Service Learning Program Coordinator

Service Learning Program Coordinator is an appointed position compensated in stipend form of \$1500 per year. This student will be responsible for supporting the Department of Service Learning on all initiatives. This will include support and assistance with both all-day serve days during the school year (Common Day of Service during the Fall and MLK Serve Day during the Spring). The Program Coordinator will also be responsible to host one service project per semester, and market and distribute information regarding community service opportunities within Portland to the broader WPC campus community. The Program Coordinator must become trained as a Crew Leader with Friends of Mt. Tabor (info. regarding this will be provided by the student's supervisor). This student will be required to meet with the Multicultural and Service Learning Coordinator on a weekly basis for one-on-one check-ins, reporting, and assignments.
