

Waiver of Federal Student Aid 2021-2022 Academic Year

I do not plan to use any federal assistance including loans to finance my educational expenses for the 2021-2022 academic year, will not file the Free Application for Federal Student Aid (FAFSA) and hereby request the FAFSA filing requirement be waived. I have made/plan to make, acceptable payment arrangements with the Office of Student Financial Services no later than the due dates for each semester by calling 503-517-1207 regarding charges incurred as a result of enrollment.

I understand that my educational expenses must be paid (or arrangements made) before classes begin each semester.
