Warner Pacific University 2-Year Degree Plan

This sample curriculum is designed to show you how a program may be constructed for the junior-standing transfer student to complete the major in 2 years. **This plan assumes you have successfully completed the following college-level coursework that has been approved for transfer to WPU:**

- **At least 60 semester credits of transfer credit**
- **All lower-division core requirements** for Warner Pacific University through one of the following options:
 - Successful completion of an Associate of Arts for Oregon Transfer (AAOT) degree
 - Successful completion of a Washington Direct Transfer Agreement (DTA) associate degree
 - Successful completion of all required individual courses for lower-division core
- **Full year Human Anatomy and Physiology sequence of courses** with a grade of C- or higher
- **Pre-calculus course (or proficiency)** with a grade of C- or higher
- **Intro to Statistics course (or proficiency)** with a grade of C- or higher
- **Nutrition course** with a grade of C- or higher

If you lack any of these requirements, you will need to add them to your degree plan and may require more than 2 years for completion. You should work with your academic advisor to design a personalized program of studies.

This program includes multiple courses that are offered every 2 years on a rotating basis. Course offerings will vary depending on the date of your entry into the program.
