Name: Brooke Larkins
Major: Music Business
Year in school: Freshman

-Post graduation plans? I'm thinking about recording engineering or music production.

-How have you grown as a musician? I've been challenged to become familiar with the technical side of music. I've really been honing my skills.

-What do you learn beyond music? Among other things, I've learned the importance of practice and spending time on things that are important, the importance of punctuality (if you're on time, you're late), and the importance of creativity.

-Favorite thing about the department? It feels like a family of music lovers. Everyone is always so supportive of each other.

-One word to describe the department: Family
