Failure to read this handbook does not excuse a student from the requirements, regulations, and consequences described herein.

This handbook supersedes all previous handbooks. The Squire is written and issued by the Warner Pacific University Student Life department. It is the University’s official notification of its standards of conduct, policies, and procedures for all traditional and Professional and Graduate Studies students. In areas where the Squire conflicts with the PGS Bulletin, PGS students should follow the PGS Bulletin. Warner Pacific University reserves the right to change any of these standards of conduct, policies, or procedures. The Squire is neither a contract nor a commitment of a particular result in a particular circumstance. The University reserves the discretion to consider each situation on a case-by-case basis.

TAGLINE AND MOTTO
Flourish
“Where faith and scholarship lead to service.”

EMBRACING PARADOX
We encourage interdisciplinary learning and invite honest questioning through a foundation of faith. As a result, faculty members have created a core curriculum rooted in the notion of paradox that challenges students to engage with life’s most difficult questions.

The Warner Pacific University experience additionally offers:

- **Small classes:** Our 12-to-1 student-to-faculty ratio translates into the individualized attention and intellectual interaction that meaningful scholarship requires. Close academic relationships between faculty and students often result in customized internships and independent study courses, both of which are enhanced by the resources of the greater Portland area, where a multitude of cultural and employment opportunities await.

- **Options:** Undergraduates can choose from 25 majors and 29 minors, and students pursuing a graduate education can enroll in our innovative 4.5 Masters of Arts in Teaching program where you can earn your undergraduate and graduate degree in less time combined. The Professional and Graduate Studies Division offers four graduate degrees, in the classroom or online.

- **Ongoing education:** For nearly 30 years, our distinctive Professional Graduate Studies (PGS) program has offered adult learners a convenient and pragmatic degree completion program that is built around their individual needs.

ACADEMIC AFFAIRS

The goals of academic life at Warner Pacific University are to foster individual growth and development in all aspects of students’ lives, to prepare students for the challenges of life within and beyond college, and to encourage the building of a learning community.

The primary focus for students is to become active participants in the learning process. This requires students to be faithful in class attendance, to come prepared, to turn work in on time, and most importantly, to ask meaningful questions of themselves, their classmates, and their faculty. Students are responsible FOR what they are learning and TO those with whom they are learning.

Course selection should be made in consultation with your academic advisor. The University catalog is the main resource to use in planning your progress toward graduation as it outlines degree requirements and University policies. It is important for a student to track progress toward graduation each semester and to make sure all appropriate paperwork is filed with the Records Office in a timely manner. Many departments and programs have handy checklists that make tracking easy.

The University Catalog is available on the University website – www.warnerpacific.edu/academics/registrar. Printed copies may be viewed at the Office of the Registrar. Students are responsible for meeting requirements in the catalog in effect the year they entered the University. The primary responsibility for meeting academic requirements for graduation lies with the student.

ACADEMIC INTEGRITY

If students and faculty are to build a learning community, it is essential that students present their own work in their classes. The following situations constitute a breach in academic integrity and are strictly prohibited:

Giving unauthorized information to another student or receiving unauthorized information from another student or source during any type of examination or test.

1. Obtaining or providing without authorization, questions or answers relating to any examination or test prior to the time of the examination or test.

2. Asking or arranging for another person to take an examination or test in one’s place; asking or arranging for another person to sign an attendance sheet in one’s absence.

3. Plagiarism, defined as taking ideas, words, or substantive paraphrasing of another and offering them as one’s own, without acknowledging the source.

Examples include, but are not limited to, the following:

Submission of a written work (either in part or in whole) completed by another; failure to give credit in footnote for ideas, statements, facts, or conclusions that rightfully belong to another; failure to use quotation marks when quoting directly from another; close and lengthy paraphrasing of another’s writing.

Violation of these standards will be reported to the Dean of the Faculty. In addition, possible actions that may be taken by a faculty member who suspects a student of academic dishonesty (after counseling with the student in order to determine the student’s awareness of the problem) are listed below:

An oral reprimand; counseling with the student with the aim of making the student aware of the gravity of the offense and preventing future occurrences.
1. A requirement that the work be repeated or a substitute examination is taken.

2. Assignment of a failing grade or a reduction of the grade earned on the specific work in question.

3. A reduction of the course grade.

4. Recommendation that the student be suspended or expelled from the University.

If a satisfactory resolution is not reached after these actions have been taken, either faculty or student may refer the matter to the Academic Policies Committee for resolution, which will address the issue using the regularly established procedures for academic appeals. The Registrar’s Office (Betty Astin, 503-517-1013, bastin@warnerpacific.edu) is the contact point for such appeals to the committee.

If either faculty or student is not satisfied with the action of the Academic Policies Committee, in conformity with the standard procedure, an appeal may be made to the Dean of the Faculty.

Though these policies and procedures are necessary in order to know the boundaries of our academic freedom, they are not the essence of the relationship between faculty and staff. The faculty is committed to a collaborative learning experience that places them in relationships enhancing the student’s intellectual, spiritual, and emotional growth. Students benefit immensely by accepting this invitation to academic fellowship.

**CIVIL BEHAVIOR AND CONSIDERATION OF OTHERS IN THE CLASSROOM**

Most college courses include a considerable expectation of participation and active learning during the class period. Interruption caused by one student to the orderly flow of the class session may not only inhibit the learning process, but also disrupt and distract others engaged in the class. Therefore, the following guidelines have been established for use during class sessions:

- All cell phones should be turned completely off during class time. Students may not text message, receive, or make calls during class.

- At the discretion of the faculty, the use of laptop computers during class is permitted for the purpose of enhancing the educational objectives of the course. Use of laptops to check one’s email, access the Internet, play games, work on projects not related to the course, or other uses not related to the course objectives is NOT permitted during class. Violation of this guideline may result in the loss of all computer use privileges during the class.

- Individual use of personal listening or viewing devices such as iPods is not permitted during class.

**ACADEMIC APPEALS AND PETITIONS**

Occasionally it may be necessary to institute a petition for a waiver of established policies and procedures, or an appeal for a redress of grievances. Written appeals of policy are processed through the Records Office. Academic appeals fall into two general categories: 1) petitions regarding application of specific policies, or 2) appeals of grades or other academic matters.

**Petitions Regarding Application of Academic Policy**

Petitions relating to academic concerns must be in writing. All petitions must include the signature of the student’s advisor. This signature does not necessarily mean that the advisor agrees with or supports the petition, but that the advisor is aware of the petitioner’s request. Petitions are submitted to the Registrar’s Office. Typical petitions include waiver of requirements, acceptance of transfer credits, etc.

**Appeals Regarding Grades or Other Academic Matters**
Resolution of appeals is handled at the lowest possible level. The student must discuss the situation with the professor involved. If discussion with the professor does not resolve the issue and the student decides to appeal further, the following procedure must be followed:

1. A written statement describing the situation should be submitted to the appropriate Division Chair within two weeks following the end of class.

2. The Division Chair will meet with both the student and the professor to resolve the issue. If the issue cannot be resolved at this level and the student or the professor wish to appeal further, step 3 is followed.

3. The student or the professor files an appeal with the VP for Academic Affairs/Dean of Faculty. The Dean of Faculty will request pertinent information from all parties involved and make a recommendation for resolution. If the issue remains unresolved, the student or the professor may appeal to the Academic Policies Committee (step 4).

4. A petition in writing is submitted by the student or professor to the Academic Policies Committee. The petition will describe the issue involved and the steps taken toward resolution. The Committee will request appropriate documents from the parties involved in steps 1-3. The Committee will hold a hearing on the petition. Parties to the dispute will be granted an opportunity to present their cases and may be subject to questioning. After receiving such evidence, the Committee will render a decision. The decision of the Committee is final. No further avenue of appeal is available. The decision of the Committee will be in writing and will remain on file in the office of the Dean of Faculty and in the student’s academic file.

STUDENT LIFE

CAMPUS LIFE STANDARDS

Warner Pacific is a University sponsored by the Church of God (Anderson, Ind.). Its mission, programs, and campus life are all informed by our four core themes: Christ-centered, diverse, urban, and liberal arts.

Campus standards have grown out of the following qualities of campus life valued at Warner Pacific University:

- Love of God, self, and neighbor
- Respect for others
- Honesty and integrity
- Reconciliation
- Freedom within restraint
- Health and wellness
- Spiritual growth and maturity
- The joy and abundance of life

Students coming to this University agree to conduct themselves as responsible individuals and actively contribute to the quality of social, spiritual, and intellectual life. Violation of University policies, including the Community Agreement, subjects students to disciplinary action that could include warning, probation, or dismissal from the University.

One of the primary functions of this handbook is to provide notice to each student of the expectations for being a member of our community. These standards are a key part of community life at Warner Pacific University.

COMMUNITY AGREEMENT

Abiding by the Community Agreement is a condition of your continued enrollment at Warner Pacific University.

Warner Pacific University exists to develop persons as change agents characterized by integrity, deliberate personal, intellectual, social and spiritual transformation, the practice of mutual responsibility and a pursuit of personal excellence.

WPU’s mission includes providing students from diverse backgrounds with an education in a nondiscriminatory environment that prepares them to engage actively in a constantly changing world. As students complete their coursework and develop their academic skills required to earn a degree, they are expected to exhibit academic integrity and moral responsibility. As an expression of the University’s urban mission and identity, students are expected to live out Christ’s command to love and respect their neighbors both on and off campus. Civility, respect, and love are to be demonstrated in personal interactions, campus and community life, and in service to others.

As a Christ-centered University, Warner Pacific’s values are informed by the teaching of Jesus and the Holy Scriptures to support the emotional, social, intellectual, as well as spiritual development of each student. We strive to foster spiritual awareness and growth through a variety of means, including, but not limited to the classroom, chapel services, service involvement, informal conversations, and intentional small group meetings. The policies enumerated below, and their implementation, recognize that students are in a developmental process that at times requires redemption as well as accountability in order to achieve a healthy, respectful, and productive community.
While WPU is a distinctively Christ-centered liberal arts University, students do not have to be Christians to be admitted. However, every student is encouraged to be open to learning about the Christian faith and students are expected to uphold the school’s policies. These include, but are not limited to the following:

1. Students of WPU are expected to uphold the highest standards of academic integrity. This includes not lying, cheating, plagiarizing, or stealing in academic endeavors, nor accepting the actions of those who do. Students will conduct themselves responsibly and honorably in all academic activities at Warner Pacific University. A complete copy of the academic integrity policy is available in the “Academic Affairs” section above.

2. Students of WPU also are expected to uphold the highest standards of personal integrity and to treat others with dignity and respect. To that end, WPU expects all members of the Warner Pacific community not to discriminate or harass others on the basis of age, sex, sexual orientation, disability, race, color, national or ethnic origin, or any other status protected by applicable nondiscrimination law.

3. Completion of faith and service requirements is mandatory for all full-time traditional undergraduate students. Students may choose various options to meet these requirements.

4. Students enrolled at WPU are expected to refrain from overnight visits with dating partners. Any intimate or sexual activities outside of marriage (e.g. “hooking up”) or other sexual misconduct are unacceptable behaviors for students enrolled at WPU. Sexual misconduct is detrimental to both relationships and to individual self-esteem; it also violates the caring nature of our community.

5. Students possessing, distributing, and/or under the influence of alcohol, narcotics, marijuana, or other intoxicants on University premises or at University-related activities will be subject to judicial action. Smoking, vaping, or chewing tobacco is not permissible on the WPU campus at any time.

6. Students are expected to use wisdom and discretion in the use of media/technology, including movies, video games, Facebook, and other social networking portals. Images and information posted on social networking sites are accessible to University personnel and may be considered in judicial processes. Viewing, creating, and/or sharing pornography or other inappropriate images is prohibited.

As a student at WPU, you are expected to abide by the policies of the University including those contained in the current undergraduate Student Handbook: *The Squire*, the University Catalog, and departmental brochures. If there is a dispute between you and the University, the handbook outlines the procedure for making an appeal. It is your responsibility to be aware of the policies outlined in the Student Handbook and Catalog. The University also reserves the right to confront behavior that is detrimental to the student, the community, the University, and/or others, regardless of location or age of the student.

**Jurisdiction of Additional Handbooks and Contracts**

Selected student roles across campus may require students to abide by contracts or handbooks that include requirements beyond the scope of the Student Handbook’s standards. Consequences from any violation of these additional requirements may only apply within the scope of the position or loss of privileges pertaining to said position. Any violations related to University Standards of Conduct violations will typically be referred to the Student Life office of Student Rights and Responsibilities/Judicial Affairs, and any behavioral sanctions related to student standards will come from the Student Life office, not individual departments within the University.
STUDENT CONDUCT

STUDENT CONDUCT PROCESS
The Warner Pacific University student conduct process exists to respond to alleged violations of the community agreement, campus policies, and/or federal and state laws by individuals or organizations. Although not a formal court of law it provides students due process in order to assure fundamental fairness in resolving allegations of behavioral misconduct. Students who are found responsible for violating a campus policy or regulation may be required to complete a sanction. Sanctions are designed to both discourage further violations of campus policy and to instruct the student as to their role in the community. The preponderance of the evidence standard is applied throughout the conduct process.

The applicable Campus Life Standards and policies will be those that were published at the time an alleged violation occurred even if a case is being processed after the Campus Life Standards and policies have been updated. The applicable procedures for resolution, appeal, and sanctioning will be those that are currently published at the time the process is occurring. Typically, once the process has started, the procedures published at that time will be used to the conclusion of the process even if the procedures are updated before the process is concluded.

STUDENT RIGHTS
All students charged with behavioral misconduct have the following rights:

1. To receive notice of charges in writing via campus mail or university email.
2. To have a faculty or staff advisor present during the conduct process. The advisor's participation is limited to conferring with the student. He or she may be present during all phases of the conduct process, but is not allowed to speak for the student.
3. To refute any evidence or statement presented during the hearing.
4. To submit written statements from witnesses.
5. To challenge, with cause, the designation of a conduct officer or conduct committee member.
6. To appeal the outcome of the conduct hearing.

Process
The judicial process is initiated by the filing of an Incident Report (can be obtained in the Office of Student Conduct) by any member of the Warner Pacific community (students, faculty, and staff). Individuals outside of the campus community who wish to file a complaint against a student should contact Warner Pacific University Campus Safety. Campus Safety will communicate the complaint to the Office of Residence Life, at which time a determination will be made about the necessity of initiating the judicial process. Grievances against staff and faculty are not administered by the Warner Pacific University Student Conduct Process.

Once an incident report is filed, an officer will determine which type of disciplinary proceeding is most appropriate. Incidents determined to be minor may result in a verbal warning, a letter of notification only, or a letter of notification and sanctions. If the officer determines the incident is a major violation or the violation is a repeat offense, the officer may initiate the judicial process. The officer assigned may choose to settle the incident through either: 1) Administrative Resolution or 2) Judicial Committee Resolution. Each process is described in detail below.

Administrative Resolution
The Administrative Resolution proceeding may be used when the officer assigned to the case determines that the nature and circumstances of the alleged violation are best resolved administratively. Students charged (the responding party) with allegations of behavioral misconduct may request a Committee hearing instead, but final authority for this decision rests with the officer.

Once an Incident Report is filed, the judicial officer in charge may initiate a preliminary investigation. The preliminary investigation exists to determine if there is reasonable cause that a policy violation occurred. The preliminary investigation ends with one of two options:

- If the investigator determines that the reasonable cause standard is not met, then the investigation ends, and the incident report and the rationale will be saved in the student(s) file.
- If the investigator determines that reasonable cause of a policy violation does exist, then the students involved will be notified of the charges in writing and the formal investigation stage will begin. The formal investigation stage will include the interviewing of witnesses and the gathering of relevant evidence.

At the conclusion of the investigation, the officer will decide if the responding party is responsible or not responsible for the charge and will document the finding in an administrative resolution report. Students found responsible for violations of campus policy may be assigned sanctions up to suspension or dismissal from the institution. The incident report, relevant investigation notes, any collected evidence or witness statements, and the administrative resolution will all be saved in student files as documentation.

**Failure to Comply**

Students that refuse to make themselves available for judicial investigations or judicial reviews in a timely fashion or students that fail to complete assigned sanctions may be charged with “Failure to Comply.” Failing to participate in the judicial process is a serious limitation to continued membership in the WPU community and could result in judicial sanctions up to and including suspension or expulsion.

**Judicial Committee Resolution**

The Judicial Committee Resolution proceeding may be used when the judicial officer determines that the nature and circumstances of the alleged violation are best resolved by a committee. All Judicial Committee decisions serve as recommendations to the Judicial Officer. The decision may then be ratified or returned to the committee with recommended revisions. Judicial outcomes are not final until the committee’s decision is ratified by the Judicial Officer.

**Judicial Committee Composition**

A Judicial Committee hearing is conducted with up to five members of the community and must include at least one student, one faculty, and one staff person.

**Judicial Committee Student Selection Process**

The Associated Students of Warner Pacific University recommend several students as members of the Judicial Committee each academic year. These students are then confirmed by the Dean of Students or designee. Students serving on the Judicial Committee must agree to the Judicial Committee Code of Conduct, sign a confidentiality agreement, and must receive training before serving as a member of the committee.

**Staff and Faculty Serving on the Judicial Committee**
The Dean of Students or designee will train staff and faculty representatives to serve on the Judicial Committee. These representatives must sign a confidentiality agreement and receive training before serving as members of the committee.

**Before the Hearing**

Prior to the Judicial Committee hearing, an investigation of the alleged behavioral misconduct will be conducted by the judicial officer in charge and a written summary and compilation of findings will be made available to the committee. The Department of Student Life is committed to prompt resolution of all disciplinary proceedings. However, in some cases, the judicial officer may permit a short delay of the proceedings in order to adequately prepare for the committee hearing. When the summary and findings are available, the judicial officer in charge will send the student(s) a notice of the time and date of a hearing and a statement of the alleged violations through campus mail or campus email. Prior to the hearing, the student(s) may arrange to have witness statements submitted. The judicial officer in charge will determine when such statements must arrive in order to give the committee adequate time to review the submitted statements.

**Judicial Committee Hearing**

The agenda for the Judicial Committee Hearing is as follows:

1. The responding party or organizational representatives and their advisors (if present) are invited into the room and introduced.
2. The judicial officer explains the order of events and reviews the student rights for those present.
3. The judicial officer reads the incident report and clarifies the charges for the responding party or organizational representatives.
4. The judicial officer states the available pleas and asks for a plea from each student to each charge.
5. The responding party or organizational representatives are asked to comment on the incident. Then the judicial officer and committee members may ask questions.
6. The responding party may submit any witness statements in writing.
7. Committee members or the judicial officer may make a final comment.
8. The responding party or organizational representatives may make a final comment.
9. Once the Judicial committee has sufficient information to make a decision, the hearing will end and the student(s) and advisors will leave the room.

A written summary of the hearing will be made by the judicial officer assigned to the case.

**Decision**

At the conclusion of the hearing, the committee will render a decision by majority vote as to whether it is more likely than not that the student has violated University policy and impose sanctions, if appropriate. The committee decision will be forwarded to the assigned judicial officer to be ratified or returned to the committee with recommended revisions. Judicial outcomes are not final until the committee’s decision is ratified. Upon ratification the judicial officer will provide the student(s) with a written explanation of the outcome and meet with the student(s) for further explanation, if necessary.
Sanctions

There are no set formulas or automatic sanctions for most violations. Students who violate University policy submit themselves to the full range of disciplinary sanctions up to and including suspension or expulsion from the University. In reviewing each violation, the following variables will be considered: attitude, truthfulness, prior discipline, impact of the violation on the community when the misconduct occurred, and whether or not the student came forward to assume responsibility. Sanctions may include, but are not limited to, one or more of the following:

- **Formal apology.** A written and/or verbal apology to the offended party/parties.
- **Student Life Probation.** A written reprimand for violation of specified regulations or policies. Probation is established for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to be violating any specific conditions of the probation or any institutional regulation(s) or policy during the probationary period. Students on Student Life Probation may be suspended from participation in University functions and activities and may be required to meet regularly with a staff or faculty mentor.
- **Loss of privileges.** Denial of specified privileges for a designated period of time (such as co-curricular programs, campus housing, or athletic practice and/or contests).
- **Fines.** Previously established and published fines may be imposed.
- **Restitution.** Compensation for loss, damages, or injury. This may take the form of completing appropriate service and/or monetary or material replacement.
- **Discretionary sanctions.** This could include work assignments, service to the University, or other related discretionary assignments.
- **Required educational programs.** Programs designed to give students the opportunity to learn more about a particular topic and give them the tools to make better choices in the future, e.g. anger management, alcohol education, or drug education courses. These programs could also include a participation fee.
- **Regular or random drug testing.** Students may be asked to participate in regular drug testing for accountability to school policy and personal well-being.
- **Residence hall suspension.** Separation of the student from campus housing for a specified period of time, after which the student may be eligible to return. Conditions for readmission may be specified.
- **Residence hall expulsion.** Permanent separation of the student from campus housing.
- **University suspension.** Separation of the student from the campus for a specified period of time, after which the student may be eligible to return. While suspended, students may not be on campus or participate in any University related event. Length of suspensions may vary from one or more days to one or more semesters. The timing of the suspension will not occur at the convenience of the student. The Academic Policies and Procedures state, “Faculty are not permitted to provide make-up opportunities or alter established class schedules for suspended students. Where this creates a hardship for students, they are to be referred to the dean of students.” Conditions for the student’s return to campus may be specified.
- **University expulsion.** Permanent separation of the student from the University, without possibility of readmission.
Sanctions are effective immediately but can be temporarily suspended at the sole discretion of the Dean of Students if a student notifies the Dean of Students in writing of the student's intent to appeal.

The Office of Student Rights and Responsibilities (within Campus Life) will verify that all sanctions are completed within the given timeline. Students that fail to complete their sanctions will be charged with failure to comply and will reenter the judicial process. Additional sanctions may be imposed by either a judicial officer or the Judicial Committee.

**Levels of Response**

The following categories serve as sanctioning guidelines for specific policy violations. Judicial Officers and Judicial Committees may adjust the level of response depending on a variety of factors including but not limited to, the individual's conduct history, factors unique to the incident, impact on the community, attitude, and truthfulness. The following lists are for reference but are not exhaustive.

**Level 1 Violations**

Generally result in a written or verbal warning, loss of privileges, fines, and/or educational sanctions.

- Quiet hour violations (pets, noise, property damage due to negligence or carelessness, etc.)
- Visitation hour violations
- Pet policy violations
- Property damage due to negligence or carelessness

**Level 2 Violations**

Generally result in loss of privileges, educational sanctions, and/or Student Life Probation.

- Multiple level 1 violations
- Alcohol, marijuana and/or controlled substances violations
- Failure to comply with the student conduct process
- Theft or vandalism
- Low contact sexual misconduct

**Level 3 Violations**

Generally results in suspension or dismissal from the University.

- Assault
- High contact sexual misconduct
- Providing or sale of a controlled substance
- Multiple level 2 violations

**Interim Measures**

Under either disciplinary proceeding, while the investigation is being conducted, the Judicial Officer or Dean of Students may take any one or more of the following actions:

- Impose immediate Interim Measures pending a final determination in the matter, including, but not limited to: no-contact orders; removal from campus housing; suspension from campus, classes, or Warner Pacific related off-campus events.
- Enter into the residence hall, room, or apartment of the student facing the allegations of misconduct for the sake of removing any material that constitutes a serious risk of harm to other persons or property in the residence halls.

- Refer the matter to the appropriate police authorities.

The interim sanction will remain in effect until it is otherwise revoked by the Dean of Students or Judicial Officer or expires by its own terms.

**Appeals**

Resolutions arrived at by a judicial officer or the Judicial Committee may be appealed (under the conditions described below) to the Dean of Students. All appeals of judicial resolutions must be made in writing within one week from the date a resolution letter is sent to the student. Appeals must be delivered to the Dean of Students or designee. All appeals must be based on one or more of the following reasons:

- To determine whether the original hearing followed established procedures.

- To determine whether the facts in the case were sufficient to establish that a violation of the Community Agreement, campus policy, or state and/or federal law occurred.

- To determine whether the sanction(s) imposed were appropriate to the violation of the Community Agreement, campus policy, or state and/or federal law which the student was found to have committed.

- To consider new evidence sufficient to alter a decision or other relevant facts not brought out in the original hearing, because such evidence was not known, and could not have been known to the person appealing at the time of the original hearing.

The Dean of Students will determine the merits of the appeal and has the right to either deny the student the opportunity to appeal or determine an alternate resolution. Appeal decisions made by the Dean of Students are final.

**NON-DISCIPLINARY POLICY**

Students struggling with difficult issues in their personal lives are encouraged to seek out a Student Life staff member for help at any time. Except in situations where the University is required by law to take appropriate disciplinary action (e.g., harassment, sexual assault, etc.), students who come to a student life professional staff member for help related to lifestyle behaviors (e.g., alcohol, drug use, tobacco dependency, sexual issues, etc.), prior to staff becoming aware of a violation of University policy, will be offered support and help outside of the regular student conduct process. If continued offenses occur beyond or outside of these conversations, it may become necessary to address related or hidden violations through the conduct process.

**MEDICAL LEAVE POLICY**

At times, significant medical conditions or psychological distress prevents students from successful and productive participation in the University. Examples could include cases where such distress disrupts the learning of self or others, and/or prevents the student from engaging in the necessary educational activities of the University. In such cases, either the student or the University may initiate a leave of absence.

**Student Initiated Leave of Absence**
Students may initiate a leave or withdrawal from the University for medical or psychological reasons by contacting the Retention Manager. The student may be required to present a supporting recommendation from a qualified health care provider such as a physician or psychologist. The Retention Manager may consult with others, such as Student Life and Counseling Center staff, to help evaluate information and documentation presented from the student and the student’s health care provider. The decision to grant such a leave is within the discretion of the University.

**University Initiated Medical Leave of Absence**

The University may require students experiencing significant medical or psychological distress, or demonstrating behavior that the University believes indicates such distress or otherwise significantly disrupts any functions of the University, to take a leave of absence, particularly when the University has legitimate safety concerns of harm to self or others. In such cases, the objective of the University is to determine whether it is more likely than not that the student poses a significant threat to self or others. Significance will generally be determined by:

- The duration of the risk
- The nature and severity of the potential harm
- The likelihood that the potential harm will occur
- The imminence of potential harm

A Student Life Officer and Counseling Center staff or designee will evaluate the student, review incident reports and other relevant information before reaching a decision based on the above criteria. Students found to pose a significant threat of harm to self or others, as determined in the University's sole discretion, may be required to take a leave of absence.

At the University's discretion, referral for assessment by a campus or independent licensed mental health professional may be required as part of the evaluation of threat. The assessment must be completed in the manner and time frame outlined by the University. A student who fails to complete the assessment in accordance with the established expectations may be referred to Student Conduct for “Failure to Comply.”

Students may appeal a finding of “significant threat to self or others.” All appeals will follow the appeals process outlined in the Student Conduct Process.

In some cases, the Dean of Students may determine that an emergency exists that requires the need for immediate leave of the student from the University, and there may be insufficient time to comply with the procedures set forth above. In such cases, the procedures will be followed as soon as possible after the initiation of student’s leave from the University.

**Refunds, Withdrawal, Contractual Modifications**

At the discretion of the Dean of Students (or designee), and subject to the refund policies of the institution, arrangements may be made for partial or complete refund of tuition and/or fees. Incomplete grades or other academic accommodations may be made as well, subject to the academic policies of the University. Modifications to housing contracts may also be possible. The normal University procedures for leave or withdrawal will be followed, including any documentation requirements. Conditions for a return to the University may be provided at the time the leave is initiated.

**Readmission Following a University Initiated Medical Leave**

A student who is seeking reinstatement to the University after a University initiated medical leave must receive clearance by providing the Dean of Students written evidence from a licensed medical or mental health professional
that the student is no longer a direct threat to others or a legitimate safety concern, and is otherwise qualified to participate in the University’s educational programs. Further, the student must prepare a satisfactory written plan describing how the student will reintege and transition back into the University community. This includes addressing the resolution of the circumstances that lead to the leave, class participation, residence life, and other relevant issues.

When there is disciplinary action involved as a result of the student’s violation of any provisions of The Squire and/or any other relevant codes of conduct and University rules, the disciplinary process is separate from this Medical Leave Policy, and it is possible that even if a student is eligible for readmission under this policy, the student may still be disqualified from reenrollment based on the outcome of the disciplinary process.

Any other conditions outlined in accordance with this policy and/or any conduct sanctions must also be completed.

**ALCOHOL AND MARIJUANA POLICY**

Use and/or possession of alcohol and marijuana is prohibited for all students on campus. Responsible possession and use of alcohol is permitted off campus for students 21 years of age or older.

**Hosting Gatherings Involving Alcohol or Marijuana**

Persons hosting social gatherings on or off campus are responsible for the actions of their guests including underage alcohol and/or marijuana consumption, and the level of consumption of their guests. All students living at the location of the party may be held responsible regardless of who provides the substances.

**WEAPONS POLICY**

The presence of weapons on campus poses an unacceptable risk to the health and safety of all members and guests of the Warner Pacific University community. Therefore, the possession of weapons is prohibited on the University campus. For the purposes of this policy, a weapon is defined as any instrument, article, or substance which is specifically designed for causing death, incapacitation, or serious physical injury.

Anyone who observes someone on the Warner Pacific University campus violating this policy should immediately report the incident to the Campus Safety Office by dialing ext. 2127 or 503.250.1730. The complainant should be prepared to provide the Campus Safety Office with any relevant information that caused them to observe the violation. Campus Safety Officers have the right to secure weapons from persons in violation of this policy. These weapons will be secured in the Campus Safety Office.

Persons who possess a concealed weapons permit are NOT allowed to carry weapons on the private property of Warner Pacific University’s campuses. Possessing a weapon for the purpose of sport, hunting, personal protection, or any other reason does not exempt a person from this policy.

**Discretion of the Dean of Students**

Warner Pacific University reserves the right to disqualify, discontinue, or exclude any student from participating in any student activities or residence life at the discretion of the Dean of Students. Any such discretion will be exercised without discriminating against any person’s legally protected status.

**GRIEVANCE PROCESS**

The grievance process exists to provide students a process to resolve disputes between other students, staff, faculty and other members of the community. This process is not intended to apply to complaints or problems related to alleged discrimination and/or harassment that is prohibited by law, nor does it exist to resolve academic disputes.
Purpose

As it states in the Community Agreement, “As an expression of the University’s urban mission and identity, students are expected to live out Christ’s command to love their neighbors both on and off campus. Civility and love are to be demonstrated in personal interactions, campus and community life, and in service to others.” Therefore, this grievance process provides an opportunity for students to work out their differences in a safe and structured manner.

Procedure

The specific steps of the grievance procedure are listed below.

1. When a student has a grievance with another member of the community he/she may file a report in the Office of Student Life.

2. A judicial officer will review the report and determine one of the following actions.
   a. The student has a legitimate grievance against a member of our community and the student will be encouraged to attempt a resolution in a one on one meeting. The student bringing the grievance is responsible for providing a written summary of the meeting.
   b. The student has a legitimate grievance against a member of our community and the student will be provided an opportunity to resolve the issue with a resident assistant, a judicial officer, or a member of the University Counseling Center staff. In such cases, the mediator will meet with each individual or group involved prior to the mediation meeting. The mediator will also provide a written summary of the meeting.
   c. The student has not provided enough evidence to demonstrate a valid grievance.
   d. If step (a) above fails to provide resolution it may be determined that step (b) is necessary for a healthy resolution. If step (a) and (b) fail to provide a resolution the case will be referred to the Dean of Students or designee. The Dean of Students or designee will decide on a resolution. If either party is not satisfied with the resolution they may appeal to ruling per the appeal instructions outlined in the student judicial process.

SEXUAL MISCONDUCT POLICY

Warner Pacific University seeks to provide students with an environment free from the negative effects of sexual misconduct, which includes sexual harassment, sexual assault, and other forms of sexual violence. Therefore, the University strives to educate students, staff, and faculty on these issues and to provide recourse for students believing they have experienced sexual misconduct. The purpose of this policy is to:

- Define sexual misconduct involving students, which includes sexual harassment, domestic violence, intimate partner violence, stalking, and sexual assault.
- Identify resources and support for students reporting an incident of sexual misconduct.
- Affirm the University's commitment to preventing sexual misconduct.
- Outline the University's process of responding appropriately to incidents of sexual misconduct.

Sexual Misconduct Defined

Sexual misconduct is a broad term that encompasses any unwelcome behavior of a sexual nature that is committed without consent or by force, intimidation, coercion or manipulation. Sexual misconduct can occur between persons of the same or different genders.

Sexual Harassment

Sexual harassment is unwelcome behavior of a sexual nature that has the purpose or effect of creating an intimidating, offensive, or hostile environment for study, work, or social living. Sexual harassment includes, but is not limited to, the use of verbal and practical jokes, unwelcome touching, offensive remarks or put-downs, and/or displays of objects and materials based on a protected status that create an offensive environment. Actions such as these are prohibited and may also be unlawful.

Sexual Violence

Sexual violence covers a wide range of behaviors inconsistent with University policies and community standards. Many of these behaviors are also violations of state and federal laws. Sexual violence refers to physical sexual acts perpetrated against a person’s will or where a person is incapable of giving consent (e.g., due to the student’s age or
use of drugs or alcohol, or because an intellectual or other disability prevents the student from having the capacity to give consent). Sexual violence includes but is not limited to, sexual assault, sexual coercion, stalking, voyeurism, verbal or physical sexuality-based threats or abuse, and domestic and dating violence. Any act of sexual violence is prohibited and is subject to disciplinary action by the University.

**Stalking**

Ongoing conduct that could cause a reasonable person to fear for the safety of themselves or others, or suffer emotional distress (e.g. following, monitoring, threatening, communicating to or about the victim, or interfering with a victim’s property)

**Domestic Violence**

Crime of violence committed by former spouse, cohabitating partner, or someone with whom you share a child.

**Dating Violence**

Threats or actual sexual or physical abuse in a dating relationship.

**Consent Defined**

Sexual activity requires consent, which the University defines as a positive unambiguous and voluntary agreement to engage in specific sexual activity throughout a sexual encounter. The absence of a “no” does not qualify as consent to engage in sexual activity. Consent to some sexual acts does not constitute consent to others, nor does past consent to a given act constitute present or future consent. Consent must be ongoing throughout a sexual encounter and can be revoked at any time.

Consent cannot be obtained through coercion, intimidation, or force or if the person is incapacitated through the use of drugs, alcohol, or any other condition. The use of drugs or alcohol does not diminish a student’s responsibility to obtain consent for sexual activity.

**Filing a Complaint**

Students wanting to file a complaint of sexual misconduct should contact Jon Sampson, Title IX Coordinator, jsampson@warnerpacific.edu, 503.517.1056, or one of the other Title IX officers. The Title IX Coordinator will coordinate the University’s response to reports of sexual misconduct. This includes:

- Informing students of available medical and emotional support options.
- Assisting all parties involved in understanding their rights and responsibilities.
- Developing remedial actions to facilitate support and safety for the students involved. Considerations include housing accommodations, no contact requirements, no trespass restrictions, and academic accommodations.
- Helping students that wish to report an incident of sexual misconduct to the Portland Police for possible criminal prosecution.
- Overseeing the judicial process and any appeal.

Investigations of sexual misconduct allegations will follow the Student Judicial Process with the possibility of the following additions and/or alterations:

- All parties are expected to keep confidential within the community the charges and the fact that an investigation is taking place.
• Sexual misconduct cases will not be resolved through Judicial Committee.

• Both the reporting party and the responding party may receive written notification of no contact, including electronic communication, with each other.

• During the investigation process, the reporting party and the responding party may request the asking of specific questions through the judicial officer. The judicial officer may ask the question(s) if it is deemed appropriate.

• Prior sexual history of the students will not be considered as either an aggravating or a mitigating factor in the decision.

• Changes in living arrangements, course schedules, and other considerations may be necessary after a sexual assault complaint is brought to Judicial Affairs and an investigation begins.

• Reasonable efforts will be made to accommodate the concerns of the reporting party.

• The reporting party may appeal the decision made, not the sanctions assigned. The responding party may appeal the decision made and the sanctions assigned. All appeals are to follow the appeals policy outlined in the Student Judicial Process.

• During sexual assault investigations and judicial proceedings both the reporting party and the responding party may involve representation of their choice.

• Both the reporting party and the responding party will receive the final hearing decision in writing at the same time.

Your Rights as a WPU Student with a Disability
The rights for students with a disability in college are different from students attending elementary through high school. If you are otherwise qualified to attend college courses or programs, you have the right to appropriate academic accommodations that will not alter the fundamental course requirements. Instructors are not required to lower course expectations as an accommodation for the student with a disability. Colleges may not use your disability status as a reason to deny admission if you have met the essential admissions requirements, i.e. college placement scores.

Disclosure of your disability for accommodations is voluntary. To receive accommodations, you must self-report and register with DRC. Accommodations may not be granted for undocumented disabilities. The nature of your disability is confidential and will not be provided to instructors or other staff without your approval. Accommodation plans will only describe the nature of the accommodations requested.

Depending upon the student's disability, some appropriate academic accommodations may include auxiliary services, equal access to course materials, some forms of adaptive software or hardware located on campus, testing accommodations and/or note takers in classes that you attend. The university is not required to provide some personal services such as personal attendants, prescriptive devices, personal transportation to college courses, personal computers or personal software as an accommodation. The university is not required to change the substantive course content on tests or the outcome expectations on those tests.

You have the right to the timely receipt of reasonable accommodations after establishing your need for accommodations. The university is not required to identify your disability, academic needs, medical testing or diagnosis. Students will provide current reliable documentation (diagnosis) from qualified/ trained medical providers of the current disability. In most cases, the documentation should not be older than three years from presentation to Warner Pacific DRC. If your current medical documentation is not adequate for receipt of academic accommodations, you will be advised of the need for new or additional documentation.

It is your right to request academic accommodations at any time in higher education based on your disability. However, some academic adjustments may need extra time to provide or schedule. Please allow sufficient time for DRC to review your request prior to expecting adequate services to be provided.

You have the right to determine which semesters and which classes you receive accommodations. Please advise DRC at the beginning of each semester of the courses you want accommodated. Retroactive accommodations (prior to the date of the request) may not be approved.

For additional information about postsecondary student rights regarding disability accommodations, visit: Students with Disabilities Postsecondary Education Rights and Responsibilities at http://www2.ed.gov/about/offices/list/ocr/transition.html
CAREER RESOURCES

Career counseling is an integral part of a student’s education. As students are able to more fully understand their values, skills, and interests, they will be better prepared to translate them into meaningful career and life plans. Individualized career counseling, vocational assessments, a career library, and a variety of workshops covering such topics as resume writing and interviewing techniques, are available to all Warner Pacific students to assist them in finding fulfilling work in today’s competitive job market.

**STUDENT DIVERSITY COUNCIL**

The Student Diversity Council exists to fulfill the WPU mission by actively promoting equity and inclusion on campus and in the broader Portland community. We do this through inclusive events and programs that encourage awareness, education, advocacy, activism, and collaboration.

**Roles and Responsibilities**

The Student Diversity Council staffs the Student Multicultural Center, oversees all Student Multicultural Organizations, promotes justice on and off campus through events and programs, partners with other departments and organizations to help educate the WPU community regarding equity, inclusion, and justice, and promotes civic engagement. There are four paid positions available on the Student Diversity Council, one elected, and three appointed. The students filling these positions display a commitment to equity, inclusion, and justice, a high level of competence in their positions, and a strong desire to lead responsibly on the WPU campus. Finally, the Student Diversity Council operates in conjunction with the Social Change Model for student leadership development, empowering students to grow personally and socially, and to operate out of the understanding that each person plays a vital role in our community and in our world.

**CAMPUS MINISTRIES**

Campus Ministries cultivates the love of God by providing quality pastoral care, developing transformational leaders, and creating community by serving the campus and the city. Often, college is a place for students to explore their spirituality and reflect on their religious traditions. This can be an intense time of spiritual awakening which can lead to a deeper understanding of one's faith in Christ. The Campus Ministries team is committed to aiding in each student's spiritual maturing regardless of one's faith tradition.
FAITH AND SERVICE COMMITMENT

All students enrolled in 12 or more credit hours are required to participate in the Faith and Service Commitment Program. Students in the Adult Degree Program, Post-Baccalaureate Teacher Education Students, students in their student teaching semester, and master’s level candidates are exempt from these requirements. The requirements of the program are as follows:

Residential Students

- Required to attend 15 chapels each semester; roughly half of the chapels offered.
- Required to complete 10 service hours. More details about what counts as service are described in the Service Learning section.

Commuter Students

- Required to have a combination of chapels and service hours that equal 25.
- Must have a minimum of 5 chapels and 5 service hours.

CHAPEL

Community chapel services provide an opportunity for the Warner Pacific University community to come together to celebrate, learn, and grow. This program is central for our community. Community chapel meets in McGuire Auditorium every Tuesday and Thursday from 10-10:50 a.m.

Petition Process

Any student has the opportunity to petition out of the chapel requirement. Petitions are not accepted for the service requirement as the hours are flexible. Petitions must:

- Be filled out in writing by completing forms located on the website at www.warnerpacific.edu/chapel-petition-form
- Be submitted before the chapel service occurs. Students cannot petition chapels that have already occurred. For instance, if only 3 chapels remain in the semester, 3 is the maximum amount of chapels a student can petition to have waived.
- Show inability to attend chapel for reasons of employment, internship, teaching practicum, etc.
- Show applicable hours of involvement in other activities that enhance one’s spiritual journey or one’s involvement in the Warner Pacific University community.

EVERY STUDENT WHO DOES NOT COMPLETE THEIR CHAPEL AND SERVICE COMMITMENTS WILL BE FINED $10 PER INCOMPLETE HOUR WITH A MAXIMUM FINE OF $200 EACH SEMESTER.

Church Life

Participation and attendance in a local church body is encouraged and modeled by leaders. Campus Ministries staff can help students locate a church that provides a challenging and positive spiritual environment.

Campus Ministries Bible Studies and Small Groups
Campus Ministries Bible Studies and Small Groups are an opportunity to connect with other students, develop meaningful relationships, and grow spiritually and interpersonally. Bible studies are provided for those students who wish to explore and study the Bible within a committed community.

SERVICE LEARNING

Service learning is an integral aspect of the University. Serving others is woven into the entire fabric of the WP experience including classes, athletics, residence life and more. You’ll find a number of co-curricular activities specifically devoted to helping you use your unique talents and gifts to make the world better for others, preparing you for a lifetime of meaningful servant-leadership.

What is Service?

Service at Warner Pacific University is work done to meet the tangible needs of our neighbors in the city of Portland and beyond. Our students are encouraged to engage in the University’s Christ-centered identity through utilizing their skills, passions, and education to work toward social justice through consistent direct service in the community.

All service is done through curricular and co-curricular collaborative service opportunities and facilitated reflection specifically focused on these eight categories:

- Compassion
- Ecological Justice
- Economic Equity
- Gender Equity
- Interfaith Relationship
- Racial/Ethnic Equity
- Support for the Elderly & Disabled
- Youth & Child Support

SERVICE COMMITMENT

Each student is required to personally log all of the completed service hours using the online form. A separate form will need to be completed for each service project. Service projects must be completed during the semester in which they are submitted. Projects done over the summer or winter breaks will not count for credits in the Fall or Spring semesters.

Service hours must meet the qualifications of Service Learning at Warner Pacific in order to be accepted towards your overall service commitment which are:

- Meeting a tangible need for our neighbors in or around the city of Portland
- Partnering with a non-profit organization
- Directly addresses one of the eight service categories
- Residential Students: Complete 10 hours of service
• Commuter Students: Minimum 5 hours of service (can do more to complete combination of 25 faith & service hours)

Please note: It is highly encouraged that you log any completed service hours above and beyond your required amount. In addition, internships may qualify toward your service hour requirement if they adhere to the requirements of what qualifies as “service” at WP.

**Service Hour Due Dates:**

All service hour submissions are due the Friday before the last full week of classes each semester. Students will have one additional week following the deadline to submit service hours with an additional late fee of $30. Once finals week has begun, no more service hour submissions will be accepted.

**Fines**

Because we believe these experiences are essential to the growth and development of each student, participation in this program is a required component of what it means to be a student at Warner Pacific University. Therefore, students who do not complete and log the required number of service hours prior to the set deadline will be fined $10 per missed hour, with a maximum fine amount of $200, at the end of each semester.

If you have any questions about service hours, please contact the Service Learning Coordinator.

**CAMPUS SAFETY**

**Campus Safety 24 hour duty phone: 503.250.1730**

The Office of Campus Safety is located in the facilities building directly behind A.F. Gray Hall. Campus Safety’s primary concern is the protection of the people and property of Warner Pacific University, and it seeks to work with all members of the Warner Pacific University community to ensure a safe living and learning environment. Community members are encouraged to be aware of their surroundings at all times and to report suspicious persons or activities to Campus Safety. If walking on campus or in the surrounding neighborhood during the night, it is best to travel in groups of two or more. If traveling in a group is not possible, the Campus Safety officer on duty is available to escort community members within the confines of the Warner Pacific University campus. In order to prevent thefts, please do not leave valuables (backpacks, electronic devices, etc.) visible in vehicles or unattended in common areas (residence hall lounges, Student Life Center, Student Union, Tabor Grind, etc.).

Any and all incidents of stolen property or thefts, threats, accidents, etc., should be promptly reported to Campus Safety. As necessary, an officer will assist the student in filing a report with a local law enforcement agency. In case of injury (except life-and-death situations), Campus Safety should be the first agency notified. Campus Safety will notify Student Life and the proper emergency agency for assistance. In case of an emergency (assault, crime in progress, etc.) dial **911**. Contact Campus Safety as soon as possible once police are notified.

The Warner Pacific University campus is private property, and permission to enter or pass through it is revocable at any time. Anyone who fails to cooperate with University authorities, including Campus Safety personnel, will not be permitted on campus.

To contact a Campus Safety Officer 24 hours a day, 7 days a week, call 503.250.1730 (cell phone) or 503.517.2127 (ext. 2127 from any campus phone).
IN CASE OF FIRE ON CAMPUS

- Close Windows and Doors
- Activate Fire Alarm System

PARKING AND VEHICLE REGISTRATION

Vehicles driven on campus must be registered with Campus Safety and display a current Warner Pacific University parking permit. New parking permits can be purchased in the Office of Student Life for $65 per semester. The accounts of students who purchase a permit in the fall semester will be automatically charged for the spring semester.

Student Parking

The parking lots beside C.C. Perry Gymnasium, below Egtvedt Hall and McGuire Auditorium, Schlatter Chapel, and the lower library parking lot, as well as the West side of 68th Street (as per city ordinance) are available. Parking is NOT allowed in the A.F. Gray parking lots or in any other spaces on campus marked reserved for faculty/staff or visitors Monday through Friday from 8:00 a.m. until 5:00 p.m.

Resident Parking

The Division Street, Tabor Terrace, and Saxon Apartment complexes each have parking lots for their residents only. Parking at the Division Street, Tabor Terrace, and Saxon Apartment complexes is by permit and for residents only, as space is limited. Any visitors that wish to park in these parking lots must obtain an approved visitor parking permit from the Office of Student Life. In addition to the Warner Pacific University Parking Permit, a sticker obtained from the Office of Student Life (no extra charge) must be displayed on the issued parking permit. These stickers identify resident vehicles and allow Campus Safety to identify unauthorized vehicle parking. All other apartment and house residents must park on the street, in their respective driveways or in other parking lots approved for student use. Warner Pacific employees, students and their visitors are not permitted to park on the street in front of the neighboring properties at 2325, 2315 and 2245 SE 66th Avenue at any time. Campus Safety officers will place warning cards on the windshield of employee and student vehicles parked in front of these properties. A parking ticket will then be generated by Campus Safety and sent to the owner of the vehicle in campus mail. The fine will be placed on the employee or student account immediately.

Ticketing

Vehicles parked in unauthorized areas, parked improperly, or without a current parking permit will be ticketed. Five or more tickets can result in loss of campus parking privileges. Vehicles parked in “No Parking” zones, Handicapped Spaces, or Fire Lanes may be impounded at the owner’s expense.

WARNER PACIFIC UNIVERSITY IS NOT RESPONSIBLE FOR VANDALISM TO STUDENT AUTOS OR THEFT OF STUDENT VEHICLES.
SPECIFIC PARKING RULES:

The car license number and a description of the vehicle must be provided as requested on the Vehicle Registration form before a parking permit will be issued. 2. Speed is not to exceed 15 mph on campus.
3. Parking lots are not to be used for vehicle repair.
4. Un-drivable vehicles must be removed from the campus.

A variety of services are available to the Warner Pacific Community at the Counseling Center. Located in the Caldwell House between the science building and the Tabor Terrace Apartments, the Center is dedicated to supporting students as they identify their interests, talents, and skills and as they explore potential career paths. The Counseling Center is also committed to helping students remove obstacles along the way. Whether these obstacles are financial, physical, social, or personal, a visit to the Counseling Center is a good place to start when looking for solutions.

COUNSELING

Life counseling is available to and can benefit all Warner Pacific Students. Counseling services focus on engaging individuals in the assessment of their own strengths and in using these strengths to address obstacles that arise as they progress towards graduation. Communication strategies, strengthening relationships, time management, stress reduction, identity development, and healthy living are just some of the areas of personal growth that are typically encountered by college students. Should life stressors become overwhelming to any student, counselors at the Counseling Center are prepared to support students in crisis situations. While attending to the need to protect confidentiality, counselors will actively work with an individual’s support network and community resources in order to provide the care necessary to weather personal emergencies.

Confidentiality

The Counseling Center staff is firmly committed as well as legally and ethically obligated to maintain the confidentiality of those who seek counseling services. Confidentiality can only be broken in emergency situations or as required by law. The circumstances that may require disclosure of confidential information include:

1. Immediate danger to yourself (threat to life or bodily harm).
2. Immediate danger to another (violations of community standards are not considered an emergency).
3. Reports of suspected child (under 18) or elder abuse.
4. The Counseling Center director oversees all graduate work with student clients, and communication between the director and counselor takes place as necessary.
Other Services

STUDENT FINANCIAL SERVICES

FINANCIAL AID AND STUDENT ACCOUNTS

The Office of Student Financial Services is a resource to help students manage the financial responsibility related to their education. Office hours are 8:00 am to 5:00 pm, Monday through Friday. The cashier desk closes at 3:30 pm each day.

Warner Pacific University does not discriminate in its student admission and employment practices and provides equal opportunity for all student applicants and employees regardless of race, color, sex, gender, sexual orientation (including gender identity), national origin, religion, disability, age, veteran status, and any other applicable legally protected status. Students should apply for aid for the future academic year as soon after October 1 as possible. For more specific information regarding Financial Aid, please refer to the Academic Catalog located in the Records Office or on the WPU website, or contact the Office of Student Financial Services.

All charges, payments, and financial aid transactions are recorded in an individual student account. Each month a statement will be issued by the Office of Student Financial Services and placed in the assigned student campus mailbox. It is the responsibility of the student to share this information with parents or sponsors assisting with tuition payment. The Office of Student Financial Services staff are available by appointment for private consultation to discuss any financial concerns you may have.

The following are definitions and processes that will help you manage your Warner Pacific University account.

PAYMENT ARRANGEMENTS

1. Full payment or a payment arrangement is the final step in the Registration process and must be accomplished by August 1 for fall term and December 15 for spring term.

2. Financial arrangements may be made in the following ways:

   • **Payment in Full:** The student may use cash (US currency only), check, or debit/credit card, along with already confirmed financial aid to pay his/her balance due.

   • **WPU Payment Plan:** When a student has used all accepted scholarship and loan resources, an application for a pre-authorized automatic monthly debit/credit card payment or direct withdrawal from a checking or
savings account is available through the Office of Student Financial Services. There is a 5% non-refundable enrollment fee charged at the time the plan is put into place. Returned payments may result in a $25 service charge. Multiple returned payments may result in retroactive monthly service charges and plan termination.

- **Work Study Payment Plan:** Student account payments can be made by monthly payroll deduction from work study wages for balances under $1,000 for the year. See the Office of Student Financial Services for enrollment forms.

**UNPAID STATUS**

Full payment or an approved payment arrangement is the final step in the Registration process and must be accomplished before moving into housing or attending classes. A student is placed on unpaid status if satisfactory payment arrangements are not made by the first day of the semester. Failure to contact the Office of Student Financial Services may result in a voided registration. Unpaid balances, including those created or increased after initial clearance, may be subject to a 1.5% monthly service charge (18% annually).

**OUTSTANDING STUDENT ACCOUNT BALANCES**

Failure to meet arranged payment plan terms may result in plan termination. Delinquent monthly accounts, and any deferred payment arrangements, incur service charges. Continuous nonpayment may result in an administrative withdrawal from enrollment and may prohibit the student from registering in subsequent semesters and obtaining official and unofficial transcripts until such obligations are satisfied. Prior to the end of enrollment, graduating students must owe less than $1,000 on an approved automatic payment plan in order to participate in graduation ceremonies. Diplomas and transcripts are not released to any student until their student account balance is zero. In addition to withholding transcripts, records, or diplomas until all University expenses are satisfied, Warner Pacific reserves the right to preclude students with past due balances from representing the University in public activities or events.

Students experiencing legitimate extenuating circumstances relating to their financial situation are encouraged to meet with Student Financial Services personnel for counseling.

**Charge/Credit Details**

1. Course changes are permitted within the add/drop period. Students are responsible for account balances created by requested changes and are advised to contact the Office of Student Financial Services for counseling. Full withdrawal from the University may incur withdrawal charges. See catalog.

2. Special fees are charged for selected courses (e.g. Malheur Field Studies, art, applied music, lab, and some religion courses, and all independent study or tutorials). These fees are in addition to tuition charges. Fees will generally be posted and charged at registration.

3. Students whose accounts reflect a credit balance after all charges, aid, and loans are posted may request a check in the Office of Student Financial Services after the second week of school, on presenting proof of class attendance.

**Refund Policy**

If a student withdraws or is dismissed, a pro-rated amount of tuition and fees, except applied music fees, will be refunded based on calendar days attended. After 60 percent of the term has passed, no refund will be granted. Any refund may be reduced by the tuition deposit, room reservation deposit, and meals consumed. Additional charges may arise from the terms and conditions of a residential lease.

**POLICIES AND SERVICES**
1. If a student wishes to challenge a class or take a tutorial, a routing slip from the Records Office must be obtained and the process on the routing slip followed. There is a fee for each process.

2. Returned check policy: Checks and/or electronic payment plan payments returned from the bank are assessed a $25 service charge. Students will lose payment by check privileges after two returned checks.

3. To withdraw funds from student accounts with a credit balance, a check request must be filed with the Office of Student Financial Services. Requests must be made before Wednesday 12:00 p.m., and checks will be available in the Office of Student Financial Services after 3:00 p.m. Friday.

4. Student employment and refund checks must be picked up and signed for by the recipient, the recipient will need to show picture ID. Refund checks may be mailed to the permanent address on file in the Records Office.

5. Student employment checks are available in the Office of Student Financial Services on the last working day of each month. If student employment earnings are directly deposited to a bank account, a pay stub is mailed to the on-campus student mailbox.

Special Financial Counseling: This service is available for both new and returning students. Please contact the Office of Student Financial Services to set up an appointment.

STUDENT EMPLOYMENT

Students may work on campus part-time while attending school, and they may work full-time during the summer and other vacation periods. Most positions are on campus and the Office of Student Financial Services makes the awards for Federal Work Study positions. Students are paid at least minimum wage, but may earn more for specialized work. After eligibility is determined in the Office of Student Financial Services, interested students should consult a listing of available positions kept in the Office of Student Employment as well as on the Warner Pacific University website, then apply and interview for the position. Positions are offered to the most qualified applicants. Federal Work Study eligibility does not guarantee a position. All students employed on campus must complete paperwork in the Office of Student Employment prior to beginning work.

RESIDENCE LIFE

A Warner Pacific University education is not limited to the classroom experience. Living on campus provides opportunities for learning and engagement that are unique to the University environment. Our Residence Life program is designed to maximize these learning opportunities through numerous academic, social, and spiritual experiences on campus and in the local Portland community. The following pages provide information you need to know to make the most of your residential experience. This section also contains the policies and regulations governing housing on the Warner Pacific University campus.

The Department of Residence Life maintains a 10-person professional and paraprofessional staff that provides 24-hour on call assistance, housing services, and various forms of programming for residential students. Resident Assistants, commonly referred to as RAs, are experienced Warner Pacific University students living in the residential facilities. RAs are trained to provide assistance with housing related issues (maintenance requests, noise disturbances, lock-outs, etc.) and trained to facilitate the creation of a healthy living and learning environment.
RESIDENCE LIFE POLICIES

Residential Community
The residential community at Warner Pacific University often provides the most memorable and life changing experiences for our students. Therefore it is essential that we hold our students to the highest standards of care and respect for one another. The following policies and expectations are necessary guidelines for the efficient management of our residential community. These guidelines are not intended to restrict individual freedom, but rather to provide the structure that enables individuals to pursue community.

Alcohol, Marijuana, Tobacco, and Illegal Narcotics Restrictions
Purchase, possession, storage, or use of alcohol, tobacco, marijuana, and illegal narcotics is prohibited on campus and in campus housing. Alcoholic beverage containers, posters, clothing, and other items advertising alcoholic beverages may not be openly displayed in living areas even for decorative purposes. Smoking and/or vaping is not permitted anywhere within the campus boundaries.

Conduct
Residential students and their guests must respect and comply with the community agreement expectations, the rules and expectations outlined in the housing contract, and all University and Residence Life policies and procedures. Students are also held accountable to local, community, state, and federal authorities.

Duty Coverage
The Residence Life Staff is on call to respond to lock-outs and other issues outside of normal working hours. If you need assistance you can call the on-duty cell phone at 503.729.4150. Students that repeatedly request assistance for lock-outs may be fined.

Emergencies
In the event of an emergency, contact Campus Safety and a Residence Life staff person. Students may call Campus Safety 24 hours a day, seven days a week at 503.250.1730. A residence life staff member is also available 24/7. If the emergency is a matter that requires immediate attention from police or is a fire or medical emergency, ALWAYS CALL 911 FIRST! Be sure to identify yourself by giving your name, the building location, and the nature of the emergency. Stay on the line until the operator dismisses you. Location information can be found near most landline phones around campus.

Entrance Restrictions
It is the University’s policy to respect each Resident's right to privacy in his/her residence. The University agrees to give reasonable notice, typically 24-48 hours, prior to entering a residence for routine maintenance and inspection. Residents will not unreasonably withhold consent to the University or its designee(s) to enter a residence in order to inspect the leased premises, or make reasonable or needed repairs or improvements.

University personnel and/or their authorized designee(s) may enter a resident's leased premises without notice for an emergency, maintenance work, fire and life safety inspections, fire drills, insuring compliance with health and safety standards, inspection in connection with a reasonable cause to believe there have been violations of University policy or state or federal law on the leased premises, or to check the status of the leased premises.

If a resident has not completely vacated his or her leased premises within 3 days following the end of the contract term of the lease, Residence Life personnel and/or their authorized designee(s) may enter the leased premises without notice and may remove any or all personal items that have not been removed by the exiting resident.
By submitting a work order to a University staff member to make repairs to a residence, a resident gives permission for the Maintenance Department and University staff to enter the leased premises to accomplish the requested repairs even if the Resident is not present.

**FIRE SAFETY**

**Smith and Warman Halls**: Both Smith and Warman residence halls have a central fire alarm system. If you encounter a fire, activate the nearest fire alarm pull station, close windows and doors, and evacuate the building according to the posted evacuation routes. Call 911 as soon as you are a safe distance away from the building. Stay away from the building until you are instructed to return by Residence Life Staff.

**Campus Apartments and Houses**: Each apartment and house is equipped with battery operated smoke alarms. In the event of a fire close all windows and balcony/patio doors and exit the unit. Call 911 as soon as you are a safe distance away from the building.

Portland City ordinances require notification to the Portland Fire Department whenever there is an “unfriendly” fire, even if it has been extinguished. Failure to do so warrants criminal prosecution. Therefore, all unfriendly fires, regardless of the size, require initiating the alarm and immediate notification of Campus Safety and Residence Life staff.

Tampering with a smoke detector is a major violation that may result in fines and/or disciplinary action. Immediately report any malfunctioning smoke detector to the Office of Student Life or to the on-duty RA. Do not attempt to repair a malfunctioning smoke detector yourself.

Anyone found to have caused a fire maliciously or recklessly (no matter how small), or who tampers with firefighting/life protection equipment, initiates a false alarm, or fails to comply promptly with requests from University employees or the Fire Department, puts the lives of other people at risk. Such behavior cannot be tolerated and violators jeopardize their status as a student and member of the Warner Pacific University community, and risk concurrent criminal prosecution.

**GUEST POLICY**

As an on-campus resident, you are responsible for your guests who visit on campus. While on the Warner Pacific University campus, all guests must abide by the community agreement, Residence Life and other campus policies, and state and federal laws. Residential students may host overnight guests provided the student receives permission from his or her Resident Assistant, the guest is of the same gender and the guest and student are not romantically involved. No guest may stay overnight in a student’s room or apartment for more than three consecutive nights or more than five nights a semester unless prior approval for an exception has been granted by roommates and the Residence Life Coordinator. This ensures that an environment conducive to study, privacy, and personal needs of all students is maintained.

Students should inform their Resident Assistant of their plans to have overnight guests 24 hours in advance. On-campus students who fail to give advance notification to their RA of a visiting guest or who allow a nonresident (student or non-student) to remain in their room/apartment/house longer than three nights will be subject to a fine and further administrative action at the discretion of Student Life staff. Campus Safety, a Residence Life staff member, and other University administrators have the authority to remove guests from the campus at any time.

**HEALTH**

The Residence Life Staff is concerned with each student’s health and reserves the right to confront students regarding serious health problems. The University reserves the right to deny housing to students whose health needs have not
been or cannot be satisfactorily met and if such action is determined to be in the best interest of the University and the occupants of the living areas.

LOUNGES
There are two lounges in Smith Hall and one in Warman Hall. They are open 24 hours a day. Lounge space is primarily reserved for studying but may be reserved for social events with the Director of Campus Life. Students are responsible for the proper care and maintenance of lounges and all common areas. If the condition of any common area is altered or damaged, the person(s) responsible may be charged and/or receive disciplinary action. In the event that the responsible individual is not discovered or doesn’t come forward, the charge may be assessed to a group of students.

NOISE
Maintaining an environment conducive to academic success is very important so students are required to limit noise that can be heard outside their room. All residential areas have quiet hours from 10 p.m. to 8 a.m. Students bothered by excessive noise are encouraged to approach the individual or group responsible before involving Residence Life personnel. After an initial effort to resolve the situation, the student may contact Residence Life through the Resident Assistant on duty at (503)-729-4150

Students are free to have audio equipment in their rooms. The amplification should be controlled so that neighbors both inside and outside of the building are not disturbed. Speakers must not face or be placed in windows. The installation of outside aerials for televisions is not permitted. Failure to keep the noise level of sound equipment reasonable will result in removal of the equipment from the student’s room.

QUIET HOURS AND VISITING HOURS
The entire residential community is subject to quiet hours. Students responsible for any noise disrupting the sleep or study of others during quiet hours may be subject to judicial action. Quiet hours start at 10:00 pm and end at 8:00 am.

In addition, Smith and Warman Halls are subject to visiting hours. Visiting hours exist to maintain the privacy for women in Smith Hall and for men in Warman Hall.

During the following times men and women can freely access either residence hall:

- Sunday-Thursday: 11 a.m. – 12 a.m.
- Friday and Saturday: 11 a.m. – 2 a.m.

Students hosting guests of the opposite gender or dating partners in their room during visiting hours are expected to keep the door open. With the exception of married couples, students are not permitted to allow members of the opposite sex or dating partners to spend the night in their room, apartment, or house for any reason. The Office of Residence Life reserves the right to terminate visitation privileges due to disruptive behavior, disrespect for others, or any other circumstance deemed an abuse of privileges.

RESIDENTIAL TRANSFER
Students wanting to transfer rooms or apartments for any reason must contact the Director of Campus Life before making any moves. Students who change rooms without approval from the Office of Residence Life or without completing all room-change procedures may be fined and/or subject to further disciplinary action.

RESIDENCE HALL COUNCIL
The students in Smith and Warman Halls will have the opportunity to form a Hall Council each academic year. The Hall Council’s primary responsibility is to represent the residence hall students to the Office of Residence Life, to plan social activities for students in the residence halls, and to manage a designated portion of the hall council budget.

**HOUSING POLICIES**

Housing services are administered out of the Office of Residence Life. The Residence Life staff, including RAs, is responsible for ensuring that students understand and abide by all housing policies.

**STUDENT RESIDENCY REQUIREMENT**

All full-time students (12 credits or more) are required to live on-campus unless they meet the following requirements and choose to commute:

- Commuting from parent or legal guardian’s home.
- At least 21 years of age by September 1.
- Have 90 or more units by September 1.
- Have established residency within a commutable distance for 12 months or longer.
- Married.
- Serve as the primary caregiver for a dependent child under 18 years old.

Students choosing to commute must complete a Commuter Living Option form and supporting documents, e.g. proof of residence requirement (lease), proof of marriage, etc. to the Housing Coordinator in Student Life prior to the semester start date.

Students who live on campus are required to live in the residence halls unless they are over 20 years old or have earned at least Junior-level status (60 units) by September 1 of the given academic year.

**HOUSING ASSIGNMENTS**

Residence Life housing assignments are made as follows:

**Returning Students:** Returning students who participate in the housing lottery have first priority and opportunity to secure housing for the following academic year. Students who do not meet the deadline for the housing lottery will have the opportunity to sign up for housing after the lottery is complete. In order to secure the space, a housing contract must be completed on time. If a contract is not completed by the deadline, the student(s) will forfeit their opportunity to their desired space until after the lottery is complete. The Office of Residence Life reserves a limited number of spaces for incoming married students and students with children. Contactjlrichards@warnerpacific.edu for more details about registering for housing.

**New Students:** New students are placed throughout the summer preceding the academic year. Most first and second year students who live on campus are required to live in the Residence Halls and participate in the Platinum Board Plan. Third and fourth year students who choose to reside in the Residence Halls are also required to purchase a Platinum Board Plan. Students qualify for placement once the Office of Residence Life has received a Housing Placement Form and notification that the $250 housing deposit has been made. The Office of Residence Life and Admissions work together to place students who are compatible based on the information in the completed Housing Placement Form. Requested accommodations and roommate preferences are honored whenever possible. The Office of Residence Life reserves a limited number of spaces for incoming married students and students with children.

All new and returning students must fill out either a Housing Placement Form or a Commuter Living Option form prior to the semester start date.
MARRIED & FAMILY HOUSING
Beginning July 1, 2019, WPU will no longer offer married and family housing within traditional student housing. Any student currently approved for married or family housing will be granted an extended approval for up to four additional semesters, but no new requests will be approved. For those students, the policy below still applies.

Students who are married or are the primary caretaker for dependent children under 18 years old are eligible to request an exemption for the student residency requirement per the standard housing policies. The Housing office may also help married students and students with families locate area rental resources if desired.

Student married and family housing is reserved for full time students who are married or are single parents. Those permitted to live in married and family housing include the student, their spouse and their children. Extended family members are not permitted to reside in University housing facilities. Guests are allowed for a limited duration. See Guest Policy on pg. 48.

Married students are eligible for one or two bedroom apartments however, households with children will take precedence when placing in two-bedroom housing. Apartment availability is limited; married and family housing is issued based on available space.

Eligibility for married and family housing requires that proof of the previously noted qualifications be provided and approved by the housing coordinator prior to housing placement. Proof may include marriage certificates, birth certificates of any children or other documentation giving adequate proof of these relationships.

Keys for Married and Family Housing

A key will be supplied to both the student and to their spouse. If additional keys are needed for children in the household, an application may be completed and upon approval, additional keys will be provided. Please note, a $15 fee will be charged to the student's account for each key unaccounted for upon check out. Additional fees to change locks for lost keys may apply. See Building Access and Security for key policies. 52.

CHECK-IN/CHECK-OUT

Students may not move in to University housing before the posted date and must vacate their rooms or apartments on the date in the housing contract. Any exception must be cleared with the Office of Student Life prior to finals week. Failure to abide by check in or check out dates may result in additional housing costs. Contact the Office of Student Life or refer to the housing contract for specific information about check in and check out dates.

Check-In Procedure: Students must complete all paperwork in the student housing file before receiving a room or apartment key. This includes reading and signing the housing contract, and signing for the key(s) to the residential facility. When you receive your key, Residence Life will also provide a copy of the Room Condition Inventory (RCI) for your room/apartment. The RCI is an inventory of your unit completed by Residence Life prior to your move in. It is essential that students verify the reporting of all damage on this form within 24 hours of moving in. Students will be charged at check out for damage not reported on this form that exceeds normal wear and tear.

Check-Out Procedure: Each student is responsible to check out of his or her room/apartment for all room changes and at the end of the housing contract’s lease term. Check-out forms will be available outside the office of student life and emailed to all students before their check-out deadline. Check-Out includes four steps.

1. Removing all items and cleaning the unit
2. Reporting any damage or maintenance concerns
3. Confirming damage and other issues with remaining roommates
4. Turning in keys and Check-Out form.
Students are not considered checked out of housing until the Res Life office has received their keys and check out form. Late fees apply if a resident does not complete all steps by the deadline.

**Damages**

After the room or apartment is vacated, a Residence Life representative will complete a damage and fines assessment for each room or apartment. All housing related charges will be posted to student accounts, and the bill will be mailed to the forwarding address. Students with fines exceeding $50 will receive an email from Residence Life including the specifics of the charges.

**Abandoned Items**

All students are responsible for removing everything from their unit when they check out. Any personal property, including but not limited to, goods, bicycles, or motor vehicles, left after termination of the occupancy for any reason, will be considered abandoned and students waive any right to any recovery from the University, either of the abandoned property or compensation for such abandoned property. Residence Life will remove any items left over and charge a dumping fee when a student moves out.

**Housing Deposit**

Each resident is required to place a refundable $250 Housing Deposit on his or her account before the occupancy date in order to reserve the premises he or she wishes to lease. During the occupancy of the leased premises, the deposit shall remain on the account, without accruing interest, as surety for any damage or cleaning charges. The resident agrees to maintain the deposit amount at all times during the term of this lease and for any subsequent lease period for as long as the resident remains a student at Warner Pacific University. The deposit will be refunded after the leased premises have been inspected by a Residence Life staff member and damages and fines have been assessed.

**Balconies and Porches**

Students are responsible for the appearance and upkeep of their balconies and porches. If a Residence Life staff member or University official determines that a balcony or porch is in an unacceptable condition students will be notified and given an opportunity to fix the problem. If the problem is not fixed within the given time period the student(s) responsible may be fined or subject to further disciplinary action.

**Bicycle Storage**

You may have a bike on campus, but it cannot be stored or kept in a residence hallway, lounge, hall, stairwell or entryway. There are bike racks inside the residence hall laundry rooms, outside of the residence halls, in front of the library, Schlatter Chapel, and the gym. Bicycles should be locked when stored or parked on campus. The University accepts no responsibility for the safekeeping of bicycles. Campus Safety personnel will remove bicycles left in stairwells or any other common area within a residence hall.

**Building Access and Security**

It is critically important that the University maintains the security of the residential facilities. Therefore, it is required that students keep their apartment or room locked. Students are responsible for their University issued keys(s) until they check out. No resident may loan his or her residence key(s) to anyone for any purpose. All housing keys are checked out at the Office of Student Life and returned at check out. If a key is lost or stolen please report it immediately to the Office of Student Life and receive a new key. Replacement keys and ID cards are $15. In some circumstances it may be necessary to replace the lock when a key is lost. In such cases the student responsible may be charged for replacing the lock as well. Residents who fail to return keys at checkout will be charged for the replacement of both the lock and the key.
ID CARDS
Every Warner Pacific University student is issued a Student ID Card, which serves as an identification card, a meal card, library card, and admission to campus events. It is also your key to gain access to certain buildings on campus.

Because it is also an access card, there are some guidelines you must follow in order to maintain a safe and secure campus.

- Do not bend or punch holes in Student ID Card.
- Keep Student ID Card away from cell phones.
- Do not loan your card to anyone – student or otherwise. If found doing so, you may face the loss of certain areas’ access privileges.
- If your card is lost or stolen, contact the Office of Student Life, 503.517.1007.
- Replacement Cards: If a replacement card is needed for any reason (lost, stolen, damaged, name change, etc.), the cost to replace is $15.

DISABILITY ACCOMMODATIONS
Students wanting reasonable accommodations due to a disability must submit a request with acceptable documentation to the Office of Student Life prior to requesting housing. Students are asked to include any supporting documentation regarding their need for accommodations. The Office of Student Life and the Warner Pacific University disability services representative will make an assignment based on the availability of space, the individual’s needs, and the University’s ability to reasonably accommodate the student.

ELECTRICAL USE
Due to the limitations of electrical circuits and for a variety of safety reasons, electrical appliance usage must be limited. Acceptable electric appliances with proper care and usage within student rooms are:

- Small refrigerators (up to 4.1 cu. ft.)
- Microwave
- Coffee Pot
- Hot-air popcorn popper
- Hairdryer
- Curling irons/curlers/flat iron
- Clothes iron
- Televisions
- Radios and stereos
- Computers
- Fans
- Blu-ray/DVD Players

All heat producing electrical appliances must be plugged directly into the wall outlet and need to be U/L approved. Residence hall rooms are not equipped to support the use of cooking appliances with the exception of microwaves. However, a community kitchen is available in the Warman Hall 24-hour lounge. The use of extension cords is
prohibited although students may use power strips that contain surge protectors. If you are unsure about a particular electrical item please inquire with the Office of Student Life. Students may request the use of other appliances through the Office of Student Life. Accommodations will be made when possible, although an extra fee may apply.

**FIRE AND LIFE SAFETY**

Once each semester the Office of Residence Life, in cooperation with the Maintenance Department, conducts Fire and Life Safety Inspections. These inspections are to find fire hazards, maintenance issues, and other facility related problems. University personnel are not looking for infractions of the community agreement or other campus and Residence Life policies. However, personnel are required to report any infraction he or she sees as a result of the inspections.

**Flammables**

At no time may any flammables be stored in or around living areas including fireworks, open candles, and incense. *Open flame or combustibles, including but not limited to open* candles, incense, oil burning lamps, and potpourri pots may not be burned in any residential unit. Fuel driven engines (e.g., motorcycles, mopeds, etc.) may not be stored in student housing. Safety concerns prohibit real Christmas trees and boughs as well as the large decorative Christmas lights in residence halls. Small, decorative, artificial Christmas trees are permitted in apartments and houses. Fire safety reasons also prohibit posters, tapestries, etc., to be hung or placed on ceilings. Barbeques are not permitted in campus housing.

**FURNITURE**

University owned furniture must not be moved in or out of rooms or apartments. This includes exchanging furniture with another residence. There may be a fine for such removal even if the item is returned at a later date. In addition, students with lobby/lounge area furnishings in their possession may also be subject to a fine and possible further disciplinary action. This furniture is to remain in the lobby/lounge area for everyone to use and enjoy.

Although most apartments and houses come unfurnished, a limited amount of furniture is available for rent. Beds, including a mattress, are available for $125 per academic year. Dressers and desks are available for $50 each per academic year. The set of three may be rented for $200. No refunds are available regardless of early departure. Furnishings provided are to be used in a manner for which they are designed. Removal, damage, or destruction of furniture may result in a fine and a replacement charge. At check in and check out, it is the renter’s responsibility to contact a Residence Life staff member and return the furniture to storage.

**HALLWAYS**

Hallways and stairwells must remain free of debris, personal items, and decorations. Students found in violation of this policy will be notified of the infraction and be given an opportunity to remove the items. If the problem is not resolved within the given time frame, students may be fined or subject to further disciplinary action.

**LAUNDRY**

Personal laundry may be done in the washers and dryers installed in the laundry rooms. Inoperable machines should be reported to the Office of Student Life (ext. 1088) immediately. The University is not responsible for lost or stolen items in the laundry rooms. To view machine availability, please visit [www.laundryview.com/lyv.php?s=611](http://www.laundryview.com/lyv.php?s=611) and click on the laundry room you wish to view. Students may also request text message notification for when his/her laundry cycle is complete.

**MAINTENANCE**
**Malfunctions/Tampering/Alterations:** Students must report all equipment malfunctions, failure of essential services, or repair needs to the Housing Coordinator. Please report emergency malfunction situations to the on duty Residence Life staff member immediately, 503.729.4150. Students or student’s guests must not tamper with the heating system, refrigerator (or other appliances), locks/doorknobs, entrance or hall doors, lights, smoke detectors, or make any alterations of any kind to the leased premises.

**Pests:** Students must report the existence of pests in or around the leased premises (i.e. insects or rodents) to the Office of Student Life immediately.

**PARKING**
Parking on the University campus is limited. All students wanting to park a car on the campus must purchase a parking permit that allows access to two common parking areas, the McGuire/C.C. Perry Gymnasium lot and the Otto F. Linn Library lot. Residents of the Tabor Terrace, Division St., and Saxon apartments each have their own parking lot. However, apartment residents must obtain and display a unique sticker on their parking permit. Apartment residents may visit the Office of Student Life to receive their sticker during Welcome Week or once they arrive on campus. Visitors to campus are welcome to park in any of the assigned visitor spaces, or can get a visitors pass from the Office of Student Life. The University is not responsible for damage, loss, or theft of students’ or visitors’ cars. **Warner Pacific employees, students and their visitors are not permitted to park on the street in front of the neighboring properties at 2325, 2315 and 2245 SE 66th Avenue at any time.**

**PETS**
Students are not allowed to keep pets of any kind on campus. This also includes feeding and temporarily housing animals in or around living areas. In the event a pet is discovered in a house, apartment or the residence halls, each resident will incur a fine. Residents will also be held accountable for any damages found upon check out, including but not limited to, extra cleaning charges or the replacing of carpet. Residents who require an animal to treat a disability should consult with the Disabilities Resource Center.

- If an animal is discovered in unit, even temporarily, the student receives a $50 fine and must remove the animal.
- If the animal is an emotional support or service animal the resident will have two weeks to bring documentation to the Disabilities Resource Center or remove the animal until they can provide documentation. Please see the disability services section for information about emotional support or service animals.
- If they have not removed the animal or brought sufficient documentation in two weeks, the fine is increased to $300. No refunds or deductions will be given.
- An additional $200 per-month fine is charged until documentation is received or the animal is removed. The monthly fine is calculated from the day the animal was discovered.
- Continued violations of the pet policy may be referred to student conduct to adjudicate as non-compliance with university policy.

**RELOCATION AND TERMINATION**
The University reserves the right to relocate student(s) to another housing assignment or terminate a student’s housing contract and remove him or her from campus housing under the following conditions:
• If a resident fails to make any rent or other payment under the housing contract within 10 days after written notice to the resident that it is due, the University may terminate the housing contract with 3 days’ notice to the resident.

• For the benefit of an individual resident and/or the community, behavior that disrupts individuals or the community will be grounds to relocate a resident to another assignment or to cause the resident to vacate the leased premises and terminate the housing contract (i.e. disorderly conduct, harassment, unreasonable noise, violation of Residence Life policies or expectations) with 3 days’ notice. If a resident threatens to inflict, or actually inflicts, personal injury or substantial damage to the leased premises, commits an act that is a significant disruption to the community, or commits any act that is outrageous in the extreme on the leased premises or on campus, as “outrageous in the extreme” is defined by ORS 90.396(f), then on behalf of the University the Director of Student Rights and Responsibilities has the right, in his/her discretion, to immediately terminate the offending resident’s housing contract with notice and require the resident to vacate.

• Failure to comply with instructions to vacate after termination or relocation by University may result in the removal and storage of the noncompliant resident’s possessions at the resident’s expense.

• The housing office will frequently consolidate room assignments at semester. If a room or apartment is occupied at 50 percent or less, the student may be asked to move into a new assignment at semester.

ROOM/APARTMENT MAINTENANCE

Student Repair and Upkeep of the Leased Premises: Students in campus housing are required to keep and maintain their apartment or room in good and sanitary condition, to properly dispose of all rubbish, garbage, and other organic or flammable waste regularly; not to intentionally or negligently destroy, deface, damage, repair, or remove any structure or fixtures located on the leased premises and surrounding property belonging to the University, nor permit any invitee, licensee, or any other person under the resident’s control to do so. Students are responsible to repair clogged waste pipes, bathtubs, toilets, or washbasins and for replacing light bulbs.

Students are also responsible for the condition of his or her living area at the termination or expiration of the housing contract. The Residence Life Staff reserves the right to enter University property, including individual rooms or apartments leased from the University, to ensure that each unit is being maintained properly and that no damage has occurred beyond normal wear and tear. Extra cleaning and additional checkout fees may be assessed for failure to comply with maintenance and sanitation expectations.

Damage/Destruction: Students are responsible for all damages to his or her apartment or room, equipment, and appliances that is caused by the student’s willful misconduct or negligence, or by the student’s guests or invitees. Damage or loss within a room, house, or apartment is the joint responsibility of the occupants. Any cost incurred to repair and/or clean public or shared areas will be equally split and assessed to the entire living group of students if the person(s) responsible is/are not identified. Each resident is responsible for reporting any damages or maintenance needs to their Residence Life staff member immediately so repairs can be made in a timely manner. All fines and costs for repair of damages will be assessed according to the Damage Repair/Replacement Cost Sheet, a copy of which is attached to the RCI and is available upon request.

Malfunctions/Tampering/Alterations: Students must report all equipment malfunctions, failure of essential services, or repair needs to their Residence Life staff member. Please report emergency malfunction situations to the on duty Residence Life staff member immediately, 503.729.4150. Students or student guests shall not tamper with the heating system, refrigerator (or other appliances), locks, entrance or hall doors, lights, smoke detectors, or make any alterations of any kind to their leased premises.
Decorations: Fewer than 10 small nail holes per wall are permitted for hanging pictures and other items on your walls. Masking, scotch, double-sided tape, adhesive hooks, and screws are strictly prohibited as these often leave damage when removed. Any pictures or decorations that are sexually or racially inappropriate, or drug and alcohol related, are prohibited in all the University housing units.

Storage
There is limited storage space available for the residence halls and the apartments. Those wishing to use any storage space must contact the Student Life Coordinator. All stored belongings are to be in boxes or suitcases, if stored in the residence halls, with name and contact information attached. The SAC must approve any items that cannot be boxed or put in suitcases. Apartment storage spaces may be rented during the academic year and summer months. Storage of personal belongings in University facilities is at the individual’s risk. Articles will be discarded or donated if not removed at the completion of the storage agreement term. Carpets, furniture or any other item may not be stored outside of locked storage spaces. Any items left in the open areas will be considered abandoned and will be discarded or donated by the University.

Weapons
The possession of dangerous weapons is prohibited including slingshots, firearms (including BB guns), knives, and explosives (firecrackers, fireworks, dangerous chemicals, or propulsion devices). A dangerous weapon includes: a) any item or instrument defined as a weapon by local, state, or federal law, b) an item designed to cause injury or incapacitate another person, c) any item used to harass, threaten, intimidate, assault, or batter another person, or d) any item the University deems as dangerous.
