

Noteworthy Internships, Jobs, and More! (11/2)

The Career Center is pleased to assist you in finding a job. Below are job postings sent directly to the College. While most of the employment opportunities are with well-known/well-respected companies who are friends of the College, some are employers who found us through a variety of ways. The Career Center has not vetted all the opportunities below. You should do your due diligence to verify the integrity, surety, and trustworthiness of any employer before submitting any personal information.

This is a part-time volunteer position, averaging 10-15 hours/week for the summer with the option of extending the experience into the school year. The intern will work remotely with periodic in-person meetings in the Portland/Happy Valley area. The position reports to and will be mentored by the Director of Anti-Sex Trafficking Initiatives. The intern will assist in all aspects of grant research and writing. Start as early as May. Email

application and questions to Adrienne Livingston at a.livingston@worldventure.com. **Optional:** Submit video entry briefly answering who you are, why you are interested in this position, what you desire to learn and one fun fact about you.

El Programa Hispano – Employment and Economic Opportunity Program

El Programa Hispano's Employment & Economic Opportunity Program is currently seeking to enroll clients who are interested in working with a career coach in our Community Economic Opportunity Project. This program provides culturally specific support services for career track training and skill development in Oregon's job growth industries. Clients will receive one-on-one support from a career coach to identify and develop career pathways that best fits their needs and abilities and develop a step-by-step plan towards that career goal.

We assist in eliminating barriers to successfully gaining career-track employment by connecting long term, relationship based career coaching services with work-ready skill development support services, vocational training, and community resources. El Programa Hispano provides culturally specific support services and were located in East County. All of our services are free of cost and confidential.

For additional information or if interested in the program please contact Mayra Paez, Bilingual Career Coach. 333 SE 223rd Ave., Suite 100, Gresham, Oregon 97030, 503.933.5445 (Cell)|503.666.7487 (fax), mpaez@elprograma.org|www.elprograma.org

Political Affairs Internship + Writer Internship - The Borgen Project

The Borgen Project is an innovative, national campaign that works with US leaders to improve their response to the global poverty crisis. They have several internship and volunteer opportunities. The political affairs internship is part time 14 hours per week that lasts for 3 months. The selected candidates would have the opportunity to meet with members of congress in your state and district as well as represent The Borgen Project at various business, political, and community events. The writer internship is a 12-week part time internship. The selected candidate will be able to work for home and pick their own schedule but must meet weekly deadlines. For more information, contact Lynsey Alexander at outreach@borgenproject.org.

Energy Efficiency Intern

The Oregon Department of Energy's College Internship Program is designed to give students the opportunity to gain practical experience working in a state agency. Their agency focuses on a sustainable energy future – from renewables to resiliency to cutting-edge innovations. They are now accepting internship applications from students in accredited degree

programs who have completed at least their freshman year in an Associate or Bachelor's degree program, as well as students enrolled in graduate school. For more information about the internship, contact Rebecca Wilson, Recruitment Analyst, at Rebecca.A.Wilson@oregon.gov or call (503) 373-7655.
