free to have radios, stereos, MP3 players, television sets, DVD players, and VCRs in their rooms. The amplification should be controlled so that neighbors both inside and outside of the building are not disturbed. Speakers must not face or be placed in windows. The installation of outside aerials for televisions is not permitted. Failure to keep the noise level of sound equipment reasonable will result in removal of the equipment from the student's room.

QUIET HOURS AND VISITING HOURS

The entire residential community is subject to quiet hours. Students responsible for any noise disrupting the sleep or study of others during quiet hours may be subject to judicial action. Quiet hours start at 10:00 pm and end at 8:00 am.

In addition, Smith and Warman Halls are subject to visiting hours. Visiting hours exist to maintain the privacy for women in Smith Hall and for men in Warman Hall. During the following times men and women can freely access either residence hall:

- **Sunday – Thursday: 1 p.m. - 10 pm**
- **Friday – Saturday: 1 pm - 12 am**

Students hosting guests of the opposite gender or dating partners in their room during visiting hours are expected to keep the door partially ajar unless he or she receives permission to close the door from their RA or the RA on-duty. With the exception of married couples, students are not permitted to allow members of the opposite sex to spend the night in their room, apartment, or house for any reason. The Office of Residence Life reserves the right to terminate visitation privileges due to disruptive behavior, disrespect for others, or any other circumstance deemed an abuse of privileges.

RESIDENTIAL TRANSFER

Students wanting to transfer rooms or apartments for any reason must complete the residential transfer paperwork in the Office of Student Affairs. Transfers are only approved if each student involved or impacted by the transfer provides consent. Transfer requests are honored when possible and may be subject to a transfer fee. Students who execute room changes without approval from the Office of Residence Life and without completing all room-change procedures may be fined and/or subject to further disciplinary action.

RESIDENCE HALL COUNCIL

The students in Smith and Warman Halls will have the opportunity to form a Hall Council each academic year. The Hall Council's primary responsibility is to represent the residence hall students to the Office of Residence Life, to plan social activities for students in the residence halls, and to manage a designated portion of the hall council budget.

Students interested in serving on the Hall Council must submit an application to the Office of Residence Life during the first two weeks of school. Council members are required to meet with returning RAs once every two weeks to discuss ongoing issues and concerns in the residence halls and to plan social events.

HOUSING POLICIES

Housing services are administered out of the Office of Residence Life. The Residence Life staff, including RAs, is responsible for ensuring that students understand and abide by all housing policies.

STUDENT RESIDENCY REQUIREMENT

All full-time students (12 credits or more) are required to live on-campus unless they are commuting from parent's/legal guardian's home, are at least 21 years of age by September 1, have established residency within a commutable distance for 12 months or longer, or are married.

HOUSING ASSIGNMENTS

Residence Life housing assignments are made as follows:

Returning Students: Returning students who participate in the housing lottery have first priority and opportunity to secure housing for the following academic year. Students who do not meet the deadline for the housing lottery will have opportunity to sign up for housing after the housing lottery is complete. Participating alone in the housing

lottery does NOT secure a placement for the following academic year. In order to secure the space, a housing contract must be completed at the allotted lottery time. If a contract is not completed at that time, the student(s) will forfeit their opportunity to their desired space until after the lottery is complete. The Office of Residence Life reserves a limited number of spaces for incoming married students and students with children.

New Students: New students are placed throughout the summer preceding the academic year. First and second year students who live on campus are required to live in the Residence Halls and participate in the Platinum Board Plan. Third and fourth year students who choose to reside in the Residence Halls are also required to purchase a Platinum Board Plan. Students qualify for placement once the Office of Residence Life has received a Housing Placement Form and notification that the \$250 housing deposit has been made. The Office of Residence Life and Admissions work together to place students who are compatible based on the information in the completed Housing Placement Form. Requested accommodations and roommate preferences are honored whenever possible. The Office of Residence Life reserves a limited number of spaces for incoming married students and students with children.

CHECK-IN/CHECK-OUT

Students may not move in to College housing before the posted date and must vacate their rooms or apartments on the date in the housing contract. Any exception must be cleared with the Office of Student Affairs prior to finals week. Failure to abide by check in or check out dates may result in additional housing costs. Contact the Office of Student Affairs or refer to the housing contract for specific information about check in and check out dates.

Check-In Procedure: Students must complete all paperwork in the student housing file before receiving a room or apartment key. This includes reading and signing the housing contract, and signing for the key(s) to the residential facility. When you receive your key, Residence Life will also provide a copy of the Room Condition Inventory (RCI) for your room/apartment. The RCI is an inventory of your unit completed by Residence Life prior to your move in. It is essential that students verify the reporting of all damage on this form within the first week of classes. Students will be charged at check out for damage not reported on this form that exceeds normal wear and tear.

Check-Out Procedure: Each student is responsible to check out of his or her room/apartment for all room changes and at the end of the housing contract's lease term. Check-outs may be completed by completing an Express Check Out form.

Students using the Express Check Out system must complete each item on the Express Check Out form. Failure to complete each item may result in an improper check out fine. Forms may be obtained in the Office of Student Affairs or by contacting the RA on duty. The Express Check Out system requires the signatures of all students that have not previously checked out of the room or apartment. By signing the form of a roommate you are testifying that he or she is relieved of responsibility for any of the remaining items in the unit. Do not sign the form of a roommate who has not completely moved out or sufficiently cleaned his or her living area. Return all housing keys and the Express Check Out Form to the Office of Student Affairs or to the Resident Assistant on duty. If you are the last roommate to check out, you may lock your keys and form in your room/apartment.

DAMAGES

After your room or apartment is vacated, a Residence Life representative will complete a damage and fines assessment for each room or apartment. All housing related charges will be posted to student accounts, and the bill will be mailed to the forwarding address. Students with fines exceeding \$50 will receive an email from Residence Life including the specifics of the charges.

HOUSING DEPOSIT

Each resident is required to place a refundable \$250 Housing Deposit on account before the occupancy date to reserve the premises he or she wishes to lease. During your occupancy of the leased premises, the deposit shall remain on

account, without accruing interest, as surety for any damage or cleaning charges. Resident agrees to maintain the deposit amount at all times during the term of this lease and for any subsequent lease period for as long as resident remains a student at Warner Pacific College. The deposit will be refunded after the leased premises has been jointly inspected by a Residence Life staff member and a Facilities Services staff member and damages and fines have been assessed.

BALCONIES AND PORCHES

Students are responsible for the appearance and upkeep of their balconies and porches. If a Residence Life staff member or College official determines that a balcony or porch is in an unacceptable condition students will be notified and given an opportunity to fix the problem. If the problem is not fixed within the given time period the student(s) responsible may be fined or subject to further disciplinary action.

BICYCLE STORAGE

You may have a bike on campus, but it cannot be stored or kept in a residence hallway, lounge, hall, stairwell or entryway. There are bike racks inside the residence hall laundry rooms, outside of the residence halls, in front of the library, Schlatter Chapel, and the gym. Bicycles should be locked when stored or parked on campus. The College accepts no responsibility for the safekeeping of bicycles. Campus Safety personnel will remove bicycles left in stairwells or any other common area within a residence hall.

BUILDING ACCESS AND SECURITY

It is critically important that the College maintains the security of the residential facilities. Therefore, it is required that students keep their apartment or room locked. Students are responsible for their College issued keys(s) until they check out. No resident may loan his or her residence key(s) to anyone for any purpose. All housing keys are checked out at the Office of Student Affairs and returned at check out. If a key is lost or stolen please report it immediately to the Office of Student Affairs and receive a new key. Replacement keys and ID cards are \$15. In some circumstances it may be necessary to replace the lock when a key is lost. In such cases the student responsible may be charged for replacing the lock as well. Residents who fail to return keys at checkout will be charged for the replacement of both the lock and the key.

ID CARDS

Every Warner Pacific College student is issued a Student ID Card, which serves as an identification card, a meal card, library card, and admission to campus events. It is also your key to gain access to certain buildings on campus.

Because it is also an access card, there are some guidelines you must follow in order to maintain a safe and secure campus.

- Do not bend or punch holes in Student ID Card.
- Keep Student ID Card away from cell phones.
- Do not loan your card to anyone – student or otherwise. If found doing so, you may face the loss of certain areas' access privileges.
- If your card is lost or stolen, contact [the](#) Office of Student Affairs, 503.517.1007.
- **Replacement Cards:** If a replacement card is needed *for any reason* (lost, stolen, damaged, name change, etc.), the cost to replace is \$15. It will be available after 1:00 p.m., Monday through Friday in the Office of Student Affairs.

DISABILITY ACCOMMODATIONS

Students wanting reasonable accommodations due to a disability must submit a request with acceptable documentation to the Office of Student Affairs prior to requesting housing. Students are asked to include any supporting documentation regarding their need for accommodations. The Office of Student Affairs and the Warner Pacific College disability services representative will make an assignment based on the availability of space, the individual's needs, and the College's ability to reasonably accommodate the student.

ELECTRICAL USE

Due to the limitations of electrical circuits and for a variety of safety reasons, electrical appliance usage must be limited. **Acceptable electric appliances with proper care and usage within student rooms are:**

- Small refrigerators (up to 4.1 cu. ft.)
- Microwave
- Coffee Pot
- Hot-air popcorn popper
- Hairdryer
- Curling irons/curlers/flat iron
- Clothes iron
- Televisions
- Radios and stereos
- Computers
- Fans
- Blu-ray/DVD Players/VCRs

All heat producing electrical appliances must be plugged directly into the wall outlet and need to be U/L approved. Residence hall rooms are not equipped to support the use of cooking appliances with the exception of microwaves. However, a community kitchen is available in the Warman Hall 24-hour lounge. The use of extension cords is prohibited although students may use power strips that contain surge protectors. If you are unsure about a particular electrical item please inquire with the Office of Student Affairs. Students may request the use of other appliances through the Office of Student Affairs. Accommodations will be made when possible, although an extra fee may apply.

FIRE AND LIFE SAFETY

Once each semester the Office of Residence Life, in cooperation with the Maintenance Department, conducts Fire and Life Safety Inspections. These inspections are purposed to find fire hazards, maintenance issues, and other facility related problems. College personnel are not looking for infractions of the community agreement or other campus and Residence Life policies. However, personnel are required to report any infraction he or she sees as a result of the inspections.

Flammables

At no time may any flammables be stored in or around living areas including fireworks, candles, and incense. *Open flame or combustibles, including but not limited to* candles, incense, oil burning lamps, and potpourri pots may not be burned in any residential unit. Fuel driven engines (e.g., motorcycles, mopeds, etc.) may not be stored in student housing. Safety concerns prohibit live Christmas trees and boughs as well as the large decorative Christmas lights in residence halls. Small, decorative, artificial Christmas trees are permitted in apartments and houses. Fire safety reasons also prohibit posters, tapestries, etc., to be hung or placed on ceilings. Barbeques are not permitted at or in on campus housing.

FURNITURE

College owned furniture must not be moved in or out of rooms or apartments. This includes exchanging furniture with another residence. There may be a fine for such removal even if the item is returned at a later date. In addition, students with lobby/lounge area furnishings in their possession may also be subject to a fine and possible further disciplinary action. This furniture is to remain in the lobby/lounge area for everyone to use and enjoy.

Although most apartments and houses come unfurnished, a limited amount of furniture is available for rent. Beds, including a mattress, are available for \$125 per academic year. Dressers and desks are available for \$50 each per academic year. The set of three may be rented for \$200. No refunds are available regardless of early departure. Furnishings provided are to be used in a manner for which they are designed. Removal, damage, or destruction of furniture may result in a fine and a replacement charge. At check in and check out, it is the renter's responsibility to contact a Residence Life staff member and return the furniture to storage.

HALLWAYS

Hallways and stairwells must remain free of debris, personal items, and decorations. Students found in violation of this policy will be notified of the infraction and be given an opportunity to remove the items. If the problem is not resolved within the given time frame, students may be fined or subject to further disciplinary action.

LAUNDRY

Personal laundry may be done in the automatic washers and dryers installed in the laundry rooms. Inoperable machines should be reported to the Office of Student Affairs (ext. 1007) immediately. The College is not responsible for lost or stolen items in the laundry rooms. To view machine availability, please visit www.laundryview.com/lvs.php?s=611 and click on the laundry room you wish to view. Students may also request text message notification for when his/her laundry cycle is complete.

MAINTENANCE

Malfunctions/Tampering/Alterations: Students must report all equipment malfunctions, failure of essential services, or repair needs to the Student Affairs Coordinator. Please report emergency malfunction situations to the on duty Residence Life staff member immediately, 503.729.4150. Students or student's guests must not tamper with the heating system, refrigerator (or other appliances), locks/doorknobs, entrance or hall doors, lights, smoke detectors, or make any alterations of any kind to the leased premises.

Pests: Students must report the existence of pests in or around the leased premises (i.e. insects or rodents) to the Office of Student Affairs immediately.

PARKING

Parking on the College campus is limited. All students wanting to park a car on the campus must purchase a parking permit that allows access to two common parking areas, the McGuire/C.C. Perry Gymnasium lot and the Otto F. Linn

Library lot. Residents of the Tabor Terrace, Division St., and Saxon apartments each have their own parking lot. However, apartment residents must obtain and display a unique sticker on their parking permit. Apartment residents may visit the Office of Student Affairs to receive their sticker during Welcome Week or once they arrive on campus. Visitors to campus are welcome to park in any of the assigned visitor spaces, or can get a visitors pass from the Office of Student Affairs. The College is not responsible for damage, loss, or theft of students' or visitors' cars.

PETS

Students are not allowed to keep pets of any kind on campus. This also includes feeding and temporarily housing animals in or around living areas. In the event a pet is discovered in a house, apartment or the residence halls, each resident will incur a fine. Residents will also be held accountable for any damages found upon check out, including but not limited to, extra cleaning charges or the replacing of carpet. Residents seeking an emotional support animal should consult with the Office of Residence Life.

All Emotional Support or Service animals on campus must be approved through Disability Support Services prior to arrival on campus. Animals on campus without prior approval may be subject to a fine, cleaning and damage charges, and potential removal from campus until approval is finalized. Animals approved as Emotional Support Animals are allowed in the unit for which they are approved but are not approved for other campus facilities.

RELOCATION AND TERMINATION

The College reserves the right to relocate student(s) to another housing assignment or terminate a student's housing contract and remove him or her from campus housing under the following conditions:

- If a resident fails to make any rent or other payment under the housing contract within 10 days after written notice to the resident that it is due, the College may terminate the housing contract with 3 days' notice to the resident.
- For the benefit of an individual resident and/or the community, behavior that disrupts individuals or the community will be grounds to relocate a resident to another assignment or to cause the resident to vacate the leased premises and terminate the housing contract (i.e. disorderly conduct, harassment, unreasonable noise, violation of Residence Life policies or expectations) with 3 days' notice. If a resident threatens to inflict, or actually inflicts, personal injury or substantial damage to the leased premises, commits an act that is a significant disruption to the community, or commits any act that is outrageous in the extreme on the leased premises or on campus, as "outrageous in the extreme" is defined by ORS 90.396(f), then on behalf of the College the Compliance Officer has the right, in his/her discretion, to immediately terminate the offending resident's housing contract with notice and require the resident to vacate.
- Failure to comply with instructions to vacate after termination or relocation by College may result in the removal and storage of the noncompliant resident's possessions at the resident's expense.

ROOM/APARTMENT MAINTENANCE

Student Repair and Upkeep of the Leased Premises: Students in campus housing are required to keep and maintain their apartment or room in good and sanitary condition, to properly dispose of all rubbish, garbage, and other organic or flammable waste regularly; not to intentionally or negligently destroy, deface, damage, repair, or remove any structure or fixtures located on the leased premises and surrounding property belonging to the College, nor permit

any invitee, licensee, or any other person under the resident's control to do so. Students are responsible to repair clogged waste pipes, bathtubs, toilets, or washbasins and for replacing light bulbs.

Students are also responsible for the condition of his or her living area at the termination or expiration of the housing contract. The Residence Life Staff reserves the right to enter College property, including individual rooms or apartments leased from the College, to ensure that each unit is being maintained properly and that no damage has occurred beyond normal wear and tear. Extra cleaning and additional checkout fees may be assessed for failure to comply with maintenance and sanitation expectations.

Damage/Destruction: Students are responsible for all damages to his or her apartment or room, equipment, and appliances that is caused by the student's willful misconduct or negligence, or by the student's guests or invitees. Damage or loss within a room, house, or apartment is the joint responsibility of the occupants. Any cost incurred to repair and/or clean public or shared areas will be equally split and assessed to the entire living group of students if the person(s) responsible is/are not identified. Each resident is responsible for reporting any damages or maintenance needs to their Residence Life staff member immediately so repairs can be made in a timely manner. All fines and costs for repair of damages will be assessed according to the Damage Repair/Replacement Cost Sheet, a copy of which is attached to the RCI and is available upon request.

Malfunctions/Tampering/Alterations: Students must report all equipment malfunctions, failure of essential services, or repair needs to their Residence Life staff member. Please report emergency malfunction situations to the on duty Residence Life staff member immediately, 503.729.4150. Students or student guests shall not tamper with the heating system, refrigerator (or other appliances), locks, entrance or hall doors, lights, smoke detectors, or make any alterations of any kind to their leased premises.

Decorations: Fewer than 10 small nail holes per wall are permitted for hanging pictures and other items on your walls. Masking, scotch, double-sided tape, adhesive hooks, and screws are strictly prohibited as these often leave damage when removed. Any pictures or decorations that are sexually or racially inappropriate, or drug and alcohol related, are prohibited in all the College housing units

STORAGE

There is limited storage space available for the residence halls and the apartments. Those wishing to use any storage space must contact the Student Affairs Coordinator. All stored belongings are to be in boxes or suitcases, if stored in the residence halls, with name and contact information attached. The SAC must approve any items that cannot be boxed or put in suitcases. Apartment storage spaces may be rented during the academic year and summer months. Storage of personal belongings in College facilities is at the individual's risk. Articles will be discarded or donated if not removed at the completion of the storage agreement term. Carpets, furniture or any other item may not be stored outside of locked storage spaces. Any items left in the open areas will be considered abandoned and will be discarded or donated by the College.

TELEPHONES

Community telephones are available for local calls in each residence hall hallway. These phones may be used to make long distance calls with a calling card. Landline telephone service is unavailable in any campus apartment or house.

WEAPONS

The possession of dangerous weapons is prohibited including slingshots, firearms (including BB guns), knives, and explosives (firecrackers, fireworks, dangerous chemicals, or propulsion devices). A dangerous weapon includes: a) any item or instrument defined as a weapon by local, state, or federal law, b) an item designed to cause injury or

incapacitate another person, c) any item used to harass, threaten, intimidate, assault, or batter another person, or d) any item the College deems as dangerous.
