

WARNER PACIFIC COLLEGE

2010-2011 Catalog

Welcome

Welcome to Warner Pacific College! Our tagline, “Mysteries Made Known,” from a passage in Ephesians 3, epitomizes our historical Christian faith tradition as well as our educational commitment to explore, examine and educate from a perspective of wonder. The mystery of God’s creation and all there is to learn both intellectually and spiritually generates great questions that provoke learning throughout a lifetime. The wonder of these mysteries causes us to search deeply, think clearly and respond ethically to the challenges of our world.

While you study here at Warner Pacific College you will encounter a distinctive Christ-centered liberal arts academic program. A central element of the curriculum is the Humanities core, which equips students with the critical reading and thinking skills to decipher good answers for complex real-world questions. As a result, you will be thoroughly prepared for leadership and service as you encounter life’s paradoxes—and the challenges of your life’s calling.

The urban Portland context in which the Warner Pacific campus is situated provides incredible opportunities for you to explore a wide range of cultures, to engage in amazing internships and to participate in demanding inner-city service projects. Our new Urban Studies program incorporates the city into students’ academic program across the curriculum. In addition, Portland is a great city for walking, biking, food, sustainability and the arts.

Warner Pacific College’s campus community allows you to develop intellectually, spiritually, and personally, while preparing for the vocation to which you are being called. You will gain confidence to address life’s challenging questions through the mentoring and encouragement of faculty and staff members who invest in your academic, personal and spiritual development. I encourage you to fully engage and participate in all that Warner Pacific College has to offer. By doing so you will find this to be a place Where Faith and Scholarship Lead to Service.

Embrace the Wonder.

Sincerely,

A handwritten signature in black ink that reads "Andrea P. Cook". The signature is written in a cursive, flowing style.

President

History and Accreditation

Warner Pacific College is operated under the auspices of the Church of God (Anderson, Indiana) as a place of education and service for people, regardless of their denomination, who desire a quality liberal arts education in a vital Christian community. Founded in 1937 in Spokane, Washington, it was incorporated as Pacific Bible College and prepared church leaders during its early years. A desire for a more central location in the Pacific Northwest led to a move to Portland in 1940. In 1959, the name of the institution was changed to Warner Pacific College in honor of one of the early founders of the church as well as to reflect its growing liberal arts emphasis. It has been accredited by the Northwest Commission on Colleges and Universities since 1961. Additionally, the college is approved by the State of Oregon for the training of teachers in identified subject areas. Warner Pacific has also been approved to offer specific degree programs in the State of Washington (see page 190).

Proviso

Warner Pacific College is an equal opportunity employer, which seeks faculty and staff who have a personal commitment to Jesus Christ and to the educational mission of the college as a Christian liberal arts institution. Warner Pacific College does not discriminate in its student admission and employment practices and provides equal opportunity for all students, applicants and employees regardless of race, color, sex, national origin, disability, age, veteran status and any other status protected by laws and regulations.

While every effort is made to ensure the accuracy of the information in this catalog, Warner Pacific College reserves the right to make changes at any time without prior notice. This catalog is not a contract between Warner Pacific College and current or prospective students. Additions to the curriculum for the ensuing year are published each fall in the master schedule. Degree requirements are effective according to the date of admission to the institution, while major requirements may be effective according to the date of official declaration of the major.

Association Memberships

The college maintains membership in the following organizations and associations: the Council for Christian Colleges and Universities; the Council of Independent Colleges; Oregon Independent College Association; Oregon Independent College Foundation; Oregon Association of Colleges of Teacher Education; Campus Compact of Oregon; Council on Adult Experiential Learning; Consortium for the Advancement of Adult Higher Education; National Association for College Admissions Counseling; North American Coalition for College Admissions Professionals; Western Association for College Admissions Counseling; Pacific Northwest Association for College Admissions Counseling; Hawaii Association for College Admissions Counseling; American Association of College Registrars and Admissions Officers; Pacific Association of Collegiate Registrars and Admissions Officers; Northwest Association of Private College and University Libraries; Orbis Cascade Alliance; The Tuition Exchange; Servicemembers Opportunity Colleges Consortium; and the National Association of College and University Business Officers. Documents to the above are available for review in the Office of the President.

Our Mission, Vision and Values

Warner Pacific is an urban Christian liberal arts college dedicated to providing students from diverse backgrounds an education that prepares them for the spiritual, moral, social, vocational, and technological challenges of the twenty-first century.

Warner Pacific College will be internationally recognized for the expression of Christian values, rigorous academic standards, innovation, leadership development, student-centered services and fiscal strength. As a contemporary Christian learning community, Warner Pacific College is:

- Christ centered
- People focused
- Excellence driven
- Future directed

Thus, the purpose of Warner Pacific is to develop persons as change agents characterized by integrity, transformation, a sense of mutual responsibility and a pursuit of personal excellence.

Admissions Policies and Procedures

ADMISSION

Warner Pacific College selects candidates for admission who value a Christian liberal arts education and provide evidence of academic achievement, aptitude, and the ability to benefit from, and contribute to the opportunities offered at the College.

CAMPUS VISIT

Prospective students and their families are strongly encouraged to visit Warner Pacific. This provides an opportunity to explore the campus and meet the people who make Warner Pacific College unique. The Office of Admissions offers a variety of scheduled campus visitation days or will design an individual visit Monday through Friday, based on the needs and interests of the prospective student. Individual or group visits may be scheduled by contacting the Office of Admissions at 1-800-804-1510 or 503-517-1020 weekdays from 8:00 a.m. to 5:00 p.m. The office may also be reached by email at: admissions@warnerpacific.edu or by FAX at 503-517-1540. Directions to the campus, lodging, and restaurant information along with sites of local interest are available upon request.

WHEN TO APPLY

Warner Pacific College has an early application deadline of December 1 and a priority application deadline of January 31 for freshman applicants. For transfer students, the application deadline is March 15. Applications for admission will also continue to be accepted throughout the calendar year; students are encouraged to apply for admission at the earliest possible date. An early application for admission provides optimal opportunity for financial aid awards, course selection, and campus housing. High school students are encouraged to apply in the fall of their senior year and may apply at the completion of the junior year. Applications are accepted for the fall, spring, and summer semesters.

HOW TO APPLY

To obtain application materials and information, contact the Office of Admissions by phone, 1-800-804-1510 or 503-517-1020; email, admissions@warnerpacific.edu; or FAX, 503-517-1540. Completed materials may be mailed to:

Office of Admissions
Warner Pacific College
2219 SE 68th Avenue
Portland, Oregon 97215-4026

Prospective students may also apply on-line at the admissions section of the Warner Pacific College website at www.warnerpacific.edu.

ADMISSION REQUIREMENTS

The following are required to complete the application process:

1. A completed Warner Pacific College *application for admission*.
2. A *\$50.00 non-refundable application fee*. The application fee may be waived by submission of one of the following: a College Examination Board Waiver Form or a letter requesting waiver from a high school guidance counselor.

3. A signed *Community Covenant*.
4. *Official examination scores* from the Scholastic Assessment Test of the College Examination Board (SAT) or American College Testing Program Assessment (ACT) are required of all applicants to the freshman class and transfer students who have earned less than 20 semester college credits. If five or more years have passed since high school graduation, this requirement is not applicable. Information regarding registration, test dates, and location may be obtained from a high school guidance counselor, the Warner Pacific College Office of Admissions, or from:

College Board
www.collegeboard.com.

American College Testing Program
www.actstudent.org

Warner Pacific College's SAT college code number, **4595**, should be placed on the examination for the official reporting of the scores. The ACT college code number is **3486**.

An official high school transcript sent directly from the school or test scores from the General Educational Development Test (GED) are required of all applicants to the freshman class and transfer students who have earned fewer than 20 semester college credits.

6. *An official transcript from each college and university* attended sent directly from the institution to the Warner Pacific College Office of Admissions.
7. *A personal essay of 1-2 pages, describing the applicant's educational and career goals and how Warner Pacific College will help the applicant reach their goals.*
8. *A personal interview* and/or references may be required of selected candidates.
9. Candidates to the freshman class or transfer students with fewer than 20 semester college credits and have completed any portion of their secondary education through home schooling are required to complete the Warner Pacific *College Home Schooled Information Form* available from the Office of Admissions. Home schooled students are expected to have completed the college preparatory units listed in the admissions criteria section.

INTERNATIONAL STUDENT ADMISSION

They also must be clear of any Warner Pacific College registration holds. Applicants not in good standing in any of these categories will be referred to the Admissions Review Committee for evaluation.

For non-degree seeking students:

Non-degree seeking student applicants must have completed secondary school or hold a GED Test Certificate, and complete a non-degree seeking application for admission.

For graduate students:

An official academic record from each college or university attended, including confirmation of a completed baccalaureate degree from a regionally accredited college or university. The transcript(s) received must also reflect a minimum of a 2.75 cumulative grade point average (4.00 scale).

ADMISSION DECISION - UNDERGRADUATE

Each candidate for admission is reviewed individually with careful consideration given to academic records, test scores, application essay, and the ability to benefit from and contribute to the opportunities offered at the College. Warner Pacific College complies with federal and state requirements for non-discrimination on the basis of handicap, sex, race, color, national or ethnic origin in admission and access to its programs and activities. Warner Pacific College reserves the right to deny admission to any applicant when that decision is determined to be in the best interest of the applicant or the institution. When a candidate has completed the application process, one of the following decisions will be made:

1. Admission in Good Standing

In some cases, students will be granted admission based on self-reported information or unofficial documents pending receipt of official documentation to complete their application file. If official documentation fails to arrive before the end of the first semester, the student will not be allowed to register for classes for the next semester.

2. Admission on Academic Probation

The Admission Review Committee evaluates all applicants who fail to meet the minimum admission criteria and those judged by the Executive Director of Enrollment Management to warrant review. A limited number of students who demonstrate ability and motivation to achieve academic success are granted full admission on academic probation and are expected to earn a 2.00 or higher grade point average in the first semester of enrollment. Students admitted on academic probation will be required to participate in provisions to promote academic achievement as established by the Faculty and recommended by the Admission Review Committee. These provisions may include a reduction in course load, limitation of extra-curricular activities, and enrollment in specific classes or support programs.

3. *Denied Admission*

The Admission Review Committee determines denial of admission to Warner Pacific College. An applicant denied admission has the right to appeal such a decision in writing to the Admissions Review Committee, provided the applicant can present relevant additional information indicating ability and motivation to achieve academic success.

ADMISSION DECISION - GRADUATE

Each candidate for admission is reviewed individually with careful consideration given to academic records, test scores, application essay (s), professional references and the ability to benefit from and contribute to the opportunities offered at the College. Warner Pacific College complies with federal and state requirements for non-discrimination on the basis of handicap, sex, race, color, national or ethnic origin in admission and access to its programs and activities. Warner Pacific College reserves the right to deny admission to any applicant when that decision is determined to be in the best interest of the applicant or the institution.

When a candidate has completed the application process, one of the following decisions will be made:

1. *Admission in Good Standing*

In some cases, students will be granted admission based on self-reported information or unofficial documents pending receipt of official documentation to complete their application file. If official documentation fails to arrive before the end of the first semester, the student will not be allowed to begin classes the next semester.

2. *Admission on Academic Probation*

Graduate students may be accepted on a probationary basis if any of the following conditions apply:

- Entering the program with an unaccredited degree. The performance of the student will be evaluated after six semester credits of completed coursework to determine eligibility to continue the program.
- Entering the program with a GPA below 2.75. To continue in the program, the student's cumulative GPA at the end of the first semester must be a 3.0 or above. The student's performance will be re-evaluated at the end of the second semester.
- International students entering the program with a TOEFL score below 550 on the paper exam, 195 on the computer exam, or 71 in the internet-based exam.

3. *Denied Admission*

The appropriate graduate program director determines denial of admission to Warner Pacific College. An applicant denied admission has the right to appeal such a decision in writing to the Graduate Committee, provided the applicant can present relevant additional information indicating ability and motivation to achieve academic success.

NOTIFICATION

Candidates for admission who have completed the application process will receive written notification of their admissions status. Information on the following will be included in this communication:

A *tuition deposit* of \$200.00 is required of all fulltime, non-international students 30 days after admission to the College to confirm intention for enrollment. Deposits for the fall semester are refundable until May 1 and until November 15 for the spring semester. A completed *Warner Pacific College Health and Immunization Form* is required of all fulltime students prior to registration.

A *tuition deposit* of \$5,000 USD is required of international students before form I-20 can be issued. The tuition deposit is refundable for international applicants until May 1 for fall semester and November 15 for the spring semester; \$200 of the deposit will be withheld if refund is requested after the deadline.

All students who will be living in Warner Pacific College residence halls are required to complete a *residence life application* and submit a \$250.00 *residence deposit*. *Deposits are refundable* until May 15 for the fall semester and November 30 for spring semester.

PAYMENT POLICIES

STUDENT ACCOUNTS

Charges to students for all tuition, fees and housing are recorded in an individual account based on the student identification number assigned upon initial enrollment. Grants, scholarships, and loan payments are recorded as credits against those charges as they are received. The balance due, if any, shown on the student's account statement must be paid in full by August 1st for the fall semester and December 15th for the spring semester, and prior to moving into student housing, and upon receipt of any subsequent monthly statements. Payments in excess of charges will be refunded by check to the student unless the student requests the funds be held on the account as pre-payment of future charges. All credit balances must be refunded to the student at the end of each academic year, regardless of student request. The student may request that the check be returned to their student account for the next academic year charges by signing over the check to Warner Pacific.

If a student adds or drops courses, an official change of registration form must be submitted. Fees and charges are adjusted for adds and drops within the allowed add/drop period at the full semester rate(s), with related adjustments in financial aid. Students considering a drop below full-time enrollment status are encouraged to discuss the consequences for such a decision with Student Financial Services personnel.

When students register for class, they incur charges and are responsible for payments of these charges whether or not they attend. Warner Pacific College, a non-profit institution of higher learning, in establishing any student account, extends credit to students solely for the purpose of financing their education. Any balance due is hereby acknowledged as a student loan and will be considered non-discharge under Chapter 13 and 7 of the federal and state laws governing bankruptcy.

PAYMENT PLANS

Balances remaining after all financial aid, third party payments, and personal payments are applied require a payment plan. Traditional Student Payment Plans are computed on the academic year ending in April (typically nine months, maximum of 12 months). A pre-authorized plan is available to automatically deduct a monthly payment from a checking or savings account, work study payroll check, or a debit or credit card. A non-refundable enrollment fee equal to 5% of the amount financed will be charged to the student account and included in the payments upon plan approval.

THIRD-PARTY PLANS

The college participates in programs with third parties such as employers, government agencies, and embassies provided written documentation confirming enrollment in the third party's reimbursement program is submitted to the Office of Student Financial Services by the semester due date. All fees and charges not covered in the arrangement are the responsibility of the student and are due prior to the first day of classes. Delayed employer reimbursements may result in service charges to the student.

UNPAID ACCOUNT STATUS

Full payment, or an approved payment arrangement, is required prior to moving into housing or attending classes. A student is placed on unpaid status if satisfactory payment arrangements are not made by the first day of the semester. Failure to contact the Office of Student Financial Services may result in a voided registration. Unpaid balances, including those created or increased after initial clearance, may be subject to a 1.5% monthly service charge (18% annually).

OUTSTANDING STUDENT ACCOUNT BALANCES

Failure to meet arranged payment plan terms may result in plan termination. Delinquent monthly accounts, and any deferred payment arrangements, incur service charges. Continuous nonpayment may result in an administrative withdrawal from enrollment and may prohibit the student from registering in subsequent semesters and obtaining official and unofficial transcripts until such obligations are satisfied. Prior to the end of enrollment, graduating students must owe less than \$1,000 on an approved payment plan in order to participate in graduation ceremonies. Diplomas and transcripts are not released to any student until their student account balance is zero. In addition to withholding transcripts, records, or diplomas until all college expenses are satisfied, Warner Pacific reserves the right to preclude students with past due balances from representing the college in public activities or events.

Students experiencing legitimate extenuating circumstances relating to their financial situation are encouraged to meet with Student Financial Services personnel for counseling.

REFUND POLICY

If a student withdraws or is dismissed, a pro-rated amount of tuition and fees, **except applied music fees**, will be refunded based on calendar days attended. After 60 percent of the term has passed, no refund will be granted. **Any refund may be reduced by the tuition deposit, room reservation deposit and meals consumed. Additional charges may arise from the terms and conditions of a residential lease.**

Special Procedural Provisions

Federal Title IV student aid is disbursed to pay educational expenses while enrolled. When a student withdraws prior to the completion of 60 percent of the semester for which aid was awarded, a pro-rated portion of the aid must be returned to the federal government.

Federal regulations require a written institutional policy for the refund and repayment of federal aid received by students terminating enrollment for any reason during a semester for which payment has been received. Refund calculations are performed using the Department of Education's Title IV refund procedure to determine the refund percentage.

The institution is responsible for the return of funds to appropriate federal sources based on the refund percentage identified. The student is responsible for repayment to the institution or the federal government for any balance created by the withdrawal.

Financial Aid Information

Warner Pacific College recognizes the challenge students and their families face in financing the cost of attending college and is committed to making affordable a personalized education of excellence. Although the primary responsibility for financing an education lies with the students and their families, the college recognizes financial assistance as a partnership between the student, the student's family, the federal government, and the college.

Warner Pacific College commits substantial resources to need-based institutional financial assistance, and to merit and talent award programs. Financial resources are available from federal, state, institutional, and private programs.

DETERMINING FINANCIAL NEED

Warner Pacific College uses data collected from the Free Application for Federal Student Aid (FAFSA) and the federally-calculated Expected Family Contribution (EFC) for each financial aid applicant to determine eligibility for both government and institutional aid funds. Parent and student contributions are determined by using federal formulas and institutional policies. The EFC is compared to the annual student budget at Warner Pacific, which include tuition, fees, room, board and estimated amounts for books, personal and travel expenses. For those students with an EFC amount that is less than the student budget, financial need exists.

The federal need analysis formula considers parental income and assets as well as such factors as size of the family, age of the parent(s) and the number of children attending college. Also considered are necessary family expenditures such as taxes and the standard cost of living. The formula does not consider discretionary expenses (e.g., consumer indebtedness) in its calculation of the parental contribution. In addition to the parental contribution, students are expected to contribute toward their college expenses from current income, savings, and any other personal resources such as trust funds.

APPLICATION PROCEDURES

To receive financial assistance from the college, students must be admitted as degree-seeking students to Warner Pacific College, must be U.S. citizens or eligible non-citizens, must not be in default on educational loans nor owe repayment of federal grant funds, and must be making satisfactory academic progress toward graduation (see page ?).

All students requesting federal, state, and need-based college funding must complete the Free Application for Federal Student Aid (FAFSA). Students should submit a completed FAFSA to the federal processor as soon after January 1 as possible each year. The FAFSA may be completed on-line at www.fafsa.gov. Students are notified of financial assistance only after being admitted to the college.

Financial aid is offered annually and students must reapply beginning January 1 of each year. Applications for aid received after the March 1 priority filing date are awarded subject to the availability of funds. Students can expect their financial aid to be renewed each year, contingent upon available funding, provided they:

1. Submit all necessary information prior to the March 1 priority filing date
2. Demonstrate the same level of financial need
3. Maintain satisfactory academic progress towards graduation.

If a student's demonstrated need changes, the aid package is adjusted accordingly.

The following information may be specific to the traditional semester calendar programs at Warner Pacific College. Please refer to the Adult Degree Program Bulletin for information specific to the non-term calendar program.

SOURCES OF ASSISTANCE

“Financial Aid” includes resources awarded in the form of gifts (grants and scholarships) and self-help (student employment and loans). Warner Pacific College, federal and state governments, private organizations or donors, and businesses provide the funding for these resources. The majority of assistance is awarded primarily on the basis of demonstrated financial need. However, the college also offers certain select scholarships to students based on merit without consideration of financial need.

Warner Pacific College Funds

The college awards merit-based four-year scholarships and grants to students enrolled in the traditional semester program. For some awards, the student's financial need is considered. Institutional funds are only available to students pursuing their first baccalaureate degree (regardless of whether the first degree was from an accredited institution) and require fulltime enrollment except as noted in the Financial Aid Information publication and/or website. All institutional aid excludes summer term and is divided in half by semester. Please contact the Office of Admissions for specific requirements, restrictions, and application procedures.

Federal Funds

Federal Pell Grant: Federally funded grants awarded to financially needy students meeting the program's specific requirements as determined annually by the federal government.

Federal Supplemental Educational Opportunity Grant (FSEOG): Federally funded grants awarded to students demonstrating exceptional financial need with priority given to Federal Pell Grant recipients. The amount of the grant varies depending on need and available funding. Requires full-time enrollment.

Academic Competitiveness Grant (ACG): Federal grant available to first and second year PELL eligible students completing a defined rigorous high school program after January 1, 2005. A cumulative GPA of 3.00 is required at the end of the first year to qualify for a second year award. A minimum of half time enrollment is required.

National Science and Mathematics Access to Retain Talent Grant (SMART): Federal grant available to third and fourth year PELL eligible students who have declared a specific Science and/or Mathematics major and are enrolled each semester in courses applying to that major. Recipient must maintain a minimum 3.00 cumulative GPA each semester. A minimum of half time enrollment is required.

Federal Perkins Loan: Long-term low interest loan awarded to students demonstrating need according to federal regulations. Students may borrow an annual maximum of \$5,500 through this program with an aggregate of \$27,500 during the undergraduate years. Actual awards vary contingent upon available funding. The interest rate is 5 percent and repayment begins nine months after the student ceases to be enrolled at least half-time.

Federal Work Study: Federally funded work program providing the opportunity for students to work part-time during the academic year. Work study positions are generally on-campus with pay rates beginning at minimum wage. Paychecks are issued monthly. Eligibility for work study is based on financial need as determined by an analysis of the information provided on the FAFSA. Eligibility is not a guarantee of employment.

Federal Direct Stafford Loan (Subsidized and Unsubsidized): The Subsidized loan is awarded on the basis of financial need. The federal government pays all interest on the loan until the student enters repayment. An Unsubsidized loan is not awarded on the basis of need. The student is charged interest from the time the loan is disbursed until it is paid in full. Repayment for the Subsidized and Unsubsidized Stafford Loans begins six months after the student is no longer enrolled at least half time or immediately after a cease in enrollment if the student entered repayment status on prior loans before returning to school at least half time. Amounts are based on academic credit level completed and aggregate loan limits. The interest rate is fixed at a maximum of 6.8% for loans first disbursed after July 1, 2006.

State Funds

The Oregon Student Assistance Commission administers state-funded and private awards for Oregon residents attending an Oregon college. Information contained in the FAFSA for an Oregon resident is automatically sent to the Oregon Student Assistance Commission for use in determining a student's eligibility for the following programs:

Oregon State Opportunity Grants: The state uses the Shared Responsibility Model to determine awards. Some of the factors in the calculation are family size, income and the number of family members attending college. More information is available at the state website <http://www.getcollegefunds.org>.

Private Awards: The Oregon Student Assistance Commission administers a number of awards funded by private donors. Though many of these awards have some restrictive eligibility requirements, most recognize outstanding academic achievement. In addition to the FAFSA, students are required to submit a separate application to the Oregon Student Assistance Commission by March 1. Applications are available at <http://www.getcollegefunds.org/>.

Private Funds

Oregon Independent College Foundation (OICF); local churches; service clubs such as Kiwanis, Elks, Rotary, Eastern Star, Masons and other civic clubs and employers provide student scholarships. Many reference books and internet web sites are available for use in researching private assistance programs. These can be found at libraries, high schools, the worldwide web, or college counseling offices.

Gift-aid (Grants, Awards, Scholarships)

Gift-aid funds are credited to each student's account in the Office of Student Financial Services at the beginning date of each semester or, if after the academic period begins, upon notification of approval and verification of enrollment.

Loans

Loan eligibility is listed on the student aid award letter and processed by the Office of Student Financial Services. The Office of Student Financial Services will process the awards in the amount stated on the award letter unless notified by the student of a reduction.

Funds are typically received at the beginning of each semester, according to federal regulations. Typically, entrance counseling and a Master Promissory Note (MPN) must be completed prior to funds being placed on the student's account (if not previously completed). Most loans, including Federal Direct Stafford Loans, are received by electronic funds transfer. If hard copy checks are received, a notification is sent to the student regarding the check for endorsement and application to the student account. The Office of Student Financial Services credits loan funds to student accounts and requests refund checks on overpayments.

Federal Perkins Loan processing and disbursements are overseen by the Perkins Representative located in the WP Office of Business & Finance. A Perkins Loan entrance interview and Master Promissory Note (MPN) is required before the loan is credited to the student's account.

Campus Employment

Students working through the student employment programs (Federal WorkStudy and Institutional Student Employment) are paid monthly by check. All positions pay at least minimum wage. Earnings are not automatically applied to account balances; however, monthly student account payments are available through a payroll deduction plan.

EXCESS FUNDS AVAILABILITY

Excess Title IV funds are available to students within two weeks of funds receipt. Photo I.D. must be presented to the Office of Student Financial Services in order to pick up a refund check. Students may also request the excess funds on their student account be held for future charges or to have their refund check mailed to their permanent address on file in the Records Office. Proof of attendance forms may be required (usually in the first two weeks of the term) and are available in the Office of Student Financial Services. Proof of attendance forms must be signed by at least one instructor, if required. Warner Pacific College does not advance funds prior to receipt.

ACCOUNT ADJUSTMENTS

If a student adds or drops courses, an official change of registration must be submitted to the Registrar. Complete withdrawal from the college and all courses follows the withdrawal process outline below. Fees and charges are appropriately adjusted at the full semester rate(s), with related adjustments in financial aid.

WITHDRAWAL PROCEDURES

The procedure for withdrawing from all courses is as follows:

1. Obtain a withdrawal form provided by the Executive Director of Enrollment in the Office of Admissions.
2. Secure required signatures and complete the form.
3. Return the completed form to the Records Office

RETURN OF TITLE IV FUNDS POLICY

Federal regulations require each educational institution to have a written policy for the refund and repayment of federal aid received by students withdrawing during a term for which payment has been received. These policies are effective only if the student completely terminates enrollment (i.e., cancels registration, withdraws, or is dismissed) or stops attending classes before completing more than 60 percent of the enrollment period. The Return of Title IV Funds Policy also applies to Leaves of Absence (LOA) in the traditional program.

Warner Pacific restores to the appropriate federal sources a proportional share of the institutional charges for which the student has been paid. A repayment may be required when cash has been disbursed to a student from financial aid funds in excess of the amount of aid the student earned during the term. The law assumes that a student uses Title IV student aid to pay institutional charges: tuition, fees, room and board. The amount of Title IV aid earned is determined by multiplying the total Title IV aid (excluding FWS) for which the student qualified, by the percentage of time during the term the student was enrolled. A copy of the worksheet used for this calculation may be obtained from the Office of Student Financial Services. The responsibility for returning unearned aid is allocated between the school and the student.

In accordance with federal regulations, the return of Title IV funds is made in the following priority order:

- Unsubsidized Federal Stafford Loan
- Subsidized Federal Stafford Loan
- Federal Perkins Loan
- Federal PLUS Loan
- Federal Pell Grant
- Federal ACG/SMART Grant
- Federal SEOG
- Federal TEACH Grant

STANDARDS OF ACADEMIC PROGRESS

Warner Pacific College is mandated to qualitatively and quantitatively monitor the academic progress of financial aid recipients. The standard is cumulative and includes all periods of enrollment, even those in which the student did not receive financial assistance. In the event a student's performance is found to be unsatisfactory, the college notifies the student about the impact of this unsatisfactory progress on financial aid eligibility.

Qualitative Standard

Students are expected to maintain at least a 2.0 cumulative GPA.

Quantitative Standard

Fulltime students must complete at least 12 credits per semester while attending the College. The quantitative measure for less than fulltime attendance is calculated as a percentage of the fulltime standard. 'No credit' designations such as "W" (withdrawal), course grades of "I" (Incomplete), or "IP" (In Progress) are not considered satisfactory completion of a course. An incomplete (I) or in progress (IP) may become acceptable only if the course requirements are completed within the time prescribed by the college.

Maximum Time Frame

Fulltime matriculating students are eligible to receive federal financial aid for a maximum of 150 percent of the time required to complete a degree. Generally, 124 credits are needed to earn a baccalaureate degree. The maximum number of credits for which a student may be eligible to receive federal financial aid is 186 (124 x 150%). All course work attempted are included in credits toward completion and are considered in the calculation for time frame eligibility.

UNSATISFACTORY ACADEMIC PROGRESS

Satisfactory academic progress, as indicated by cumulative GPA, is monitored annually by the Office of Student Financial Services. The cumulative GPA and cumulative credits earned are reviewed at the end of each semester. Students failing to meet the academic progress standard for the first semester are placed on Financial Aid Warning and issued a letter alerting them of the need to correct the deficiency. Students failing to meet the standard for a second consecutive semester are placed on Financial Aid Probation. A student granted a probationary term and failing to meet the academic progress standard at the end of the third semester is placed on Financial Aid Suspension and is denied further assistance from Warner Pacific College until the standard is met. Students who have not officially withdrawn and did not complete any credits or received a 0.00 G.P.A. in a particular semester are placed on immediate Financial Aid Suspension.

Appeals

Students failing to achieve minimum academic requirements or requesting special consideration due to mitigating circumstances are given the opportunity to appeal the loss of financial aid. Appeals must be in writing to the attention of the Director of Student Financial Services. The Financial Aid Advisory Committee adjudicates appeals. The student is notified in writing and all decisions are final.

Conditions for Reinstatement

A student denied an appeal must, without the benefit of financial aid, successfully complete 12 credits in one semester with a semester GPA of 2.0 for reinstatement. The student may reapply by written appeal to request financial aid for the following semester. Incomplete and In-Progress grades affecting the financial aid standing may be reviewed through the appeals process.

Adult Degree Program students should refer to the ADP Bulletin for Satisfactory Academic Progress and Reinstatement process explanations.

WARNER PACIFIC COMMUNITY

Warner Pacific College offers a Christ-centered, academically rigorous, leadership focused, learning community in which faculty, staff, and students come together to share, explore and solidify each individual's ideas, values and beliefs. Warner Pacific is a college that strives to develop students who are characterized by a strong personal faith, integrity, transformation, a sense of mutual responsibility, and a pursuit of personal excellence. The Warner Pacific community emphasizes seamless, holistic learning that occurs in classrooms, in residence halls, on the gym floor, in the dining hall, at worship, and at social gatherings. The Warner Pacific student population is comprised of students ranging in age from 17 to well past retirement, and originating from across the United States and many foreign countries.

RESIDENCE LIFE

Living in residence at Warner Pacific College carries with it a distinctive set of privileges and responsibilities. Students who reside on campus live in a community with their peers and are entrusted with the responsibility to care for each other in a cooperative and communicative fashion. This environment provides students with enriching experiences, which may be an impetus for healthy interpersonal relationships. Because living on campus (in residence) can have a significant impact on one's learning process, personal development, and faith journey, all single students under 21 years of age who are enrolled fulltime (twelve or more semester credits), who have not established a permanent residence for 12 months or longer and who do not live with parents or legal guardians are required to be a part of the residence life program. Living options consist of residence halls, one and two bedroom apartments, and houses.

Residential living is more than sleeping, studying, and enjoying friends; it provides an opportunity for students to integrate their academic, spiritual and interpersonal learning. Living in residence enables students to develop the ability to adjust their personal needs to achieve the goals of true community. Requests for permission to live off-campus must be submitted by petition to the Director of Residence Life. Questions and concerns about on-campus living are handled directly by the Office of Residence Life.

CAMPUS MINISTRIES

As a diverse "Community of Faith" with Christ as the centerpiece, Warner Pacific is committed to finding its unity in Christ. Students, staff and faculty come from a variety of backgrounds reflecting differing worship styles, theology, and doctrines. The community employs the principle, "In essentials, unity; in non-essentials, tolerance; and in all things, charity."

Campus Ministries at the college is developed in numerous ways. First, bi-weekly chapels are designed to relevantly speak to the WPC community and are all designed around a Christ-centered theology and worship. Second, students have the opportunity to participate in student-led weekly evening chapels that provide wonderful experiences for practicing the rewarding and challenging work of worship. Third, small group offerings encourage deep community and accountability. Fourth, a thriving and challenging

outreach program meeting the physical, emotional, and spiritual needs of the Portland area residents, including our annual Common Day of Service, is a vital aspect of our Campus Ministries Department. Fifth, we offer a cross-cultural missions opportunities during the spring break to challenge students to serve and grow. Lastly, periodic retreats and relaxing spiritual outings are offered over the course of the year.

Because spiritual formation is a central part of the health and development of our community, students are encouraged to be involved with chapel on the campus and service in the community. The campus ministry agreement follows:

Every residential student enrolled in 12 credits or more is required to attend a minimum of 15 chapels per semester. These community chapels are on Tuesday and Thursday in McGuire Auditorium. Fifteen credits represent roughly half of the chapels offered in the semester. In addition, every full-time residential student is also required to have ten service hours. These hours can be acquired by service in various capacities. Students are encouraged to acquire these credits off campus in the greater Portland area. The Campus Ministries office provides many opportunities for service hours.

Every commuter student enrolled in 12 credits or more will be required to have a combination of chapels and service hours that equal 25. Commuter students may get up to 20 hours in either category and must have a minimum of five credits in both categories at the end of the semester. **Students** will have the opportunity to petition out of the chapel credits. Petitions must be completed within the first three weeks of the semester and turned in to the Student Development office. In the case of a petition, students will show adequate cause for being released from chapel and have a well-articulated plan for spiritual growth or community involvement.

Every student who does not complete the **Faith and Service Credit** commitment will be fined \$10 per credit missed. Semester fines will not exceed \$200.

The spiritual life of any community is only as strong as those who participate. All students are encouraged to take advantage of the numerous opportunities offered each semester at Warner Pacific to enhance their spiritual development as well as to offer their many gifts to enrich the entire Warner Pacific College community.

CAREER AND LIFE COUNSELING CENTER

Career Services: Believing that God has a calling for all people, the Career and Life Planning Center encourages students in finding and pursuing their calling, helping them to understand their individuality and how it relates to the world around them. The center's cornerstone verse is Jeremiah 29:11: God says, "I know the plans I have for you, plans for welfare and not calamity, plans to give you a hope and a future." Thus, in discovering God's plan for their lives, students will find a meaningful career and life.

The Warner Pacific Career and Life Planning Center exists to assist students in identifying vocational goals. To accomplish this, a variety of tools are used. During new student orientation, students take the Myers Briggs Temperament Inventory (MBTI) and Strengths Quest. These tests are followed up with individual counseling sessions with the counseling department and in the First Year Experience course. Upperclassmen are encouraged to complete a CD-ROM version of the best selling *What Color is Your Parachute?*. In addition, Spiritual Gifts testing and Strong's Interest Inventories may be used to aid in the process. These tools, coupled with career counseling and informational interviewing, provide students with the best opportunity in developing career direction.

The Career Center collaborates with academic departments on choice of major selected by each student and internship options. Workshops as well as one-on-one counseling for interview preparation are available. The Career Center also serves as a source of information on graduate schools, school rankings, scholarships, writing personal statements, preparing for entrance exams, and other graduate school resources.

Assisting with job placement is another critical aspect of the Career Center's work. Employers with part-time or fulltime positions submit materials to the office, which are then circulated to the entire Warner Pacific community each week via email.

Counseling Services: The Career and Life Counseling Center provides counseling services for Warner Pacific College students, faculty, and staff on a time-available and first-come basis. Clients using the Center have the opportunity to explore needs and concerns in areas such as self-confidence, communication, stress management, depression, relationships, roommate conflicts, grief and loss, abuse, loneliness, eating, drug and alcohol concerns, and premarital and marriage counseling. For individuals experiencing extensive issues or needing year-round/uninterrupted service, the Center personnel will work with them to find appropriate outside services. The Counseling Center is firmly committed to maintaining the confidentiality of all who visit the Center. Information obtained will be kept confidential except in life threatening situations or as required by Oregon law.

The Center is open September through April when the main campus classes are in session. Hours are reset each semester.

LIFESTYLE

Development of a community requires open, honest, caring communication as well as sacrifice and loving adjustment in personal liberties. The Warner Pacific community willingly chooses to adhere to rules for behavior based on biblical principles of healthy living that are designed to promote the welfare of the entire community.

Warner Pacific College extends enrollment privileges to any person who academically College, and is willing to abide by the behavioral expectations regardless of race, color, sex, national origin, disability, age, veteran status and any other status protected by laws and regulations. Warner Pacific College encourages all members of the community to make responsible Christian choices in all decisions. A full description of the Community Covenant appears in *The Squire*, the student handbook.

STUDENT GOVERNMENT

Democratic self-government is essential to the development of maturity, judgment and leadership. Student life at Warner Pacific mirrors this process. The students, administration and faculty enter into this process by mutual consent. The Associated Students of Warner Pacific College (ASWPC) is the executive body, composed of duly elected and appointed officers and representatives.

The ASWPC, operating under its own grant of powers, creates policy that contributes to the governance of student life and activities and organizes such activities. It develops and coordinates an active social and spiritual life program to meet the needs of all students.

Membership in campus interest groups and clubs is open to all fee-paying students; their activities are carried out under student leadership with the counsel and advisement of faculty and staff. The workings of student government are outlined in detail in the student handbook, *The Squire*, which is provided for each student.

ATHLETICS

Historically, competitive athletics for men and women have been an important part of the Warner Pacific College educational experience. Athletics bring excitement and a sense of pride and commitment to the overall collegiate environment. Warner Pacific's athletic program epitomizes the college's commitment to provide the total educational experience that promotes student development at all levels. Consistent with Warner Pacific's mission, the college emphasizes the integration of athletic and academic opportunities, where faith, scholarship and athletics lead to service.

Warner Pacific College fields women's teams in golf, soccer, volleyball, cross country, track and field and basketball. Men's teams participate in golf, soccer, cross country, track and field and basketball. The teams compete in the Cascade Collegiate Conference. On a national level, Warner Pacific is a member of the National Association of Intercollegiate Athletics (NAIA) Division II. For further information on the athletic programs at Warner Pacific, go to the website at www.wpcknights.com.

CLUBS AND ORGANIZATIONS

A variety of clubs and organizations are available to students who meet the stated requirements. In addition, several faculty and institutional committees have student membership. See *The Squire* for specific information.

STUDENT HEALTH/WELLNESS SERVICES AND MEDICAL INSURANCE

The Student Health/Wellness Center is located on campus to provide basic health and wellness services. These include emergency first aid, nursing assessments, advice, referrals, and health/wellness education.

All students are encouraged to carry personal health insurance coverage, while Accident Insurance is automatically provided for students enrolled in six or more credits as a part of their general fees. Information on several good health insurance plans is available as needed from the Office of Student Financial Services or Health/Wellness Center.

Oregon State Law requires that all full-time students show proof of receiving a second dose of measles-containing vaccine. Students are also asked to provide record of receiving all immunizations mandated by the Oregon Department of Health Services for all public and private schools. For more information, see: <http://oregon.gov/DHS/ph/imm/school/index.shtml>. In addition, all students are required to provide a completed Health Information form. These forms are kept on file in the Student Health/Wellness Center and are used for health appraisal and personal counseling information. All Health History information is kept confidential and requires student permission for any further distribution. International students have additional requirements, as follows:

1. Oregon law prohibits foreign students with non-immigrant visas and no measles immunizations from starting classes (or even coming on campus) until they have at least their first measles immunization; they must then get the second measles immunization within a month after school starts or they cannot continue;
2. they must provide proof of tuberculosis Screening (PPD/Mantoux) within six months of entering college.

STUDENT VEHICLES

All students with vehicles on campus must register their vehicles to comply with campus regulations as well as state laws, including providing proof of minimum liability insurance. A \$65.00 parking fee is assessed per semester. To obtain on-campus parking privileges, the following information must be provided: the insurance policy carrier and policy number, car license number, and driver's license number. Parking regulations are

strictly enforced (see *The Squire* for automobile and parking regulations). Students who do not desire on-campus parking privileges must sign a waiver request, available in the Office of Student Financial Services. A fine of \$10 will be imposed on all improperly parked vehicles, with the exception of official college guests. In addition, improperly parked, unregistered student vehicles will be assessed motor vehicle search costs from DMV plus the cost of a parking permit.

EMPLOYMENT SERVICES AND PLACEMENT

A job board with a listing of off-campus employment is maintained in the Career and Life Planning Office. A number of work opportunities are available on campus through the College Work Study Program but students should not depend on such work unless arrangements have been made before coming to college.

Placement assistance upon graduation is offered through the individual academic departments, the Teacher Education Office and the Career and Life Planning Office.

COLLEGE STUDENT ACTIVITIES

COLLEGE ACTIVITIES BOARD

The College Activities Board (CAB) has been developed at Warner Pacific in an effort to coordinate and administrate all student programming on campus. Social and physical activities that occur outside the classroom play an important part in the students' overall educational experience at Warner Pacific. Student activities help shape attitudes, readiness to learn and impact the quality of the college experience. CAB is responsible for coordinating programming in intramurals, outdoor recreation, special events, residence life activities, multi-cultural student programming, and the Student Union. The majority of these areas are student-led, which enables students to be involved in the strategic planning of campus-wide programming. The goal for CAB is the development of the whole student by:

- Encouraging the development of community among students and a sense of community within the institution
- Helping students understand and appreciate difference in every area including but not limited to interests, ethnic, and gender
- Providing opportunities for recreation and leisure-time activities

The Director of Leadership Development and Student Programs convenes and coordinates the College Activities Board.

INTRAMURAL PROGRAM

The purpose of the Intramural Program is to provide an opportunity for the Warner Pacific College community to participate in a variety of competitive and non-competitive sports and activities. The Intramural Program seeks to compliment the educational endeavors of the college and is oriented toward every population on campus.

STUDENT HANDBOOK

More specific information about student life is contained within the student handbook, *The Squire*, available upon request from the Office of Student Development. *The Squire* is also accessible on the college's website and may be viewed at www.warnerpacific.edu/studenthandbook.

Undergraduate Academic Policies, Procedures and Standards

Warner Pacific College abides by the Family Educational Rights and Privacy Act of 1974, Sec. 438, PUB. L90-247, as amended, which sets forth requirements for the protection of students' rights to privacy in their educational records and gives them the right to inspect such records to seek correction of errors. This statement serves as notice to all students of their rights under the law.

CONFIDENTIALITY OF STUDENT RECORDS

Warner Pacific College adheres to a policy of protecting students' rights to restrict release of personal information within their college records. All student academic files, supporting documents, and other records shall be maintained by Warner Pacific College staff employed for that purpose. The Registrar maintains transcripts of educational records, containing information only about academic status, in the Records Office. Every student is guaranteed access to his or her records. The Registrar or a designee will advise a student of procedures for handling a request for correcting errors in the records. Disclosure of a student's records to faculty and administrative officers shall be for internal educational purposes, routine administrative and statistical purposes or legitimate inquiries made by instructors to guide the student in a specific academic area. Information from a student's record will not be released to anyone outside the institution except with the prior written consent of the student or upon presentation of a court order or subpoena.

Grade reports will be made available to parents of a student when written permission is received from the student. Confidential release forms are available at the Records Office. These forms require the student's signature.

Students who have questions about their grade records or any of the registration procedures may inquire at the Records Office. To maintain confidentiality of student records, only authorized persons presenting identification may review students' files.

DIRECTORY INFORMATION

The college considers the following items to be student directory information and may be released to anyone upon request: name, campus email address, date of birth, photograph, status as fulltime or part-time, major field of study, participation in recognized activities and sports, dates of attendance, degrees and awards received, educational institutions previously attended, hometown and current city of residence. Height and weight of student athletes may be released for appropriate purposes.

Students who do not wish to have directory information released by the college must file that request in the Records Office and must re-file the request annually.

STATEMENT OF COMPLIANCE

Warner Pacific College does not discriminate in its student admission and employment practices and provides equal opportunity for all student applicants and employees regardless of race, color, sex, national origin, disability, age, veteran status, and any other status protected by laws and regulations.

STATUTE OF LIMITATIONS

Because of the changing nature of certain areas of study, Warner Pacific has set specific limitations on the age of courses completed in identified subjects: courses older than ten years are not acceptable to satisfy the Core Health requirements; courses older than 20 years are not acceptable to satisfy the Core Social Science requirement; courses older than 20 years must be reviewed by the Science Department faculty to determine acceptability to satisfy Core Science requirement. Courses deemed to fall outside of the Statute of Limitations may be applied toward elective degree requirements. In addition, most academic departments have established specific statute limitations on courses applied toward major and minor requirements. Those statutes are specified in the individual academic department sections, beginning on page 55.

TRANSFER CREDITS

ACCREDITED COLLEGES AND UNIVERSITIES

Warner Pacific evaluates credits from regionally accredited colleges and universities for applicability toward Core Studies, major or elective requirements. In addition, Warner Pacific College evaluates coursework from schools and colleges which are accredited by other agencies, provided the institution is listed in Accredited Institutions of Postsecondary Education, published by the American Council on Education (ACE). No more than 40 semester credits may be accepted from vocational-technical fields of study, and these credits will be considered as electives. Courses completed at non-regionally accredited institutions in which the student earned a grade of "C-" or higher, may be evaluated by faculty in the appropriate academic department for Core Studies application.

Lower division courses taken at four-year institutions and all courses taken at two-year colleges will be counted only as lower-division credit (i.e., 100 or 200 level). Upper division and graduate courses taken at four-year institutions may be used to satisfy upper division (i.e., 300 or 400 level) requirements. In all cases, courses must be transferred from an appropriately accredited institution. A grade of "D" cannot be transferred to satisfy any upper division course in the major or minor. In the transcript evaluation process, quarter credits will be converted to semester credits. The formula used is: 1 quarter credit = .67 semester credit. Credit for college-level work from accredited community, junior or vocational/technical colleges is allowed to a cumulative maximum of 72 semester credits.

BLOCK TRANSFER

The college accepts the Associate of Arts Transfer Degree from Oregon community colleges and the A.A.-D.T.A. degree from Clark College in Vancouver, Washington as fulfillment of the Core Studies Requirements, with the exception of HUM 310 and 410, and two courses of Religion, at least one of which must be taken at Warner. (See also "Associate Degrees in Transfer," page 31.)

In addition, Warner Pacific College honors specific articulated agreements with Chemeketa Community College, Clackamas Community College, Clark College, Eugene Bible College, Everest College, Gardner College, High Desert Christian College, Mt. Hood Community College, Linfield College, Marylhurst University, Multnomah Bible College, North Portland Bible College, Pioneer Pacific College, Portland Bible College, Portland Community College, Portland State University, and University of Portland. The college maintains a teacher education cooperative agreement with The University of Portland and cross-registration opportunities with member colleges of the Oregon Independent College Association.

UNACCREDITED INSTITUTIONS

Credit earned at an unaccredited college or university may be submitted for evaluation at the time of transfer. Credit which has been awarded a grade of “C-” or higher may be transferable upon appropriate faculty evaluation and recommendation, on a course- by-course basis. Credits receiving recommendation are provisionally accepted until the student has satisfactorily completed 15 semester credits at Warner Pacific.

FOREIGN INSTITUTIONS

Credit earned at a foreign institution may be submitted for evaluation at the time of transfer. If the institution is listed in the ACE-published Accredited Institutions of Postsecondary Education, the credits will be evaluated as the college evaluates similar U.S. institutions. If the institution is not listed in the ACE guide, the student must provide acceptable documentation of its academic equivalency in the United States. Warner Pacific College advises the use of the following international credential evaluation service:

World Education Services, Inc. (WES)
P.O. Box 745, Old Chelsea Station
New York, NY 10113-0745
Telephone: 212-966-6311
Fax: 212-739-6100
Web: www.wes.org
Email: info@wes.org

COLLEGE COURSES COMPLETED BEFORE HIGH SCHOOL GRADUATION

College courses taken before a high school diploma is received are accepted in transfer provided the student receives grades of “C-” or above in the courses.

ASSOCIATE DEGREES IN TRANSFER

Warner Pacific accepts the completed Associate of Arts Transfer Degree from Oregon community colleges and the Associate of Arts D.T.A. degree from Clark College in Vancouver, Washington as having fulfilled the core studies requirements except as described below. Other accredited college associate degrees are transferable and qualify a student for junior status; these will be evaluated for applicability toward Core Studies, major, or electives. The associate degree being transferred must be completed prior to entry at Warner Pacific. Students enter the college at junior status with a minimum of 60, but no more than 72 semester credits. If coursework in progress at another institution at the time of transfer would complete the associate degree and/or qualify for junior status at the end of that term, the student may request the Registrar in writing to postpone evaluation of the official transcript until the end of the current term, upon receipt of the official transcript. Student must present evidence that coursework is in progress and that satisfactory completion of those courses will result in completion of the Transfer Degree. Any academic advising provided by the college prior to official transcript evaluation is not official and may change based on the official evaluation.

Students with a two-year degree are not exempt from mathematics and English competency requirements of the college as determined by appropriate course work or test scores. Remediation may be necessary if deficiencies are determined. Students with an acceptable transfer degree must complete the following additional core studies requirements:

HUM 310 Faith, Living and Learning (3), or HUM 210 Science and Technology (3), or HUM 211 War and Peace (3), or HUM 212 Earthkeeping
HUM 410 Senior Humanities Seminar (3)

Two courses in religion, at least one of which must be completed at Warner. (See page 51.)

ALTERNATIVE CREDIT

Several alternative credit programs are available to the Warner Pacific applicant of exceptional ability. Non-graded credits will be limited to a total of 45. No more than 30 credits in any one category (i.e., PLE, AP, IB, Military, Credit by Examination) will be accepted.

PRIOR LEARNING EXPERIENCE

Prior Learning Experience (PLE) credit will be awarded for college-level learning that has occurred outside the classroom. There are three ways in which students can demonstrate that they have achieved college-level learning through prior experience: a) by successful completion of proficiency examinations. b) by submission of professional certification obtained through non-college instruction. c) by writing papers which document learning that has occurred through life experience. Such credit awards shall be made under protocol designed to ensure that reliable and valid measures of learning outcomes are or have been applied. All policies and procedures will follow guidelines set by the Council for Adult and Experiential Learning (CAEL) and the Northwest Commission on Colleges and Universities.

ADVANCED PLACEMENT PROGRAM OF THE COLLEGE ENTRANCE EXAMINATION BOARD (AP)

The AP begins in high school when college-level courses are given to selected students of high academic ability and achievement or to able students who have given indication of being highly motivated. Warner Pacific will grant credit or waivers to those who receive qualifying scores. Letter grades will not be assigned. Scores of “4” and “5” on the Advanced Placement examination will lead the college to confer credit and placement. A score of “3” will receive advanced placement without credit. A score of “1” or “2” receives neither credit nor placement.

INTERNATIONAL BACCALAUREATE (IB)

Warner Pacific grants credit for the IB Diploma Program. Letter grades will not be assigned. Credit will be granted for scores of “5” or above on higher-level examinations, up to a maximum of 30 semester credits. A score of “4” may grant waiver of certain core requirements or prerequisites. No credit will be granted for standard level examinations.

AGENCY-SPONSORED LEARNING (MILITARY/CERTIFICATES)

A maximum of 30 semester credits may be awarded for some types of military services and certificated courses on the college level as listed in, or comparable to, guidelines provided by the American Council on Education (ACE). No credit is awarded for general military service. Official documentation of course completion is required. (Coursework completed through the Community College of the Air Force is not included in the alternative credit category and is limited, as with other credit earned at two-year institutions, to 72 semester credits.)

CREDIT BY EXAMINATION

Students may earn credit by examination through tests developed and sponsored by Warner Pacific College or through standardized tests sponsored both by CLEP and DANTES as described below on the next page.

College Level Examination Program (CLEP)

Developed and administered by the College Entrance Examination Board, the CLEP evaluates what a person has learned through non-traditional or independent study. Warner Pacific considers the ACE (American Council on Education) recommended guidelines to determine passing scores and number of credits for CLEP exams. The college is registered as an official CLEP test site.

Defense Activity for Non-Traditional Educational Support (DSST/DANTES)

Originally developed for the voluntary education programs of the U.S. Armed Forces, the DSST standardized exams are now available for civilian use. The civilian tests are administered by the Chauncey Group International, a wholly-owned subsidiary of the Educational Testing Service. Warner Pacific considers the ACE-recommended guidelines to determine passing scores and number of credits awarded for DSST exams. The college is registered as an official DSST test site.

Proficiency Examination

Students may earn credit for a course by examination. The student must submit a Proficiency Examination form with the signatures of the faculty of the course for which the exam is being taken, and the department chair for the course, and pay a Proficiency Examination fee prior to taking the exam. A minimum score of 70% ("C" or better) is required to pass the exam. The fee is due regardless of the outcome of the exam (see the Fees section of this catalog). The Proficiency Examination form is available in the Records Office.

REGISTRATION PROCESS

ACADEMIC ADVISING

All students registered for six or more credits are assigned an academic advisor. The advisor's responsibility is to assist the student to set, plan and reach his/her own personal educational goals. In order for a good advising relationship to function, each person involved needs to know what is expected. **THE FINAL RESPONSIBILITY FOR MEETING ALL ACADEMIC AND GRADUATION REQUIREMENTS RESTS WITH THE INDIVIDUAL STUDENT.**

To achieve educational goals, the student must take the initial responsibility for setting advising appointments, completing the registration forms necessary in the advising process before meeting with the advisor, and undertaking some long-range planning for the completion of studies. A minimum of six months prior to graduation, the student should file an Application for Graduation with the Registrar.

It is the responsibility of the advisor to meet with the student for the purpose of reviewing long-range plans, completing registration for the coming semester, reviewing the graduation application and, in general, advising the student with respect to the chosen major and vocational plans.

CHANGE OF ADVISOR

Once a student has declared a major, advisement is usually given by a faculty member in that particular field. If the student changes majors, a change of advisor should be requested. Students have the right to request such a change for other reasons as well. Change of Academic Advisor forms are available in the Records Office.

REGISTRATION FOR CLASSES

Pre-registration for new students is available at several summer pre-registration events or during new student orientation. Students matriculating during the fall semester are eligible to pre-register for the fall and subsequent spring semesters. Pre-registrations convert to full registration status after the student's financial arrangements have been finalized with the Offices of Financial Aid and Student Accounts.

Returning students may pre-register for fall and spring semester classes during the previous spring semester, or for spring semester classes during the previous fall semester (See Academic Calendar on page 206, or course schedule for specific dates). Pre-registrations convert to full registration status after the student's financial arrangements have been finalized with the Financial Aid and Business Offices.

CHANGES IN REGISTRATION

Adherence to the printed schedule of dates regarding additions, drops and withdrawals is expected, since the dates have been established in light of teaching and learning needs and expectations. The academic calendar is published in the current catalog (see page 182), and on each semester's Schedule of Classes.

WITHDRAWALS

Withdrawal from a course must be initiated by the student. A student may withdraw with no record on the transcript up to the end of the third week of the semester (called a "drop"). After the third week, a "W" will be entered on the student's transcript.

A student withdrawing within the first week is required to have the signature of his/her advisor. If withdrawal occurs after the first week, signatures from the advisor and the course instructor are required.

A student who fails to officially withdraw from a course but does not attend class sessions or submit assignments after the first week of class will be assigned an "X" grade for transcript record. The student is responsible to complete the paperwork for withdrawals. Add/Drop forms are available in the Records Office.

ENROLLMENT

ENROLLMENT STATUS

A fulltime student is one who has met all entrance requirements and carries a minimum of 12 credits per semester. A part-time student is one who has met all entrance requirements and carries a minimum of six semester credits, a maximum of 11 semester credits, but who is working on a degree program. A non-degree seeking student is one who is enrolled in five or fewer semester credits and is not working on a degree. Non-degree seeking students who have accumulated 15 credits at Warner are required to complete the full application for admission process before registering for additional courses. The non-degree seeking student is subject to the current tuition and other academic charges.

Such students are entitled to all privileges of the classes for which they are enrolled, but since they are exempt from student activity assessments they do not have full student

government or activity privileges or rights unless they elect to pay the Student Body Fee. (See “Tuition and Fees,” page 13).

CLASS STANDING

All full and part-time students who have applied for admission to the college and are working on a degree program are assigned class status:

Freshman, those students who have fewer than 30 semester credits

Sophomore, those with 30 to 59 credits

Junior, those with 60 to 89 credits, and 120 cumulative grade points

Senior, those with 90 or more credits and 180 cumulative grade points

Post-Baccalaureate, those who have earned a baccalaureate degree, and are pursuing a second degree, advanced licensure or certification

Graduate, those who have earned a baccalaureate degree, and have been accepted into one of the graduate programs

AUDITING A COURSE

The purpose of an audit is to allow the student an opportunity to experience a particular discipline in an effort to make future degree/program decisions. Audited courses do not satisfy prerequisites for other courses. Only earned credits may count toward degree / program requirements or prerequisite fulfillment. A student may register for any course without credit by declaring that intention at the time of registration. A student may change a credit class to an audit no later than the last day to add classes. Admittance is contingent upon available space in the class. Audits may change to regular registration by paying the regular tuition, using the standard registration change procedures, and meeting the deadline of the last day to add classes.

Students electing to audit a Warner Pacific course must attend/participate (in) 75% of the classes for the audit to appear on the transcript; if the required attendance/participation level is not reached, the audit will be removed from the transcript, but no fees will be refunded.

CREDIT FOR COURSES

Credit for study at Warner Pacific College is based on the amount of time a class meets per week for a semester. One credit per semester ordinarily represents three hours of the student’s time each week: one hour in the class and two hours in outside preparation.

REPETITION OF COURSES

When a course is repeated, only the highest grade is included in the computation of the total number of credits and GPA required for graduation. All courses will remain on the student’s permanent record.

COURSE NUMBERING SYSTEM

Courses numbered 1-99 are preparatory courses. A maximum of six credits at the 90-level taken at Warner Pacific may be applied toward the graduation total of 124. No 90-level credits may be used to satisfy requirements in the major or minor, with the exception of Intermediate Algebra from identified area community colleges.

100-199 Lower-division courses, primarily for freshmen

200-299 Lower-division courses, primarily for sophomores

300-399 Upper-division courses, primarily for juniors

400-499 Upper-division courses, primarily for seniors
205/305/405 Reserved for independent study courses in any subject area
278/378/478/578 Reserved for Crossing Cultures courses
179/279/379/479 Reserved for special topics in any subject area

COURSES IDENTIFIED BY “X”

Courses which are identified by an “X” after the course number are classified as experimental courses. They may be used to satisfy requirements in appropriate categories.

INTERNSHIPS, STUDENT TEACHING AND FIELD EXPERIENCES

Internships are courses having number, title, units and objectives stated in filed syllabi. College sponsored on-site coursework is supervised by site personnel identified by the college supervisor, site supervisor and student prior to commencement of the internship. International students are required by law to complete INS forms prior to beginning an internship. These forms are available in the Office of Multicultural Services.

Credit is assigned prior to the internship with regard to the length and breadth of exposure necessary to successfully accomplish stated objectives. Length/breadth/depth requirements for each internship course are identified by the academic department and documented in department files.

A **Field Experience** or **Practicum** is an introductory exposure to a professional environment for a few hours per week. Student involvement may range from observation to directed participation in assigned components of the working environment. In a field experience, the student is not responsible for any development or change in the clients of the school, agency, etc.

Student Teaching is the final stage of the pre-service teacher initial licensure program, leading to entry level competencies as a classroom teacher. Consent of the Director of Teacher Education is required. See the Teacher Education Handbook for further information.

INDEPENDENT, TUTORIAL AND DIRECTED STUDIES

An **Independent Study** is a particular course that is designed specifically for an individual student. Listed below are the conditions under which an Independent Study may occur:

1. Such study is intended to allow students to explore academic areas of special interest not ordinarily provided by the existing curriculum.
2. Independent Study is carried out under the guidance of a qualified member of the faculty and must include regular contact with the faculty member.
3. Independent Study must have prior approval of the Department Chair.
4. Independent Study is normally available to junior and senior students. It is not available to students who are not regularly enrolled students of the college.
5. No more than 12 credits of Independent Study may count toward graduation. In unusual cases, students who do not meet these criteria may be permitted to undertake Independent Study providing that the appropriate instructor submits, along with the student's petition, a letter which, in the judgment of the Department Chair, adequately justifies the proposed study.

A completed Tutorial/Independent Study form (available in the Records Office) must be filed as part of the registration process. A per credit fee will be assessed for Independent Studies. The fee is in addition to tuition and any applicable class fees.

In **Tutorial Study**, students may register for an approved Warner course either at a time other than normally scheduled or when fewer than the minimum number of required students have enrolled for a regularly scheduled course. Tutorial Study will be approved only in instances where the course is required for student's degree program and circumstances prevent the student from enrolling in the course at the next regularly scheduled time.

A completed Tutorial/Independent Study form (available in the Records Office) must be filed as part of the registration process. A per credit fee will be assessed for Tutorials. The fee is in addition to tuition and any applicable class fees.

Directed Study is an existing course that has been redesigned and adapted for one-on-one study. It may be taken by one or more students. Directed Study is indicated as such on the regular class schedule and therefore does not require a request form or additional fees.

DISHONESTY AND PLAGIARISM

Students are expected to adhere to the highest standards of honorable conduct in academic matters. If students and faculty are to build a learning community, it is essential that students present their own work in their classes. The following situations constitute a breach in academic integrity:

1. Giving unauthorized information to another student or receiving unauthorized information from another student or source during any type of examination or test.
2. Obtaining or providing without authorization, questions or answers relating to any examination or test prior to the time of the examination or test.
3. Asking or arranging for another person to take an examination or test in one's place; asking or arranging for another person to sign an attendance sheet in one's absence.
4. Plagiarizing is taking ideas, words, or substantive ideas of another and offering them, as one's own, without acknowledging the source. Examples include, but are not limited to, the following: submission of a written work (either in part or in whole) completed by another; failure to give credit in a footnote/citation for ideas, statements, facts or conclusions, which rightfully belong to another; failure to use quotation marks when quoting directly from another; close and lengthy paraphrasing of another's writing.

All incidents of willful dishonesty or plagiarism will be reported in writing to the Chief Academic Officer. Possible actions that may be taken by a faculty member who suspects a student of academic dishonesty (after conversation with the student in order to determine the student's awareness of the problem) are listed below. In order to protect both student and faculty involved, either the appropriate Department Chair or the Chief

Academic Officer must be present during any action taken beyond the oral reprimand/counseling stage:

1. An oral reprimand; counseling with the student toward the aim of making the student aware of the gravity of the offense and preventing future occurrences. May also include a requirement that the work be repeated or a substitute examination taken.
2. Assignment of a failing grade or a reduction of the grade earned on the specific work in question.
3. A reduction in the course grade.

If a satisfactory resolution is not reached after these actions have been taken, either faculty or student may refer the matter to the Academic Policies Committee for resolution, which will address the issue using the regularly established procedures for academic appeals.

If either faculty or student is not satisfied with the action of the Academic Policies Committee, in conformity with standard procedure an appeal may be made to the President.

At the discretion of the CAO, repeat offenses may result in suspension or administrative dismissal from the college.

All of the above procedures must be carried out in accordance with the Warner Pacific College Education Records Policy in compliance with the Family Education Rights and Privacy Act (Public Law 93-380).

EXAMINATION POLICIES

FINAL EXAMINATIONS

The schedule for final examinations is published by the Records Office. In instances where the schedule requires a student to take more than two exams per day, or in cases where the schedule conflicts with college sponsored activities, the student may request to reschedule a final exam at no extra charge. Other requests to reschedule a final exam for a time other than the published hour requires the student to pay a special exam fee (see page 14). Travel and other arrangements must be planned ahead in accordance with the schedule, since exemptions due to travel arrangements will not be granted.

MAKE UP EXAMINATIONS

Students are expected to take examinations when scheduled. If circumstances prevent them from doing so, they may request that the professor administer the exam at a mutually convenient time. The professor may choose not to grant the request, but IF THE REQUEST IS GRANTED, STUDENTS MUST PAY A SPECIAL EXAM FEE (see "Tuition Fees and Expenses," page 13). A request for waiver of the fee must be made to the Chief Academic Officer and must include reasons for the request.

ACADEMIC PERFORMANCE

CLASS ATTENDANCE

The student is assumed to be attending all classes for which he/she is registered. A student is responsible for course assignments regardless of the reason for the absence.

CIVIL BEHAVIOR AND CONSIDERATION OF OTHERS IN THE CLASSROOM

Most college courses include a considerable expectation of participation and active learning during the class period. Interruption caused by one student to the orderly flow of the class session may not only inhibit the learning process but also disrupt and distract others engaged in the class. Therefore, the following guidelines have been established for use during class sessions:

- All cell phones should be turned completely off during class time. Students may not text message, receive or make calls during class.
- The use of laptop computers during class is permitted for the purpose of enhancing the educational objectives of the course. Use of laptops to check one's email, cruise the Internet, play games, work on projects not related to the course, or other uses not related to the course objectives is NOT permitted. Persistent violation of this guideline may result in the loss of computer use privileges during the class.
- Individual use of personal listening or viewing devices such as iPods is not permitted during class.

COURSE LOAD

Students who expect to complete degree requirements in four years should register for at least 16 credits per semester. The Chief Academic Officer must approve any course load that exceeds 18 credits (19 for music majors) prior to registration.

Courses taken concurrently at another institution, by correspondence, by extension, as well as non-credit courses, count as part of the academic load and should be discussed with the student's advisor to assure transferability.

GRADING AND GRADE POINTS

The quality of academic work is measured in terms of letter grades and numerical grade points.

A	Superior	4 grade points
B	Excellent	3 grade points
C	Satisfactory/Average	2 grade points
D	Minimum Competence	1 grade point
F	Failure	0 grade points
P/NP	Pass/No Pass	
I	Incomplete	
IP	In Progress	
R	Registrar received no grade	
W	Withdraw	
X	No Basis for Grade	
AU	Audit	

Plus or minus grades may be specified on the transcript but will not affect calculation of the grade point average.

INCOMPLETE GRADES

An Incomplete ("I") may be given only when the student has: 1) satisfactorily completed all course assignments through the date of request having earned at least a "C" in all assigned work for the course, and 2) if completion of other requirements is not possible because of factors beyond the control of the student. The "I" may be granted only after a completed and approved Request for Incomplete form has been filed in the Records Office. Incompletes must be filed before finals begin. An Incomplete taken in the fall semester must be completed by the end of the following spring semester; an Incomplete taken in the spring or summer semester must be completed by the end of the following fall semester. If the incomplete work is not completed within the stated timeframe, the Registrar will automatically change the "I" to an "F."

IN PROGRESS GRADES

In Progress ("IP") is offered only for research or thesis courses, internships, study trips, Independent Study, and summer semester courses. In order to issue an "IP" grade the Registrar must receive a contract for completing the work signed by the student and the instructor. An In Progress taken in the fall semester must be completed by the end of the following spring semester; an In Progress taken in the spring or summer semester must be completed by the end of the following fall semester. If the in progress work is not completed within the stated timeframe, the Registrar will automatically change the "IP" to an "F." An extension may not exceed the stated period without approval of the Academic Policies Committee.

PASS/NO PASS POLICY

Courses at Warner Pacific College may be taken for a Pass/No Pass (P/NP) under the following stipulations:

- To earn a “P” the student must complete the requirements of the course with at least the equivalent of a “C” letter grade.
- No more than a total of 12 credits, and no more than six credits in any one term (except internships and student teaching), may be taken P/NP to apply toward graduation.
- Courses in the student’s major or minor may not be P/NP.
- Other courses which may not be taken for a P/NP include CLS 101, EN 101, EN 200 and BI 151. (Any exceptions to this list must be approved by the department offering the course.)
- Students choosing to exercise the P/NP option in a course must process a P/NP form. This form must be completed and on file in the Records Office by the Friday of the tenth week of classes. (This form is available in the Records Office.)
- Once the P/NP option has been elected, it is not possible to request a letter grade at a later date.
- Any exceptions to the above policy must be approved by the Academic Policies Committee.

GRADE CHANGES

Once recorded, a grade of “A” through “F” can be changed only in the case of clerical or computational error. It is the student’s responsibility to bring to the attention of the instructor any error in grades received within one semester following the issued grade. The instructor will submit the grade change to the Registrar. The instructor who assigned the grade should be involved in any appeal procedure concerning grade changes.

ACADEMIC APPEALS AND PETITIONS

Occasionally it may be necessary to institute a petition for a waiver of established policies and procedures, or an appeal for a redress of grievances. Written appeals of policy are processed through the Records Office. Academic appeals fall into two general categories: 1) appeals of grades, or 2) petitions regarding application of specific policies.

Grade Appeals

Resolution of grade appeals is handled at the lowest possible level. The student must discuss the situation with the professor involved. Should discussion with the professor not resolve the issue and the student decide to appeal further, the following procedure must be followed:

1. A written statement describing the situation is submitted to the appropriate Department Chair.
2. The Department Chair will meet with both the student and the professor to resolve the issue. Should the issue not be resolved at this level and the student or the professor wish to appeal further, step 3 is followed.
3. The student or the professor files a grade appeal with the Chief Academic Officer. The Chief Academic Officer will request pertinent information from all parties involved and make a recommendation for resolution. Should the issue remain unresolved, the student or the professor may appeal to the Academic Policies Committee (step 4).

4. A petition in writing is submitted by the student or professor to the Academic Policies Committee. The petition will describe the issue involved and the steps taken toward resolution. The Committee will request appropriate documents from the parties involved in steps 1-3. The Committee will hold a hearing on the petition. Parties to the dispute will be granted an opportunity to present their cases and to questioning. After receiving such evidence, the Committee will render a decision. The decision of the Committee is final. No further avenue of appeal is available. The decision of the Committee will be in writing and will remain on file in the office of the Chief Academic Officer and in the student's academic file.

Petitions Regarding Application of Academic Policy

Petitions relating to academic concerns must be in writing. All petitions must include the signature of the student's advisor. This signature does not necessarily mean that the advisor agrees with or supports the petition, but that the advisor is aware of the petitioner's request. Petitions are submitted to the Registrar. Typical petitions include waiver of requirements, acceptance of transfer credits, etc.

HONORS

A Dean's List is published each semester in recognition of undergraduate students, including ADP students, enrolled for 12 or more letter grade credits and receiving a minimum grade point average of 3.5 in all courses attempted that semester. Credits taken P/NP are eliminated from this calculation. Thus, a person taking 12 credits of which three are P/NP, would not be eligible for Dean's List consideration.

Four-year degree candidates with qualifying GPAs who have completed at least 45 semester credits at Warner Pacific receive confirmation of honors at graduation. The "career" (cumulative) GPA appears on the student's transcript and is used to calculate the minimum GPA for graduation (see page 53) and qualification for honors at graduation. The career GPA is based on all courses attempted (both in residence and transfer) which are applicable toward graduation at Warner Pacific.

Honors at graduation and class rank are determined solely on the cumulative GPA earned:

Cum Laude	3.50-3.74
Magna Cum Laude	3.75-3.84
Summa Cum Laude	3.85-4.00

SETTING ASIDE PAST RECORD

Warner Pacific students may petition only one time to have their entire academic record prior to a specified date, including earned credits and GPA, set aside and to start a new baseline. Petitions are submitted in writing to the Registrar. The set aside credits may not be applied toward graduation requirements nor will they be applied in calculating academic standing or honors. Thus, a student setting aside 12 credits of "C" and "D" grades, for example, needs to take 12 credits to replace those since the set aside credits may not be counted toward the required 124 credits. Transfer students, similarly, may petition to have Warner Pacific "disregard" a previous academic record, including earned credits and GPA, and to start a new baseline. The Registrar and the student's academic advisor, in consultation with the student, will determine the new baseline date. Warner students and transfer students must meet the same qualifications. Qualification for federal financial aid may be affected.

NOTE: Determining the method of computing the GPA is the prerogative of each institution. Although Warner makes provision for setting aside past records, students

should not assume that schools to which they may transfer will compute their GPA using only the new record. (See also “Repetition of Courses,” page 35.)

SATISFACTORY PROGRESS

Students are expected to make satisfactory progress toward their degree by maintaining minimum GPA of 2.0, by enrolling in courses that meet the requirements for a specific degree program, and the completion of the following:

- **24 credits per academic year if classified as a fulltime student**
- **18 credits per academic year if classified as a 3/4-time student**
- **12 credits per academic year if classified as a 1/2-time student**

Students will be placed on Academic Probation at the close of any semester in which their GPA for that semester falls below a 2.0. If the GPA earned the subsequent semester is not a minimum of 2.0, a student may be dismissed. Students are required to earn a cumulative career GPA of 2.0 to be eligible for graduation.

Students who enter with probationary status must earn at least a 2.0 GPA their first semester or be dismissed at the end of that semester. Students may appeal in writing to the Registrar for a review with the Academic Policies Committee and may ask their advisor to be present during the review.

Students placed on academic probation at the conclusion of any one semester **MUST** adhere to the following requirements:

1. Report to the Director of the Academic Support / Career and Life Planning Center during the first week of the semester to develop a plan that identifies and provides a remedy for the current academic difficulties.
2. Meet with the advisor no later than the first week of the semester to review the student's class schedule and make any necessary adjustments. Students are limited to 12 credits during the semester of Probationary Status.
3. Enroll in Critical Thinking and Study Skills (CLS 110) unless credit for the course has already been earned.

A probationary student in a WPC Student Leadership position may continue in the position only after an academic plan of action has been approved by the Director of Leadership Development and the Chief Academic Officer.

A probationary student interested in drama may audition for a play only if an academic plan of action has been approved by the Drama Professor and the Chief Academic Officer.

A probationary student who is NAIA eligible may participate in intercollegiate athletics only after an academic plan of action has been approved by the Athletic Director and the Chief Academic Officer.

A probationary student interested in participating in other extracurricular activities that may take time away from the student's regular daily academic schedule (e.g. traveling groups), may participate in those activities only if an academic plan of action has been approved by the Director of Leadership Development and the Chief Academic Officer.

A student wishing an exception to any of the above policies must complete an APC petition no later than the end of the first week of the semester.

Students placed on probation must successfully complete all 12 credits in which they are enrolled (including CLS 110). Students who complete fewer than 12 credits with a

GPA of 2.0 or higher will remain on probation for the subsequent semester. Students who complete the probationary semester with a semester GPA lower than 2.0 are subject to academic dismissal.

GRADUATION PROCEDURES

APPLICATION FOR GRADUATION

When students are approximately 45 credits from graduation they begin the application for graduation process with the assistance of the academic advisor. The Application for Graduation and Grad Check (available in the Records Office) must be filed with the Registrar no later than six months before the student intends to graduate (June 15 for the Mid-Winter Commencement, or November 15 for the Spring Commencement). The Registrar and academic advisor will review the Application for Graduation to ensure that all requirements for graduation will be met and to notify students in writing of deficiencies. Students must confirm the completion of major requirements with the academic advisor.

The student will graduate under the requirements listed in the catalog in effect at the time of enrollment. Students who do not maintain continuous enrollment will graduate under the requirements listed in the catalog in effect at the time of re-entry. Students must complete their degree requirements within five years of exiting the college. If the requirements are not completed within that time frame, the student must re-apply for admission, and complete the catalog requirements in effect at the time of re-admission.

Students may elect to graduate under a more recent catalog than the one in use at the time of their entry but they must declare the new catalog in writing to the Registrar, along with their advisor's approval. The student is subject to ALL requirements of the catalog listed (major/minor as well as Core Studies).

A graduation fee is charged to all graduates (see page 13). This fee is mandatory. **STUDENTS WHO HAVE NOT MET ALL ACADEMIC REQUIREMENTS WILL NOT BE ALLOWED TO PARTICIPATE IN GRADUATION CEREMONIES.** (Students will not be allowed to "walk.") All graduation requirements (including financial obligations to the college) must be met PRIOR to graduation.

GRADUATION CEREMONIES

Because graduation is the culmination of one's academic career and provides an opportunity for the recognition of academic achievement, all graduating students are expected to plan their schedules in order to participate in graduation ceremonies. Students who are not able to participate must petition for excuse to the President in writing, and cannot expect to receive their diplomas before graduation ceremonies.

EXITING THE COLLEGE

LEAVE OF ABSENCE

Some students need or want to leave the college for a time. This is referred to as "Leave of Absence." A leave of absence is defined as an interruption in attendance at Warner Pacific for a period of one semester for acceptable reasons. Re-entry to the college is automatic at the expiration of the leave period provided all other specified deadlines have been met. A student may request a leave of absence by filling out a Request for Leave of Absence form, which is available in the Office of Admissions.

EXIT INTERVIEW

Each student leaving Warner Pacific is required to file a Notice of Intent Not to Return with the Office of Admissions and have an Exit Interview with the Executive Director of Enrollment Management. Students who are exiting permanently must be cleared by each office listed on the form. An interview with a representative of the Office of Student Financial Services is required for all exiting students. The completed exit form is then filed in the Records Office.

TRANSFERRING TO OTHER INSTITUTIONS

Warner Pacific transcripts may be requested by supplying specific personally-identifying information and a signed release to the Records Office. Warner Pacific credits are generally accepted by other regionally-accredited institutions, but their transferability is determined by the receiving institution.

Undergraduate Degrees

ASSOCIATE DEGREES

The college offers two-year programs in the form of Associate of Arts (A.A.) and Associate of Science (A.S.) degrees. The areas of study for the two-year degrees are limited to the following:

A.A. General Studies

A.S. Business Administration

A.S. Health Sciences

A.S. Social Sciences

An A.A. in Organizational Dynamics is also offered through the Adult Degree Program (see page 189).

BACHELOR DEGREES

Bachelor Degrees offered by the college include the Bachelor of Arts (B.A.) and the Bachelor of Science (B.S.) The Adult Degree Program with non-traditional course design and schedules makes possible the completion of a Bachelor of Business Administration (B.B.A.), Bachelor of Accounting (B.A.C.), Bachelor of Health Care Administration (B.H.C.A), or B.S. in Human Development for qualified students (see page 189).

GRADUATE DEGREES

The college offers six graduate degrees: Master of Arts in Biblical and Theological Studies (M.A.B.T.S.) and Master of Religion (M.Rel) degrees are offered through the traditional program; the Master of Science in Accounting (M.S.AC.), Master of Science in Management and Organizational Leadership (M.M.O.L.), Master of Arts in Teaching (M.A.T.), and Master of Education (M.Ed) degree programs are offered through the Adult Degree Program (see page 189).

See page 103 for graduate degree program descriptions.

MAJORS/MINORS

MAJORS

Majors offer students the opportunity to concentrate their learning in a particular discipline of study, its theory and practice. Completing all specified courses and number of credits for a major is required to earn either the associate or bachelor degree. Specific courses and credit requirements for the majors listed on the following pages appear in the appropriate department descriptions later in this section. Majors in some programs include the possibility of completing additional courses for a special emphasis.

DECLARING A MAJOR

Students are required to make an official declaration of their major no later than the second semester of their sophomore year. Although they may declare a major earlier, they are not required to do so and, in fact, are encouraged to explore subject areas of interest to them as they fulfill Core Studies requirements.

STUDENTS WITH A DOUBLE MAJOR

The advising process is the same for students with a double major as it is for those with a single major. Students first must declare the intent to work toward a double major to the appropriate Department Chair. The advisor in the first declared major is the responsible advisor, who must ensure that the student has secured a list of requirements and are meeting those requirements in the schedule. Students completing a double major will earn a single baccalaureate degree; the specific degree granted will be the degree associated with the “Major 1” as identified by the student on the Application for Graduation and Grad Check form.

MAJORS IN THE FOLLOWING AREAS LEAD TO THE B.A. DEGREE:

American Studies
 Christian Ministries
 Communications

INDIVIDUALIZED MAJOR

Students may work with a faculty member to plan an Individualized Major. Such a major is usually interdisciplinary (i.e. including courses from different disciplines) and provides an opportunity for the student to focus learning in a specialized field not available through the college’s regular programs. The advisor and student plan classes and electives in the major area(s), indicating both courses and credits required. This plan is recorded on an Educational Contract for Individualized Major for a baccalaureate degree. On approval by the faculty Curriculum Committee, the contract is filed in the Records Office and with the faculty advisor.

1. Secure a petition for an Individualized Major from the Records Office. In consultation with the advisor, a petition is completed. Incomplete petitions will not be considered.
2. The completed petition is submitted to the Registrar who will forward it to the Curriculum Committee for consideration. The Curriculum Committee may refer the petition to the appropriate department(s) for review as deemed necessary.
3. All petitions for Individualized Major must be submitted prior to beginning the last 30 credits of residency and the petition approved prior to beginning the last semester of study for the degree.
4. At least 30 semester credits with a cumulative GPA of 2.75 must be completed prior to submission of the petition. Students entering the college with 30-59 credits accepted in transfer must complete at least one semester of fulltime study at Warner Pacific before petitioning for an Individualized Major; students who will enter WPC with 60 or more accepted transfer credits must be accepted for admittance and pre-registered for classes before petitioning for an Individualized Major.
5. Proposed majors must include the following minimum requirements: 45 credits: 15 credits in residence, 30 credits upper division.

MINORS

Minors offer students an opportunity to focus their electives on an academic area of study, but without the depth and breadth of a major. Students are not required to choose a minor for graduation. Available minors include:

American Studies
 Biblical Studies
 Biology
 Business Administration
 Chemistry
 Christian Missions
 Communications
 Drama
 Early Childhood Education
 English
 Fine Arts
 Health
 History
 Human Development
 Music
 Peace Studies
 Philosophy
 Physical Education
 Physical Science
 Political Science
 Psychology
 Religion and Social Ethics
 Social Work
 Sociology
 Urban Studies
 Youth Ministry

INDIVIDUALIZED MINOR

Students may work with a faculty member to plan an Individualized Minor. Such a minor provides an opportunity for the student to focus in a specialized field not available through the college's regular programs. The advisor and student plan requirements and electives indicating course titles, numbers and credits. The plan is recorded on an Educational Contract for Individualized Minor and submitted to the Curriculum Committee for approval.

Specific steps in the petition process and degree stipulations:

1. Secure a petition for an Individualized Minor from the Records Office. Complete the petition in consultation with the advisor and submit it to the appropriate academic department for deliberation. Incomplete petitions will not be considered.
2. If the petition is endorsed by the department, submit the completed petition to the Registrar who will forward it to the Curriculum Committee for consideration.
3. All petitions for Individualized Minors must be submitted prior to the beginning of the last 30 credits of residency and the petition approved prior to beginning the last semester of study for the degree.
4. Student must have completed a minimum of 30 semester credits and have attained a cumulative GPA of at least 2.75 at the time of submission of the petition. Students transferring fewer than 60 semester credits into Warner Pacific, must complete at least one semester before petitioning for an Individualize Minor. Students transferring in 60 or more semester credits must be accepted for admission and pre-registered for classes before petitioning for an Individualized Minor.
5. At a minimum, proposed Individualized Minors must include the following: 21 semester credits; 12 credits in residence; 9 semester credits upper division course work.
6. No credits used to satisfy a student's major or another minor may be used to satisfy a student's Individualized Minor.
7. Only one Individualized Minor is permitted per student.

CORE STUDIES

According to its Mission Statement, *Warner Pacific College is an urban Christian Liberal Arts college dedicated to providing students from diverse backgrounds an education that prepares them for the spiritual, moral, social, vocational, and technological challenges of the 21st Century.* The Core Curriculum at Warner Pacific College supports this Mission Statement by providing students with a broad-based education in an urban Christian context that addresses these challenges. Below are definitions of the challenges students face and the objectives that students will be able to achieve upon completing the Core Curriculum at Warner Pacific College.

Spiritual: An awareness of self, others, and God based on understandings of Scripture, history, tradition, and experience within the context of the wider Christian church. Contemporary challenges in this area include a lack of understanding of the biblical and theological foundations that have guided the church throughout history, the existence of deep divisions in the American church, the fading influence of the church in a pluralistic society, and a disconnect between belief and practice (particularly in the area of economic justice).

Moral: Integrating a life of personal integrity with respect for others, providing a framework to test beliefs in real-life settings. The particulars of living a moral life are found in the tensions between personal preference and the public good, between principle and expediency, and between immediate and delayed gratification. Contemporary challenges

in this area include discerning the “good” in the midst of conflicting voices, maintaining a personal ethic while respecting others with whom one disagrees, and applying ethical standards consistently in one’s fields of influence.

Social: Possessing the necessary skills to work in various groups or teams. These groups may occur in the workplace, churches and other organizations and associations to which individuals belong. Being able to work in groups is no longer just a nice skill to possess; it is a requirement to function in society. Contemporary challenges in this area include exercising one’s talents without intimidating peers, encouraging authentic community, and creating venues for civil discourse on controversial issues.

Vocational: A call to a particular practice. Couching the term “vocation” in the context of the liberal arts education requires that students approach their particular calling through the lens of the liberal arts; that is, though students may be prepared via their major to pursue a calling in alignment with their gifts and passions, that calling is colored by their core studies experience. Contemporary challenges in this area include the prevalence of the co-modification of education and the temptation to be degree- rather than education-focused, balanced with the legitimate concerns of the marketplace on the preparation of graduates for the “world of work.”

Technological: The application of technology to virtually every aspect of life, from media and communications, to scientific calculation and statistical research, to fine arts and social networking. Contemporary challenges in this area include viewing technology as an end rather than a means and temptations to pursue the latest fad, while acknowledging the enhancements technology brings to every aspect of human life.

STUDENT OBJECTIVES FOR THE CORE STUDIES CURRICULUM

In order to gain a foundation that will enable them to address the above challenges, students at Warner Pacific College will take required courses which help them to gain the following convictions, knowledge, and skills.

Convictions

- Students will demonstrate behaviors consistent with a worldview that is respectful toward persons, promotes stewardship, and encourages service to others. (spiritual)
- Students will demonstrate self-knowledge, integrity, and awareness of others through responsible decision making. (moral)
- Students will seek to transform the world by becoming a positive social agent. (moral)
- Students will exhibit sensitivity to and valuing of diversity among and between people. (social)
- Students will demonstrate an appreciation for gainful employment and strive to be disciplined ethical employees in their chosen field. (vocational)

Knowledge

- Students will identify areas of compatibility and conflict, including the recognition of perspectives held toward his/her own culture. (moral)
- Students will demonstrate knowledge of ethical, environmental, and social issues as reflected in fundamental concepts, theories, historical events, and scientific models. (social)
- Students will recognize best practices and theories associated with a variety of work environment processes. (vocational)
- Students will demonstrate awareness of vocational options as related to talents and skills. (vocational)
- Students will demonstrate recognition of international and cross-cultural interdependency. (social)
- Students will describe the importance of cultural and historical context when describing, interpreting and evaluating art. (social)
- Students will demonstrate an awareness of various media and the importance of technology in contemporary society. (technological)

Skills

- Students will interpret sacred texts via an awareness of literary and historical issues. (spiritual)
- Students will translate beliefs into action by developing strategies for addressing significant social issues. (spiritual)
- Students will discourse with others in civil, self-responsible, and relationship-building patterns. (moral)
- Students will use critical and creative thinking processes in order to evaluate the quality of information and its source. (moral)
- Students will generate, implement, assess and critique the result of the execution of a plan. (moral)
- Students will recognize and engage different learning styles and methods appropriate to tasks. (moral)
- Students will lead and participate as effective members of groups. (social)
- Students will use verbal and written means of discourse to clarify and express themselves effectively. (social)
- Students will demonstrate effective oral and written communication relevant for a work environment. (vocational)
- Students will effectively use group processes and problem solving skills in a work environment. (vocational)
- Students will gather, compile, analyze, evaluate, and use information accessible through databases, the library, and other related resources. (technological)
- Students will integrate knowledge gained from various classes, fields of study, and work experience. (social)

DEPARTMENT OF EDUCATION

(See also page 194.)

The mission of the Education Department is to provide a personal and caring Christian learning environment that prepares future educators. The Education Department prepares teacher candidates in current instructional practices and in an understanding of the complexities of the teaching profession. The department endeavors to mold Christian role models who are witnesses in the most critical arena in American society - our schools.

Majors: Early Childhood/Elementary Education, Education

Minor: Early Childhood Education

Initial Licensure: Early Childhood Education, Elementary, Middle Level, High School authorization levels

Major/Minor Statute of Limitations: Courses must have been completed within five years

Undergraduate students pursuing an Initial Teaching License for Early Childhood and Elementary Authorizations must declare an Early Childhood/Elementary Education major. Those seeking Middle Level and High School (ML/HS) licensure must double major in an approved endorsement area, and Education. Checklists for individual endorsements for licensure are available from the subject area advisor. PSY 140 or 141 is a prerequisite to all Education major coursework.

Approved Endorsement Area (ML/HS) Corresponding Major

Advanced Math	Math Education (Individualized major only)
Biology	Biological Science: General Biology Emphasis
Language Arts	English
Music	Music Education
Physical Education/Health	Health and Human Kinetics
Social Studies	History and Social Studies or Social Science

Add-on endorsements in Reading (ECE/Elementary only) and Basic Math (grades 5-8) are available for those completing one of the licensure programs above. Checklists are available in the Teacher Education Office.

For post-baccalaureate students pursuing licensure, course requirements leading toward Initial License will be determined by review of transcribed courses by an advisor. Post-baccalaureate students applying for middle level/high licensure may elect to pursue a second major in Education.

Additionally, both a Master of Arts in Teaching (M.A.T.) degree program for initial teaching licensure and a Master of Education (M.Ed) degree program for licensed teachers seeking courses and experiences for professional growth and/or credits for continued validation of their licenses are available through the Adult Degree Program (ADP). See pages 189 and 199 for more information.

Departmental Learning Outcomes for Teaching License Candidates

- Candidates plan instruction that supports student progress in learning and is appropriate for the developmental level
- Candidates establish a classroom climate conducive to learning
- Candidates engage students in planned learning activities
- Candidates evaluate, act upon and report student progress in learning
- Candidates exhibit professional behaviors, ethics and values

DEPARTMENT OF HUMANITIES

The mission of the Humanities department is to provide students with scholarly and practical opportunities for learning about the discrete disciplines of Communications, Drama, English, the Fine Arts, History, and Philosophy. Students are also offered the opportunity to ground their undergraduate experience in an American Studies major, a History and Social Studies major, or a Liberal Studies major, as well as the Humanities Core curriculum courses. All Humanities courses seek to enact the general goal of the Humanities department to instill in the student the significance of and the means by which discrete disciplines within the Humanities interact not only with each other, but also with fields of study outside the traditional purview of the Humanities. Learning is done with a conscious awareness of how the study of the Humanities relates to a Christian worldview.

Humanities students majoring in English or History and Social Studies may elect to add a second major; Education, for Teacher licensure. Students majoring in courses of study in the Humanities may also carry their broad-based liberal arts degree forward into a more specialized field of study at the graduate level. An internship experience is required for all Humanities majors; this requirement can be satisfied either through HUM 391, Humanities Internship or through ED 495, Student Teaching.

Courses of Study: Art, Communications, Drama, English, Fine Arts, History, Humanities, Journalism, Philosophy, Speech

Majors: American Studies, Communications, English, History, History and Social Studies, Liberal Studies

Minors: American Studies, Communications, Drama, English, Fine Arts, History, Philosophy

Associate of Arts: General Studies

Major/Minor Statute of Limitations: Courses must have been completed within ten years

Requirements for Majors: Checklists for majors are available from the appropriate subject matter advisors.

DEPARTMENT OF MUSIC

Through a classically-based program, the Music Department exists to develop musicians of excellence and authenticity, able to glorify God through many musical styles and callings.

Courses of Study: Music, Worship

Majors: Music Business, Music (with emphases in Performance, Music Studies, and Music Theory/Composition), Music Education, Music Youth Ministries, Worship Arts Leadership

Minor: Music

Major/Minor Statute of Limitations: Courses must have been completed within 20 years

Requirements for Majors: Music majors must participate in either Concert Choir (C.C.) or Wind Ensemble (W.E.) during each semester when enrolled for 12 or more credits (excepting the student teaching semester for Music Education majors). Music Business and Music and Youth Ministries majors must participate in either Concert Choir or Wind Ensemble for four semesters.

Departmental Learning Outcomes

- Graduates will be able to perform classical (Western art music), jazz, and popular (including contemporary Christian music) repertoire with authority and confidence as soloists, in small ensembles, and large ensembles.
- Graduates will be able to explain the formal, melodic, rhythmic, harmonic, and textural structure of music, to facilitate musicianship in composing, conducting, performing, and intelligent listening.
- Graduates will be able to notate melodies and rhythms accurately from hearing them and describe their patterns and motives.
- Graduates will be able to sing melodies and rhythms accurately at sight.
- Graduates will be able to sight-read music, harmonize melodies, and improvise at the keyboard.
- Graduates will be able to arrange and/or re-orchestrate music idiomatically and suitably for vocal and instrumental ensembles as needed.
- Graduates will be able to place any composition or composer in correct historical and stylistic context.
- Graduates will be able to apply principles of music history to make their performances authentic and germane to the historical period of the work in question.
- Graduates will be able to conduct vocal and instrumental ensembles in rehearsals and performances.
- Graduates will be able to evaluate music and music performances.
- Graduates will be able to teach music to students of varying ages in different settings, depending on their particular call as music educator, music minister, or private music teacher.
- Graduates will be able to write music in various styles and modeling various historical musical periods.
- Music Education graduates will also be able to play and instruct on at least an elementary level in all orchestral instruments and voice.
- Music/Business graduates will be able also to start and manage businesses involving music, such as music instrument and sheet music stores, arts management services, or Internet services.

Courses of Study: Biological Science, Health and Human Kinetics, Mathematics, Physical Science

Majors: Biological Science, Health and Human Kinetics, Physical Science

Emphases in Biological Science Major: General Biology, Human Biology

Emphases in the Health and Human Kinetics Major: Exercise Science, Health Fitness Management

Minors: Biology, Chemistry, Health, Physical Education

Associate of Science: Health Sciences

Major/Minor Statute of Limitations: Courses applied toward Biological and Physical Science majors/minors must have been completed within five years; courses applied toward Health and Human Kinetics majors/minors must have been completed within ten years.

Requirements for Majors: Checklists for the majors are available from the appropriate subject matter advisor. Upper division electives cannot be double counted with other science majors or minors.

B.S. in BIOLOGICAL SCIENCE: GENERAL BIOLOGY EMPHASIS

This degree supports a core of general biological knowledge and skills and is designed to provide background necessary to facilitate careers in the major areas of biology. It is intended to support the needs of students who are seeking to pursue graduate school or are interested in secondary biology education.

46 credits: 15 credits in residence, 20 credits upper division.

Core Requirements:

☐ BIO 101	General Biology I	4
☐ BIO 102	General Biology II	4
☐ BIO 245	Evolution	3
☐ BIO 250	Genetics	3
☐ BIO 490	Senior Seminar in Biology	1
☐ PHS 211	General Chemistry I	4
☐ MA 342	Statistical Methods	3

Emphasis Area Requirements:

☐ BIO 301	Botany	4
☐ PHS 212	General Chemistry II	
OR PHS 101	Introduction to Physical Science	4
☐ PHS 301	Organic Chemistry I	
OR PHS 230	Geology	4

Upper Division Electives chosen from the appropriate list below

Students pursuing secondary education licensure select from the following:

<input type="checkbox"/> BIO 315	Malheur Natural History Studies	3
<input type="checkbox"/> BIO 360	Ecology	3
<input type="checkbox"/> BIO 370	Microbiology	4
<input type="checkbox"/> BIO 380	Invertebrate Zoology	3
<input type="checkbox"/> BIO 393	Practicum in Lab Science Instruction	1

Students pursuing graduate school select from the following:

<input type="checkbox"/> BIO 330	Cell Biology	4
<input type="checkbox"/> BIO 360	Ecology	3
<input type="checkbox"/> BIO 370	Microbiology	4
<input type="checkbox"/> BIO 420	Mammalian Physiology	4

TEACHER LICENSURE, BIOLOGICAL SCIENCE (ML and/or HS) or BASIC

Program checklists are available in the Teacher Education office. Students wishing to pursue teaching licensure in Biology or Advanced Math declare a second major in Education (see page 59).

B.S. in BIOLOGICAL SCIENCE: HUMAN BIOLOGY EMPHASIS

This degree supports a core of general biological knowledge and skills and is designed to provide background necessary to facilitate careers in the health sciences and allied fields. It is intended to support the needs of students who are seeking careers in medicine, dentistry, veterinary medicine, and physical therapy.

46 credits: 15 credits in residence, 20 credits upper division.

Core Requirements:

<input type="checkbox"/> BIO 101	General Biology I	4
<input type="checkbox"/> BIO 102	General Biology II	4
<input type="checkbox"/> BIO 245	Evolution	3
<input type="checkbox"/> BIO 250	Genetics	3
<input type="checkbox"/> BIO 490	Senior Seminar in Biology	1
<input type="checkbox"/> PHS 211	General Chemistry I	4
<input type="checkbox"/> MA 342	Statistical Methods	3

Emphasis Area Requirements:

<input type="checkbox"/> BIO 221	Human Anatomy and Physiology	4
<input type="checkbox"/> PHS 212	General Chemistry II	4
<input type="checkbox"/> PHS 301	Organic Chemistry I	4

Upper Division Electives (select from the following courses):

<input type="checkbox"/> BIO 330	Cell Biology	4
<input type="checkbox"/> BIO 370	Microbiology	4
<input type="checkbox"/> BIO 420	Mammalian Physiology	4
<input type="checkbox"/> BIO 421	Elements of Human Gross Anatomy	4
OR HHK 325	Kinesiology	
OR HHK 475	Exercise Physiology	3-4
<input type="checkbox"/> BIO/PSY 300	Neuroscience and Behavior	4

*Students seeking admission to medical and dental schools will need the following courses in addition to the regular program:

<input type="checkbox"/> PHS 221	General Physics I	4
<input type="checkbox"/> PHS 222	General Physics II	4
<input type="checkbox"/> PHS 302	Organic Chemistry II	4

Major Competencies

- Core Knowledge: Graduates will demonstrate a comprehension of the fundamental concepts, theories and models necessary to the understanding of the biological sciences, the physical sciences and mathematics and their historical development.
- Critical Thinking, Synthesis and Communication: Graduates will demonstrate the ability to integrate the disciplines within the sciences and mathematics in order to critically approach and evaluate theories, data, solve problems and effectively communicate these in written and oral form.
- Science Process Skills: Graduates will understand and apply scientific methodologies through the formulation of hypotheses, use of current research technologies and statistical applications in the organization, evaluation and presentation of results.
- Christian World View: Graduates will explore science, faith and their integral relationship with the ethical, moral and spiritual issues of our society.

B.S. in HEALTH AND HUMAN KINETICS

Warner's major in Health and Human Kinetics offers authorizations in Teacher Licensure for Early Childhood/ Elementary or Elementary/Middle or Middle/High Physical Education; Exercise Science, a pre-grad course of study geared toward careers in physical therapy, sports medicine, research and college teaching; and Health/Fitness Management, for those students interested in business training in the fitness field.

33 credits: 15 credits in residence, 20 credits upper division. Required:

<input type="checkbox"/> BIO 221	Anatomy and Physiology	4
<input type="checkbox"/> BIO 222	Anatomy and Physiology	4
<input type="checkbox"/> HHK 230	Introduction to Health and Human Kinetics	3
<input type="checkbox"/> HHK 310	Motor Learning	3

<input type="checkbox"/> HHK 460	Tests, Measurements and Evaluation in Human Kinetics	3
<input type="checkbox"/> HHK 470	Adapted Physical Education	3
<input type="checkbox"/> HHK 475	Exercise Physiology	4

Major Competencies

- Graduates will demonstrate awareness of the basic concepts, theories, models and vocabulary necessary to understand the field of study.
- Graduates will recognize major issues, trends and historical developments within the field of Health and Human Kinetics.
- Graduates will integrate science and social science in the understanding and application of human movement.
- Graduates will critically evaluate research and data in the fields of Health and Human Kinetics.
- Graduates will identify and explore the moral and ethical challenges within their discipline.
- Graduates will refine and develop skills necessary for professional service in Health and Human Kinetics.
- Graduates will develop an awareness of the value of membership and participation in professional organizations (certification).

Requirements for optional Emphases in the Major: Checklists for emphases are available from the appropriate subject matter advisor.

DEPARTMENT OF RELIGION AND CHRISTIAN MINISTRIES

The Christian Ministries Department at Warner Pacific College exists to intentionally assist the church in forming leaders that will speak and act in the name and style of Jesus Christ.

Courses of Study: Biblical Studies, Christian Education, Christian Ministries, Missions, Pastoral Ministries, Religion, Theology

Majors: Christian Ministries, Music and Youth Ministries

Minors: Biblical Studies, Christian Missions, Religion and Social Ethics, Youth Ministry

Major/Minor Statute of Limitations: Courses must have been completed within 20 years

B.A. in CHRISTIAN MINISTRIES

The major Christian Ministries provides a well-balanced preparation for Christian ministry combining emphases on Biblical studies, spiritual formation, historical theology, Christian education, ethics, and pastoral ministries. Graduates will be well-prepared academically, equipped and skilled in the tools of ministry, experienced in various forms of ministry, and well on their way toward looking like Christ and, in fact, being the hands and feet of Christ in this present day in the varying and multiple cultural contexts of our world.

Graduates go on to Christian ministries including service as senior pastors, youth ministry, educational ministry in the Church, parachurch organizations, seminary studies and graduate studies in the field of Religion. A graduate program offering Master-level degrees is also available. See page 103.

DEPARTMENT OF SOCIAL SCIENCE

The mission of the Social Science Department is to equip students to be knowledgeable in their field(s) of study; congruent in their integrity between professional preparation and personal lives; skilled in their areas of concentration; and integrated in their approach to faith and their discipline.

Departmental Learning Outcomes: After completing a major in one of the Social Science degrees, graduates will be able to:

- Demonstrate awareness of the basic concepts, theories, models, and vocabulary necessary to understand the field(s) studied.
- Give expression to a historical view of each field approached and the current status related to that history.
- Critically evaluate social science research, integrating the following: scientific method, various research designs, and the construction of researchable questions.
- Experience “hands on” learning and contextual networking the field(s) of their choice.
- Identify the major issues of the field(s) and observe how these influence both self and others.
- Analyze differences between structures and practices of various world views as they relate to social science.
- Comprehend and explore the implications of ethical challenges for their discipline.
- Demonstrate information literacy by applying appropriate internet and library resources in the development of research papers, presentations, etc.
- Discuss the complexities of national origin, ethnicity, gender, sexual orientation, disabilities, and cultural relations and how these social divides challenge people as they seek to live and work respectfully with all persons.
- Synthesize concepts learned into a holistic view of persons and their interacting systems.

Courses of Study: Educational Psychology, Human Development, Political Science, Psychology, Sociology, Social Work, Social Science, Urban Studies

Majors: Developmental Psychology, Human Development, Human Development and Family Studies, Psychology, Social Science, Social Work, Urban Studies

Minors: Human Development, Peace Studies, Political Science, Psychology, Social Work, Sociology, Urban Studies

Associate of Science: Social Science

Major/Minor Statute of Limitations: Courses must have been completed within five years

Requirements for Majors: Checklists for majors are available from the appropriate subject matter advisor.

B.S. in DEVELOPMENTAL PSYCHOLOGY

This is a pre-professional program designed around an interdisciplinary major with study in life-span human development, life sciences and psychology. The focus of the major is the physical and psychological development of the individual from conception to death. Theoretical study will concentrate on psychological functions of cognition, emotion, perception, social, moral and spiritual development and physiological processes relating to behavior. Students completing the major will be strongly encouraged to pursue graduate study in a variety of areas including: psychology (clinical, developmental, school, health, research); medicine and related health areas; and human services (delivery systems, health care policy formation, agency administration.) When coupled with appropriate studies in the area of religion, students may qualify for admission to seminaries.

Prerequisites: PSY 140/141, BIO 221, 222

44 credits: 20 credits in residence, 27 credits upper division. Required:

<input type="checkbox"/>	HD 311	Prenatal through Early Childhood	3
<input type="checkbox"/>	HD 312	Mid-Child through Adolescent	3
<input type="checkbox"/>	HD 313	Adult, Aging and Dying	3

<input type="checkbox"/>	BIO 420	Mammalian Physiology	4
<input type="checkbox"/>	BIO 421	Elements of Gross Anatomy	4
<input type="checkbox"/>	MA 342	Statistical Methods	3
<input type="checkbox"/>	PHS 211	General Chemistry I	4
<input type="checkbox"/>	PHS 212	General Chemistry II	4

Major Competencies

- Graduates will demonstrate an understanding of human behavior through the basic principles of developmental psychology across the life span in an interdisciplinary context within the biological, psychological, human development and laboratory settings.
- Graduates will be able to conduct evaluative archival research in the field of developmental psychology.
- Graduates will be able to articulate in an interdisciplinary context how human development, psychology and human biology relate in the study of human behavior.

B.S. in HUMAN DEVELOPMENT

Studies in this major provide a background in human development. Students are prepared for a variety of vocational opportunities in human services and church ministry as well as studies in graduate programs within the social sciences. This major can be designed to fit the particular goals of the student.

Prerequisite: PSY 140/141

30 credits: 15 credits in residence, 18 credits upper division. Required:

<input type="checkbox"/>	HD 311	Prenatal through Early Childhood	3
<input type="checkbox"/>	HD 312	Mid-Child through Adolescent	3
<input type="checkbox"/>	HD 313	Adult Development, Aging and Dying	3
<input type="checkbox"/>	EDPSY 420	Learning Theory	3
<input type="checkbox"/>	SS 393	Research Methods and Applied Statistics	4
<input type="checkbox"/>	Elective credits chosen with advisor		14

(choose from courses listed on the Human Development major checklist)

Major Competencies

- Graduates will be able to articulate the major theories of development.
- Graduates will be able to equally substantiate through research data two opposing positions on a contended issue in the field.
- Graduates will compare favorably in job performance with other entry-level employees in positions applying human development training.
- Graduates will be able to synthesize concepts learned into a holistic view of persons and their interacting systems.

B.S. in HUMAN DEVELOPMENT AND FAMILY STUDIES

Completion of the major prepares the student for work in a variety of human service settings. These include: youth services organizations, parent education programs, allied health care settings, juvenile and adult corrections, family and community services, long-term care facilities, and church and military family life programs. Graduates are also well prepared to pursue an advanced degree in the behavioral and social sciences, marital and family therapy studies, human development or other professional programs, leading to teaching, counseling, research or administrative positions in social service, government, education or church settings.

The Human Development and Family Studies graduate is also qualified to receive provisional certification in Family Life Education from the National Council on Family Relations. (See page 191.)

Specified Core Courses: PSY 140/141, SOC 140.

41-43 credits: 15 credits in residence, 26 credits upper division. Required:

OR SW 491/492/493	Senior Internship	3

Major Competencies

- Graduates will exhibit respect for diversity in socio-cultural arenas.
- Graduates will display sensitivity to the feelings of others.
- Graduates will exhibit an understanding of family dynamics.
- Graduates will prioritize family process over family structures.
- Graduates will apply developmental theories as they analyze people throughout the life cycle.
- Graduates will be capable of presenting a family life education class.
- Graduates will access community and national resources available to parents.
- Graduates will demonstrate knowledge and skills that will equip them to be effective family life educators.

B.S. in PSYCHOLOGY

This major provides an opportunity to study the development of the individual in relation to his/her mental processes, emotions, and cognitions. The emphasis of this psychological development will be located within the context of the individual's larger social environment to include the family, the neighborhood and larger cultural influences. This focus of psychological processes and human behavior within the social environment will be addressed across the person's lifespan. The possible impact of these systems on the development of the individual's personality and identity will be addressed.

Prerequisites: PSY 140, PSY 141

TEACHER LICENSURE, SOCIAL STUDIES

Program checklists are available in the Teacher Education office. Students wishing to pursue teaching licensure in Social Studies declare a second major in Education (see page 59).

B.S. in SOCIAL WORK

Social work is a helping profession and is very diverse in its practice and clientele. Social workers address the issues faced by individuals, couples and families; work with groups; facilitate change in communities; and address social injustice. They assist those in need in accessing social services. This program prepares the students for beginning generalist practice as a professional social worker.

Prerequisites: PSY 140/141, SOC 140

<input type="checkbox"/> SW 481	Family Violence Across the Life Span	2
<input type="checkbox"/> SW 482	Child Welfare	2

Major Competencies

- Graduates will be able to demonstrate social casework, group work and/or community organizing skills (depending on the nature of their responsibilities).
- Graduates will be able to analyze the impact of social policies on client systems.
- Graduates will demonstrate an understanding of the process whereby individual functioning within a person-in-environment framework is assessed.
- Graduates will demonstrate an understanding of the process whereby family functioning is assessed.

B.S. in URBAN STUDIES

The major in Urban Studies embodies the mission of Warner Pacific College as an “urban Christ-centered liberal arts college.” It gives students a critical awareness of urban life and an opportunity to study and research the urban context where they will be working and living. It exposes students, by means of a faith-based framework, to the socio-historical forces that shape human life in cities, their historical development, as well as the sociological, economic, political, and spiritual factors that influence the direction of cities in the future. In addition to preparation for careers in urban studies, the program is an excellent second major option for students seeking careers in education, business, ministry, the sciences, social work, or liberal arts, given that it is within cities where students will primarily practice their life vocations. It is thus important for students to comprehend the context in which they will be engaging life.

In the initial launch of the program the major will focus on the primary emphasis: Urban Studies. As the program evolves other emphases will be made available: Community Development, Urban Education, Urban Ministry, and Urban Youth. In its full implementation, all five emphases will be available to meet the diversity of urban needs and the interests of students. The program also offers a minor:

Warner is in conversation with Portland State University to develop a formal academic partnership so that students can take a maximum of four courses at PSU’s Urban Studies Program. Courses below marked with an asterisk () are Portland State University courses. PSU is on the quarter system, however; thus their 4-credit courses are the equivalent of 2.68 semester credit hours at WPC.*

Prerequisite: SOC 140

<input type="checkbox"/>	URB/PHIL 495	Wisdom—Its Acquisition and Practice	3

Major Competencies

- Graduates will demonstrate an understanding of what constitutes “the city” in all its dimensions and its role in the development of human societies.
- Graduates will develop an “urban mindset” which will prepare them psychologically, sociological, and spiritually for engaging the city in whatever urban context, culture, and country they may find themselves.
- Graduates will comprehend in a practical manner the role and mission of the church, and how to be salt, light, and leaven in their respective communities.
- Graduates will learn methods of researching the city, analyzing data, and develop skills in doing urban surveys and ethnographies.
- Graduates will critically evaluate the role of faith-based efforts as catalysts for urban transformation through the development of an urban theology.
- Graduates will experience first-hand engagement in social service actions in meeting the various needs of diverse urban communities.
- Graduates will identify and explore practical examples of micro-economic initiatives and how to economically revitalize “dying” communities.
- Graduates will comprehend and analyze the complexities of national origin, ethnic, gender, sexual orientation, disabilities, and cultural relations in urban contexts and how these social divides challenge the mission of faith-based institutions in their efforts to reduce discrimination and manifest equity and inclusiveness in all their programs and practices.
- Graduates will develop an ethical framework empowered by wisdom that results in the application of the knowledge and experience gained in the program through the best practices for the widest common good, emanating from cognitive humility—the realization that one does not know everything.
- Graduates will be empowered to dynamically advance the vision, values, and mission of Warner Pacific College, as an urban Christian campus, in its role of being a catalyst for change in the city of Portland and beyond.

Requirements for Minors: Checklists for the minors are available from the appropriate subject matter advisor. Courses in the major may not be used for completion of a minor, nor can courses in the minor be applied to the major.

Graduate Academic Procedures, Standards and Programs

Warner Pacific College abides by the Family Educational Rights and Privacy Act of 1974, Sec. 438, PUB. L90-247, as amended, which sets forth requirements for the protection of students' rights to privacy in their educational records and gives them the right to inspect such records to seek correction of errors. This statement serves as notice to all students of their rights under the law.

CONFIDENTIALITY OF STUDENT RECORDS

Warner Pacific College adheres to a policy of protecting students' rights to restrict release of personal information within their college records. All student academic files, supporting documents, and other records shall be maintained by Warner Pacific College staff employed for that purpose. The Registrar maintains transcripts of educational records, containing information only about academic status, in the Records Office in Egtvedt Hall. Every student is guaranteed access to his or her records. The Registrar or a designee will advise a student of procedures for handling a request for correcting errors in the records. Disclosure of a student's records to faculty and administrative officers shall be for internal educational purposes, routine administrative and statistical purposes or legitimate inquiries made by instructors to guide the student in a specific academic area. Information from a student's record will not be released to anyone outside the institution except with the prior written consent of the student or upon presentation of a court order or subpoena.

Students who have questions about their grade records or any of the registration procedures may inquire at the Records Office. To maintain confidentiality of student records, only authorized persons presenting identification may review students' files.

DIRECTORY INFORMATION

The college considers the following items to be student directory information and may be released to anyone upon request: name, campus email address, date of birth, photograph, status as fulltime or part-time, major field of study, participation in recognized activities and sports, dates of attendance, degrees and awards received, educational institutions previously attended, hometown and current city of residence. Height and weight of student athletes may be released for appropriate purposes.

Students who do not wish to have directory information released by the college must file that request in the Records Office and must re-file the request annually.

STATUTE OF LIMITATIONS

Courses older than ten years are not acceptable to satisfy the Religion and Christian Ministries graduate program requirements.

STATEMENT OF COMPLIANCE

Warner Pacific College does not discriminate in its student admission and employment practices and provides equal opportunity for all student applicants and employees regardless of race, color, sex, national origin, disability, age, veteran status, and any other status protected by laws and regulations.

TRANSFER CREDITS

ACCREDITED COLLEGES AND UNIVERSITIES

Warner Pacific evaluates credits from regionally accredited colleges and universities for applicability toward graduate degree and program requirements. Courses from regionally accredited institutions in which the student earned a grade of “B” or higher, may be evaluated by faculty for use in graduate degree requirements. No more than nine (9) semester credits may be accepted in transfer.

In cases where the credit is being transferred from institutions operating on the quarter system, the formula used is: 1 quarter credit = .67 semester credits.

FOREIGN INSTITUTIONS

Credit earned at a foreign institution may be submitted for evaluation at the time of transfer. If the institution is listed in the ACE-published Accredited Institutions of Postsecondary Education, the credits will be evaluated as the college evaluates similar U.S. institutions. If the institution is not listed in the ACE guide, the student must provide acceptable documentation of its academic equivalency in the United States. Warner Pacific College advises the use of the following international credential evaluation service:

World Education Services, Inc. (WES)

REGISTRATION PROCESS

ACADEMIC ADVISING

All students are assigned a graduate academic advisor. The director of the student’s graduate program will serve as the student’s first advisor. The advisor’s responsibility is to assist the student to set, plan and reach his/her own personal educational goals. In order for a good advising relationship to function, each person involved needs to know what is expected. **THE FINAL RESPONSIBILITY FOR MEETING ALL ACADEMIC AND GRADUATION REQUIREMENTS RESTS WITH THE INDIVIDUAL STUDENT.**

To achieve educational goals, the student must take the initial responsibility for setting advising appointments, completing the registration forms necessary in the advising process before meeting with the advisor, and undertaking some long-range planning for the completion of studies. A minimum of six months prior to graduation, the student should file an Application for Graduation with the Registrar. Prior to the capstone or thesis class, another faculty advisor may be assigned to assist in completion of all requirements.

It is the responsibility of the advisor to meet with the student for the purpose of reviewing long-range plans, completing registration for the coming semester, reviewing the graduation application and, in general, advising the student with respect to the chosen degree and vocational plans.

CHANGE OF ADVISOR

Faculty Advisors are assigned upon admission to the graduate degree program. Should a student wish to request an advisor other than the one assigned, Change of Academic Advisor forms are available in the Records Office.

REGISTRATION FOR CLASSES

Formal registration for classes ordinarily begins immediately preceding the first day of classes (see course schedule for specific dates), although academic advising and pre-registration occur in the preceding semester. (See Academic Calendar on page 206 or the Warner Pacific College website).

CHANGES IN REGISTRATION

Adherence to the printed schedule of dates regarding additions, drops and withdrawals is expected, since the dates have been established in light of teaching and learning needs and expectations. The academic calendar is published in the current catalog (see page 202), and on each semester's schedule of classes.

WITHDRAWALS

Withdrawal from a course must be initiated by the student. A student may withdraw with no record on the transcript prior to the beginning of the second class session of the course (called a "drop"). After the second class session, a "W" will be entered on the student's transcript.

A student withdrawing within the first week is required to have the signature of his/her advisor. If withdrawal occurs after the first week, signatures from the advisor and the course instructor are required.

A student who fails to officially withdraw from a course but does not attend class sessions or submit assignments after the first week of class will be assigned an "X" grade for transcript record. The student is responsible to complete the paperwork for withdrawals. Add/Drop forms are available in the Records Office.

ENROLLMENT

ENROLLMENT STATUS

A fulltime student is one who has met all entrance requirements and carries a minimum of six (6) graduate credits per semester. A part-time student is one who has met all entrance requirements and carries a minimum of three (3) graduate credits per semester. A non-degree seeking student is one who is enrolled in two or fewer semester credits and is not working on a degree. Non-degree seeking students who have accumulated nine (9) credits at Warner Pacific are required to complete the full application for admission process before registering for additional courses. The non-degree seeking student is subject to the current tuition and other academic charges. Such students are entitled to all privileges of the classes for which they are enrolled. (See "Tuition and Fees," pages 13.)

ORIENTATION

At the beginning of the Fall Semester, Warner offers an orientation course, CM 500 or REL 500, for new RCM graduate students. These orientations are also intended to inform the new students of various issues pertinent to the success of their studies.

AUDITING A COURSE

The purpose of an audit is to allow the student an opportunity to experience a particular discipline in an effort to make future degree/program decisions. Audited courses do not satisfy prerequisites for other courses. Only earned credits may count toward degree / program requirements or prerequisite fulfillment. A student may register for any course without credit by declaring that intention at the time of registration. A student may change a credit class to an audit no later than the last day to add classes. Admittance is contingent upon available space in the class. Audits may change to regular registration by paying the regular tuition, using the standard registration change procedures, and meeting the deadline of the last day to add classes.

Students electing to audit a Warner Pacific course must attend/participate (in) 75% of the classes for the audit to appear on the transcript; if the required attendance/participation level is not reached, the audit will be removed from the transcript, but no fees will be refunded.

CREDIT FOR COURSES

Credit for study at Warner Pacific College is based on the amount of time a class meets per week for a semester. One hour of credit per semester ordinarily represents four hours of the student's time each week: one hour in the class and three hours in outside preparation.

REPETITION OF COURSES

When a course is repeated, only the highest grade is included in the computation of the total number of credit hours and GPA required for graduation. All courses will remain on the student's permanent record.

GRADUATE COURSE NUMBERING SYSTEM

500-699 Graduate-level courses

505 Reserved for independent study courses in any subject area

579 Reserved for special topics in any subject area

COURSES IDENTIFIED BY "X"

Courses which are identified by an "X" after the course number are classified as experimental courses. They may be used to satisfy requirements in appropriate categories.

INTERNSHIPS, TEACHING AND FIELD EXPERIENCES

Internships are courses having number, title, units and objectives stated in filed syllabi. College sponsored on-site coursework is supervised by site personnel identified by the college supervisor, site supervisor and student prior to commencement of the internship. International students are required by law to complete INS forms prior to beginning an internship. These forms are available in the Multicultural Services Office.

Credit is assigned prior to the internship with regard to the length and breadth of exposure necessary to successfully accomplish stated objectives. Length/breadth/depth requirements for each internship course are identified by the academic department and documented in department files.

A **Field Experience** or **Practicum** is an introductory exposure to a professional environment a few hours per week. Student involvement may range from observation to directed participation in assigned components of the working environment. In a field experience, the student is not responsible for any development or change in the clients of the school, agency, etc.

INDEPENDENT, TUTORIAL AND DIRECTED STUDIES

An Independent Study is a particular course that is designed specifically for an individual student in the Religion and Christian Ministries graduate program. The conditions under which an Independent Study may occur are listed below:

1. Such study is intended to allow students to explore academic areas of special interest not ordinarily provided by the existing curriculum.
2. Independent Study is carried out under the guidance of a qualified member of the faculty and must include regular contact with the faculty member.
3. Independent Study must have prior approval of the Program Director.
4. Independent Study is not available to students who are not regularly enrolled students of a graduate program.
5. No more than nine (9) credits of Independent Study may count toward graduation. In unusual cases, students who do not meet these criteria may be permitted to undertake Independent Study providing that the appropriate instructor submits, along with the student's petition, a letter which, in the judgment of the Program Director, adequately justifies the proposed study.

A completed Graduate Tutorial/Independent Study form (available in the Records Office) must be filed as part of the registration process. A per credit fee may be assessed for Independent Studies. The fee is in addition to tuition and any applicable class fees. (see page 13).

In Tutorial Study, students may register for an approved Warner course either at a time other than normally scheduled or when fewer than the minimum number of required students have enrolled for a regularly scheduled course. Tutorial Study will be approved only in instances where the course is required for student's degree program and circumstances prevent the student from enrolling in the course at the next regularly scheduled time.

A completed Tutorial/Independent Study form (available in the Records Office) must be filed as part of the registration process. A per credit fee may be assessed for Tutorials. The fee is in addition to tuition and any applicable class fees. (see page 13).

Directed Study is an existing course that has been redesigned and adapted for one-on-one study. It may be taken by one or more students. Directed Study is indicated as such on the regular class schedule and therefore does not require a request form or additional fees.

DISHONESTY AND PLAGIARISM

Students are expected to adhere to the highest standards of honorable conduct in academic matters. If students and faculty are to build a learning community, it is essential that students present their own work in their classes. The following situations constitute a breach in academic integrity:

1. Giving unauthorized information to another student or receiving unauthorized information from another student or source during any type of examination or test.
2. Obtaining or providing without authorization, questions or answers relating to any examination or test prior to the time of the examination or test.
3. Asking or arranging for another person to take an examination or test in one's place; asking or arranging for another person to sign an attendance sheet in one's absence.
4. Plagiarizing - taking ideas, words, or substantive ideas of another and offering them, as one's own, without acknowledging the source. Examples include, but are not

limited to, the following: submission of a written work (either in part or in whole) completed by another; failure to give credit in footnotes for ideas, statement, facts or conclusions, which rightfully belong to another; failure to use quotation marks when quoting directly from another; close and lengthy paraphrasing of another's writing.

All incidents of willful dishonesty or plagiarism will be reported in writing to the Chief Academic Officer. Possible actions that may be taken by a faculty member who suspects a student of academic dishonesty (after conversation with the student in order to determine the student's awareness of the problem) are listed below. In order to protect both student and faculty involved, either the appropriate Program Director must be present during any action taken beyond the oral reprimand/counseling stage:

1. An oral reprimand; counseling with the student toward the aim of making the student aware of the gravity of the offense and preventing future occurrences. May also include a requirement that the work be repeated or a substitute examination taken.
2. Assignment of a failing grade or a reduction of the grade earned on the specific work in question.
3. A reduction in the course grade.

If a satisfactory resolution is not reached after these actions have been taken, either faculty or student may refer the matter to the Chief Academic Officer for resolution, which will address the issue using the regularly established procedures for academic appeals.

If either faculty or student is not satisfied with the action of the Chief Academic Officer, in conformity with standard procedure an appeal may be made to the President.

At the discretion of the CAO, repeat offenses may result in suspension or administrative dismissal from the college.

All of the above procedures must be carried out in accordance with the Warner Pacific College Education Records Policy in compliance with the Family Education Rights and Privacy Act (Public Law 93-380).

ASSESSMENT AND EXAMINATION POLICIES

FINAL ASSESSMENT

All graduate courses will include final examination or assessment. Requests to reschedule a final exam for a time other than the scheduled time require the student to pay a special exam fee (see page 13). Travel and other arrangements must be planned ahead in accordance with the schedule, since exemptions due to travel arrangements will not be granted.

MAKE UP EXAMINATIONS

Students are expected to take examinations when scheduled. If circumstances prevent them from doing so, they may request that the professor administer the exam at a mutually convenient time. The professor may choose not to grant the request, but **IF THE REQUEST IS GRANTED, STUDENTS MUST PAY A SPECIAL EXAM FEE** (see "Tuition, Fees and Expenses," page 13). A request for waiver of the fee must be made to the Chief Academic Officer and must include reasons for the request.

ACADEMIC PERFORMANCE

CLASS ATTENDANCE

The student is assumed to be attending all classes for which a student is registered. In the case of an unavoidable absence, students are responsible for course assignments regardless of the reason for the absence. Since the graduate cohort programs are accelerated, class attendance is exceptionally important. As a result, multiple absences will be handled as follows:

- 1) Missing more than one class session of a two credit (five week) course will result in failure of the class;
- 2) Missing more than two class sessions of a three credit (eight week) course will result in failure of the class.

Students with significant extenuating circumstances may petition the graduate program director for a waiver of this policy.

COURSE LOAD

Students who expect to complete degree requirements according to the program calendar must remain in the Community of Scholars or cohort of a graduate program. Cohort study relies upon participation of all members throughout the course of study. It is to the advantage of the individual student, and to the cohort as a whole, to maintain the integrity of the cohort throughout the entire degree program.

Courses taken concurrently at another institution, by correspondence, by extension, as well as non-credit courses, count as part of the academic load and should be discussed with the student's advisor to assure transferability.

GRADING AND GRADE POINTS

The quality of academic work is measured in terms of letter grades and numerical grade points.

A	Superior	4 grade points
B	Excellent	3 grade points
C	Satisfactory/Average	2 grade points
D	Minimum Competence	1 grade point
F	Failure	0 grade points
P	Pass	
P+	Pass with Distinction	
NP	No Pass	
I	Incomplete	
IP	In Progress	
R	Registrar received no grade	
W	Withdraw	
X	No Basis for Grade	
AU	Audit	

Plus or minus grades may be specified on the transcript but will not affect calculation of the grade point average.

INCOMPLETE GRADES

An Incomplete ("I") may be given only when the student has: 1) satisfactorily completed all course assignments through the date of request having earned at least a "B" in all assigned work for the course, and 2) if completion of other requirements is not possible

because of factors beyond the control of the student. The “I” may be granted only after a completed and approved Request for Incomplete form has been filed in the Records Office. Incompletes must be filed before the last session of a class begins. An Incomplete must be completed within 12 weeks of the end of the course. If the incomplete work is not completed within the stated timeframe, the instructor will change the “I” to an “F.”

IN PROGRESS GRADES

In Progress (“IP”) is offered only for research or thesis courses, internships, study trips, Independent Study or summer semester courses. In order to issue an “IP” grade the Registrar must receive a contract for completing the work signed by the student and the instructor. An In Progress taken in the fall semester must be completed by the end of the following spring semester; an In Progress taken in the spring or summer semester must be completed by the end of the following fall semester. If the in progress work is not completed within the stated timeframe, the Registrar will automatically change the “IP” to an “F.” An extension may not exceed the stated period without approval of the Graduate Committee.

PASS/NO PASS POLICY

Courses at Warner Pacific College may be taken for a Pass/No Pass (P/NP) under the following stipulations:

- To earn a “P” the student must complete the requirements of the course with at least the equivalent of a “B” letter grade.
- Only courses designated as P/NP in the degree Course of Study may be taken as Pass/No Pass.
- Once the P/NP option has been elected, it is not possible to request a letter grade at a later date.
- Any exceptions to the above policy must be approved by the Graduate Committee.

GRADE CHANGES

Once recorded, a grade of “A” through “F” can be changed only in the case of clerical or computational error. It is the student’s responsibility to bring to the attention of the instructor any error in grades received within one semester following the issued grade. The instructor will submit the grade change to the Registrar. The instructor who assigned the grade should be involved in any appeal procedure concerning grade changes.

STATUTE OF LIMITATION FOR DEGREE COMPLETION

All graduate students have six years to complete all academic work for the degree. If a student is unable to finish the program in the time allotted, the student must reapply for admission, at which time all previously earned credits will be re-evaluated for current relevance.

ACADEMIC APPEALS AND PETITIONS

Occasionally it may be necessary to institute a petition for a waiver of established policies and procedures, or an appeal for a redress of grievances. Written appeals of policy are processed through the Records Office. Academic appeals fall into two general categories: 1) appeals of grades, or 2) petitions regarding application of specific policies.

Grade Appeals

Resolution of grade appeals is handled at the lowest possible level. The student must discuss the situation with the professor involved. Should discussion with the professor not resolve the issue and the student decide to appeal further, the following procedure must be followed:

1. A written statement describing the situation is submitted to the appropriate Program Director.
2. The Program Director will meet with both the student and the professor to resolve the issue. Should the issue not be resolved at this level and the student or the professor wish to appeal further, step 3 is followed.
3. The student or the professor files a grade appeal with the Chief Academic Officer. The Chief Academic Officer will request pertinent information from all parties involved and make a recommendation for resolution. Should the issue remain unresolved, the student or the professor may appeal to the Graduate Committee (step 4).
4. A petition in writing is submitted by the student or professor to the Graduate Committee. The petition will describe the issue involved and the steps taken toward resolution. The Committee will request appropriate documents from the parties involved in steps 1-3. The Committee will hold a hearing on the petition. Parties to the dispute will be granted an opportunity to present their cases and to questioning. After receiving such evidence, the Committee will render a decision. The decision of the Committee is final. No further avenue of appeal is available. The decision of the Committee will be in writing and will remain on file in the office of the Chief Academic Officer and in the student's academic file.

Petitions Regarding Application of Academic Policy

Petitions relating to academic concerns must be in writing. All petitions must include the signature of the student's advisor. This signature does not necessarily mean that the advisor agrees with or supports the petition, but that the advisor is aware of the petitioner's request. Petitions are submitted to the Registrar. Typical petitions include: waiver of requirements, acceptance of transfer credits, etc.

Continuing Enrollment

A graduate student must maintain a cumulative GPA of 3.0 to maintain Regular Student status. If a graduate student's cumulative GPA falls below 3.0, the graduate student will be placed on Academic Probation until the GPA returns to at least 3.0. If a graduate student is on Academic Probation for three consecutive courses, the student is subject to dismissal.

GENERAL GRADUATION REQUIREMENTS

MASTER OF ARTS IN BIBLICAL AND THEOLOGICAL STUDIES

In order to graduate from Warner Pacific College, an MA in Biblical and Theological Studies student must accomplish the following:

- Complete the total number of hours required for the MA degree (42 credits, 30 credit hours in residence)
- Complete all coursework with a minimum cumulative GPA of 3.0. No course grade less than a C- will be applied to the degree requirements.

- Successfully defend a Master thesis to a majority of the RCM faculty and one outside referee
- Present three (3) error-free copies of the thesis to the Director of the RCM program
- Be recommended by the Religion and Christian Ministries Department to the general faculty for approval
- Pay all fees in full to the institution.

MASTER OF RELIGION

In order to graduate from Warner Pacific College, a Master of Religion student must accomplish the following:

- Complete the total number of credits required for the M.Rel degree (37 credits, 28 credits hours in residence)
- Complete all coursework with a minimum cumulative GPA of 2.5
- Successfully defend a Master Thesis or Project to three RCM faculty and one outside referee
- Attend and participate in a minimum of six graduate colloquium sessions
- Be recommended by the Religion and Christian Ministries Department to the general faculty for approval
- Pay all fees in full to the institution.

APPLICATION FOR GRADUATION

When students are approximately nine credits from graduation they begin the application for graduation process with the assistance of the academic advisor. The Application for Graduation and Grad Check (available in the Records Office) must be filed with the Registrar no later than six months before the student intends to graduate (June 15 for the Mid-Winter Commencement, or November 15 for the Spring Commencement).

The registrar and academic advisor will review the Application for Graduation to ensure that all requirements for graduation will be met and to notify students in writing of deficiencies. Students must confirm the completion of degree requirements with their academic advisor.

The student will graduate under the requirements listed in the catalog in effect at the time of enrollment. Students who do not maintain continuous enrollment will graduate under the requirements listed in the catalog in effect at the time of re-entry. Students may elect to graduate under a more recent catalog than the one in use at the time of their entry but they must declare the new catalog in writing to the registrar, along with their advisor's approval. The student is subject to ALL requirements of the catalog listed.

A graduation fee is charged to all graduates. This fee is mandatory. **STUDENTS WHO HAVE NOT MET ALL ACADEMIC REQUIREMENTS WILL NOT BE ALLOWED TO PARTICIPATE IN GRADUATION CEREMONIES.** (Students will not be allowed to "walk.") All graduation requirements (including financial obligations to Warner) must be met **PRIOR** to graduation.

GRADUATION CEREMONIES

Because graduation is the culmination of one's academic career and provides an opportunity for the recognition of academic achievement, all graduating students are expected to plan their schedules in order to participate in graduation ceremonies. Students who are not able to participate must petition for excuse to the President in writing, and cannot expect to receive their diplomas before graduation ceremonies.

EXITING THE COLLEGE

LEAVE OF ABSENCE

Some students need or want to leave Warner for a time. This is referred to as “Leave of Absence.” A leave of absence is defined as an interruption in attendance at Warner for a period of one semester for acceptable reasons. Re-entry to the college is automatic at the expiration of the leave period provided all other specified deadlines have been met. A student may request a leave of absence by filling out a Request for Leave of Absence form, which is available in the Office of Admissions.

EXIT INTERVIEW

Each student leaving Warner Pacific is required to file a Withdrawal form and have an Exit Interview with the Director of Enrollment Management. (The form is available from the Office of Admissions.) Students who are exiting permanently must be cleared by each office listed on the form. An interview with a representative of the Student Financial Services is required for all exiting students. The completed exit form is then filed in the Records Office.

PROGRAM REQUIREMENTS

MASTER OF ARTS IN BIBLICAL AND THEOLOGICAL STUDY

The Master of Arts in Biblical and Theological Studies MA-BTS is designed for the following individuals:

- 1) *A student seeking further training in biblical and theological studies.*
- 2) *A student wanting to prepare for further graduate education in biblical or theological studies*
- 3) *A student who desires biblical and theological training on a night school schedule*

42 credits: 30 credit hours in residence. Required (not necessarily in this order):

Year	Semester	Course Number	Course Name	Credits
1st Year	Fall	REL 500	Methods	2
	Fall	BI 561	Hebrew and Old Testament Literature	4
	Fall	CM 531	Ministry in an Academic Context I	2
	Spring	CM 532	Ministry in an Academic Context II	2
	Spring	BI 562	Old Testament Exegesis and Hermeneutics	4
2nd Year	Summer	BI 563	Greek and New Testament Literature	4
	Fall	TH 520	Biblical Theology	4
	Fall	TH 521	Historical Theology I	2
	Spring	TH 522	Historical Theology II	2
	Spring	BI 564	New Testament Exegesis and Hermeneutics	4
3rd Year	Summer	TH 523	Moral Theology	4
	Fall	CM 546	Communication in Ministry and Homiletics	4
	Fall	REL 571	Master Thesis	4
	Spring	REL 572	Thesis Extension	1-4

MASTER OF RELIGION

The Master of Religion Program (M.Rel.) at Warner Pacific College is designed for the following individuals:

1. A pastor seeking a renewal in ministry.
2. A student seeking further training in biblical studies, historical theology, Christian ethics, or ministry.
3. A professional needing educational advancement in one of our concentrations.
4. A student wanting to prepare for further graduate education.

The Program offers four concentrations: Biblical Studies, Theology, Pastoral Ministries, and Religion and Ethics. Students will be matched with an advisor in the RCM department who specializes in one of these four concentrations. If an advisor is not available in a particular concentration before coursework is completed, a student will need to select a concentration from the remaining concentrations. Students interested in other areas of concentration may apply to tailor the M.Rel. degree in conjunction with other Warner professors or one of two seminaries in the Portland area.

In addition to the four concentrations currently available, an M.Rel. student may apply to the program for an Independent Concentration. In such cases, core M.Rel. requirements are retained. An Independent Concentration requires 12 credits of concentrated study (six credits in residence) in a specific area of study that relates to religion. All projects and major papers from graduate level courses taught by adjunct graduate faculty must be available for review by the RCM Dept. These submissions must demonstrate significant content in the field of religion as defined by the RCM Dept.

Independent Concentration Application Procedure

1. Submit written proposal for an Independent Concentration to the M.Rel. director.
2. Submit written approval from any non-RCM professor who agrees to serve as Independent Concentration advisor. All Independent Concentration advisors must hold a terminal degree in their field of study. The RCM Dept must authorize all Independent Concentration advisors.
3. Complete the Independent Concentration application. This application will require a proposed course listing with complete course descriptions. Tentative syllabi of any proposed non-RCM courses are preferred. The RCM Dept must approve all non-RCM instructors.
4. The application must be reviewed and approved by the RCM department.

37 credits; 28 credits in residence. Required:

CM 500	Methods of Research in Religion and Ministry	1 credit
Bible		6 credits
Theology		6 credits
Pastoral Ministries		6 credits
Religion and Ethics		6 credits
Electives		9 credits
CM 571	Master Thesis or Project	3 credits

If a student is granted an “In Progress” grade at the end of CM 571, the student must register for CM572, Master Thesis Extension (1 credit) per semester until the student has completed the thesis. Failure to register in an extension course when the thesis has not been approved will be a termination of the program. The student must petition the Director of the Master of Religion Program for reinstatement. Earning an “In Progress” in CM 572 requires the student to enroll in the next extension course the following semester. Summer semesters do not require a thesis extension.

Four additional graduate degrees are available through the Adult Degree Program: Master of Science in Accounting (M.S.A.C.), Master of Science in Management and Organizational Leadership (M.S.M.O.L.), Master of Arts in Teaching (M.A.T.), and Master of Education (M.Ed) (see page 189).

ART

(Fine Arts minor described on page 68.)

ART 100

Basic Studio Art

(2 credits)

An exploration of basic, visual elements, including line, value, shape, texture, color, and their effect on particular visual situations from a theoretical and practical standpoint. Additional fees are charged for this class.

ART 115/116

Calligraphy

(2, 2 credits)

A study and practice of the art of italic calligraphy and other letter forms. Designed to build skills in fine lettering, layout and design. Course is performance oriented and will culminate in a display of projects at the end of each semester. Available on a Pass/No Pass basis. May be repeated. Additional fees are charged for this class.

ART 120

Introduction to Photography (Non-Darkroom)

(2 credits)

Introduction of compositional techniques used to enhance photographic subjects. Basic camera operation is also covered. Must own or have access to a 35mm film or digital camera, though some point-and-shoot cameras may be used. Additional Fees: Photo processing is at the expense of each student.

ART 250/350

History of Art

(3 credits)

A study of the artistic and historical aspects of various art forms, especially painting, architecture, and sculpture. Emphasis is on visual aids, including museum field trip, architectural tour, slides, etc. Art projects will explore an idea of technique from each historical period or artistic movement. Prerequisite: EN 200

See also Fine Arts section (page 139).

BIBLICAL STUDIES

(Christian Ministries major described on page 82. Graduate degrees described on pages 103, 105.)

BI 151

The Bible as Literature

(3 credits)

This course involves the study of the Bible as literature and Scripture. Attention is given to the canon and transmission of the English Bible, major literary genres, Scriptural themes, and the performance of Scripture. May not be taken for Pass/No Pass. (This course does not meet the Literature requirement for core studies.)

BI 230**Major Characters of the Old Testament (3 credits)**

(Alternate years or Summer Semester)

This course involves an in-depth examination of the major characters of the Old Testament, including their roles in history, relationships with God and each other, connections to the New Testament, and relevance for readers of the Bible today.

Prerequisite: BI 151.

BI 250**Life and Teachings of Jesus (3 credits)**

(Alternate years or Summer Semester)

A study of the historical Jesus with emphasis upon the Synoptic Gospels. Designed to foster an appreciation of Jesus' significance for Christian thought and action.

Prerequisite: BI 151.

BI 260**Life and Teachings of Paul (3 credits)**

(Alternate years or Summer Semester)

A biographical study of Paul as reflected in the Book of Acts and a careful examination of his letters. Designed to foster an appreciation and understanding of his works for today. Prerequisite: BI 151.

BI 310**Studying the Old Testament (3 credits)**

A study of the books of the Old Testament with a focus on issues of authorship, cultural background, literary form, and content. Prerequisite: BI 151 or permission of the instructor.

BI 315**Teaching the Old Testament (3 credits)**

A study of the books of the Old Testament with a focus on interpretation and application of the meaning of the Old Testament within the context of contemporary culture.

Prerequisite: BI 151 or permission of the instructor.

BI 320**Studying the New Testament (3 credits)**

A study of the books of the New Testament with a focus on issues of authorship, cultural background, literary form, and content. Prerequisite: BI 151 or permission of the instructor.

BI 321, 322**The Literature of the New Testament (3, 3 credits)**

(Alternate years 2010-2011)

A study of the occasion, purpose, and content of the New Testament books.

Prerequisite: BI 151 or consent of instructor.

BI 325**Teaching the New Testament (3 credits)**

A study of the books of the New Testament with a focus on interpretation and application of the meaning of the New Testament within the context of contemporary culture.

Prerequisite: BI 151 or permission of the instructor.

BI 331**Interpreting the Bible****(3 credits)**

(Alternate years 2011-2012)

An introduction to methods and theologies of interpretation and exegesis. Prerequisites: BI 311, 321, or consent of instructor.

BI 441**Biblical Hebrew****(3 credits)**

(Alternate years 2011-2012)

A study of the basic elements of the grammar and vocabulary of Old Testament Hebrew with attention given to the translation of selected passages from the Bible. Prerequisite: Junior class standing.

BI 443**Biblical Greek****(3 credits)**

(Alternate years 2010-2011)

A study of the basic elements of the grammar and vocabulary of New Testament Greek with attention given to the translation of selected passages from the Bible. Prerequisite: Junior class standing.

BI 455**New Testament Exegesis****(3 credits)**

(Alternate years 2010-2011)

An exegetical study of a New Testament book with emphasis given to understanding, preaching and teaching the theology of the book. Prerequisites: BI 321, 322 or consent of instructor.

BI 511, 512**The Literature of the Old Testament I, II****(3, 3 credits)**

(Alternate years 2011-2012)

A study of the authorship, date, purpose and literary structure of the Old Testament books, with attention to social, political, and religious history.

BI 521, 522**The Literature of the New Testament****(3, 3 credits)**

(Alternate years 2010-2011)

A study of the occasion, purpose, and content of the New Testament books.

BI 531**Interpreting the Bible****(3 credits)**

(Alternate years 2011-2012)

An introduction to methods and theologies of interpretation and exegesis.

BI 541**Biblical Hebrew****(3 credits)**

(Alternate years 2011-2012)

A study of the basic elements of the grammar and vocabulary of Old Testament Hebrew with attention given to the translation of selected passages from the Bible.

BI 543**Biblical Greek****(3 credits)**

(Alternate years 2010-2011)

A study of the basic elements of the grammar and vocabulary of New Testament Greek with attention given to the translation of selected passages from the Bible.

BI 545**Old Testament Exegesis****(3 credits)**

(Alternate years 2011-2012)

An exegetical study of an Old Testament book with emphasis given to understanding, preaching and teaching the theology of the book. Prerequisites: BI 511, 512 or consent of instructor.

BI 555**New Testament Exegesis****(3 credits)**

(Alternate years 2010-2011)

An exegetical study of a New Testament book with emphasis given to understanding, preaching and teaching the theology of the book. Prerequisites: BI 521, 522 or consent of instructor.

BI 561**Hebrew and Literature of the Old Testament****(4 credits)**

This course involves a study of the authorship, date, purpose, language, and literary structure of the Old Testament books, with attention to social, political, and religious history.

BI 562**Old Testament Exegesis and Hermeneutics****(4 credits)**

This course involves an examination of the history of interpretation of the Old Testament and interpretive methods for exegeting the books of the Old Testament, with an emphasis on teaching the Old Testament.

BI 563**Greek and Literature of the New Testament****(4 credits)**

This course involves a study of the authorship, date, purpose, language, and literary structure of the New Testament books, with attention to social, political, and religious history.

BI 564**New Testament Exegesis and Hermeneutics****(4 credits)**

This course involves an examination of the history of interpretation of the New Testament and interpretive methods for exegeting the books of the New Testament, with an emphasis on teaching the New Testament.

BIOLOGY

(Science majors begin on page 77.)

BIO 101**General Biology I****(4 credits)**

An introduction to the biological principles and inter-relationships of living organisms. Ecology, basic genetic principles and evolution are covered. BIO 102 of this sequence may be taken independent from BIO 101. Lecture and laboratory experiences are integral parts of this course. Lab fee required.

BIO 102**General Biology II****(4 credits)**

An introduction to the biological principles and inter-relationships of living organisms. This course examines organismal diversity and the structural organization and functions of cells, tissues and body systems. BIO 102 of this sequence may be taken independent from BIO 101. Lecture and laboratory experiences are integral parts of this course. Meets the core requirements for Science. Lab fee required.

BIO 201**Introduction to Ornithology****(3 credits)**

(Summer Semester as needed)

An introductory study of the taxonomy, anatomy, physiology and behavior of birds. Local field outings to learn bird identification techniques and observe habitats and behavior will accompany lecture. Lab fee required.

BIO 205**Independent Study****(1-4 credits)**

Independent Study involves research and writing in an area agreed to by the professor and the student. Consent of the instructor is required for Independent Study. A special study petition must be completed before consent is granted.

BIO 215/315**Malheur Natural History Studies****(3 credits)**

(Spring Semester)

Subjects relating to ecology, geology, botany, zoology (particularly ornithology) and the history of the Malheur area will be studied. The course includes on-site study at the Malheur Field Station located in SE Oregon. BIO 315 is restricted to biology majors or the consent of the instructor. (Additional fees are charged for this class, see page 13.) Prerequisite: Sophomore class standing or consent of instructor.

BIO 221**Human Anatomy and Physiology I****4 credits)**

A survey of the structure and function of the human organism; encompasses cells to organ systems with focus on the skeletal, muscular and nervous systems. Lecture and laboratory. Lab fee required.

BIO 222**Human Anatomy and Physiology II****(4 credits)**

A survey of the structure and function of the human organism with attention on the endocrine, cardiovascular, respiratory, digestive, urinary, and reproductive systems. An introduction to immune and inheritance process are also included. Lecture and laboratory. Prerequisite: BIO 221 or consent of instructor. Lab fee required.

BIO 245**Evolution****(3 credits)**

(Alternate years 2011-2012)

A survey of the history and development of ideas relative to the origin of species. Lecture only. This course does not meet core studies requirements for a lab component course. Prerequisites: BIO 101, 102 or consent of instructor.

BIO 250**Genetics****(3 credits)**

(Alternate years 2010-2011)

A study of the laws and principles of heredity. Emphasis is given to Mendelian genetics, cell replication and gamete formation, DNA structure/replication/modification, gene regulation and expression, and selected topics in current genetic research. Lecture and laboratory. Prerequisites: BIO 101, 102 or BIO 221, 222. Lab fee required.

BIO/PSY 300**Neuroscience and Behavior****(4 credits)**

(Alternate years 2010-2011)

An introduction to the biological basis of the mind. Such an introduction plays a significant role in the liberal arts curriculum as a natural bridge between the humanities and the natural sciences. The course explores the relationship between brain structure, brain function, and human behavior. The study is a multi-disciplinary presentation drawing information from anatomy, physiology, biochemistry, neuropharmacology, pathology of the nervous system, physiological psychology, and philosophy. The central focus is the development of a study of human behavior based on the function of the human brain. Laboratory course. Prerequisite: BIO 221 or consent or instructor.

BIO 301**Botany****(4 credits)**

(Alternate years 2010-2011)

Selected topics chosen by the instructor and students from the areas of plant morphology, physiology and systematics. Lecture and laboratory. Prerequisites: BIO 101, 102. Lab fee required.

BIO 310**Embryology****(3 credits)**

(As needed)

A study of developmental anatomy, origin of structure, and development of germ layers, tissues, and systems of the body. In the laboratory, specific attention is given to the frog, chick and pig. Lecture and laboratory. Prerequisites: BIO 101, 102. Lab fee required.

BIO 330**Cell Biology****(4 credits)**

(Alternate years 2010-2011)

A study of eukaryotic cell morphology and physiology. Topics include membrane structure and function, bioenergetics, intracellular compartments, cell communication, the cytoskeleton, cell division, and cell cycle control. Lecture and laboratory. Prerequisites: BIO 101, 102, PHS 211, 212. Lab fee required.

BIO 360**Ecology****(3 credits)**

(Alternate years 2010-2011)

Relationships of plants and animals to one another and to the total environment. Particular emphasis given to modern problems such as pollution. Lecture, laboratory and field trips. Prerequisites: BIO 101, 102; MA 342 recommended. Lab fee required.

BIO 370**Microbiology****(4 credits)**

(Alternate years 2011-2012)

Topics of study include the taxonomy, morphology, physiology, pathogenicity and industrial uses of microorganisms. Emphasis will be placed on bacteria with some discussion of fungi, protists and viruses. Includes lecture and laboratory. Prerequisites: PHS 111, 112 or 211, 212 and BIO 101, 102 or 221, 222. Lab fee required.

BIO 380**Invertebrate Zoology****(3 credits)**

(Alternative years 2011-2012)

Phylogenetic relationship, development, structure, and function of the invertebrate animals. Lecture and laboratory. Prerequisites: BIO 101, 102. Lab fee required.

BIO 390**Comparative Vertebrate Anatomy****(3 credits)**

(As needed)

Comparison of organ systems of vertebrate classes. Lecture and laboratory. Prerequisites: BIO 101, 102. Lab fee required.

BIO 393**Practicum in Laboratory Science Instruction****(1 credit)**

This course is designed for students pursuing careers in science education. It provides hands-on experience teaching in an introductory laboratory setting with particular emphasis on laboratory preparation, student interactions, and pedagogical content knowledge. Repeatable for a maximum of 2 credits. Prerequisites: BIO 101, 102 or BIO 221, 222 or PHS 211, 212 and consent of instructor.

BIO 405**Independent Study****(1-4 credits)**

Independent Study may involve research, writing and/or special projects in an area agreed to by the professor and the student. Consent of the instructor and Junior class standing is required for Independent Study. A special study petition must be completed before consent is granted.

BIO 410**Histology****(4 credits)**

(As needed)

Examination of the microstructure and ultramicrostructure of vertebrate cells and tissues integrated with physiological applications. Lecture and laboratory. Prerequisites: BIO 101, 102. Lab fee required.

BIO 420**Mammalian Physiology****(4 credits)**

(Alternate years 2011-2012)

Study of cellular and organismic functions of mammals with special emphasis on human nervous, endocrine, cardiovascular, respiratory, urinary and reproductive systems. Lecture and laboratory. Prerequisites: BIO 101, 102 and PHS 211, 212. Lab fee required.

BIO 421**Elements of Human Gross Anatomy****(3 credits)**

(Alternate years 2010-2011)

Detailed study of the gross anatomy of the human body using a regional rather than a systematic approach. Emphasis on the following areas: lower and upper extremities including the neck and back, anterior thorax and anterior abdominal wall. Involves extensive dissection of the cadaver. Prerequisites: BIO 101, 102 or BIO 221, 222. Lab fee required.

BIO 490

Senior Seminar in Biology

(1 credit)

Course encompasses a survey of research, literature, bioethical considerations and career opportunities in biological areas. Students will complete professional development activities such as writing a resume, preparing a research poster and presentation.

Prerequisite: senior standing.

BIO 491, 492

Senior Thesis

(2, 2 credits)

Original research, thesis completion and oral presentation of selected topic chosen in consultation with major advisor. Prerequisite: senior standing and consent of science faculty advisor. Offered as Pass/No Pass only.

BUSINESS

(Major/Minor/A.S. described on pages 56-58.)

BUS/EC 101

Business Economics: An Introduction to Business

(2 credits)

(Alternate years 2011-2012)

This course begins by introducing basic principles of perception and visual interpretation, then moves into study of the dependent processes of visual communication and rhetoric in media and film studies, cultural studies, art, literature, electronic media, and the public spectacle. Some study will also be dedicated to the design of visual form and visual communication both in traditional and electronic formats. Prerequisite: Two Communications courses.

COMM/EN 450

Ethical Theory for Writing and Reading

(3 credits)

(Alternate years 2010-2011)

This course emphasizes the philosophical roots of theories for reading texts from an ethical perspective, and applies those theories to the issues raised in media communications today. In the first half of the semester students will read primary texts of critical theory and apply those readings to a single literary text. The second half of the course will treat the issues involved in the ethics of journalistic writing. Grounded in the ethical critical theory read during the first half of the semester, students will explore questions media professionals confront when writing for publication, such as: What does freedom of the press mean? What is the fourth estate? What constitutes “news” and, once that definition is arrived at, is it ever ethical to withhold news from the public? Students will confront these questions through comprehensive reading, case studies, their own writing, the sharing of their thoughts through blogs and discussion. Prerequisite: COMM/EN 385.

COMPUTER SCIENCE

Study of foods as related to health and nutritional diseases.

HHK 300-309**Professional Activities****(2 credits each)**

A battery of courses designed to give the HHK major adequate preparation in the techniques of performance and instruction of activities essential to the physical education curriculum. Emphasis is placed on instructional methods and analysis of skilled movement, unit and lesson plan construction, and class organization. Included is a consideration of the physiological, psychological, and sociological implications of each activity. A beginning level of proficiency in each activity is assumed. Prerequisites: ED 250 (These courses do not meet Core Studies requirements.)

HHK 300**Professional Activities: Gymnastics,
Tumbling, Stunts, Development Activities****(2 credits)****HHK 302****Professional Activities: Aquatics, Body Mechanics****(2 credits)**

(Alternate years 2010-2011)

HHK 304**Professional Activities: Individual and Dual Sports****(2 credits)**

(Alternate years 2011-2012)

HHK 306**Professional Activities: Team Sports****(2 credits)**

(Alternate years 2010-2011)

HHK 308**Professional Activities: Rhythmics, Games****(2 credits)**

(Alternate years 2011-2012)

HHK 309**Professional Activities: Wellness****(2 credits)**

(Alternate years)

HHK 310**Motor Learning****(3 credits)**

(Alternate years 2011-2012)

A study of the neuropsychological aspects of human movement. Application of neuroanatomical and neurophysiological concepts to the understanding of learning, perception, motivation, memory, and variables affecting motor skill acquisition and performance. Prerequisites: BIO 221, 222

HHK/HD 320**Human Sexuality****(3 credits)**

An in-depth study of human sexuality including aspects of anatomical, physiological, personal, and social significance. Prerequisite: Sophomore class standing.

HHK 325**Kinesiology****(3 credits)**

(Alternate years 2011-2012)

Study of the anatomical and bio-mechanical aspects of human motion with comprehensive attention to functional human anatomy. Prerequisites: BIO 221

HHK 340**Current Health Issues****(3 credits)**

(Alternate years 2011-2012)

Investigation of a variety of current health issues leading the student to intelligent decisions in the purchase and use of health products and services. Prerequisite: Sophomore class standing.

HHK 350**Care and Prevention of Athletic Injuries****(3 credits)**

(Alternate years 2011-2012)

Techniques of prevention, recognition, treatment, and rehabilitation of high incidence injuries in physical education and sports activities. Includes appropriate regional anatomy and implications of growth, development, and aging. Prerequisites: BIO 221

HHK 360**Organization and Administration of Physical Education****(3 credits)**

(Alternate years 2010-2011)

Planning and organizing the use of facilities, equipment, budget, and personnel in the physical education, intramural, and interscholastic activity programs. Includes administration, public relations, legal liability, and curriculum development. Prerequisite: HHK 230 or consent of instructor.

HHK 405**Independent Study****(1-4 credits)**

Involves original research and writing and/or activity on a topic or project agreed upon by the instructor and the student. Consent of the instructor and Junior class standing is required for Independent Study. A form for petition of Independent Study must be completed and approved by instructor and Department Chair.

HHK 460**Tests, Measurements and Evaluation in HHK****(3 credits)**

(Alternate years 2010-2011)

Introduction to the basic statistics essential to measurement and evaluation in health and physical education including tests to determine classification, neuromuscular achievement, knowledge, power, endurance, and work capacity. Prerequisite: Junior class standing.

HHK 470**Adapted Physical Education****(3 credits)**

(Alternate years 2010-2011)

Analysis of the physical education/activity needs of physically and/or mentally and/or emotionally handicapped individuals. Content includes nature of selected handicapping conditions, selection of appropriate activities, program design, mainstreaming, and evaluation. Prerequisites: HHK 230.

HHK 475

Exercise Physiology

(4 credits)

(Alternate years 2011-2012)

Study of the physiological aspects of human performance including basic nutrition and the metabolic, endocrine, neuromuscular, respiratory, and cardiovascular responses to exercise. Prerequisites: BIO 221, 222.

HHK 494

Internship

(1-6 credits)

(As needed)

A field work practicum proposed by the student, involving experience pertinent to physical education, exercise science or health fitness management. Pass/No Pass grade. Prerequisite: Instructor consent.

HEALTH CARE ADMINISTRATION

(Major described on pages 57.)

HCA/COMM 270

The Context and Language of Health Care

(2 credits)

This course provides an understanding of the philosophy of health care and introduces key words that are crucial to working in the health care environment. Major forms of technological communication will be assessed including social networks.

HCA 301

Health Care Organization and Delivery

(3 credits)

This course provides an overview of the traditional health care system. The organization of clinics and hospitals are explored. Long-term care organizations as well as the businesses that relate to health care are examined. This course will include an experiential component exposing students to issues faced in the workplace. Prerequisite: Sophomore class standing

HCA 302

Principles of Managed Care

(3 credits)

This course provides both an overview of the evolution of managed care in the US and a description of current managed care systems. The fundamental components of all managed care organizations are examined. Infrastructures are studied and the roles of the various participants are explained. Prerequisite: Sophomore class standing

HCA 303

Alternative Health Care

(3 credits)

This course provides an overview of major Complementary and Alternative Medical (CAM) care resources and their management systems. Exploration of local alternative healing practices and institutions will be incorporated. Prerequisite: Sophomore class standing

HCA/SOC 340

Introduction to the Professions, the Professional, and Professional Ethics(3 credits)

This course introduces the history of the professions with a focus on the health care professions. Other major professions will also be reviewed. An awareness of the cultural context will be explored and appropriate moral responses to professional concerns will be honed. The ethical expectations of a professional in American society will be sharpened.

Major types of professionals in health care will be explored. This course will include an experiential component exposing students to issues faced in the workplace. Prerequisite: Sophomore class standing.

HCA/REL/SOC 352

Society, Health Care, and Bioethics

(3 credits)

This course provides an overview of the American health care system with awareness of the social, bioethical, and business practices of those organizations. A history of Jesus' ministry and Christian health care will be offered. Other major world-wide systems will all be reviewed. Avenues of health care reform will be explored. Alternative medical practices will be reviewed. Prerequisite: Sophomore class standing

HCA 402

Finances and Budgeting of Health Care Organizations

(3 credits)

In this course students will study the fundamentals of financial management in health services, with emphasis on the financial environment, payment systems, discounted cash flow analysis, risk, financial statements, capital investments, capital budgeting, and Medicare & Medicaid regulations. These concepts are explicated in the light of decisions made by health care organizations by using accounting and finance theories, principles, and concepts most important to managers in the health care industry. Contemporary case studies will be used to illustrate the relationship between finance theory and organizational policy, including those for non-profit health care institutions. Prerequisite: Junior class standing.

HCA 403

Public Policy, the Law and Ethics in Health Care

(3 credits)

This course introduces the student to the demands on health care of laws and regulations ranging from patient rights to corporate responsibilities. It covers concepts such as public policy, risk management, fraud and abuse, as well as a discussion of the Healthcare Administrator's role in organizational compliance, licensing, and accreditation. Health care regulatory agencies and state and federal agencies are examined as well as their impact on the operation of health care organizations. Prerequisite: Junior class standing.

HCA 404

Introduction to Public Health Administration

(3 credits)

This course explores community and public health services in the well-being of a population. Regulatory mandates promoting public and community health are explored. The interface among community and public health services and the overall health care industry is explored. Legal and ethical imperatives emergent in public health services are discussed. Financing options are explored recognizing the role of categorical fiscal resources. Health care promotion and prevention strategies are explored in concert with the role of health care institutions and the public sector. Health information data is utilized in the planning of a community and/or public health project. This course will include an experiential component exposing students to issues faced in the workplace. Prerequisite: Junior class standing.

HCA 412

Health Care Ethics

(3 credits)

This course identifies ethical issues in health care. It is designed to encourage the student to clarify their personal ethics in as related to the field of health care. The various responsibilities involving the managing of individuals and groups whose ethics may be divergent are explored. The course encompasses a study of the Christian world view as it is applied to leadership situation. Prerequisite: Junior class standing.

HCA 450

Critical Issues in Health Care

(3 credits)

This course serves as the capstone course which includes a project that provides the learner the opportunity to explore a self selected critical issue in health care. The project may be problem focused in which the learner identifies a health care problem or issue and conducts research on the topic culminating in a proposed solution. The students will be expected to incorporate the concepts learned in prior coursework, specifically the health care ethics course, in their final project. Prerequisite: Junior class standing

HISTORY

(Majors/Minor described on pages 64, 68.)

HIS 201

History of the United States

HIS 485

Historiography

(3 credits)

(Alternate years 2011-2012)

A study of research methods, writing skills, interpretative analysis, and the philosophies of major historians. Prerequisite: Successful completion of six semester credits in history.

HUMAN DEVELOPMENT

(Majors/Minor described on pages 86, 92.)

HD 230

Life Span Human Development

(3 credits)

A course for non-majors in Human Development. This course approaches the study of the mental, physical, emotional, interpersonal, and spiritual development of an individual from birth to death. Life stages and transitions include infancy; childhood; adolescence; early, middle, and late adulthood; and death and dying.

HD 311

Prenatal through Early Childhood Development

(3 credits)

A study of human development from conception through early childhood utilizing developmental theories and current research in assessing children's cognitive, social, emotional, physical and spiritual domains and socio-cultural contexts. Attention is given to developmentally appropriate practices for parents and teachers. Prerequisite: PSY 140/141.

HD 312

Mid-Child through Adolescent Development

(3 credits)

A study of physical, cognitive, social, emotional, and spiritual development of school age children through adolescence utilizing current research and developmental theories. Attention is given to cross-cultural and sub-cultural variations in home situations, parenting styles, and peer groups in enhancing social competence and morality. Prerequisite: PSY 140/141.

HD 313

Adult Development, Aging and Dying

(3 credits)

A study of the physical, mental, social, emotional, and spiritual adjustments of healthy adult life from young adulthood through the retirement years. Attention will be given to the variations in self-expectations rising from physical aging, continuing socialization, and environmental change. Anticipation of retirement, loss of friends and loved ones, changing roles in the family, workplace, and in social life will be discussed. Also explored will be issues of transition, loss, death, and dying. Prerequisite: PSY 140/141.

HD 314

Parenting Through the Life Cycle

(3 credits)

This course is a participatory learning experience for parents, those planning on being parents, and those who will teach parents to understand and gain the needed skills and responsibilities of being a parent. Students will learn, through a number of sources and projects, about parenting through the life span, various parent education strategies, and parenting dynamics in a diverse culture and with various family types and issues. Prerequisite: Sophomore class standing.

HD/HHK 320

Human Sexuality

(3 credits)

An in-depth study of human sexuality, including aspects of anatomical, physiological, personal, and social significance. Additionally, teaching methods for elementary and secondary grade levels will be discussed. Prerequisite: Sophomore class standing.

HUMANITIES

HUM 110

Freshman Liberal Arts Colloquy

(3 credits)

(As needed)

An interdisciplinary approach to understanding the nature of higher education, student life, and the methods of successful transition from high school into college. Students will be challenged to wrestle with the paradoxes that define the college experience. Course is not appropriate for students with previous college experience.

HUM 210

Humanities Colloquy: Science and Technology

(3 credits)

An interdisciplinary approach to questions about science and technology, the relationship between science and society, and the nature of individual responsibility with reference to technology. Readings in foundational philosophical perspectives are applied to current issues such as the role of science and technology in world health issues, in examining classifications of race and gender, in determining distinctions between art and science, and/or madness and creativity. Students will pursue a project that focuses on ethical aspects of a selected topic, e.g., the promotion of support for rare “orphan diseases” which do not strike enough people to receive adequate research funding. Prerequisite: EN 200.

HUM 211

Humanities Colloquy: War and Peace

(3 credits)

An interdisciplinary approach to questions about war and peace, human aggression, conflict resolution, and the variety of Christian approaches to these issues. Readings in foundational philosophical perspectives are applied to issues involving war and peace. Discussion of the nature of human life is integral to the course. Prerequisite: EN 200.

HUM 212

Humanities Colloquy: Earthkeeping

(3 credits)

An interdisciplinary approach to understanding the cultural and scientific aspects of ecological and environmental issues through developing a common ecological vocabulary bridging disciplines; examining the scientific, religious, and cultural debates that surround the concept of deep ecology; describing how theories of nature and of human nature relate to current ecological issues; and examining globalization and commodification in an effort to understand how human societies relate to natural systems. Prerequisite: EN 200.

HUM 310

Humanities Colloquy: Faith, Living and Learning

(3 credits)

An interdisciplinary consideration of the relationship of the Christian faith to aspects of the human condition. Students will be challenged to infuse a personal theological perspective into their thinking about self, society, the world, the cosmos, and the like. Prerequisite: EN 200.

HUM 325

Humanities Colloquy: War and Peace

(3 credits)

(Summer Semester only)

A study of human nature and its relationship to various forms of human conflict. The teachings of a variety of philosophers, historians, and observers of life will be compared to describe the origins and dynamics of conflict. The relationship of global conflict to personal conflict will be explored for common methods of analysis, decision-making, and resolution. Prerequisite: EN 200 or consent of instructor.

HUM 391, 293, 393

Humanities Internship

(2-5 credits)

Student works and learns under supervision in an approved internship with an agency, program, or institution. Application and integration of interdisciplinary knowledge, theory, and understanding. Prerequisites: Junior class standing, 2.8 GPA, consent of instructor and department chair. Pass/No Pass grade. (Generally, students need to plan schedules so as to spend a concentrated amount of time [at least six hours/week, preferably 10-15 weeks] in a semester or summer placement. [45 hours of consultation, travel, and internship activities = one credit.]) Must be prearranged one term in advance of placement.

HUM 410

Senior Humanities Seminar

(3 credits)

An exploration from a humanities perspective of personal, social, ethical, and religious issues related to selected disciplines in the student's liberal arts experience. Student produces a formal paper that 1) identifies an issue constant to the human condition and 2) examines that issue via synthesis through the lenses of at least three academic disciplines. Prerequisites: EN 200 and HUM 310 or consent of seminar director. Students who are required to take 200-level and 300-level Humanities series courses must complete those courses before entering HUM 410.

JOURNALISM

(Communications Major/Minor described on pages 63, 67.)

JL/COMM 115/315

Beacon Yearbook

(1 credit)

Class is comprised of the staff that produces the Beacon yearbook. Open to all students regardless of prior yearbook experience. Stipend given. Full year commitment encouraged. Course may be repeated. (Does not fulfill Core Studies Communications requirement.)

JL/COMM 125

Art and Literary Journal Production

(1 credit)

Class is comprised of the staff that produces the college art and literature journal, *Rocinante* spring semester. The emphasis of the course is on the process for producing a book. Students will learn basic In-Design skills, become acquainted with basic level copy-editing knowledge, understand the “parts” of a book, e.g., “front matter,” become exposed to design principles, take part in selection of art and literary pieces for the content of the journal and determine the sequencing of the chosen pieces, participate in negotiations with an outside printer for the journal and host a release party for the journal at the end of the spring semester. Open to all students regardless of prior desk-top publishing experience. COMM/JL 125/325 may be repeated to a maximum of 7 credits. (Does not fulfill Core Communications requirement.)

JL/COMM 210

Journalism Principles and Techniques

(3 credits)

(Alternate years 2010-2011)

Students in this course will practice the techniques of information gathering and writing in various journalistic styles (news stories, features, editorials/columns). Students will develop a variety of research and interviewing skills, as well as the ability for perceptive observation. Students will learn to write tightly, clearly, and colorfully,--and discern how to tailor their writing to different target audiences. Fulfills the elective for the Communication Core requirement and is required for the Communications major. Prerequisite: EN 101 or instructor consent.

JL/COMM 211

Copy Editing

(3 credits)

(Alternate years 2011-2012)

An overview of the editorial process and the basic tools and tasks of the copyeditor. Students will learn to edit print media for clarity, concision, accuracy, grammar and stylebook conventions, and will also become familiar with the basic design principles for newspapers, magazines, and newsletters. Prerequisite: COMM 210 or equivalent, or consent of instructor.

JL/COMM 325

Advanced Art and Literary Journal Production

(1 credit)

Class is comprised of the staff that produces the college art and literature journal, *Rocinante*. Open to all students regardless of prior desk-top publishing experience. Students registering for JL 325 will have served on the journal staff before or in a comparable position in another situation. Students registering for JL 325 will have leadership positions on the editorial staff. They will register for JL 325 fall semester and meet regularly with the advisor to prepare for spring semester production; they will be expected to register for JL 325 as well spring semester of that academic year. Students

registering for JL 125 will meet only spring semester at the time scheduled on the course listing. COMM/JL 125/325 may be repeated to a maximum of 7 credits. (Does not fulfill Core Studies Communications requirement.)

MATHEMATICS

MA 95

Intermediate Algebra

(3 credits)

This course covers concepts and skills of algebra including linear equations, functions, graphs, polynomials, factoring, rational expressions, radicals, and other topics.

Prerequisite: Two years of high school math, including one year of algebra and one year of geometry or two years of integrated math. This course is appropriate for students who do not yet feel prepared to take MA 111, College Algebra or another higher level math course. Does not fulfill Core Studies requirements for Math.

MA 104

Math Concepts and Applications

(3 credits)

A course devoted to topics for liberal arts students emphasizing problem-solving. Topics covered may be sets and set logic, series and sequences and their application, graph theory, geometry, mathematics of finance, probability and statistics, number theory, or decision theory. Three or four of these topics will be covered during a semester.

Prerequisite: A minimum of two years of high school math, including one year of algebra and one year of geometry or two years of integrated math. An appropriate course for students who are not required to take any other math for their majors.

MA 111

College Algebra

(3 credits)

College Algebra is a study of functions including linear and non-linear functions, inverse functions, and systems of equations. Graphing calculators are used to present topics and help solve problems throughout the course. Prerequisite: MA 195 or two years of algebra in high school or three years of integrated math in high school and a grade of A or B in the last math class taken. Credit cannot be earned for both MA 111 and MA 115.

MA 112

Trigonometric and Algebraic Concepts

(3 credits)

(As needed)

A study of the trigonometric functions, their inverses, graphs, and applications; analytic geometry including conic sections and polar coordinates. Graphing calculators are used to present topics and help solve problems throughout the course. Prerequisite: MA 111 or consent of instructor.

MA 115

Precalculus

(4 credits)

Precalculus is the study of functions: polynomial, rational, exponential, logarithmic, and trigonometric. Functions are examined through problem solving, graphing, and applications (with the aid of graphing calculators). Prerequisites: successful completion of at least two years of high school algebra or Intermediate Algebra. Prerequisite: MA 100 or two years of algebra in high school or three years of integrated math in high school and a grade of A or B in the last math class taken. Credit cannot be earned for both MA 111 and MA 115.

MA 205

Independent Study

(1-4 credits)

As needed, to meet requirements that cannot be satisfied by means of the regular offerings.

MA 211

Fundamentals of Elementary Mathematics

(3 credits)

A course for prospective elementary and middle school teachers with a focus on problem solving. Topics include the development of number systems, from whole numbers to real numbers. Other possible topics include geometry, measurement, statistics, and probability. Prerequisite: Two years of high school math (including one year of algebra and one year of geometry or two years of integrated math) or MA 95.

MA 241

Mathematics for Business and the Social Science

(3 credits)

(As needed)

An introduction to differential and integral calculus, this course is intuitive and the approach emphasizes applications. Although this is intended as a terminal course, the interested student may subsequently continue with the more rigorous and extensive MA 251, 252, and 253 sequence. Students may not receive credit for this course if they already have credit for MA 251. Prerequisite: MA 111 or the equivalent.

MA 251

Calculus I

(4 credits)

This course is an introduction to differential and integral calculus. Topics include limits and continuity, applications of the derivative, and the fundamental theorem of calculus. Graphing calculators are used to present topics and help solve problems throughout the course. Prerequisites: MA 111/112/115 or equivalent.

MA 252

Calculus II

(4 credits)

Topics include the application of integration, the calculus of exponential, logarithmic, trigonometric, and hyperbolic functions, integration techniques, improper integrals, polar coordinates, parametric forms, and infinite series. Prerequisite: MA 251.

MA 253

Calculus III

(4 credits)

(As needed)

This course includes topics in vector calculus such as lines, planes, and space curves in vector form, partial differentiation, multiple integration, and vector analysis. Prerequisite: MA 252.

MA 342

Statistical Methods

(3 credits)

An introductory course in descriptive and inferential statistics, including the practice of hypothesis testing, linear regression, and analysis of variance. Prerequisite: MA 95 or equivalent.

MISSIONS

(Minor described on page 84.)

MIS 240

Introducing Christian Missions

(3 credits)

(Alternate years 2010-2011)

This course is designed to provide an introduction to cross-cultural ministry. As such, biblical, theological, strategic, and cultural perspectives of Christian missions in the world will be addressed. Emphasis will be placed on the cross-cultural worker, missionary adjustment and other issues related to the task of cross-cultural ministry.

MIS 335

Discipleship in a Cross-Cultural Context

(3 credits)

(Alternate years 2010-2011)

A course aimed at developing leadership in the practice of person-to-person and corporate communication of the Gospel to the end that followers of Jesus Christ are secure and led in the process of becoming fully devoted disciples: thinking, acting, and relating in a Christian manner. Particular attention will be given to how this process is facilitated in a cross-cultural context. Prerequisite: Sophomore class standing.

MIS 410

Biblical Theology of Missions

(3 credits)

(Alternate years 2011-2012)

An examination of the biblical story as it appears in both Old and New Testaments with an intent to discover the undergirding missiological themes, concepts, principles, and mandates that define and shape the people of God and that propel them into obedient witness and service among the nations. The Christocentric nature of the missionary method, message, and task will be stressed. Prerequisite: Junior class standing.

MIS 450

Current Issues in Christian Missions

(3 credits)

(Alternate years 2011-2012)

An overview and exposure to various theological and biblical issues confronting the missionary enterprise of the church today. The focus of the course, however, will deal with the practical issues confronting the missionary as global citizen, church representative, and evangel of Christ. Topics such as social action versus evangelism, development, contextualization, globalization, and missionary recruitment, retention, and care will be addressed. Prerequisite: Junior class standing.

MUSIC

(Majors/Minor described on pages 71-76.)

MUS 100G

Class Guitar

(2 credits)

Techniques of guitar playing: chords, method, fingerpicking accompaniment, flatpicking style, and strumming rhythms. Elementary sight reading of music and guitar tablature, introduction to music theory for transposing, transcribing, and editing church music from piano/organ music to guitar music.

MUS 100P

Class Piano Level One

(2 credits)

Instruction in elementary sight reading, rhythm, fingering, and pedaling. Open both to majors with no keyboard experience and to non-majors. Available on a Pass/No Pass basis. Requires three hours per week of private practice.

MUS 100V**Class Voice****(2 credits)**

Techniques of singing: tone production, breathing, diction, performance skills, appropriate repertoire, and song interpretation, as well as sight reading skills.

MUS 101-104/201-204/301-304/401-404**Applied Music****(1 credit)**

Private lessons in respective areas of voice, keyboard, guitar, strings, wind, brass, or percussion instruments. Both music major and non-major students pay the college for the cost of academic credit and a fee for individual lessons. Performance in a Friday Arts program is expected, unless excused by applied instructor in writing. Stated level repertoire must be satisfied through jury evaluation before advancement to next level can be achieved. MUS 302 must be completed to satisfy requirements of all music majors, except Music Business and Music and Youth Ministries, which require successful completion of MUS 202.

MUS 110**Experiencing the Basics of Music****(2-3 credits)**

A hands-on introduction to the fundamental facts and skills of music, geared specifically to the non-major. Examination of rhythmic and pitch notation, and the ways in which they are combined to make music. Students will learn to read music, to listen to it for more understanding and pleasure, and to be familiar enough with the keyboard for basic note reading. No previous background required. Available on a Pass/No Pass basis.

MUS 114/314**Concert Choir****(1-2 credits)**

Study and performance of representative sacred and secular choral literature. Prerequisite: Audition and commitment to annual tour. Course may be repeated.

MUS 115/315**Wind Ensemble****(1-2 credits)**

Study and performance of representative concert band literature. Open to all students with previous instrumental experience. Prerequisites: Audition and commitment to annual tour and full-year participation. Course may be repeated.

MUS 116/316**Chamber Ensemble****(1 credit)**

Study and performance of representative chamber ensemble literature. Membership selection is based on the particular instruments needed to form ensembles and by audition. Course may be repeated.

MUS 117/317**Jazz Band****(1 credit)**

A performance ensemble for musicians wishing to develop their jazz playing and improvisation. Course may be repeated.

MUS 118/318**Warner Chorale****(1-2 credits)**

Select group of mixed voices chosen from membership of Concert Choir. Prepares and performs selected choral chamber literature and representative sacred ensemble literature. Performs 1-2 concerts per month for community organizations and churches, in addition to annual tour with Concert Choir. Prerequisite: Audition. Course may be repeated.

MUS 119/319**Vocal Jazz Ensemble****(1 credit)**

Study and performance of representative vocal jazz charts. Course may be repeated.

MUS 120/320**Warner Concert Chorale****(1 credit)**

Designed for adult learners and evening students, this course emphasizes the participation of students in a choral experience suitable for its membership. May combine with Concert Choir for performances of larger choral works. Course may be repeated.

MUS 121, 122**Theory****(3, 3 credits)**

Study, analysis, and application of the basic materials of Western music through seventh and secondary dominant chords. Includes introduction to counterpoint. Usually taken concurrently with MUS 121B, 122B.

MUS 121B, 122B**Aural Skills****(1, 1 credit)**

Development of aural acuity through sight singing and intervallic, melodic, rhythmic, and harmonic dictation. Meets twice weekly. Usually taken concurrently with MUS 121A, 122A.

MUS 205/305/405**Independent Study****(1-4 credits)**

Involves original research and writing on a topic or project agreed upon by the instructor and the student. A form for petition of Independent Study must be completed and approved by the instructor and Department Chair.

MUS 221, 222**Theory****(3, 3 credits)**

Continuation of MUS 122A Theory. Secondary dominant chords, sequence, extended chords, modulations, Neapolitan 6th, augmented 6th chords, and other chromatic chords are covered. Also includes study of modal polyphony and twentieth century compositional techniques. Usually taken concurrently with MUS 221B, 222B.

MUS 221B, 222B**Functional Keyboard Skills****(1, 1 credit)**

Development of a functional use of tonal harmony through keyboard applications. This class constitutes the final preparation for the required exam in keyboard proficiency required for every music major. Meets twice weekly. Usually taken concurrently with MUS 221A, 222A.

MUS 240**Introduction to Worship Arts Leadership****(2 credits)**

An introductory course to worship arts leadership for those interested in participation in music ministry and worship leadership, as well as a beginning course for students considering the Worship Arts Leadership major. Designed to be a practicum type of learning experience to prepare for congregational worship leadership, in addition to the study of the role of music in worship, worship resources, and consideration of appropriate music resources and techniques.

MUS 241**Introduction to Music Literature****(2 credits)**

Development of understanding and thoughtful enjoyment of music through the study of its elements, forms, and historical styles. Required of all music majors, but also may be taken by non-majors interested in gaining a broad appreciation for the art of music.

MUS 260/460**Jazz Improvisation****(2 credits)**

Introduction to improvisational techniques through ear training, rhythmic drills, scale studies, and chord progressions with application to tunes. Additional requirements for 460 level.

MUS 281**Woodwind Techniques****(1 credit)**

(Alternate years 2011-2012)

Basic techniques for teaching woodwind instruments in the schools.

MUS 282**Percussion Techniques****(1 credit)**

(Alternate years 2011-2012)

Basic techniques for teaching percussion instruments in the schools. Concentrated study on snare drum with an introduction to other members of the percussion family.

MUS 283**Vocal Techniques****(2 credits)**

Basic techniques for teaching vocal music in the schools. Concentration on methods of vocal development and suitable range, repertoire, and literature, from young child through adult.

MUS 284**Brass Techniques****(1 credit)**

(Alternate years 2010-2011)

Basic techniques for teaching brass instruments in the schools.

MUS 285**String Techniques****(1 credit)**

(Alternate years 2010-2011)

Basic techniques for teaching string instruments in the schools.

MUS 301C, 302C, 401C, 402C**Applied Music: Composition****(1 credit)**

Composing of original compositions for choral, instrumental, and/or mixed media. Both music major and non-major students pay the college for the cost of academic credit and a fee for individual lessons. Requires performance of at least one student composition in a Composers Forum. Prerequisite to MUS 301C: MUS 202V/I/P (voice, instrument, or piano).

MUS 322**Form and Analysis****(2 credits)**

(Alternate years 2011-2012)

Study of sectional forms including binary, ternary, theme and variation, sonata, rondo, and sonata-rondo forms as used in music of the 18th-19th centuries. The student demonstrates an active knowledge of these forms through the writing of a sonata in four movements. Prerequisite: Sophomore class standing.

MUS 330**Conducting Skills****(2 credits)**

Skill building in the basic techniques of conducting. Emphasis on gestures, rehearsal techniques, score reading and practical applications. Prerequisite: Sophomore class standing.

MUS 331**Choral Conducting****(2 credits)**

(Alternate years 2011-2012)

Study and experience in applying the basic principles of conducting to choral literature. Includes conducting experience with live ensembles. Prerequisite: MUS 330. Concert Choir membership desirable.

MUS 332**Instrumental Conducting****(2 credits)**

(Alternate years 2010-2011)

Study and experience in applying the basic principles of conducting to band and orchestral literature. Includes conducting experience with live ensembles and recorded music. Prerequisite: MUS 330. Wind Ensemble membership desirable.

MUS 341, 342**Music History****(3, 3 credits)**

An intensive study of Western music from its beginnings to the present day. Emphasis on the development of music history research techniques. Prerequisite: MUS 241.

MUS 383**Resources for Worship Arts Leadership****(3 credits)**

(Alternate years 2011-2012)

Study of methodology and survey of resources and materials for the total church worship program, including children's and youth choirs, adult choirs and ensembles, handbell, keyboard and instrumental programs. Prerequisite: Sophomore class standing.

MUS 384**Vocal and Choral Diction****(3 credits)**

(Alternate years 2010-2011)

Study of the rules for a practices of singer's vocal literature in the standard foreign languages of vocal Art Music (e.g., Italian, French and German, and Latin), as it is applicable in the repertoire of sacred vocal literature, particularly in the genres of oratorio and appropriate sacred solo repertoire. The course includes a review of the rules for English vocal diction. The IPA (International Phonetic Alphabet) is the basis for the diction principles for each language studied. Prerequisite: Sophomore class standing.

MUS 385**Pedagogy with Internship****(2 credits)**

(Alternate years 2010-2011)

A study of teaching methods and materials for the student preparing to teach in the private studio. Observation and practice teaching with supervision in the student's major instrument. Prerequisite: Attainment of at least the 200-level of competency on a major instrument.

MUS 395**Chapel Internship****(1 credit)**

Supervised field experience in Warner Pacific College chapel services. Prerequisites: Junior class standing and consent of instructor. Course may be repeated.

MUS 399**Recital****(1 credit)**

Public performance of at least 40 minutes of music (excluding applause, intermission, and other non-performance activity). Repertoire to be selected with aid and approval of applied instructor and to include literature in English, Italian, German and French for vocal majors. Prerequisite: Achievement of MUS 302 level of competency and jury approval one semester before recital date.

MUS 421**Scoring and Arranging****(3 credits)**

(Alternate years 2011-2012)

Techniques of arranging music for various vocal and choral combinations, and scoring music for small and large instrumental ensembles. Prerequisite: MUS 222A.

MUS 422**Twentieth and Twenty-first Century Compositional Techniques** **(2 credits)**

(Alternate years 2011-2012)

Analysis of significant 20th and 21st-century musical works and composition using various techniques including parallelism, whole tone and pentatonic scales, synthetic scales, serialism, and electronic music. Prerequisite: MUS 222A.

MUS/PM/REL 441**History, Theology and Philosophy of Worship****(2 credits)**

(Alternate years 2011-2012)

Uncovering the development of Christian worship from Jewish and early Christian origins and tracing its varied expressions across the centuries. Apprehending the basic elements of historic Christian worship. Prerequisite: Junior class standing.

MUS/PM/REL 442**Planning and Leading Worship****(2 credits)**

(Alternate years 2011-2012)

Applying the elements of historic Christian worship to today's church and cultural context. Developing pastoral skills in planning and leading services of the ordinances of the Church: weddings, communion, funerals. Moving toward an informed, mature perspective regarding "traditional" and "contemporary" worship styles. Prerequisite: MUS/PM/REL 441, or consent of instructor.

MUS 495

Internship in Worship Arts Leadership

(1 credit)

Supervised field experience in approved church worship programs with seminar sessions. Prerequisites: Junior class standing and consent of instructor. Course may be repeated.

MUS 499

Senior Recital

(1 credit)

Public performance at least 60 but no more than 75 minutes of music (excluding applause, intermission, and other non-performance activity). Repertoire to be selected with aid and approval of applied instructor and to include literature in English, Italian, German and French for vocal majors. Prerequisite: Achievement of MUS 402 level of competency and jury approval one semester before recital date.

PASTORAL MINISTRIES

PM 345

Proclaiming God's Word

(3 credits)

(Alternate years)

A laboratory course providing methods and introductory techniques of sermon preparation. A variety of sermon construction types will be studied and students will have opportunity to preach with student and instructor evaluation. Prerequisite: Sophomore class standing.

PM/URB 410

Urban Ministry

(3 credits)

The role of ministry in the urban context, through both church-based and para-ecclesiological organizations, is examined sociologically with the purpose of understanding the city and how the church can engage in ministry relevant to society. Topics such as multicultural ministry, an urban audit, ministry to diverse population groups, the role of the Internet in ministry, and the church as a social service agency, are some of the topics addressed. Prerequisite: URB 140 or consent of the instructor.

PM/URB 440

Field Research for Ministry

(3 credits)

This course will guide clergy professionals in developing the capacity to utilize information and research skills in the practice of pastoral ministry, including congregational studies, systems analysis, program evaluation, structured organizational experiments, surveys, focus group research, participant observer methods and community assessments. Students will gain an understanding of the principles of the research process, ethical concerns in research, and the elements of research design as applied to the practical issues of leading a congregation, planting a church or directing a faith-based organization. As principles and methods are learned they will be applied to the students individual context through the review of relevant action-research materials, reflection and discussion.

PM/REL/MUS 441

History, Theology and Philosophy of Worship

(2 credits)

(Alternate years 2011-2012)

Uncovering the development of Christian worship from Jewish and early Christian origins and tracing its varied expressions across the centuries. Apprehending the basic elements of historic Christian worship. Prerequisite: Junior class standing.

PM/REL/MUS 442**Planning and Leadership Worship****(2 credits)**

(Alternate years 2011-2012)

Applying the elements of historic Christian worship to today's church and cultural context. Developing pastoral skills in planning and leading services of the ordinances of the Church: weddings, communion, funerals. Moving toward an informed, mature perspective regarding "traditional" and "contemporary" worship styles. Prerequisite: PM/REL/MUS 441, or consent of instructor.

PM/URB 480**Christ and the City****(3 credits)**

This seminar analyzes the sociological relationship of the life and ministry of Christ to the urban context of today. It examines the biblical, sociological, historical, economic, and cultural factors of urban ministry within a human development framework for the formation of a "theology of the city". The purpose of the seminar is to enable students to develop their own theological foundation for urban ministry. This is a "theology from below," arising from an understanding of the city and God's presence in the same. The course includes a field research project. Prerequisite: URB 140 or consent of the instructor. Recommended: SOC 365/REL 360

PM 510**Urban Ministry****(3 credits)**

(Alternate years 2011-2012)

The role of ministry in the urban context, through both church-based and para-ecclesiological organizations, is examined sociologically with the purpose of understanding the city and how the church can engage in ministry relevant to society. Topics such as multicultural ministry, an urban audit, ministry to diverse population groups, the role of the Internet in ministry, and the church as a social service agency, are some of the topics addressed.

PM 511**Christian Leadership****(3 credits)**

(Alternate years)

An overview and exposure to leadership theories and styles with particular attention given to leadership in the Church. This is a capstone course for majors.

PM 535**Evangelism and Discipleship****(3 credits)**

(Alternate years 2010-2011)

A course aimed at developing leadership in the practice of person-to-person and corporate communication of the Gospel to the end that followers of Jesus Christ are secured and led in the process of becoming fully devoted disciples: thinking, acting and relating in a Christian manner.

PM/REL 541**History, Theology and Philosophy of Worship****(2 credits)**

(Alternate years 2011-2012)

Uncovering the development of Christian worship from Jewish and early Christian origins and tracing its varied expressions across the centuries. Apprehending the basic elements of historic Christian worship.

PM/REL 542

Planning and Leadership Worship

(2 credits)

(Alternate years 2011-2012)

Applying the elements of historic Christian worship to today's church and cultural context. Developing pastoral skills in planning and leading services of the ordinances of the Church: weddings, communion, funerals. Moving toward an informed, mature perspective regarding "traditional" and "contemporary" worship styles. Prerequisite: PM/ REL/MUS 441/541, or consent of instructor.

PM 545

Presenting God's Word

(3 credits)

(Alternate years 2011-2012)

A laboratory course providing methods and introductory techniques of sermon preparation. A variety of sermon construction types will be studied and students will have opportunity to preach with student and instructor evaluation.

PM 580

Christ and the City

(3 credits)

This seminar analyzes the sociological relationship of the life and ministry of Christ to the urban context of today. It examines the biblical, sociological, historical, economic, and cultural factors of urban ministry within a human development framework for the formation of a "theology of the city". The purpose of the seminar is to enable students to develop their own theological foundation for urban ministry. This is a "theology from below," arising from an understanding of the city and God's presence in the same. The course includes a field research project.

PHILOSOPHY

(Minor described on page 68.)

PHIL 201

Introduction to Philosophy

(3 credits)

Introduces the beginning student to the vocabulary and practice of philosophy and is designed to clarify the social responsibility of thinking carefully and creatively. Classic and contemporary texts are used to illustrate and support the historical movement of thought and the relation of philosophy to other fields of study.

PHIL 211

Introduction to Logic

(3 credits)

(Alternate years 2011-2012)

The course introduces students to formal methods for distinguishing acceptable arguments from poor ones. Through learning skills of reasoning the course aims to improve the student's ability to think clearly and to appreciate the complexity of language. Prerequisite: EN 200.

PHIL 300

Ethics

(3 credits)

Introduces students to the ethical works of central figures in the Western tradition. The approach is to read these texts as responses to specific human concerns, problems and questions. The course will relate these responses to the disciplines of philosophy, theology and certain social sciences. Prerequisite: Sophomore class standing.

PHIL 350

History of Western Philosophy

(3 credits)

(Alternate years 2010-2011)

The course surveys the significant figures, movements and ideas of Western Philosophy within its cultural contexts. Beginning with three major Greek philosophers the course then looks at strands of Christian influence in late antiquity and the medieval period, attends to the influence of the Renaissance and the major philosophers of modernity. The course concludes by considering the philosophical seeds of postmodernity in significant figures in the nineteenth century. Prerequisite: EN 200.

PHIL 379

Major Philosophers

(3 credits)

Intensive study of the writings of a major philosopher, giving attention to the historical setting within which the individual worked and his/her significance for contemporary thought, including multi-disciplinary influence. Philosophers studied are determined year to year by faculty with student input. Prerequisite: PHIL 201 or 300, or consent of the instructor.

PHIL/URB 495

Wisdom: Its Acquisition and Practice

(3 credits)

This course is a capstone course and is the culminating course in the Urban Studies Program. It is a seminar on ethics and how to create a more ethical society through an understanding of wisdom. The course seeks to understand wisdom: what it is, its origins, how it is acquired, and how it is practiced. Its purpose is to provide students with a biblical, historical, psychological, ethical, cultural, practical, sociological, spiral, and spiritual framework for the emergence of wisdom, thereby empowering students to become ethical change agents in today's global urban economy. The course has a research/ reflective component on the nature of wisdom, ethical behavior, and life choices. Students will be asked to develop a personal ethical covenant for wise living. Prerequisite: Junior class standing.

PHYSICAL SCIENCE

(Major/Minor described on page 80.)

PHS 101

Introduction to Physical Science

(4 credits)

(As needed)

An introduction to the principles of physics, chemistry, and earth sciences. This course is specifically designed for non-science majors who want to fulfill Core Studies requirements. Lecture and laboratory. Prerequisite: Core studies mathematics requirement. Lab fee required.

PHS 105

Introduction to Environmental Science

(4 credits)

(Summer Semester)

A general introduction to the basic concepts of physics, inorganic and organic chemistry, and ecology. These are analyzed with respect to the environment that surrounds human society and its activities. The developments of new chemical products, old and new sources of energy are also discussed as an important aspect of socio-economic well being of humanity. Lecture and laboratory. Lab fee required.

PHS 111, 112

Introduction to Chemistry

(4, 4 credits)

(As needed)

PHS 111 will examine the elements of general chemistry. Basic atomic theory will be developed and applied to the study of chemical reactions. Systems of gases, liquids, solids and solutions will be a focus. Applications will include acid-base chemistry, electrochemistry, chemical equilibrium and reaction kinetics. PHS 112 will move to the study of organic and biochemistry. This chemistry course will be especially useful to persons planning a career in nursing or other health-allied fields. Lecture and laboratory. Prerequisite: MA 100 or concurrent enrollment in a mathematics course. Lab fee required.

PHS 205

Independent Study

(1-4 credits)

Independent Study involving original research and writing in an area agreed upon by the professor and the student. Consent of the instructor is required for Independent Study. A special study petition must be completed before consent is granted.

PHS 211

General Chemistry I

(4 credits)

Chemistry of the elements and their compounds: atomic structure, bonding, and stoichiometry. Lecture and laboratory. Prerequisite: MA 111 or equivalent.

PHS 212

General Chemistry II

(4 credits)

Chemistry of the elements and their compounds: solutions, kinetics, equilibrium, electrochemistry, carbon compounds, and radioactivity. Lecture and laboratory. Prerequisite: PHS 211. Lab fee required.

PHS 221

General Physics I

(4 credits)

(Alternate years 2011-2012)

A comprehensive physics course emphasizing problems from classical physics. This will include a discussion of mechanics. The course will be presented without the use of calculus; however, a calculus background will be to the student's advantage. Lecture and laboratory. Prerequisite: MA 111 or equivalent. Lab fee required.

PHS 222

General Physics II

(4 credits)

(Alternate years 2011-2012)

A comprehensive physics course emphasizing problems from classical physics. This will include a discussion of thermal physics, wave motion, optics, electricity and magnetism. An introduction to atomic physics, nuclear physics, quantum theory and relativity will also be included. The course will be presented without the use of calculus; however, a calculus background will be to the student's advantage. Lecture and laboratory. Prerequisite: PHS 221. Lab fee required.

PHS 230

Geology

(4 credits)

(Alternate years 2011-2012)

An introduction to the principles of historical and physical geology as observed in land forms, fossils, rocks, minerals, and the chemical and physical processes that produce and alter them. Lecture and laboratory. Lab fee required.

PHS 301**Organic Chemistry I****(4 credits)**

(Alternate years 2010-2011)

Topics include the structure, bonding and reactivity of organic compounds with special emphasis given to the mechanisms of organic chemistry. Lecture and laboratory.

Prerequisite: PHS 211, 212. Lab fee required.

PHS 302**Organic Chemistry II****(4 credits)**

(Alternate years 2010-2011)

Topics include organic spectroscopic techniques as well as the structure, bonding and reactivity of alcohols, amines, and carbonyl compounds. The laboratory includes the synthesis, purification and identification of such compounds. Lecture and laboratory.

Prerequisite: PHS 301. Lab fee required.

PHS 310**Elements of Physical Chemistry****(3 credits)**

(As needed)

Examines the three traditional areas of physical chemistry. First, modern thermodynamics is developed from “first principles.” Second, transport processes and kinetics are examined. Third, quantum chemistry is developed and applied to simple chemical systems. Finally, these ideas are tied together with a discussion of statistical thermochemistry. Lecture and laboratory. Prerequisites: PHS 211, 212. Lab fee required.

PHS 321**Analytical Chemistry****(4 credits)**

(As needed)

Current analytical techniques are examined. Lectures are strongly tied to laboratory techniques involving quantitative chemical analysis. Traditional “wet” chemical techniques as well as the theory and practice of modern instrumental methods are examined. Lecture and laboratory. Prerequisites: PHS 211, 212. Lab fee required.

PHS 405**Independent Study****(1-4 credits)**

Independent Study involving original research and writing in an area agreed upon by the professor and the student. Consent of the instructor and Junior class standing. A special study petition must be completed before consent is granted.

PHS 412, 413**Biochemistry****(4, 4 credits)**

(As needed)

PHS 412 and 413 examine the structure and function of proteins, carbohydrates and lipids. Enzyme kinetics and structure are studied and metabolic pathways are examined. Lecture and laboratory. Prerequisite: PHS 301, 302. Lab fee required.

PHS/URB 450**Urban Resources and Sustainability****(3 credits)**

This is a senior seminar on how to create the “green city”, through sustainable urban development that move cities from centers of excess and waste to models of environmental stewardship. Successful models of 21st urban planning for alternate forms of energy development will be examined for urban socienvironmental change. Prerequisite: Junior class standing.

PHS 491

Senior Thesis I

(2 credits)

Original research, thesis completion, and oral presentation of selected topic chosen in consultation with major advisor. Prerequisite: Senior standing and consent of science faculty advisor. Offered as Pass/No Pass only.

PHS 492

Senior Thesis II

(2 credits)

Original research, thesis completion, and oral presentation of selected topic chosen in consultation with major advisor. Prerequisite: Senior standing and consent of science faculty advisor. Offered as Pass/No Pass only.

POLITICAL SCIENCE

(Minor described on page 92.)

PS 140

American Government

(3 credits)

A consideration of key concepts and terms in the study of politics and applications of those to the study of American institutions and issues of government.

PS/BUS 201

Introduction to Law and Constitution

(2 credits)

An introduction to the historical and political context of major U.S. Supreme Court decisions. Attention will be given to the shared responsibilities of the legislative, executive and judicial branches of government in the areas of commerce, taxing and spending, contracts, criminal justice, freedom of expression, religion, privacy and equal protection of laws.

PS/BUS 301

Introduction to Law

(2 credits)

Philosophy and nature of law in general, sources of law, functions of courts and attorneys, structure of state and federal court systems, law of torts, crimes, governmental regulations and property rights. Prerequisite: BUS/PS 201 or consent of instructor.

PS 315

Government in States and Communities

(3 credits)

(Alternate years 2010-2011)

A course concentrating on the varieties of government and politics in states and communities. Emphasis is upon government and politics in Oregon. The course is required for students seeking to complete an Oregon Social Studies Education Certificate. Prerequisite: Sophomore class standing; PS 140 recommended.

PS/SOC 345

Social Problems and Public Policy

(3 credits)

This course acquaints students with social problems such as poverty, crime, drug abuse and family break-up, and the public policies devised by the federal government to remedy the problems. Unique solutions utilized by state and local communities will also be emphasized. The justice and equity of these on individuals and groups will be explored. Prerequisite: SOC 140.

PS/SOC/SS 355

International Relations

(3 credits)

(Alternate years 2010-2011)

A comprehensive survey of the development and practice of international relations and diplomacy during the preceding four centuries. Students will apply the resulting concepts and principles to contemporary problems and overarching issues now facing the United States in the international community. Prerequisite: PS 140 or PSY 140/141 or SOC 140 or consent of instructor.

PS 450

American Government Studies

(3-15 credits)

(As needed)

PSYCHOLOGY

(Majors/Minor described on pages 88-93.)

PSY 140

General Psychology

(3 credits)

An introductory course in psychology involving the study of human behavior, psychological issues, and experimental concepts with implications for the general conduct of life. Specific areas of focus will include the following: critical thinking, learning, memory, cognition, language, intelligence, personality, motivation, emotions, social psychology, stress and health.

PSY 141

General Psychology

(3 credits)

An introductory course in psychology involving the study of human behavior, psychological issues, and experimental concepts with implications for the biological basis of behavior. Specific areas of focus will include the following: critical thinking, neuroscience, genetics, sensation, perception, states of consciousness, personality, psychological disorders, therapy, stress and health.

NOTE: Either PSY 140 or 141 satisfies the general education requirement in psychology. Both courses are recommended, and one is required as prerequisite to all upper division Psychology and Human Development coursework.

PSY 214

Introduction to Abnormal Psychology

(3 credits)

(Summer Semester)

A video course designed to introduce students to the issues, controversies, clinical descriptions and treatment strategies for maladaptive behavioral patterns. This course will not satisfy a major requirement calling for an abnormal psychology course. May be used as an elective credit in a major, minor, or Core Studies.

PSY 291, 292, 293

Sophomore Internship

(2 credits)

Placement available in a wide variety of social welfare agencies. Involves three hours per week, per credit, of social agency experience during the 15-week semester, other brief assignments relevant to the human services field, and a weekly on-campus supervisory seminar. Must be pre-arranged one term in advance of placement. Prerequisites: PSY 140/141 and consent of instructor.

PSY/BIO 300

Neuroscience and Behavior

(4 credits)

(Alternate years 2010-2011)

An introduction to the biological basis of the mind. Such an introduction plays a significant role in the liberal arts curriculum as a natural bridge between the humanities and the natural sciences. The course explores the relationship between brain structure, brain function, and human behavior. The study is a multi-disciplinary presentation drawing information from anatomy, physiology, biochemistry, neuropharmacology, pathology of the nervous system, physiological psychology, and philosophy. The central focus is the development of a study of human behavior based on the function of the human brain. Laboratory course. Prerequisite: BIO 221 or consent of instructor.

PSY 314

Abnormal Psychology

(3 credits)

A study of the development, progress, and treatment of the abnormal behavior patterns. Emphasis is on theory and research relating to the development of these patterns. Prerequisite: PSY 140/141.

PSY/BUS 321

Organizational Behavior and Design

(3 credits)

A study of the effectiveness of organizations as related to their structural characteristics (missions, technology, environment, form) and behavioral influences (leadership style, job characteristics, performance goals, work groups, and individual dispositions). SELF course. Prerequisite: Junior class standing or consent of instructor.

PSY 391, 392, 393

Junior Internship

(2-6 credits)

Field work under professional supervision in a social agency, program or institution. Application and integration of knowledge, theory, and understanding; development of skills common to human service professionals. Involves three hours per week, per credit, of social agency experience during the 15-week semester, other brief assignments relevant to the human services field, and a weekly on-campus supervisory seminar. May be repeated to a cumulative maximum of 20 credits for this and other social work/psychology placements/internships. Must be prearranged one term in advance of placement. Prerequisites: PSY 140/141 and consent of instructor.

PSY 401

History and Systems of Psychology

(3 credits)

(Alternate years 2011-2012)

A concentrated study of psychology's past, a past that is firmly grounded in the intellectual history of western civilization. This course assumes a historical perspective that focuses on the intellectual development of western civilization and the emergence of psychology as an independent, recognized scientific enterprise. Prerequisite: PSY 140/141.

PSY 402

Personality Theory

(3 credits)

(Alternate years 2011-2012)

This course will survey many of the major theories and theorists in the study of personality. Attention will be given to personal, spiritual, and social applications. Prerequisite: PSY 140/141.

PSY/REL 411

Psychology of Religion

(3 credits)

The psychological approach to defining religion. An effort to review secular and sacred definitions of human life in order to identify the human experience of the divine and the idea of holiness. Prerequisite: PSY 140/141 or consent of instructor.

PSY 416

Education and Psychological Testing and Assessment

(3 credits)

(Alternate years 2010-2011)

This course is designed to introduce the student to the field of educational and psychological testing and assessment. Students will gain knowledge in test construction and appropriate usage. An understanding of the different facets of assessment (personality, intellectual, behavioral, and learning) will be gained. Students will conduct a comprehensive educational and psychological evaluation using volunteer subjects. Students will administer devices, interpret the data, write a summative assessment evaluation of the assessment, and bring that summation to the client. Prerequisites: PSY 140/141, MA 342, Junior class standing.

PSY 430

Counseling

(3 credits)

A study of the various theoretical approaches to counseling. An emphasis is upon the counseling process, establishing and maintaining the counseling relationship, use of diagnosis, testing, referral, and other counseling tasks. Prerequisite: PSY 140/141.

PSY 491, 492, 493

Senior Internship

TH/REL 510

Christian Ethics

(3 credits)

This course will take the student through the ethical reflection of Christian thinkers throughout the history of the church. It will focus on primary documents. The course will introduce the student to key theological concepts and the Christian ethic that flows from major theological positions. The course will then develop the Wesleyan Ethic of social action. Each student will be required to complete a civic project that demonstrates the social responsibility of the Christian in society. Practical applications will be addressed with an emphasis on life and death issues such as abortion and euthanasia.

TH 520

Biblical Theology

(4 credits)

This course begins the Theological Series for the student. The class will reexamine scripture to discern theological claims. A doctrine of God and Humanity will be the theological focus of this course. The course will evaluate existing theologies using biblical resources. A personal theology using biblical resources will be constructed.

TH 521/522

Historical Theology

(2, 2 credits)

These courses will review the major periods in Church History for development of theological ideas and doctrine. The doctrine related to Christology, Soteriology, and the Atonement will be developed. The student will be expected to compare a personal theological tradition to the Wesleyan and Anabaptist traditions. The student will construct a personal theological narrative that reflects an awareness of historical development

TH 523

Moral Theology

(4 credits)

The biblical and historical foundations of the previous courses will be used to develop the appropriate moral knowledge and action of the Christian. A comparison of one's own tradition with the Wesleyan and Anabaptist heritage will be offered. A biblical, historical and theological understanding of love will be developed. The student will be expected to activate Christian love into a practical setting of Social Concern.

TH 555

Christian Theologians

(3 credits)

(Alternate years 2011-2012)

A study of persons as well as theological movements and developments that have made significant theological contributions to the thought and practice of the Christian Church. This class may be taken more than once if the topic differs.

URBAN STUDIES

(Major and Minor described on pages 90, 93.)

URB 140

Introduction to the City

(3 credits)

This is an introduction to the discipline of Urban Studies, the study of the city and urban life. It acquaints the student with an understanding of the nature of the city. In this course the city is the “textbook” and students will spend much of the time in on-site field visits exploring the various aspects of urban life.

URB/FA 235

The City and the Arts

(3 credits)

In what way is the city “a theater of social action”, as Lewis Mumford declared it to be? This course examines the role of the arts and cultural expression in the development of urban culture. Students will explore the role of formal and informal theater, music, dance, including mime in the shaping of the city, with the City of Portland as a case study.
Prerequisite: URB 140.

URB/EN 245/345

Urban Literature

(3 credits)

This introductory literature course is an exploration of the city in fiction, poetry, and essay. It focuses primarily on American literature, on both the majority and minority experience of the city, including Hispanic, African American, Asian American, and Native American literature, though some non-American pieces will offer contrasts. Themes of community, isolation, diversity, utopia, and dystopia will be examined in print and film. What is and is not “the city” in its modern American conceptualization? The modern metropolis, its complex representations, and its diverse cultures will be of special interest to Business, Social Science, and Education students. The course meets the TSPC requirements for multi-cultural awareness. Prerequisite: EN 101; may be taken concurrently. 300 level by consent of instructor; upper division credit available for students who complete a major project. Satisfies the Core Studies requirement for Humanities elective in literature.

URB/SOC 255

Sociology of Compassion and Altruism

(3 credits)

Seminar in theory and application in creating a more caring society, through an understanding of compassion and altruism, as an antidote to a divided world, and what motivates people to action. The seminar has a service component where students spend time in the field doing voluntary work applying the principles and philosophy of service and compassion.

URB 311

Introduction to Urban Planning

(3 credits)

An interdisciplinary perspective on planning theories, principles, and practice. Focuses on the planning process, particularly at the local level. Explores the political, economic, social, and legal forces that influence the planning function and the roles of planners. Changing concepts in practice are also considered. May be taken at PSU as USP 311 for 2.68 semester credits. Recommended prerequisite: upper-division standing.

URB 312

Urban Housing and Development

(3 credits)

Problems of housing, development, and redevelopment in an urban setting are analyzed from economic, demographic, and planning perspectives. Introduction to the nature of the urban economy and residential location, with a focus on housing problems and their

associated social, physical, and racial aspects. Role of federal and community-based housing policies and programs. May be taken at PSU as USP 312 for 2.68 semester credits. Recommended prerequisite: USP 311.

URB/CM 320

Faith-Based Economic Development

(3 credits)

This course examines models of economic development by faith-based groups in an urban context. In particular the course focuses on how churches are serving their respective communities as catalytic agents of economic change. The course addresses the sociological, economic, and theological dimensions of community development. Prerequisite: URB 140.

URB 330

Urban Youth Culture

(3 credits)

This course is a study youth in an urban environment, and the influence that the various media, institutions including the church, the Internet, popular culture, and social forces have on youth as “digital natives” and their identity formation. The course provides a social analysis of the institution of adolescence; the role of industry and its influence on the development of youth culture both in its urban and suburban/rural expressions. Biblical foundations for youth ministry, including the values, attitudes, norms and rituals of sub-cultures within the urban youth culture will be examined. Prerequisite: URB 140.

URB/ED/SOC 354

Sociology of Urban Education

(3 credits)

This course examines the urban environment as the context for understanding education and the teaching culturally diverse students in city schools. It examines the history of urban education and the sociology of education in the city as a complex organization. Issues of multicultural education, school violence, language diversity, will be examined through a human developmental framework for analyzing urban institutions, racism and intercultural understanding. Prerequisite: URB 140.

URB/SOC 360

Urban Sociology

(3 credits)

This course focuses on the socio-historic development of cities and how urbanites “experience” the city in both in the United States and in the Two-Thirds World. It explores the process of urbanization and urbanism and their impact on interpersonal social life. Methodologies of studying the city will be examined. The course will devote time to a discussion of the cities of the 21st century. Prerequisite: URB 140.

URB/HIS 370

History of the American City

(3 credits)

Traces the evolution of urban centers from the colonial period to the present. Focuses on the developing systems of cities, on growth within cities, and on the social formations that have grown up within and around urban centers. Particular attention is given to the industrial and modern eras, the history of Portland, and living in cities of the future. Prerequisite: Sophomore class standing.

URB/SOC 375

Community Sociology

(3 credits)

This course examines the nature of community in an urban context, as well as the sociological principles and concepts used in the study and analysis of the community. The social, economic, religious, and political issues and challenges faced in fostering

and maintaining community spirit and organizations are also addressed. The course draws from a human development model, with its focus on operational value systems, as well as on levels of consciousness to understand the substrate of the spiral forces that shape urban communities. The course has a research component to examine the role of community organizations in addressing the needs of urban neighborhoods. Prerequisite: URB 140.

URB 380

Urban Theory

(3 credits)

This course examines the various theoretical frameworks for analyzing urbanism, urbanization, human behavior in urban settings, and the structure and formation of cities. The course critically examines the various theoretical approaches to study of the city, including: the Chicago and Los Angeles Schools of Thought, the New Urbanism, as well as Integral Theory. Prerequisite: URB 140.

URB/SOC 390

Poverty in the Urban Context

(3 credits)

This course addresses the root causes of poverty in all its social and spiritual dimensions. The meaning of powerlessness will be examined along with theoretical and practical steps for the elimination of poverty, and the cultural and political factors that inhibit its eradication. The course will study poverty as a global urban and rural phenomenon. It is designed to grapple with theological issues related to poverty and development. The student will explore various theoretical debates on poverty, ethics of development, liberation theologies and evangelical reflection on social action to understand assumptions about poverty. The course will explore case studies for transforming poverty in less developed countries. Prerequisite: URB 140.

URB/REL/SOC 395

Sociology of Urban Religion

(3 credits)

This course addresses the nature of religion in the city from a sociological perspective. It acquaints the student with an understanding of religion as a social phenomenon and its function in the world as both accommodation and protest. It discusses the ways human beings organize their societies around a religious framework to create a semblance of order, meaning and continuity, and to cope with social change. The course explores the dynamics of secularization, conversion, and the growing interest in spirituality in society today. It utilizes a comparative, human development approach to study diverse cultural value systems and their approach to the sacred in society, and how these approaches find an institutional expression. Prerequisite: URB 140.

URB/SS 403

Grant Writing & Fundraising for Faith-Based Programs

(3 credits)

This focus of this course is to consider the nature and role of grant writing and fundraising within the context of urban faith-based programs, non-profit organizations, or churches. Special consideration is given to strategic planning, budget preparedness, grant prospects, the letter of inquiry, and grant proposal artisanship. Students will write one actual grant and will conduct one mission-driven presentation on/for a faith-based program or non-profit organization within the urban Portland area. Students will give their presentation to their chosen organization/program for future promotions.

URB 405

Community Organizing

(3 credits)

This course will guide students in developing the ability to analyze the past, present and future of a given organization or community, including how the political, economic and value-setting systems respectively affect that organization, community or city. Students will gain an understanding of the principles of community organizing as a way to mobilize the community or organization for self-determination and empowerment. Principle learnings of the course will be underscored through theological and biblical reflection. As principles are learned they will be applied to the students own context through role-playing, individual meetings, thought provoking discussion, inductive Bible study and several papers. Prerequisite: URB 140.

URB/PM 410

Urban Ministry

(3 credits)

The role of ministry in the urban context, through both church-based and para-ecclesiological organizations, is examined sociologically with the purpose of understanding the city and how the church can engage in ministry relevant to society. Topics such as multicultural ministry, an urban audit, ministry to diverse population groups, the role of the Internet in ministry, and the church as a social service agency, are some of the topics addressed. Prerequisite: URB 140 or consent of the instructor.

URB/EC 420

Microeconomic Development

(3 credits)

This course introduces students to the microeconomic principles of development in urban communities; in other words, job creation. It discusses how key assumptions of the standard economics discourse don't always hold for neighborhoods at an economic tipping-point. It utilizes a systematic method of analyzing the role of community organizations in the economic turn-around of neighborhoods, and how economic principles interplay with social forces to shape the development experience. Prerequisite: URB 140.

URB 430

Urban Studies Research Methods

(3 credits)

This course introduces students to social research in urban studies. It deals with hypothesis development, research design, and approaches to the measurement of urban phenomena. It also treats the application of quantitative data analysis to typical problems in urban studies and planning. May be taken at PSU as USP 430 for 2.68 semester credits. Prerequisite: Junior class standing.

URB/PM 440

Field Research for Ministry

(3 credits)

This course will guide clergy professionals in developing the capacity to utilize information and research skills in the practice of pastoral ministry, including congregational studies, systems analysis, program evaluation, structured organizational experiments, surveys, focus group research, participant observer methods and community assessments. Students will gain an understanding of the principles of the research process, ethical concerns in research, and the elements of research design as applied to the practical issues of leading a congregation, planting a church or directing a faith-based organization. As principles and methods are learned they will be applied to the students individual context through the review of relevant action-research materials, reflection and discussion. Prerequisite: Junior class standing.

URB 445

Cities and Third World Development

(3 credits)

Critical survey of historical, economic, cultural, political, and urban aspects of Third World development, starting with the colonial era. Historical patterns of integration of the Third World with the emerging world market system. Covers problems of the post-independence period, focusing on urban sectoral issues and policy alternatives. Specific topics include trade, investment, industrialization, finance, technology transfer, political participation, land use, housing, transportation, information infrastructure, population growth, social services, militarism, and cultural conflict. May be taken at PSU as USP 445 for 2.68 semester credits. Prerequisite: Junior class standing.

URB/PHS 450

Urban Resources and Sustainability

(3 credits)

This is a senior seminar on how to create the “green city”, through sustainable urban development that move cities from centers of excess and waste to models of environmental stewardship. Successful models of 21st urban planning for alternate forms of energy development will be examined for urban socienvironmental change. Prerequisite: Junior class standing.

URB/PM 480

Christ and the City

(3 credits)

This seminar analyzes the sociological relationship of the life and ministry of Christ to the urban context of today. It examines the biblical, sociological, historical, economic, and cultural factors of urban ministry within a human development framework for the formation of a “theology of the city”. The purpose of the seminar is to enable students to develop their own theological foundation for urban ministry. This is a “theology from below,” arising from an understanding of the city and God’s presence in the same. The course includes a field research project. Prerequisite: URB 140 or consent of the instructor. Recommended: SOC 365/REL 360

URB/PHIL 495

Wisdom: Its Acquisition and Practice

(3 credits)

This course is a capstone course and is the culminating course in the Urban Studies Program. It is a seminar on ethics and how to create a more ethical society through an understanding of wisdom. The course seeks to understand wisdom: what it is, its origins, how it is acquired, and how it is practiced. Its purpose is to provide students with a biblical, historical, psychological, ethical, cultural, practical, sociological, spiral, and spiritual framework for the emergence of wisdom, thereby empowering students to become ethical change agents in today’s global urban economy. The course has a research/ reflective component on the nature of wisdom, ethical behavior, and life choices. Students will be asked to develop a personal ethical covenant for wise living. Prerequisite: Junior class standing.

AFROTC PROGRAM

Under a cooperative agreement with the University of Portland, Warner Pacific College students may participate in the Air Force Reserve Officers Training Corps (AFROTC) program offered on the University of Portland campus. The purpose of the program, which is administered by the Aerospace Studies faculty at the University of Portland, is to select and train students to serve as officers in the United States Air Force. FROTC is available to qualified men and women on a competitive basis.

Scholarships are available in two, three or four-year lengths to qualified students. In-college scholarship selection boards are held in March and July of each academic year. The applicant must be attending college fulltime to be considered. Interested students should contact the AFROTC Program Counselor several months in advance to obtain nomination materials. Additional scholarships, including a Pre-Health scholarship for medical school, are also available. More information can be found on-line at www.up.edu/afrotc, email rotc695@up.edu or call (503) 943-7216.

ACADEMIC SUPPORT CENTER

The Academic Support Center provides a wide range of assistance for students. These services include tutorial help (math, writing and other subjects as academic assistants have expertise), study/thinking skills instruction, group study sessions led by academic assistants, and tutorial courses focusing on reading or research.

Academic assistants are peer tutors who excel as students and who are trained in current pedagogical strategies. Their goal in working with students is to help them achieve independence in writing, thinking and studying. These assistants work under the supervision of the Academic Support Center Director.

For students seeking more thorough instruction in study skills and critical thinking, Warner Pacific offers a three-credit Critical Thinking and Study Skills course (CLS 110).

ADULT DEGREE PROGRAM

Traditionally, a college education is available only to those who have the time and resources to spend several years away from work and often away from home in order to pursue college studies. The Adult Degree Program (ADP) offers a distinctive alternative to a traditional college format. It is specifically designed for adult learners who:

1. Have significant professional or volunteer work experience.
2. Desire to take classes at times that allow employment or other activities during the day.
3. Have responsibilities that may require a non-traditional approach to continuing their education.

Through its Adult Degree Program, Warner Pacific College serves the needs of adult learners by helping them assess personal values, expand interpersonal skills, and enhance professional competencies. Instructional strategies are based on adult learning theory and honor the experience returning adults bring to the learning environment.

Learners who complete the program cohort study and meet all other college requirements (including possible coursework outside the cohort study) may one of the following degrees:

- Associate of Arts in Organizational Dynamics
- Bachelor of Accounting, with a second major in Business Administration
- Bachelor of Business Administration
- Bachelor of Health Care Administration
- Bachelor of Science Degree in Human Development
- Master of Arts in Teaching
- Master of Education
- Master of Science in Accounting
- Master of Science in Management and Organizational Leadership

With the completion of additional Social Science courses, ADP students majoring in Human Development may be eligible for the Family Life Educator Certificate through Warner Pacific's National Council for Family Relations (NCFR) accredited program.

Degree programs are currently being offered in six locations in the Portland area, with the potential of new sites opening in the coming months. Classes are also offered in Vancouver, Washington. Warner Pacific College is authorized by the Washington Higher Education Coordinating Board (NECB) and meets the requirements and minimum educational standards established for degree-granting institutions under the Degree-Granting Institutions Act. This authorization is subject to periodic review and authorizes Warner Pacific College to offer the following degree programs: Associate of Arts in Organizational Dynamics; Bachelor of Business Administration; Bachelor of Science in Human Development; and Master of Science in Management and Organizational Leadership. Authorization by the HECB does not carry with it an endorsement by the board of the institution or its programs. Any person desiring information about the requirements of the act or the applicability of those requirements to the institution may contact the NECB at P.O. Box 43430, Olympia, WA 98504-3430.

Complete details about the ADP including admission requirements, curriculum, financial aid, etc. can be found in the ADP Bulletin. Contact the ADP at 503-517-1550 or ADP@warnerpacific.edu for more information.

CERTIFICATE PROGRAMS

Several certificated training opportunities are available to students who do not wish to pursue a full degree program. Students may elect to complete either a credit-bearing **Certificate of Mastery** or a non-credit bearing **Certificate of Training**. The courses required for the two programs are the same; students will be required to meet the established participation requirements for their level of enrollment to be eligible to earn the program certificate.

CERTIFICATE OF MASTERY (COM)

- Students must apply for admission to the college (including submission of high school and/or college transcripts as appropriate) and meet all course prerequisites within the program.
- Students will be expected to complete all course requirements (and meet course objectives) as detailed in the course syllabus.
- Students will earn regular college credit for the courses completed.
- All course requirements for the COM must be completed in residence at WP.

- ❑ Each course within the COM program must be completed with a minimum grade of “C-“.
- ❑ Students must earn a COM program GPA of at least 2.75.
- ❑ Upon completion of the program requirements, students will receive a Certificate of Mastery, which will be posted to the official WPC transcript record.
- ❑ Credits earned may be counted as electives toward WPC degree requirements. Students who wish to pursue a major or minor in the area of an already-completed COM program will agree that the certificate will be revoked when the completed courses are applied toward the major or minor requirements.
- ❑ Tuition in the COM program will be the same as that charged of students in the degree-seeking program.
- ❑ Students may elect to change from the COM program (Credit status) to the Certificate of Training (COT) program (Audit status) no later than the last day to withdraw for the course. Any applicable refunds will be calculated based on the regular refund schedule for the course. Once a decision has been made to move from the COM to the COT program, the decision cannot be revoked.
- ❑ Requirements for the COM must be completed within five years of beginning the program.

CERTIFICATE OF TRAINING (COT)

- ❑ Students must complete a non-degree seeking application for admission to the college.
- ❑ All courses for the COT must be taken in residence at WP.
- ❑ Students will register with audit status for the courses within the COT program.
- ❑ Students must attend at least 75% of class sessions to receive audit credit that applies toward the COT.
- ❑ Students will attend and participate in class lectures, discussions and activities, but will not be expected to complete exams, out-of class assignments or projects required of students taking the class for college credit.
- ❑ COT students may complete out of class assignments if they choose, but should not expect the instructor to grade their work. Under no circumstances will a student registered with audit status receive a letter grade for the course.
- ❑ A combination of audit and college credits may be applied toward completion of the COT.
- ❑ Students may elect to change from Audit to Credit status no later than the last day to add the course. Additional charges will be applied.
- ❑ Upon completion of the program coursework, students will receive a Certificate of Training. The COT will not be posted on the student’s official WP transcript record.
- ❑ Requirements for the COT must be completed within five years of beginning the program.
- ❑ Students will be charged a reduced tuition rate within the COT program.

CERTIFICATE IN FAMILY LIFE EDUCATION

Warner Pacific College offers the opportunity for students majoring in Human Development and Family Studies to receive certification in Family Life Education with the National Council on Family Relations (NCFR). This nationally acknowledged certification provides recognition to those who want to help individuals and families learn skills for leading productive and satisfying lives.

**POST-BACCALAUREATE FAMILY LIFE EDUCATION
CERTIFICATE STUDENTS**

Students who have already earned a baccalaureate degree, but wish to pursue certification with National Council on Family Relations' Certificate in Family Life Education

through Warner Pacific College, will be academically evaluated on an individual basis in reference to the total number of credits earned. This will be flexible, based on the student's undergraduate work and the degree attained.

CERTIFICATE IN CHRISTIAN URBAN PRACTICE

The Urban Studies Program at Warner Pacific College offers a certificate in Christian Urban Practice geared toward parish pastors who desire additional training in how to engage the city. It is designed to empower pastors with an understanding of the city and the practice of ministry in an urban context. The program is in conversation with Portland State University to create a partnership that will be reciprocal in nature. Courses below marked with an asterisk * are Portland State University courses to be taken at PSU. PSU is on the quarter system, however, thus their 4-credit courses are the equivalent of 2.68 semester credit hours at WPC.

Major Competencies and Outcomes

Students who complete the Certificate in Christian Urban Practice (the COM track) are expected to demonstrate at the end of their program the following competencies and outcomes. These will be measured in the URB/PHIL 495 Wisdom—Its Acquisition and Practice capstone course.

1. Certificate recipients will demonstrate an understanding of what constitutes “the city” in all its dimensions and its role in the development of human societies.
2. Certificate recipients will develop an “urban mindset” which will prepare them psychologically, sociological, and spiritually for engaging the city in whatever urban context, culture, and country they may find themselves.
3. Certificate recipients will comprehend in a practical manner the role and mission of the church, and how to be salt, light, and leaven in their respective communities.
4. Certificate recipients will learn methods of researching the city, analyzing data, and develop skills in doing urban ethnographies.

5. Certificate recipients will critically evaluate the role of faith-based efforts as catalysts for urban transformation through the development of an urban theology.
6. Certificate recipients will experience first-hand engagement in social service actions in meeting the various needs of diverse urban communities.
7. Certificate recipients will identify and explore practical examples of micro-economic initiatives and how to economically revitalize “dying” communities.
8. Certificate recipients will comprehend and analyze the complexities of national origin, ethnic, gender, sexual orientation, disabilities, and cultural relations in urban contexts and how these social divides challenge the mission of faith-based institutions in their efforts to reduce discrimination and manifest equity and inclusiveness in all their programs and practices.
9. Certificate recipients will develop an ethical framework empowered by wisdom that results in the application of the knowledge and experience gained in the program through the best practices for the widest common good, emanating from cognitive humility—the realization that one does not know everything.
10. Certificate recipients will be empowered to dynamically advance the vision, values, and mission of Warner Pacific College, as an urban Christian campus, in its role of being a catalyst for change in the City of Portland and beyond.

EARLY CHILDHOOD EDUCATION: TEACHING AND WORKING WITH FAMILIES OF YOUNG CHILDREN

Warner Pacific College offers two paths to becoming a teacher of young children.

FAMILY WORK/NON-LICENSED PRE-KINDERGARTEN TEACHING OPTION

A graduate with a Human Development Family Studies major and an Early Childhood minor is well prepared to be a teacher of young children and to work with families. Graduates may assume teaching roles in programs that do not require an Oregon teaching license. Graduates who apply to the Oregon Early Childhood Professional Development Registry meet Level IV requirements.

EARLY CHILDHOOD LICENSURE OPTION

A graduate with a major in Early Childhood and Elementary Education who is admitted to the Teacher Education Program and meets the Early Childhood Authorization requirements is licensed to teach children in Oregon public schools age three through grade four. Students completing the Elementary Authorization at the same time are licensed to teach through the 8th grade.

LABORATORY PRESCHOOL

The Early Learning Center laboratory school is an on-campus practicum site of the Education Department. The center provides a developmentally appropriate preschool opportunity for young children in the community between the ages of three and five. Early Childhood/Elementary majors or those in the Family Studies program seeking an Early Childhood minor may fulfill practicum hours in the laboratory center. The curriculum focuses on child development, developmentally appropriate curriculum for children from three to eight years; positive guidance techniques; classroom management; the role of the teacher in curriculum planning and setting up environments; working with parents; and family dynamics. Students observe and work under the supervision of a master teacher and a faculty center director.

OFF-CAMPUS STUDY (OCS) PROGRAMS

Warner Pacific offers several opportunities for off-campus study through a partnership with the Council for Christian Colleges and Universities (CCCU).

APPLICATION ELIGIBILITY

- Minimum of one semester full-time attendance at WPC before application to OCS
- Proof of a cumulative GPA of 3.2
- FAFSA/waiver on file in WPC Financial Aid Office (if applicable)
- Junior (either term) or senior class standing (first term only) during OCS term

APPLICATION PROCESS

All students interested in any off-campus study program need to complete the WPC OCS Process before applying to an off-campus study program. The WPC OCS Process consists of the following:

1. Forms: Completion and submission of the following forms to the Multicultural Services Office by the January 15th deadline:
 - WPC OCS Standards Form
 - WPC OCS Application Form
 - WPC OCS Faculty/Advisor Reference Form
 - WPC OCS Pre-Application Checklist Form
2. Interview: All applicants will be interviewed by the WPC OCS Selection Committee
3. Selection: Successful applicants will be notified of their eligibility to apply directly to their target OCS Programs with ample time to meet the individual application deadlines of their selected OCS Programs
 - Currently, a maximum of four (4) students per academic year are selected by the WPC OCS Selection Committee to represent WPC at Off-Campus Study Programs. These four students are eligible to have their WPC financial aid applied to the costs of their off-campus study term.
 - Students who participate in an OCS Program without being selected need to check with the Financial Aid Office as there is no guarantee of any WPC financial aid for the off-campus study term.

Contact the Multicultural Services Office for information and forms about the WPC OCS Process.

CCCU OFF-CAMPUS STUDY SEMESTER PROGRAMS

The CCCU, an association of more than 100 institutions in the U.S. and Canada, offers the following semester and summer programs to students of its member institutions. The programs offer a unique opportunity for students to make the world their classroom, going beyond the confines of the traditional learning environment. These interdisciplinary learning opportunities are available to upper class students. For further information, contact either the WPC OCS Program Coordinator in the Multicultural Services Office or the CCCU at:

American Studies Program (ASP)

Founded in 1976, the American Studies Program has served hundreds of students from member institutions as a “Washington, D.C. campus.” ASP uses Washington as a stimulating educational laboratory where collegians gain hands-on experience with an internship in their chosen field. Internships are tailored to fit the student’s talents and aspirations and are available in a wide range of fields. They also explore pressing national and international issues in public policy seminars, which are issue-oriented, interdisciplinary and led by ASP faculty and Washington professionals. ASP bridges classroom and marketplace, combining biblical reflection, policy analysis and real-world experience. Students are exposed to on-the-job learning that helps them build for their future and gain perspective on the calling of God for their lives. They are challenged in a rigorous course of study to discover for themselves the meaning of Christ’s lordship in putting their beliefs into practice. The aim of the program is to help Council schools prepare their students to live faithfully in contemporary society as followers of Christ. Students earn 16 semester credits.

Australia Studies Centre - (ASC)

ASC students broaden their horizons through the application of classroom learning to the realities they confront in this intense, cross-cultural experience. The program is housed at the Wesley Institute for Ministry and Arts in Sydney where students participate in service opportunities and humanitarian projects among marginalized communities. Students will be able to examine issues facing Oceania and see how God is working among the peoples and cultures of the region and see firsthand how such realities affect average Australians through personal interaction with their Christian host families during the semester. Travel through Australia’s mysterious Outback will present a concentrated observation of the challenge and change within Australian society in an experiential course specially designed for CCCU students. Students earn 16 semester credits.

China Studies Program (CSP)

The China Studies Program enables students to engage this large and intriguing country from the inside. While living in, and experiencing Chinese civilization firsthand, students participate in seminar courses on the historical, cultural, religious, geographical and economic realities of this strategic and populous nation. In addition to the study of standard Chinese, students are given opportunities such as assisting Chinese students learning English or working in an orphanage, allowing for one-on-one interaction. The program introduces students to the diversity of China, including Hong Kong, Beijing, Shanghai, Xi’an and Xiamen. This interdisciplinary, cross-cultural program enables students to deal with this increasingly important part of the world in an informed, Christ-centered way. Students earn 15-17 semester credits.

Contemporary Music Program (CMP)

The Contemporary Music Program provides students the opportunity to live and work in community while seeking to understand how God will have them integrate music, faith and business. Both interdisciplinary and multi-disciplinary in nature, the CMP offers two tracks: the Artist Track and the Executive Track. The Artist Track is tailored to students considering careers as vocalists, musicians, songwriters, recording artists, performers, producers and recording engineers. The Executive Track is designed for business, arts management, marketing, communications and other majors interested in possible

careers as artist managers, agents, record company executives, music publishers, concert promoters and entertainment industry entrepreneurs. Both Artist and Executive track students receive instruction, experience and a uniquely Christian perspective on creativity and the marketplace, while working together to create and market a recording of original music. Both tracks include course work, labs, directed study and a practicum. Students earn 16 semester credits.

Latin American Studies Program (LASP)

Students of CCCU colleges have the opportunity to live and learn in Latin America through the Latin American Studies Program, based in San Jose, Costa Rica. The program introduces students to as wide a range of experiences through the study of the language, literature, culture, politics, history, economics, ecology and religion of the region. Living with a Costa Rican family, students experience and become a part of the day-to-day lives of typical Latin Americans. Students also take part in a service opportunity and travel for three weeks to nearby Central American nations. Students participate in one of four concentrations: Latin American Studies (offered both fall and spring terms); Advanced Language and Literature (limited to Spanish majors and offered both fall and spring terms); International Business and Management (offered only in fall terms); and Tropical Sciences (offered only during spring terms). Students in all concentrations earn 16 semester credits.

Los Angeles Film Studies Center (LAFSC)

The Los Angeles Film Studies Center is designed to train students of Council institutions to serve in various aspects of the film industry with both professional skill and Christian integrity. Students live, learn and work in the LA area near major studios. The curriculum consists of two required seminars focusing on the role of film in culture and the relationship of faith to work in this very influential industry. In addition, students choose two elective courses from a variety of offerings in film studies. Internships in various segments of the film industry provide students with hands-on experience. The combination of the internship and seminars allow students to explore the film industry within a Christian context and from a liberal arts perspective. Students earn 16 semester credits.

Middle East Studies Program (MESP)

This program, based in Cairo, Egypt, allows Council students to explore and interact with the complex and strategic world of the modern Middle East. The interdisciplinary seminars give students the opportunity to explore the diverse religious, social, cultural and political traditions of Middle Eastern people. In addition to seminars, students study the Arabic language and work as volunteers with various organizations in Cairo. Through travel to Israel, Palestine, Jordan, Syria and Turkey, students are exposed to the diversity and dynamism of the region. MESP encourages and equips students to relate to the Muslim world in an informed, constructive and Christ-centered manner at a time of tension and change. Students earn 16 semester credits.

Russian Studies Program (RSP)

RSP students are exposed to the depth and diversity of the culture during a semester spent in Russia's three largest cities: Moscow, St. Petersburg and Nizhni Novgorod. In addition to three seminar courses entitled History and Sociology of Religion in Russia; Russian Peoples, Cultures and Literature; and Russia in Transition, students receive instruction in the Russian language, choosing either four or six semester credits of language coursework. For those choosing four credits of Russian, a seminar course, International

Relations and Business in Russia, is available. RSP strives to give students as wide an experience as possible in this complex nation, beginning with time in Moscow, the heart of both medieval and modern Russia. Students then spend 12 weeks in Nizhni Novgorod, a strategic city on the Volga River. After six weeks of language instruction, students live with a Russian family for the remainder of their stay in this city. Students also participate in a service opportunity in Nizhni Novgorod. The program concludes with time in the complex and intriguing city of St. Petersburg, the Russian “window to the West.” Students earn 16 semester credits.

The Scholars’ Semester in Oxford (SSO)

The SSO is designed for students interested in doing intensive scholarship in this historic seat of learning. Working with academic tutors, students hone their skills and delve into the areas that interest them most. As Visiting Students of Oxford University and members of Wycliffe Hall, students have the privilege to study and learn in one of the university’s historic halls. SSO students enroll in a Primary and a Secondary Tutorial, an Integrative Seminar and are required to attend two series of lectures. The SSO is designed for students interested in the fields of Theology, Biblical Studies, Education, Science, re-Med, Psychology, Business and the Humanities. Applicants are generally honors and other very high-achieving students. Students earn 17 semester credits.

Uganda Studies Program (USP)

The USP program is housed at the Uganda Christian University near Kamapala, the capital city of Uganda, also known as the Pearl of Africa, home to a society that is a crossroads of Christianity, Islam, and African traditional religions. Students will have the opportunity to witness firsthand the emergence of this modern, African society considered to be a model of reform as they travel among, live with and serve the people affected by those challenges. Students will have ample opportunities to walk alongside local Christian students and faculty as together they seek biblical responses to Africa’s complex realities and live in the homes of Ugandan Christians, personally observing how faith and life connect in Uganda. Students earn 16 semester credits.

Washington Journalism Center (WJC)

The Washington Journalism Center (WJC) is a semester-long study program in Washington, DC created for students interested in the field of journalism. While in Washington, students will take classes focusing on the history and future of the media and how it relates to the public as well as on their personal writing skills. These classes - Foundations for Media Involvement, Reporting in Washington, and Washington News and Public Discourse - combined with an internship at a top news publication, will help students learn to integrate their faith in a journalism career. Students will also participate in service learning opportunities as well as live with families in home stays as part of the WJC experience. Students earn 16 semester credits.

Oxford Summer Programme (OSP)

The Oxford Summer Programme (OSP) is a program of the Council for Christian Colleges and Universities and Wycliffe Hall, Oxford. The program is designed for students wishing to gain a more comprehensive understanding of the relationship between Christianity and the development of the West and who wish to do specialized work under expert Oxford academics in the areas of History, Religious Studies, Political Theory, Philosophy, English, and History of Science. The Programme is structured for rising college sophomores, juniors, and seniors, graduate and seminary students, non-traditional students, teachers, and those enrolled in continuing-education programs.

OTTO F. LINN LIBRARY

The Otto F. Linn Library, supports the liberal arts focused curriculum of the College. In addition to our own collection of books, periodicals, videos, DVDs, and CDs, students have access to the shared resources of the Orbis Cascade Alliance; approximately 28,000,000 items. In addition, interlibrary loan provides world-wide access to research materials. Utilizing WorldCat Local, a search for most resources is possible in a single search.

The Library's web pages provide access to electronic databases, over 19,000 full-text journals, electronic guides and Internet links. Internet access is available through wireless connection and data ports for personally owned lap top computers. An exceptional staff provides service and instruction in the Library as well as within classrooms across campus.

The Library is named for a former faculty member, Bible scholar and academic dean of the college from 1942-1955.

TEACHER EDUCATION PROGRAM

Teacher Education at Warner Pacific College provides a Christian liberal arts education along with preparation in a teaching specialty. Faculty members will assist and guide the student to attain each individual's educational career goals.

The Teacher Education Program is approved by the Oregon Teacher Standards and Practices Commission. Warner Pacific graduates have established an excellent reputation in the education community and are employed both nationally and internationally. The Teacher Education Handbook guides students who are preparing for a career in education. This handbook is on-line.

ADMISSION TO THE TEACHER EDUCATION PROGRAM

Admission to the Teacher Education program is not automatic. It requires a formal application and approval procedure, including the following:

1. Completion of at least 45 semester credits with a GPA of 2.75 before applying.
2. Successful completion of ED 250 with a grade of "C-" or better.
3. Documentation of passing CBEST or TSPC Basic Skills equivalent.
4. Recommendations from three Warner faculty members and one from an off-campus source.
5. Personal Narrative.
6. A personal interview conducted by a Teacher Education Interview Committee, which serves as the final step to program acceptance.

TEACHER LICENSURE

Teacher Education students at Warner Pacific can pursue state licensure for teaching in the following areas:

Authorizations:

- Early Childhood (Pre-K - Grade 4)
- Elementary Education (Grades 3-8)
- Middle Level (Grades 5-10)
- High School (Grades 7-12)

Endorsements:

- Biology
- Language Arts
- Basic Mathematics
- Advanced Mathematics
- Music
- Physical Education /Health
- Reading
- Social Studies

POST-BACCALAUREATE TEACHER EDUCATION STUDENTS

Students who have already completed a Bachelor's Degree and are considering teaching as a career may qualify for one of the above teaching licenses by completing a minimum of three semesters of resident study at Warner Pacific, including the student teaching semester (36 semester credits minimum). Post-baccalaureate students applying for middle level/high licensure may elect to pursue a second major in Middle/High School Education. After a careful analysis and comparison of the student's transcripts with the Warner Pacific College approved program, a plan of study is developed.

TESTING REQUIRED FOR PROGRAM COMPLETION

In Oregon, a system of multiple measures is used to determine the status of "program completer." One component of this system requires the candidate to pass both a basic skills test and a battery of subject matter tests. For basic skills testing the educator may choose to take the California Basic Educational Skills Test (CBEST) or the PRAXIS I: Pre-Professional Skills Tests (PPST). Authorizations in early childhood, elementary and middle level teaching require passing scores on the Oregon Educator Licensure Assessments. The ORELA is comprised of two sub tests. Each test has a multiple choice format and a constructed response format, that assess knowledge in (subtest I) language arts, social science, the arts, (subtest II) mathematics, science, health and physical education. Secondary educators must pass the approved Oregon state licensure tests in their specific subject matter. Generally, there are two or three tests in each subject matter endorsement area in some combination of multiple choice and constructed response formats. Candidates must also pass the Civil Rights and Equity in the Educational Environment Examination. The tests must be passed before beginning Student Teaching II.

COMPLIANCE INFORMATION

The following statistical information is provided in compliance with the Higher Education Amendments of 1998:

Test Pass Rates

Because the passage of basic skills and subject matter tests is required for program completion in Oregon, the state pass rate is 100%. Individuals who do not pass the required tests are not considered to be program completers and are not eligible for Initial Teaching Licenses. Warner Pacific College is not classified as a low-performing institution.

Program Information

During the 2008-2009 academic year, 60 students were enrolled in the Teacher Education program. A minimum of 600 hours (40 hours per week for 15 weeks) was required to complete supervised practice teaching; the student to faculty ratio in supervised practice teaching was 4.6:1.
