

Rental THE SAME BOOKS FOR LESS

Tree of Life Bookstores rents nearly every textbook in your catalog. That means you can save money with every course. A rental can be used like you own it (highlighting and notes are okay), and can be purchased later if you decide to keep it. Just rent, use, and return—and buy yourself something nice with the money you’ve saved!

To choose rental textbooks:

- Type mywp.warnerpacific.edu into your web browser.
 - Login to MyWP with your Warner Pacific College username and password.
 - Click on “User Account” on the top right of the page, under “WebAdvisor”
 - Click on “Book Store Shipping Address”
 - Choose “rental” as the textbook type preference in the drop down menu.
