

B.S. in Biological Science: Human Biology Emphasis Pre-Chiropractic Advising Track

Warner Pacific University 4-Year Degree and Advising Plan

This sample curriculum is designed to show you how a program may be constructed to complete the major in 4 years. Various factors can influence your personal degree plan, including transfer coursework. You should work with your academic advisor to design a personalized program of studies. This plan includes the courses required to apply and be accepted for most Doctor of Chiropractic Medicine programs for students who are in the pre-professional track for pre-chiropractic. This program includes multiple courses that are offered every 2 years on a rotating basis. Course offerings will vary depending on the date of your entry into the program.
