

Dear Band Director,

Greetings from Warner Pacific University! We invite you to attend our Annual Middle School Jazz and Concert Band Festival, which will be held on **Friday, February 22, 2019**. Our festival is unique in that participating schools perform as a jazz band as well as concert band, and then the combined score determines placing in the festival. If directors are interested in bringing a concert band OR jazz band, but not both, a waiting list will be formed and open slots filled starting in January. The format will include thirty minutes in the warm-up room, thirty minutes on stage for concert performance, and thirty minutes on stage for jazz performance (separate performance stage). Participating schools will receive a CD recording of their performances before they leave.

I am proud to announce that our adjudicators for this year's event will be Chuck Bolton, Jeremy Zander and Dan Davey.

The fee for this event will be **\$275 for applications received postmarked by Friday, Dec. 3, \$300 for those received by Jan. 12**. When writing out checks, please make them payable to “**Warner Pacific University Wind Ensemble**”. As space is limited, we will accept bands on a first-come first-serve basis, so be sure to return your application promptly. Time preference for each band will be based on the order in which the applications are received. Please look at the attached blank schedule and mark at least **five**, time slot preferences you prefer on the attached form.

We take pride in running an effective band festival, with a positive atmosphere, quality judges, and well-organized agenda. We appreciate your commitment to the arts and would encourage your participation in this event. The Warner Wind Ensemble values the experience of this event and is a hardworking and willing team in helping to run and organize the festival. Feel free to email or call me with any questions or concerns you may have. We hope that you will be able to attend our event this year and that we will hear from you soon!

Sincerely,

Gene Burton

Percussion set up: Our set-up is timpani to director's right and mallets/chimes to directors left with bass drum in the middle. Our preference is to not move these pieces if at all possible (as it is very time-consuming). If you feel that it is pertinent that you be able to use a different set-up, please sketch your preference on back of sheet. We also have a Steinway grand piano available to the director's back left of stage. This is available upon request, but can be slightly rotated but not moved out of position on stage.
