

EDUCATION RECORDS POLICY STATEMENT

Warner Pacific College considers the following items to be student directory information and may be released to anyone upon request: name, campus email address, date of birth, photograph, status as full-time or part-time, major field of study, participation in recognized activities and sports, dates of attendance, degrees and awards received, educational institutions previously attended, hometown and current city of residence. The height and weight of student athletes may be released for appropriate purposes.

Currently enrolled students may withhold disclosure of the above directory information under the Family Educational Rights and Privacy Act of 1974. Written notification of such request must be received in the Records Office prior to the first day of class each semester.

Warner Pacific College assumes that failure on the part of any student to specifically request the withholding of directory information indicates individual approval for disclosure.
