Accumulated Credits to Date	Expected Graduation	Date
Please note the following parameters defining s study (either Major or Minor):: • At least 30 semester credits with a cum		
submission of the petition.	lurative Of A of 2.75 must be et	impleted prior to
• Students entering WPC with 30-59 cred semester of fulltime study in residence	before petitioning for an Indivi	dualized Major.
Students who will enter WPC with 60 cadmittance and pre-registered for classes All activities of some Individual and account of the control of the con	es before petitioning for an Indi	vidualized Major.
 All petitions for an Individualized prog credits of residency and the petition app degree. 		
On consultation with my advisor, I would li Major described on the attached page as part of	f my degree program:	
☐ Bachelor of Arts (E	B.A.) \square Bachel	or of Science (B.S.)
 On consultation with my advisor, I would li Minor described on the attached page as part or 		sue the Individualized
Name of Major / Minor		
Summary of the Individualized Program		
Rationale for Request (Discuss why a currently-a	vailable major/minor would not fu	Ifill your educational goals):
Summary of the Process Used to Design Individ	dualized Program:	

Individualized Majors must include a minimum of 45 semester credits: 15 credits in residence, 30 credits upper division.

Individualized Minors must include a minimum of 21 semester credits: 12 credits in residence; 9 semester credits upper division. Additionally, no credits used to satisfy a student's major or another minor may be used to satisfy a student's Individualized Minor. Only one Individualized Minor is permitted per student.
