

Student Evaluation of Social Work Field Practicum

Student Name: _____ Graduation Year: _____

Field Agency: _____ Field Instructor: _____

Social Work Supervisor (if different from Field Instructor): _____

Student feedback is a **vital** part of our field program. We are committed to seeking and maintaining quality, diversified field placements. This information will be used by the Director of Field Education to inform decisions related to social work field implementation. Cumulative data will be shared with field instructors and social work faculty. Specific student information will be kept confidential. This communication is solely to be used to improve and maintain quality in the BSW internship program. Thank you so much for giving us your feedback.

I. Using following scale, please circle the number that best describes your Social Work Practicum experience:

1=Rarely 2=Seldom 3=Sometimes 4=Often 5=Consistently 6=N/A
