CLARK COLLEGE DEGREE/TRANSFER INFORMATION:

Associate of Arts/Direct Transfer Agreement (DTA) – The degree will be accepted as having met all core studies requirements except for the three advanced-level core course requirements (REL 220 or 320, ILR 300, and HUM 310 or 410).

Other Associate Degree – Completion of another associate degree (such as the AS, AST, AAS, AAST, or AGS) does not guarantee fulfillment of all lower division Core Studies requirements for a Warner Pacific baccalaureate degree. The transcript will be evaluated on a course-by-course basis using course equivalency chart. Having completed an associate degree does qualify a student to be admitted with junior status. The student should work with an Academic Advisor to plan for transfer to the school and major of their choice.

Transfer without a Degree – Students may elect to earn credits and transfer to Warner Pacific without earning an associate degree. Please meet with an Academic Advisor for an individualized plan of study.
