

Noteworthy Internships & Jobs (11/27)

The Career Center is pleased to assist you in finding a job. Below are job postings sent directly to the College. While most of the employment opportunities are with well-known/well-respected companies who are friends of the College, some are employers who found us through a variety of ways. The Career Center has not vetted all the opportunities below. You should do your due diligence to verify the integrity, surety, and trustworthiness of any employer before submitting any personal information.

Fellowships:

Oregon Sea Grant

Oregon Sea Grant is now accepting applications for the National Marine Fisheries Service/Sea Grant Graduate Fellowship Program in Marine Resource Economics. Application deadline is January 26th, 2018. The Oregon Sea Grant uses eSeaGrant, an online system for submitting fellowship applications. In order to access this system, you must email eseagrant@oregonstate.edu by January 12, 2018 declaring your intent to apply. Oregon Sea Grant will host a brief, informational online seminar about our NOAA and Sea Grant Winter Graduate Fellowship Opportunities on Friday, January 5, 2018 from 10:00-10:30 am Pacific. After registering, you will receive a confirmation email containing information about joining the meeting. Register here: <https://zoom.us/meeting/register/0bb4a46a961316247510d14dfea9e911>. For more information regarding these opportunities, please visit: <http://seagrant.oregonstate.edu/education/sea-grant-scholars/fellowships-scholarships>.

Mickey Leland Energy Fellowship Program

The Mickey Leland Fellowship Program provides students with opportunities to gain hands-on research experience with the Department of Energy's Office of Fossil Energy. This program has mentored hundreds of the best and brightest students from across the nation for future careers in science, technology, engineering, and mathematics. Selected candidates will train under the mentorship of program official and scientists working on focused research projects. Eligibility requirements include being 18 years of age, being a US citizen, having a cumulative GPA of at least 3.0, and being currently enrolled full-time as a degree seeking student. To apply and for more information, visit energy.gov/fe/mickey-leland-energy-fellowship. Application deadline is January 3rd, 2018.
