

2025-2026 Verification Worksheet

Tax Non-Filing Statement

Your Free Application for Federal Student Aid (FAFSA®) was selected for review in a process called Verification, which requires our office, per federal law, to compare your FAFSA® results with required acceptable documentation. Our office may ask for additional documentation to resolve conflicting information in addition to this worksheet. In our review, if there are differences, our office will submit the corrections back to the federal processor and you will receive an updated FAFSA® reflecting the corrections. If you have questions about Verification, contact our office as soon as possible so that your financial aid will not be delayed.
