

B.S. in Finance

Warner Pacific University 4-Year Degree Plan

This sample curriculum is designed to show you how a program may be constructed to complete the major in 4 years. Various factors can influence your personal degree plan, including transfer coursework. You should work with your academic advisor to design a personalized program of studies.

The Business Division offers multiple minors that enable students to focus their studies on a particular area of interest. Business majors are strongly encouraged to select a minor to enhance their program of studies.
