## Transfer Guide for Clackamas Community College

**Transfer Associate Degrees:** The AAOT (Associate of Art Oregon Transfer Degree) and ASOT (Associate of Science Oregon Transfer Degree) degrees will be accepted as having met all lower-division core studies requirements for a baccalaureate degree. Students will still take the three advanced-level core requirements (REL 320, ILR 300, and HUM 310) after transferring to Warner Pacific University.

**Other Associate Degrees or Transfer without a Degree:** Students who transfer with another associate degree (such as the AS, AST, AAS, AAST, or AGS) or who transfer without a degree will have their transcript evaluated on a course-by-course basis for using the general education core course equivalency chart.
